**Applications being accepted for positions on the Watershed  
Improvement Advisory Committee**

**SAN ANTONIO (July 6, 2016)** – The City of San Antonio is currently accepting applications from residents who are eligible to serve on the Watershed Improvement Advisory Committee (WIAC). Positions will remain open until filled.

The Watershed Improvement Advisory Committee (WIAC) is comprised of five (5) persons appointed by the San Antonio City Council, five (5) persons appointed by the Bexar County Commissioners Court and five (5) persons appointed by the San Antonio River Authority. Members serve for two-year terms. WIAC will advise the parties on the development of the Watershed Master Plan, the annual editions of the Five Year Capital Improvement Plan, the Annual Capital Improvement Plan, and provide oversight to the implementation of the Capital Improvement Projects. The WIAC will review and comment on the criteria developed by the Management Committee for use annually to prioritize the projects to be selected for inclusion in the schedule of potential capital improvement projects. The WIAC will review and comment on the schedule of potential capital improvement projects prior to their submission to the Committee of Seven. The WIAC will advise the parties on public awareness activities and serve as community advocates for the Bexar Regional Watershed Management Program. The WIAC will meet as often as necessary, but not less than four times a year. Meeting times and locations vary.

Positions will remain open until eligible applicants are found. Applications are available at <https://webapps2.sanantonio.gov/BoardComm/Vacancies.aspx>.

For assistance with the application, please contact Brandon Smith, Boards & Commissions Coordinator, at 207-7253.

**One San Antonio**

*Diverse, internationally connected and globally competitive, San Antonio has a vibrant culture and economy and is consistently ranked among the fastest-growing cities in the United States. America's seventh-largest city offers opportunities in industries ranging from bioscience, financial services, aerospace, cybersecurity, energy and transportation manufacturing to healthcare. We are "Military City USA," home to crucial military commands supported by a patriotic citizenry. We welcome 31 million visitors annually who inject \$13.4 billion annually into our economy, and UNESCO recently designated the city's Spanish colonial missions as a World Heritage Site. Celebrating its 300th anniversary in 2018, San Antonio is a city with a storied past and an even brighter future. For more information, visit [www.sanantonio.gov](http://www.sanantonio.gov).*
