

RECYCLING DO'S AND DON'TS

Recycling is the key to managing solid waste.
The more recyclables you place in the BLUE can,
the more space is saved in landfills.

Do Recycle:

- **Metal:** Aluminum drink cans
- **Glass:** Bottles
- **Plastic:** Labeled 1-7

NOTE: Please empty all cans and bottles
before placing them in the recycling center.

Do not place in BLUE Recycling Center:

- Paper products including wax-coated
paper drink containers
- Plastic packaging
- Food and pet waste
