Question 4

The City is issuing an RFP for the operations of the River Barge Concessions Contract. George Mery and Vincent Mery are my second cousins once removed, making them seventh degree blood relatives. I have no business relationship with George or Vincent. I am recusing from participation in this project as I have learned that their business will be submitting a response to this project, and while this is not a conflict of interest, I wish to remove myself from any allegations of the appearance of impropriety.

Question 5

There are gatherings that I attend with George and Vincent throughout the year where they will pay for the meals or I will pay for the meals. As family members, these exchanges are part of our relationship when gathering together.
