Introduction

HOME Investment Partnerships Program (HOME) funds are allocated by HUD to eligible State and Local governments for the expansion of the supply of decent, safe, sanitary and affordable housing (24CFR Part 92).

The City of San Antonio's (COSA) and Neighborhood Housing Services Department (NHSD) administers a down payment and closing cost assistance program out of HOME funds. The Homeownership Incentive Program (HIP) consists of federal funds made available to eligible first-time homebuyers. The HIP program provides homeownership opportunities for low to moderate-income families.

Families with income below 80% AMI may qualify for an FHA 203B, FHA, VA or a Conventional loan to finance the purchase of an existing or newly constructed home. However, some of these families are unable to save the money needed for the down payment and closing costs that are required from the lender. Assistance will be provided in the form of a perpetual loan combined with a forgivable loan.

Policy clarifications or general questions should be addressed to the City's Neighborhood and Housing Services Department (NHSD). Please call 210-207-6459.

Who is eligible for assistance?

To be eligible for participation in the HIP, clients must meet all of the following criteria:

1. The household's gross annual income cannot exceed eighty percent (80%) of the Area Median Family Income (AMFI).. Household income consists of all money received or earned by any person 18 years of age or older who currently resides, or who will reside in the structure to be purchased. This includes all income earned, i.e., part-time employment, overtime, child support, bonuses, SSI, etc. COSA will re-verify the household's gross income if more than 6 months has lapsed from when borrower was initially qualified. COSA reserves the right to re-verify the household's gross income at any time.
2. During income determination, household assets over \$5,000 will be calculated as annual income at a rate of .06% (passbook rate). For example, 401k, or a retirement plan.
3. The borrower must be a first time homebuyer as defined below:
 - a) Have not had an ownership interest in any residential property for at least three (3) years prior to applying for HIP down payment assistance or;
 - b) Displaced person or family that involuntarily and permanently moves from real property as a direct result of acquisition, rehabilitation, or demolition.
4. HUD regulations prohibit providing assistance to persons not lawfully present in the United States.
5. All contributing members of a household receiving HIP funds must be either a:
 - a) U.S. Citizen or,
 - b) Permanent Resident Alien or,
 - c) Temporary Resident Alien with permission to work in the United States. Documentation of status will be required.
6. The borrower must occupy the home and declare it as their homestead for tax purposes during the term of program assistance.
7. The borrower must qualify for an FHA, VA or a Conventional mortgage loan from a legitimate mortgage lender.
8. Owner financed loan does not qualify for HIP funds.
9. Purchaser must attend HUD approved, 8 hour, homebuyers' training session and submit a certificate of completion form prior to closing.
10. Purchaser should deposit a minimum of \$500 in earnest money prior to closing the loan at the title company. Funds must be receipted by the title company.

NHSD processing and the HIP commitment

IT IS RECOMMENDED THAT THE LENDER VERIFY THAT THE FILE IS COMPLETE AND CREDIT APPROVED, PRIOR TO SUBMISSION TO COSA. Submit files by mail, courier and emails will be accepted. All documents must be legible.

Coordinate with your real estate agent to send these as soon as they are available. HIP will use these documents to open a new file and conduct the HIP Property Review even though your lender file may not yet be complete.

- 1. Copy of purchase contract received by the Title Company; including all addenda.**
- 2. Copy of the TREC Property Report for the subject property**

TREC Property Inspection Report will be reviewed by COSA personnel to process COSA HIP Property Review Form. Realtor, lender and buyer will be advised of any required repairs. If the property does not pass the compliance inspection, COSA must be notified to proceed with the loan process when all discrepancies are corrected.

Upon receipt of a “credit approved” packet, COSA begins processing the request for assistance. The following describes the processing components:

1. Packet is reviewed to ensure completeness, accuracy and eligibility. There is a 5-7 days turn around.
2. In accordance with HUD occupancy standards, a review of the proposed property will determine if the structure has sufficient living/sleeping space to accommodate the family size.
3. By reviewing lender’s Closing Cost worksheet and Transmittal, COSA loan officer computes the amount of HIP assistance and pay back amount.
4. After lender’s approval of HIP assistance, COSA will order legal documents from the City Attorney’s Office.
5. A Site Specific Environmental Review Record (ERR) is conducted by COSA per HUD 24CFR 58.6. Certain ERR results may have a negative impact on COSA’s ability to provide assistance (i.e. air, noise, or flood thresholds.)
6. Once the items listed above are complete, the COSA loan officer will submit a copy of the executed commitment to the lender.
7. The COSA loan officer will deliver legal documents to the title company. Coordination with COSA loan officer is essential to meet closing schedules and avoid delays.

The earnest money contract

1. COSA requires a copy that is legible.
2. The contract must show a fixed interest rate.
3. The contract must be properly receipted by a Title Company with a minimum of \$500 earnest money
4. Any changes to the contract must be dated and initialed by both parties.
5. Submit a copy of any contract extensions to COSA as soon as possible.
