

## Stinson Young Eagles Rally & Education Fair Students Reach for the Sky

**What:** The San Antonio Airport System, in partnership with the Experimental Aircraft Association Chapter 35 (EAA) and the Women in Aviation Alamo City Chapter (WAI) present the Stinson Young Eagles Rally & Education Fair, targeting high-school STEM (Science Engineering Technology & Math) students and their families.

**Who:** Councilwoman Rebecca Viagran, High School Students from Harlandale ISD, SAISD and Brooks Academy of Science & Engineering, San Antonio Aviation partner organizations including US Air Force

**When:** **Saturday, April 18, 2015**      **8:30 am to 12:30 pm**

**Where:** **Stinson Municipal Airport**      8535 Mission Rd, San Antonio, TX 78214

**Visuals:** STEM students from area schools – Harlandale ISD, SAISD and Brooks Academy – will receive a 20-minute free flight with EAA volunteer pilots, over the city.

Students also will attend an Aviation Education Fair to learn more about aviation education and career paths in the industry. Participating organizations include the US Air Force, Hallmark University, Embry-Riddle University, SAPD helicopter detail, Civil Air Patrol, Alamo Academies, and Boeing. Stinson tenants, Palo Alto College Aviation Technology program, Alamo Helicopters, Sky Safety and Texas Department of Public Safety air unit. Historic aircraft will also be on exhibit.

**Interviews:** Councilwoman Rebecca Viagran and representatives from partner organizations are available for interviews from 9 am to 10 am.

*With more than 8 million passengers annually, the San Antonio International Airport (SAT) contributes more than \$5 billion to the region's economy. The Gateway for South Texas, SAT offers nonstop service to 34 domestic and international destinations and, in 2012, was named the nation's 10<sup>th</sup> largest gateway to Mexico. The San Antonio Airport System also includes Stinson Municipal Airport (SSF), the 2<sup>nd</sup> oldest continuously operating airport. A department of the City of San Antonio, the system is funded by an enterprise fund supported by user and tenant fees.
