School District Participation

School district staff will be in attendance to answer questions regarding their district’s enrollment and eligibility process for students interested in attending the Pre-K 4 SA program. Participating school districts only will have their staff attending the pre-enrollment fairs being held within their districts. For example, all fairs in the North East ISD will have staff from North East ISD in attendance.

VIA Participation

The City of San Antonio will be offering free transportation to and from all pre-enrollment fairs through VIA Metropolitan Transit. To ride for free, an attendee needs to let the bus driver know they are going to—or from—a pre-enrollment fair. Free transportation also will be offered to the walk-in fairs taking place May 13 to May 31.
