DISTRICT 1 ESSENTIALS

FEBRUARY 2020

A VOICE FOR ALL

A note from District 1 Councilman Roberto Treviño

Neighbors,
On Monday, February 10, **Culture and Neighborhood Services Committee held the first meeting** where the Renters Commission was introduced for consideration. I am proud to Chair this committee and believe strongly in the opportunities that a Renters Commission could bring to our city. **47% of San Antonio's population is made up of renters;** and deserve a commission represented by those who can speak with experienced understanding on issues that are specific to them. On February 29, I will be hosting a Renters Commission Town Hall Meeting at the San Antonio College; and welcome everyone who is a renter, would like to share their experiences or be a part of the conversation, to join us for this meeting. In work done together lies the answer to designing a solid platform not for just those in District 1, but across San Antonio.
