**Applications for the Joint City/County Citizens Bond
Oversight Commission has been extended**

SAN ANTONIO (July 28, 2015) – The Joint City/County Citizens Bond Oversight Commission is seeking applicants to ensure representation from all Districts of the City of San Antonio. Those interested in applying for one of the available positions may do so online using the City’s web-based application for boards and commission at <https://webapps2.sanantonio.gov/BoardComm/Vacancies.aspx>.

The Commission is comprised of 20 members, with 10 members appointed by the San Antonio City Council and 10 by the Bexar County Commissioners Court. The Commission advises City and County Elected Officials as to the recommended process for delivery of capital improvements projects, including review of scope, cost estimate, budget, schedule, public input, alternative delivery systems, program management and other capital improvement processes.

The 2012-2017 Bond Program Information Guide states that a Citizens Bond Oversight Commission, which was established in 2003, will continue to monitor the progress of the bond programs.

For additional information regarding the Joint City/County Citizens Bond Oversight Commission, visit <http://www.sanantonio.gov/TCI/About/CitizenAdvisoryGroups.aspx>

For assistance with the application please contact Brandon Smith, Boards & Commissions Coordinator, at 210-207-7253.

City on the Rise: San Antonio

San Antonio is a city on the rise for the new face of America—a diverse, progressive and globally competitive city with a solid vision for national and international economic development. The City of San Antonio maintains a strong financial position with a “AAA” general obligation bond rating from all three major rating agencies. In 2014, Forbes labeled San Antonio the “Best City in the Southwest” for adults ages 18-34 for its dynamic economy, employment opportunities and affordable living. As the seventh-largest city in the United States, San Antonio is experiencing solid economic growth in 21st century

industries such as bioscience, aerospace, cybersecurity and healthcare, which contribute billions to the local economy. San Antonio has also positioned itself at the forefront of the New Energy Economy in the United States, committed to investing and creating employment opportunities in green industries. San Antonio continues to experience the addition of missions at its several military commands, further fostering a significant relationship spanning more than 200 years. Nearly 30 million visitors come to San Antonio every year, generating more than \$12 billion annually and making the travel industry a vital asset to the city's economic health.
