

American Airlines Starts Service to Miami

March 6, 2015 (San Antonio, TX)— American Airlines has started service from San Antonio (SAT) to Miami International Airport (MIA), one of its key hubs that will provide more access for customers across its growing global network.

“This new non-stop service to Miami gives San Antonio residents more opportunities to connect to American’s vast network in Latin America,” said San Antonio Mayor Ivy R. Taylor, “Moreover, the new flight confirms the airline’s confidence in the San Antonio market and solidifies our long partnership with American Airlines.”

American Airlines’ daily round-trip flight to Miami features early morning departures from SAT with a late-evening return, maximizing the connection options for American customers.

Flight Schedule:

| | | |
|---------|-------------------|-------|
| SAT-MIA | 06:20 AM/10:04 AM | DAILY |
| MIA-SAT | 07:50 PM/10:08 PM | DAILY |

With Miami, American Airlines offers four nonstops from SAT including Dallas DFW, Chicago O’Hare and Los Angeles LAX. For more information, visit www.AA.com.

With more than 8 million passengers annually, the San Antonio International Airport (SAT) contributes more than \$5 billion to the region’s economy. The Gateway for South Texas SAT offers nonstop service to 34 destinations and, in 2012, was named the nation’s 10th largest gateway to Mexico. The San Antonio Airport System also includes Stinson Municipal Airport (SSF), the 2nd oldest continuously operating airport. A department of the City of San Antonio, the system is funded by an enterprise fund supported by user and tenant fees.
