

Humble oil station 927 S Laredo

HISTORIC GAS STATION SURVEY

DOCUMENTING SAN ANTONIO'S ROADSIDE ARCHITECTURE

- Survey begun 2012
- Re-creation of 1983 survey of stations contained within the original 36 square mile city limits and built between 1915 and 1940.
- All properties revisited, photographed and a survey form filled out
- Data base developed with original 1983 surveys scanned, digital picture conversions of slides and all data and pictures from the past two years entered.
