January 29, 2014

Leticia Vacek, City Clerk
City of San Antonio
PO Box 839966
San Antonio, TX 78283-3966

Dear Leticia Vacek:

Please find attached an addendum to the January 15, 2015 Leticia for Mayor Campaign Finance Report. While the City did not formally request a correction and state law does not require that political contributions be kept in an account separate from other funds, Leticia Van de Putte is submitting this informal report because she believes strongly in providing transparency to the people of San Antonio.

The January 15th report accurately reflects that the Leticia Van de Putte Campaign (Senate Campaign Office Holder Account) transferred monetary contributions to the Leticia for Mayor Campaign Fund (Mayoral Campaign Account) in the amount of $58,650. These monies were accepted and reported in filings to the Texas Ethics Commission.

As you are aware, the form utilized to report to the City of San Antonio on January 15th did not allow the Leticia for Mayor Campaign to delineate senatorial and mayoral contributions/expenditures. Furthermore, state law does not allow a candidate who chooses to keep contribution from different campaigns in separate accounts to report a transfer from one account to another as a contribution or an expenditure and requires that those transfers are not reportable on a campaign finance report.

In addition, while Leticia announced her intent to resign her position as senator of District 26 and seek the office of mayor of San Antonio, she also chose to fulfill her Constitutional obligation to the voters of Senate District 26 until her successor is elected. Therefore, as she continue to fulfill the duties and activities associated with the office of Senator for District 26, this report must reflect both her Senate and Mayoral account activity.

Again, while Texas law does not require Leticia to report the attached information and the City of San Antonio did not make a formal request, she would like to submit the attached delineated information for the City of San Antonio to make available to the public.

Respectfully,

Alexis Fonseca
Compliance Officer
Leticia for Mayor Campaign
