

CITY OF SAN ANTONIO
DEVELOPMENT SERVICES DEPARTMENT

TO: All Development Services Department Customers

SUBJECT: **INFORMATION BULLETIN # 553 – Detention Pond Plan Conformance Form**

DATE: November 14, 2013

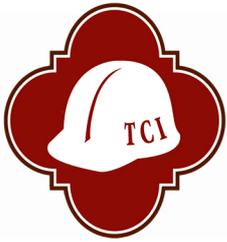

The Development Services Department has developed this Information Bulletin (IB) to release the Detention Pond Plan Conformance form. The attached form will be required for new construction of detention systems effective December 1, 2013; however, we encourage the use of the form upon issuance of this IB.

The intent of the Detention Pond Plan Conformance form is to provide documentation that the detention system associated with the referenced project is constructed in general conformance with the accepted Storm Water Management Plan (SWMP) and construction documents. The form shall be signed and sealed by a Professional Engineer licensed to practice in the State of Texas. In addition, the form shall be completed for both “Public” and “Private” detention systems as defined in the San Antonio Unified Development Code Section 35-504 [Storm Water Management].

For additional information regarding this IB, please contact Arthur E. Reinhardt IV, PE, CFM, Assistant Director of Public Works at (210) 207-7785 or arthur.reinhardt@sanantonio.gov.

Thank you,

Roderick J. Sanchez, AICP, CBO
Development Services Director
