Date: January 15, 2014

Release No: 008

MEDIA ADVISORY

SAPD Seeks the Public's Assistance

(The report is not available but an updated synopsis is in the e-mail)

The San Antonio Police Department is asking for assistance in identifying a suspect vehicle and its driver that was involved in a Failure to Stop and Render Aid – Death that occurred earlier today, January, 15, 2014 at about 6:50 a.m. on the 11700 block of Braesview, San Antonio, TX.

Below is a stock photo of the type of vehicle that was involved in today's fatality accident. The vehicle is described as being a pewter colored Chevrolet Colorado pick-up truck with dark tinted windows and front end damage with the bumper almost falling off.

Anyone with any information on the identity or whereabouts of the suspect vehicle or its driver are asked to contact the San Antonio Police Department at 207-SAPD (7273).

A Model City for all America: San Antonio

San Antonio is a model city for the new face of America—a diverse, progressive and globally competitive city with a solid vision for national and international economic development. The City of San Antonio maintains a strong financial position with a “AAA” general obligation bond rating from all three major rating agencies. The Milken Institute has ranked San Antonio No. 1 on its Best-Performing Cities list. As the seventh-largest city in the United States, San Antonio is experiencing solid economic growth in 21st century industries such as bioscience and healthcare. Biotech companies and healthcare systems in San Antonio contribute billions to the local economy. The Aerospace industry remains a dominant economic strength in San Antonio with the presence of several aviation and aerospace corporations, including the military. The military has had a significant relationship with San Antonio for more than 200 years and is home to several military commands. The city is also a cybersecurity hub; nationally recognized as a leader in the field of information security. San Antonio is positioning itself to be at the forefront of the New Energy Economy in the United States, committed to investing and creating employment opportunities in green industries. The travel industry also remains a consistent growing economy for the city, as millions of people visit San Antonio on a yearly basis. For more information, visit www.sanantonio.gov.
