The City of San Antonio has 24 historic districts and over 2,000 individually landmarked properties. Selling homes in a historic district presents its own set of challenges and opportunities unique to San Antonio. This course will teach you to research historic properties, how to identify important architectural features and materials, and explain the economics involved in historic properties. You will learn how to market a historic home and highlight some of the benefits of owning a historic property. The City's Office of Historic Preservation will also discuss what it means to own a historic home in terms of renovations and alterations and the permitting process. 6 MCE hours, no legal credit.
