2 Office Held

Member, Planning Commission, City of San Antonio

3 Name of person described by Sections 176.002(a) and 176.003(a), Local Government Code

Overland Engineering LLC who is potentially attached to Plan Amendment Application Case No. PA 12044 (Item 35, June 13, 2012 Planning Commission Meeting) as a future engineer of record.

4 Description of the nature and extent of employment or other business relationship with person named in item 3

It was mentioned by applicant, Brown and Ortiz, PC, that a future potential developer's engineer of record for the land if this Plan Amendment and inevitable associated future zoning application is successful would be Overland Engineering, LLC, who from past project submittals and in my strong opinion, is an entity who would most likely give my firm employment as a TDLR RAS of record for this project if it proceeds forward.
