

CONSTRUCTION UPDATE

22 December 2015

PROJECT FAST FACTS

Time lapse construction video as of Dec. 21, 2015

Construction continues on SAT's Short Term Parking & Consolidated Rental Car Facility (ConRAC). Recent construction activities overseen by construction manager Turner Construction Company include:

- Drilling piers for the ConRAC Quick-Turn-Around.
- Installation of underground storm water and electrical lines at the Parking Garage.
- Ongoing work on elevator pits, piers installed and slab installed.
- Installation of new chilled water valves and new 16" chilled water lines has begun.

April 2017 is the scheduled date to top-out the structure that will allow the return of Public Parking levels 1 and 2 for public use.

- Rental car agency and lobby improvements to begin September 2017 and be completed **March 2018**.

KNOW BEFORE YOU GO

Holiday Travel Tips

The holidays are a busy time at SAT. For stress-free travel, we recommend the following:

Arrive Early! Passengers should arrive at least two hours before their scheduled flight for flights before 7:30 a.m. and 90 minutes for flights thereafter.

Check the flight status online.

Get your Boarding Pass early.

Check security wait time online.

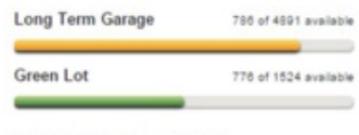

Weigh Bags Before You Reach the Counter.

Have a Parking Plan! If you plan to park at SAT, get parking information and realtime availability updates at SanAntonio-Airport.com

Use the Cell Phone Lot for SAT pick-ups! The free Cell Phone Lot is minutes away from both terminals and has free WiFi available while you wait for your passenger to call.

Visit sanantonio-airport.com for realtime updates on **Parking Availability** and **Terminal A Security Checkpoint wait times**

Parking Availability

Last updated: 09:15am | 11/03/2015

Security Wait Time

10 MINUTES OR LESS at Terminal A
