Temporary Equipment Technician I
Fire Department

The City of San Antonio is recruiting for an Equipment Technician I (temporary). Under general supervision, is responsible for performing journey level heavy equipment mechanic work, including preventive maintenance, on off-road heavy construction equipment and heavy trucks.

Essential job functions include, but are not limited to the following: Performs repairs independently, including preventive maintenance and servicing of equipment; repairs heavy equipment such as gasoline diesel engines and hydraulic systems; adjusts clutches and brakes, repacks cylinders and replaces pins and bushings; makes road calls with Heavy Equipment Mechanic II's to service and repair malfunctions and assist in diagnostic tests; performs windshield and window replacements; performs minor body repair, including welding and parts fabrication; conducts road test of repaired or serviced equipment; performs related duties and fulfills responsibilities as required.

This position requires that the candidate possess a high school diploma or a General Education Development (GED) Certificate. One year of experience performing maintenance and repair work on heavy equipment; a valid Class "B" CDL Texas Driver's License or obtain a valid Class "B" CDL Texas Driver's License within thirty (30) days after becoming a resident of the State of Texas is also required. All job offers are pending satisfactory results from pre-employment drug testing, and reference, background and credential verification.

Salary ranges from $11.47 to $17.20/hourly, depending on experience and qualifications.

ONLY PAPER APPLICATIONS ACCEPTED. Apply in person or any of the Community Link Centers Monday through Friday (excluding holidays) from 7:30 AM to 5:15 PM, at the Human Resources Department located at 111 Plaza de Armas in downtown San Antonio. **Open until filled.**
