FY2016

PROPOSED OPERATING AND CAPITAL BUDGET

As required by section 102.005 (b) of the Texas Local Government Code, the City of San Antonio is providing the following Statement on this cover page of its FY 2016 Proposed Budget:

This budget will raise more total property taxes than last year's budget by \$44,027,644 or 10.27%, and of that amount, \$12,579,588 is tax revenue to be raised from new property added to the tax roll this year.

Of the \$44,027,644 in added property tax revenue, \$25,217,021 is proposed to be used in the City's General Fund to support essential City services such as Police, Fire, Streets, Parks & Recreation and Code Enforcement. The remaining \$18,810,623 is proposed to be used for debt service payments on debt issued for capital projects.

The amounts above are based on the City's proposed tax rate of 55.827 cents per \$100 of assessed valuation. The City's FY 2016 Proposed Budget includes a City property tax rate decrease.

CITY OF SAN ANTONIO

August 6, 2015

To the Honorable Mayor and City Council:

I am pleased to submit for your consideration the Proposed Budget for Fiscal Year 2016. The budget is balanced as required by law, and reflects the City Council policy direction provided in June and input from the Community, while maintaining a strong financial position.

The proposed spending plan includes a reduction to the City's property tax rate of $\frac{3}{4}$ of 1 cent, an increased investment in streets and sidewalks, and increases in parks, libraries and human services to maintain and operate new facilities completed as part of the 2012 Bond Program. The proposed budget includes cost of living adjustments and pay raises for City employees and a public safety budget that is below 66% of the General Fund. A net of 172 new positions are proposed, primarily to operate and maintain new parks, libraries, the expanded Convention Center, and the City South Annexation.

The Proposed Consolidated Annual Budget, comprised of all funds excluding transfers, totals \$2.5 billion. The General Fund budget is \$1.1 billion; restricted funds, including Airport, Development Services, and Solid Waste, total \$780 million; and the FY 2016 Capital Budget is \$670 million.

Addressing City Council and Community Priorities

Streets and Drainage At more than 30 community budget meetings held across the City in June, residents consistently ranked infrastructure as a top priority. In response, the proposed budget adds \$23 million for street maintenance, increasing the budget for streets from \$41 to \$64 million. The proposed budget also adds \$10 million for sidewalks and \$12 million for new drainage improvements.

Parks and Senior Services Residents also indicated that Parks and Senior Services were other top priority services provided by the City. The proposed budget adds operating funds and staff to Parks and Senior Services for newly completed capital projects including Senior Centers in Council Districts 3 and 10 and community parks across the City.

Library The proposed budget funds operating and maintenance at two new libraries scheduled to open in 2016 in Council District 2 and Council District 6. Funding in the amount of \$1 million is included for technology to support and enhance the Library’s digital services. To address deferred maintenance, \$1.25 million is included for items such as roof replacements, parking lot repair, and security camera upgrades.

Animal Care Services Resources in the amount of \$800,000 are added to open a new spay and neuter surgery clinic at Brooks City Base. The proposed budget continues funding in the amount of \$390,000 added in the FY 2015 mid-year budget adjustment for spay and neuter surgeries and community outreach.

South San Antonio Annexation In January 2014, the City annexed the area formerly known as City South for limited purpose. The proposed budget includes \$1.2 million and provides a total of 54 public safety positions for the South San Antonio Annexation. The 54 positions includes 42 new firefighter and 6 new police officer positions, and redeploys 6 police officers by civilianizing administrative duties. Also included in the budget is \$2 million for two interim fire stations and equipment.

Civilian Employee Compensation

The proposed budget includes \$16 million for pay increases for civilian employees. This includes a 2% cost of living adjustment, a 2% to 4% salary increase for those employees on the Step Pay Plan, an increased lowest entry wage of \$13 per hour for all City employees, and a pool equivalent to 3% of salaries is allocated for performance pay for professionals and managers.

Affordable Public Safety

During the June 25th City Council Goal Setting Session, City Council reaffirmed that public safety expenditures should be maintained below 66% of the General Fund, uniform employees should contribute to dependents’ healthcare premiums, financial policies and practices should be maintained to support a “AAA” general obligation bond rating, and pay should not be retroactive.

The Mayor gave a deadline of July 31st to the Police Union to reach an agreement with the City on a new contract or forgo a pay increase for FY 2015. No agreement was reached by the deadline, so the FY 2016 Proposed Budget transfers \$8.5 million that had been proposed as a lump sum pay increase for firefighters and police officers to street maintenance. The proposed budget reflects the City’s March 20th proposal to the Police Union. The City’s proposal, which is still on the table, includes 8.8% in wage increases over the next three years (FY 2016, FY 2017, and FY 2018), changes in employee healthcare benefits, phases out the City’s contribution to the Legal Fund, continues job related tuition reimbursement, increases mileage limits of police cruisers, and eliminates the evergreen clause.

Restricted Funds

Solid Waste Fund The Solid Waste Operating and Maintenance Fund provides for the operation and management of garbage and recycling pickup, brush collection, and other related services. This year's proposed budget continues the City's progress towards attaining the residential 60% recycling rate goal by FY 2025 by implementing Variable Rate Pricing, also known as Pay as You Throw. Approximately half of Solid Waste customers will be converted to the new program in FY 2016. Customers that are part of the new program will have a choice of a small, medium, or large garbage cart and the total monthly rate will be based on the size of the garbage cart instead of a single monthly fee. Customers that are not part of the Pay as You Throw program will continue to pay the current total monthly rate of \$20.93.

Storm Water Operating Fund The City's Storm Water Fund supports drainage and creekway maintenance, flood tunnel operations, river maintenance, street cleaning, engineering, and flood plain management. The proposed budget recommends a new Storm Water Utility Fee Structure which assesses the fee based on the amount of impervious cover on a particular lot. Revenues generated from the fee will be used to enhance right-of-way mowing, street sweeping, and High Water Detection signal maintenance.

Conclusion

The FY 2016 budget proposal was carefully prepared to balance the City Council and community priorities with a sustainable and sound financial plan for the City of San Antonio. This proposed budget reflects the City organization's core values of Teamwork, Integrity, Innovation, and Professionalism. I appreciate the valuable policy guidance provided by the City Council and Community input received during the budget development process.

Respectfully submitted,

Sheryl Sculley
City Manager

• BUDGET SUMMARY •

Overview

The FY 2016 Proposed Budget is balanced and reflects the City’s continued commitment to providing public services and programs that enhance the quality of life for San Antonio residents. The FY 2016 Proposed Budget was developed following City Council policy direction and community input received in June 2015. The FY 2016 Proposed Budget decreases the City’s property tax rate, increases funding to streets and sidewalks, and maintains public safety spending below 66% of the General Fund.

The Proposed Budget Summary highlights how the City’s financial, human, and capital resources are allocated to achieve policy and service delivery goals. The Proposed Budget Summary is organized in the following manner:

Budget Development Strategy

The process of developing the FY 2016 Proposed Budget is a comprehensive effort that involves input from residents, the Mayor and City Council, outside governmental agencies, private organizations, all City departments and offices, and City employees. There are several major components to the process, including the annual policy and goal-setting work session with the Mayor and City Council, as well as, community and employee input.

This year's budget process encouraged new participation by residents and employees through the use of technology. A dedicated website was developed to give residents and employees the opportunity to share their ideas on City Services and provide them a venue to "Speak Up". Residents and employees offered their suggestions on how the City could increase efficiency, generate revenues, and improve service delivery.

City Council Policy Direction

On June 25th, the City Council Budget Goal Setting Session was held to provide City Council an opportunity to discuss and provide policy direction to staff for the development of the FY 2016 Proposed Budget. At this session, the City Council discussed a range of topics and priorities to be addressed in the FY 2016 Proposed Budget, including financial policies, public safety technology, and the City's lowest entry wage.

The City Council established a list of goals and priorities as a guide to develop the FY 2016 Proposed Budget as follows:

City Council Goal Setting Session – June 2015

- Increase funding for Streets, Sidewalks and Drainage
- Develop a FY 2016 Proposed Budget that includes a reduction to the City's Property Tax Rate
- Continue Collective bargaining negotiations under the following guiding principles
 - Public Safety spending below 66% of General Fund
 - Uniform employees contribute to their cost of healthcare by paying monthly premiums
 - Maintain the City's AAA Bond Rating
- Include funding for police body cameras and a pilot program for gun shot detection technology
- Develop alternatives to increase civilian employees lowest entry wage
- Include the cost of full purpose annexation of the South San Antonio area formerly known as City South
- Provide funding options for capital improvements at Alamo Plaza
- Continue developing a proposed 2017 Bond Program for a potential May 2017 Bond Election

Community Input

This year residents were provided more opportunities than ever to provide input during the budget process.

The new SpeakUp campaign includes a user-friendly website, meetings across the city, an interactive budget balancing simulator, and social media (Twitter, Facebook, YouTube and Instagram). Between May 30th and June 23rd, over 30 meetings were held with over 1,100 attendees. In all, the Speak Up campaign generated over 1,900 comments, almost five times what was received during last year's community input process.

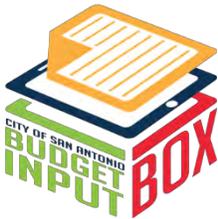

Community Meetings & MeetUps In-person input across the City consisted of 8 community meetings hosted by City Councilmembers and 22 MeetUps hosted by different community

groups, associations and universities. The new “MeetUp” option was provided as a convenient way for residents to request City staff to present and gather feedback at a community or organizational meeting that was already scheduled. Over 1,100 residents attended community meetings and MeetUps, over 3 times last year’s attendance.

Speak Up Website & Social Media Residents were also invited to join the conversation at their convenience using a personal computer or smartphone through SA SpeakUp’s website and social media. Since the June 4th launch of the campaign’s website and social media accounts, information about City services and the budget have been seen over 42,000 times and residents have engaged through social media more than 1,800 times by liking, replying, reposting, or sharing SpeakUp content.

Budget Input Box The Budget Input Box provides residents and employees with the opportunity to offer their suggestions on how the City could increase efficiency and improve service delivery. Budget Input Boxes are distributed to various locations throughout the City, including public libraries, the lobbies of City offices, local Chambers of Commerce, and other venues. A link is also available on the City’s website for employees and residents to submit their suggestions electronically.

Employee Focus Groups In addition to online opportunities and the Budget Input Box, the City conducted a series of focus group sessions regarding options for budgetary savings and operating efficiencies. Employees from several City departments participated and provided a total of 72 suggestions.

Budget Balance Simulator The budget balance simulator was another new, interactive tool available this year. The easy-to-use simulator allows residents to gain hands-on experience on the challenges of balancing the City’s budget. The budget balancer simulator is available at www.saspeakup.com.

Community Feedback

Based on comments received, the top service priorities for the community were:

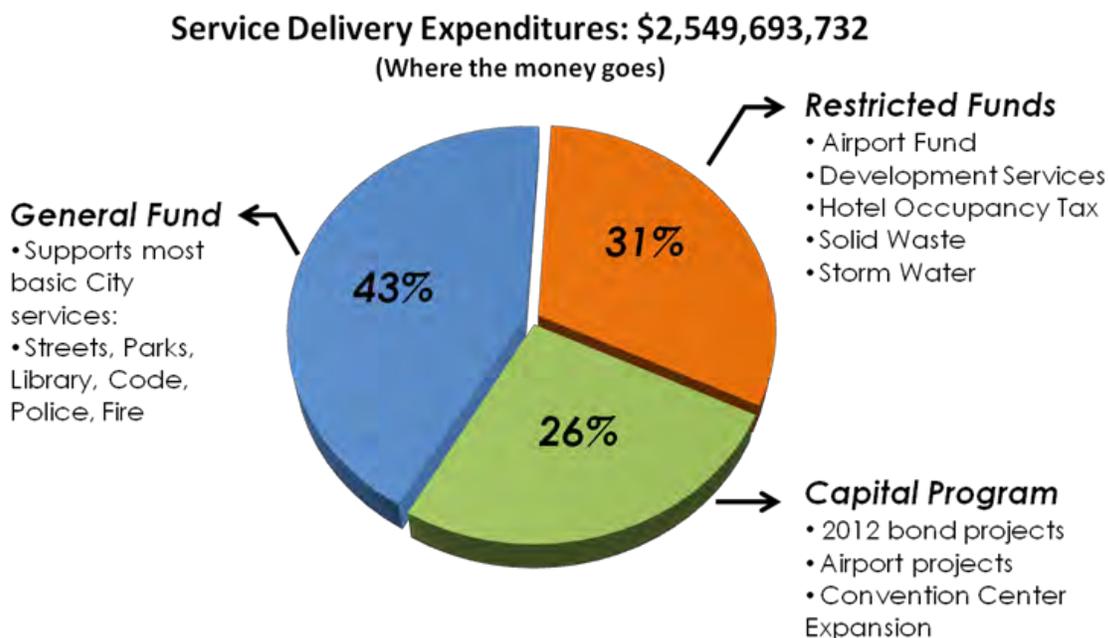

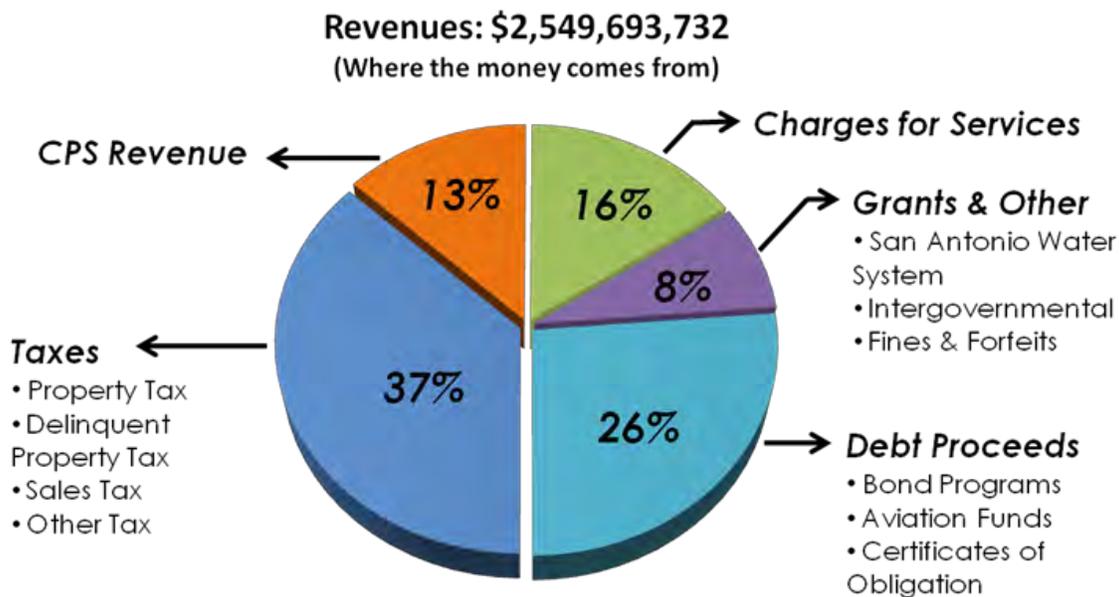

Priority Order	City Service Category
1	Streets, Sidewalks & Drainage
2	Social Services & Programs
3	Parks & Recreation

Residents identified support for the City’s collective bargaining position as an area for potential

re-prioritization or reduction. After the FY 2016 Proposed Budget is presented to City Council on August 6, 2015, the City will conduct two City-wide Budget hearings on Wednesday, August 19th and Wednesday, September 2nd. The City will also hold five open-house style meetings from August 17th to August 28th to gather community feedback on the FY 2016 Proposed Budget.

FY 2016 Total City Budget (All Funds)

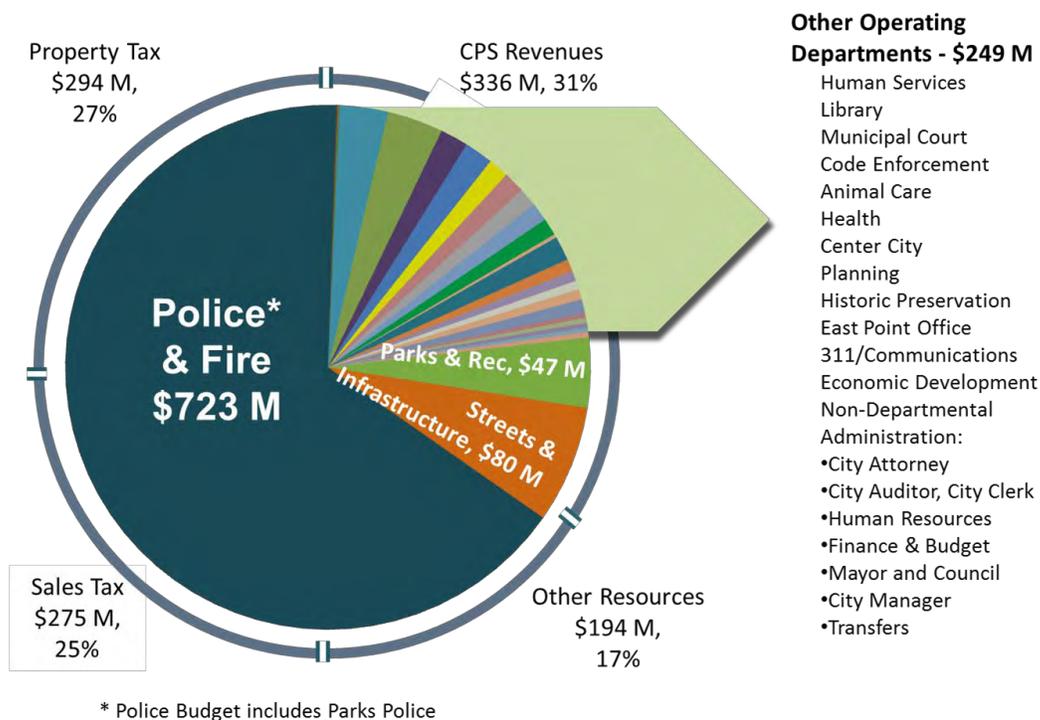

The FY 2016 Proposed Consolidated Annual Budget, comprised of all funds excluding transfers, totals \$2.5 billion. The General Fund budget is \$1.1 billion; restricted funds, including Aviation, Development Services, and Solid Waste, total \$780 million; and the FY 2016 Capital Budget is \$670 million.

FY 2016 Total General Fund Budget

The General Fund supports the majority of basic City services such as Police, Fire and EMS services. Public Safety expenditures alone represent 66% of the General Fund. Other important City services financed by the General Fund include streets, parks, libraries, human services, health, animal care, and code enforcement. General Fund services are primarily supported by property tax, sales tax, and CPS Energy payments.

Total General Fund: \$1,098,678,289

The following graphic demonstrates the City's balanced budget approach between anticipated revenues and budgeted expenditures during FY 2016. The outer ring accounts for all available resources in the FY 2016 Proposed Budget while the inner ring accounts for City services.

Financial Stewardship

The establishment and maintenance of appropriate reserves within the General Fund is critical to prudent financial management. Currently, the City holds a 'AAA' general obligation bond rating by the three major bond rating agencies – Standard & Poor's, Fitch, and Moody's. The 'AAA' bond rating is the highest credit rating an organization can receive and it allows the City to pay

the lowest possible interest rates in the market. San Antonio is the only major city with a population of more than one million to have an 'AAA' bond rating from one of the major rating agencies.

Two-Year Budget Plan

With the adoption of the FY 2007 Budget, the City implemented the practice of maintaining a two-year balanced budget. When City Council adopted the FY 2007 Budget, they also approved recommendations that provided a balanced budget plan for FY 2008. The City continued this practice through the adoption of the FY 2009 Budget. With the adoption of the FY 2010 Budget, the City modified this practice to include a two-year balanced budget with some flexibility in the second year.

However, with the FY 2016 Proposed Budget, the FY 2017 Budget Plan is structurally balanced. Recommendations included in the proposed budget and \$54.8 million in budgeted reserves balance FY 2017.

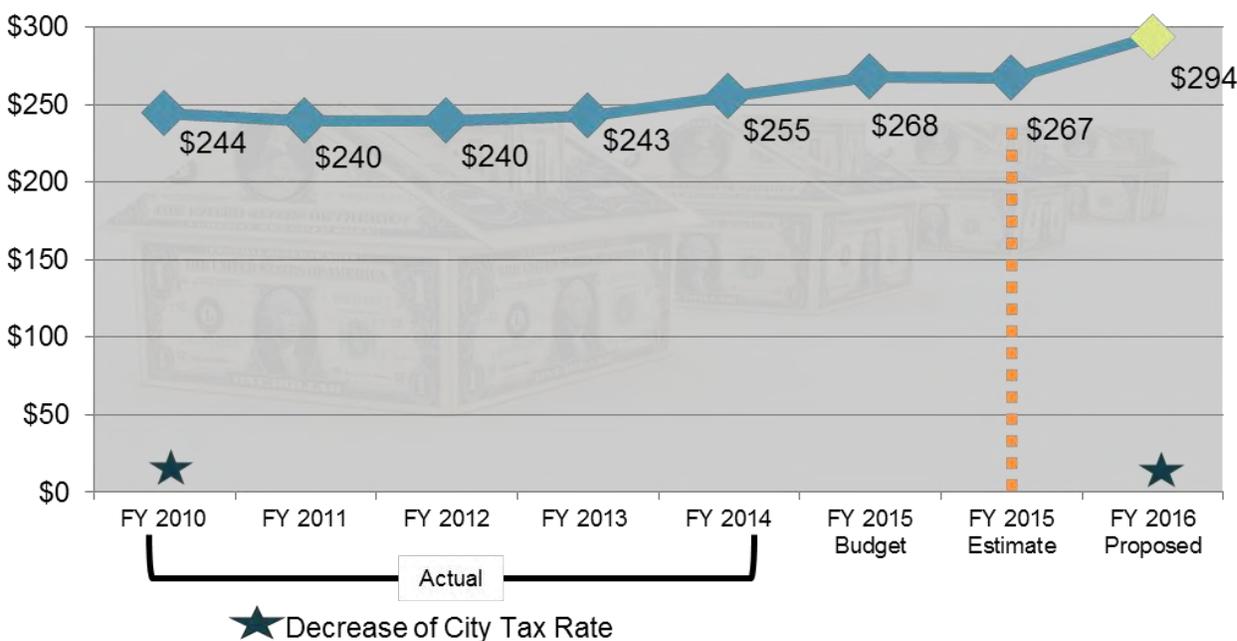

The following table shows the FY 2016 Proposed Budget and the FY 2017 Budget Plan:

Two-Year General Fund Budget Plan

Major Revenues and Revenue Adjustments

Property Tax The FY 2016 Proposed Budget includes a decrease in the City’s property tax rate from 56.569 to 55.827 cents per \$100 of valuation. The Proposed Budget includes \$294 million in maintenance and operations support for the General Fund from property taxes which is 9.8% higher than the FY 2015 Estimate.

Property Tax Revenues
(\$ in Millions)

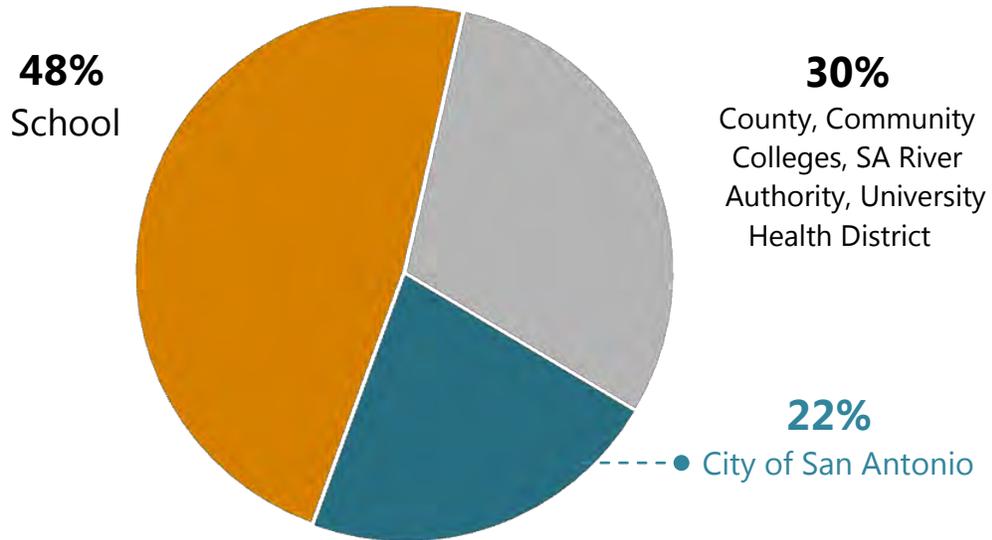

Property values for existing properties increased by 10.7%, while new construction values increased by approximately 2.8%. Budgeted property tax revenue to the City accounts for an increase in net taxable value of 13.5% as reported by the Bexar Appraisal District. The taxable value less new improvements yields the base valuation.

Percent Change in Taxable Property Valuation

Property Value	FY 2015 Budget	FY 2016 Proposed Budget
Existing Value	4.4%	10.7%
New Value	1.7%	2.8%
Taxable Value	6.1%	13.5%

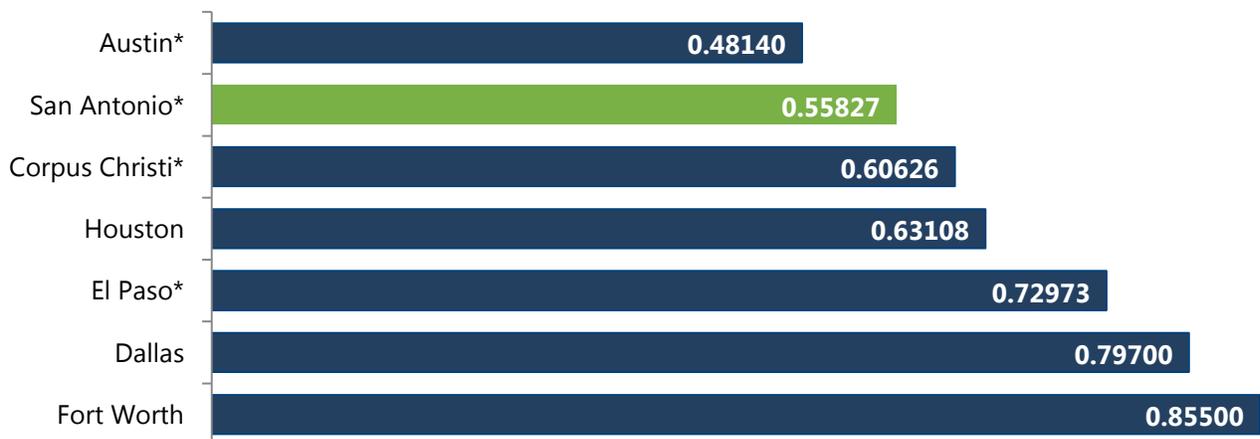

The City receives less than a quarter of the property tax proceeds that homeowners and commercial property owners pay annually. Nearly half of those proceeds are distributed to school districts, while the remaining amount is divided among Bexar County, Alamo Colleges, University Health System, and San Antonio River Authority.

Property Tax Distribution

The FY 2016 Proposed Budget reflects the City's continued commitment to provide targeted property tax relief. In FY 2016, the City will forego nearly \$37 million in property tax revenue from Senior and Disabled Homestead Exemptions and frozen City tax payments.

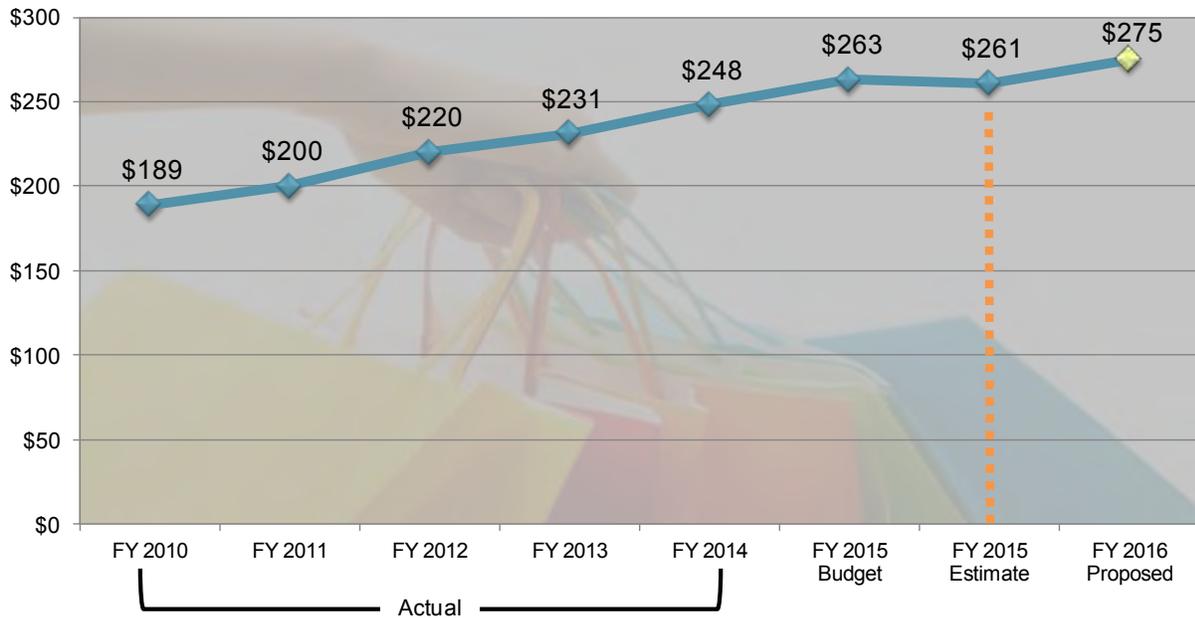

FY 2016 Texas City Property Rate Comparisons
(Per \$100 of Taxable Value)

*Proposed FY 2016 property tax rate

Sales Tax Revenue The FY 2016 Proposed Budget includes sales tax revenue in the amount of \$275 million. Sales tax revenue is highly dependent on the condition of the local economy. The FY 2016 Proposed Budget for sales tax revenue is projected to be 5.4% higher than the FY 2015 Estimate.

Sales Tax Revenues (\$ in Millions)

CPS Energy Revenue The City of San Antonio is the owner of CPS Energy and CPS' payment to the City in lieu of taxes represents the largest source of revenue to the General Fund. Fourteen percent of all CPS gas and electric customer gross revenue is paid to the City as a return on investment. The FY 2016 Proposed Budget includes CPS revenues in the amount of \$336 million, an increase of 3.0% from the FY 2015 Estimate. However, revenues from CPS Energy are one of the most difficult revenues to forecast. Weather, natural gas prices, and other variables can significantly impact CPS revenues and the City's payment can fluctuate significantly from year to year.

**CPS Revenues
(\$ in Millions)**

Revenue Adjustments The FY 2016 Proposed General Fund Budget includes increases to some fees and charges for service. These adjustments are expected to generate more than \$309,000 in additional revenues to the General Fund. The details of these revenue adjustments are provided under the Revenue Detail section of this document.

The City’s budget practice is to increase existing user fees based on cost recovery. The City’s cost recovery philosophy is to recover some or all of the costs associated with providing City services and programs, while being mindful of the nature of the service provided, populations served, and the intended impact to the community.

Community Focus Areas

Consistent with the policy direction provided by the City Council at the June 25, 2015 Goal Setting Session and community input, the FY 2016 Proposed Budget focuses primarily on Streets, Sidewalks, and Drainage. The following summaries are of the proposed improvements for FY 2016:

Streets Maintenance

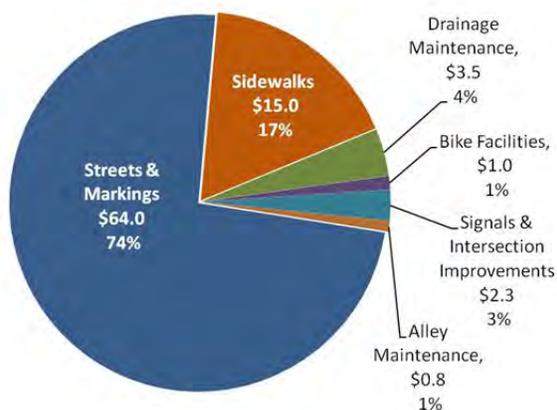

The City appropriates funding annually for street maintenance including street resurfacing and rehabilitation. Street maintenance programs mitigate deteriorating pavement conditions caused by age, utility cuts, storm water drainage, underlying soil conditions, extreme temperatures, and overloading from heavy trucks and buses.

The FY 2016 Proposed Budget appropriates an additional \$23 million, for a total of \$64 million, for street maintenance and an additional \$10 million, for a total of \$15 million, for sidewalk maintenance. This enhancement reflects the City's continued commitment to improve mobility, traffic safety, and street conditions throughout the community.

Additionally, the FY 2016 Proposed Budget continues the Neighborhood Access Mobility Program (NAMP) at FY 2015 funding levels. The NAMP program appropriates \$200,000 annually to each City Council District for projects identified by the respective council member. NAMP projects include speed bump design and construction, flashing beacon installation, sidewalk repair and installation, curb ramp construction, and other traffic calming and mobility infrastructure improvements.

City staff develops a five-year Infrastructure Management Program (IMP) to identify and recommend infrastructure priorities to City Council. As detailed in the adjoining chart, the FY 2016 Proposed Budget appropriates \$86.58 million to the IMP for streets, traffic signals, sidewalks, drainage, and alleys. The Capital Budget includes a total of \$12 Million for new drainage projects.

**FY 2016 Proposed
Infrastructure Management Program
Total Budget \$86.58 (in Millions)**

Parks

The FY 2016 Proposed Budget adds over \$1.4 million for additional staff, supplies, and contractual services necessary to support newly completed capital projects and other improvements. Approximately 264 new acres, 24.3 miles of park and greenway trails and over 200 new amenities will be added to the City's park inventory in FY 2016. These amenities include dog parks, playgrounds, skate plazas, basketball courts, water fountains, shade structures, benches, and picnic units at several parks funded by the 2012 Bond.

Senior Services

The FY 2016 Proposed Budget adds funds to support operations of the Council District 3 and Council District 10 Senior Centers. Council District 10 Senior Center will be operational in the fall of 2015, and Council District 3 is scheduled to open in FY 2017.

Libraries

The City currently maintains and operates 28 library locations, including 25 full-service neighborhood branch libraries, the Pruitt Library at Roosevelt High School, the Library Portal at the Briscoe Western Art Museum and the Central Library.

The FY 2016 Proposed Budget includes operational funding in the amount of \$348,000 for the new District 6 Library co-located in the new YMCA facility located off Hwy 151. A total of 17 new positions will be allocated to this new 5,000 square foot facility, which is anticipated to open to the public in September 2016. The Proposed Budget also includes operational funding in the amount of \$212,000 for

the new District 2 Library located off Hwy 87 East near Fosters Meadow Road. A total of 17 new positions will be allocated to this new 12,000 square foot facility, which is anticipated to open to the public in November 2016.

The Proposed Budget also allocates \$1,000,000 for technology infrastructure planning and upgrades to support and enhance the Library's digital services.

To address deferred maintenance, the budget includes \$1.25 million for items such as roof replacements, parking lot repair, and security camera upgrades.

Code Enforcement

The FY 2016 Proposed Budget includes funding to continue implementation of the Code Enforcement Improvement Plan, emphasizing quicker citizen compliance, proactive enforcement efforts, officer accountability, and targeted enforcement. The Proposed Budget provides funding to begin implementation of a comprehensive development and code enforcement software system. The new system will be phased in over the next two and a half years, with the replacement of Code Enforcement's case management database coming online in the fall of 2017. The new system will provide citizens the ability to access the status of code violations via a web-based

portal, while also providing both staff and citizens historical information related to a particular property. The system will further improve communication between the Department and residents of San Antonio, increase officer efficiency, and in turn, increase the availability of officers to address additional code enforcement concerns in the community. There are no service reductions for Code Enforcement included in the FY 2016 Proposed Budget.

Historic Preservation

The FY 2016 Proposed Budget provides funding for the second year of the 18-month Vacant Building Registration Pilot Program. The Vacant Building Ordinance took effect January 1, 2015, and is intended to make unoccupied buildings safer and more attractive for redevelopment.

Animal Care Services

Animal Care Services (ACS) continues to be a priority for the community. The FY 2016 Proposed Budget allocates resources of \$800,000 to open a new spay and neuter surgery clinic at Brooks City Base. The budget continues the funding added in the FY 2015 mid-year budget adjustment of \$390,000 (\$200,000 for spay and neuter surgeries and \$190,000 for Community Outreach).

Economic Development

Economic development initiatives in San Antonio foster job creation and investment in targeted industries to include: aerospace, cyber-security and information technology, biosciences and healthcare, and the new energy economy. The City of San Antonio collaborates with the San Antonio Economic Development Foundation, Bexar County, Workforce Solutions Alamo, CPS Energy, and other agencies to help Targeted Industries meet their business goals and provide good jobs for the community.

The FY 2016 Proposed Budget includes \$2.25 million for city-wide incentives to stimulate the creation and retention of jobs and investment in San Antonio in a globally competitive environment. The budget also funds \$2 million for downtown and central city neighborhoods to support market rate housing, retail and amenity development projects and to maintain the momentum of Downtown San Antonio's redevelopment and evolution from tourist destination to vibrant San Antonio neighborhood.

Inner City Reinvestment/Infill Policy (ICRIP) The FY 2016 Proposed Budget includes \$2 million for fee waivers approved under the ICRIP Policy Program. In February 2010, the City established the Inner City Reinvestment/Infill Policy (ICRIP) in order to promote growth and development in the city-center and targeted areas. ICRIP facilitates development within the inner-city by promoting policy goals to include increasing new development on vacant lots;

redeveloping underused buildings and sites; rehabilitating, upgrading, and reusing existing buildings; improving maintenance at existing building sites; and increasing business recruitment and assistance. Projects certified to meet ICRIP criteria are eligible to have fees related to Development Services waived.

Police

The FY 2016 Proposed Budget includes almost \$3.3 million for new technology and \$3.8 million for equipment replacement for the Police Department.

The FY 2016 Budget includes \$3 million to purchase body-worn cameras for Patrol Officers, Downtown Bike Patrol, and Park Police. This funding is in addition to the \$320,000 that was allocated for body-worn cameras during the FY 2015 Mid-Year Adjustment. To manage the new body-worn camera video library, \$400,000 is being budgeted to add 8 civilian positions. By the end of fiscal year 2016, over 1,500 officers will be outfitted with body-worn cameras.

Funding in the amount of \$280,000 is added to implement a 1-year pilot for a gunshot detection program. The gunshot detection program is designed to help officers quickly respond to the site of a gunshot. The gunshot detection system will be tested in two locations.

The budget proposes to civilianize the off-duty employment office by adding 6 civilians to handle the billing and administrative duties of the program and re-deploys 6 uniform police officers to the South San Antonio Annexation area for neighborhood patrol.

Also included in the FY 2016 Budget is \$3.8 million for the replacement of tasers and in-car video systems.

The FY 2016 budget adds \$513,000 in funding for 7 additional Park Police Officers and associated equipment and supplies. This provides additional security for creekways and multi-use trails and policing at Heritage Park, Stone Oak Park, and Southside Lions Park.

Fire

In FY 2016, the budget proposes to invest over \$1.1 million for service enhancements and \$1.2 million for equipment replacement.

The FY 2016 Budget includes almost \$1 million for the Mobile Integrated Health Program. The program is designed to reduce EMS and Police calls by providing proactive healthcare services to frequent users of the 911 system. This will add 8 uniformed positions to the Fire Department.

The FY 2016 Budget will also fund one uniform position to perform inspections of the 234 high-rise buildings in the City of San Antonio. An annual fee will be assessed to building owners to help fund the position.

A total of \$1.2 million is added for equipment replacement. This includes the replacement of power stretchers, firefighting personal protective gear, fitness equipment, and living and dining room furniture.

Affordable Public Safety

The Fire and Police Collective Bargaining Agreements expired September 30th, 2014. In 2015, the City Council approved three guiding principles to direct staff in collective bargaining negotiations:

- Public Safety expenditures should not exceed 66% of the General Fund
- Police/Fire Union uniform employees should contribute to the cost of healthcare by paying premiums similar to civilian employees and other peer cities in Texas
- The City will maintain financial policies and practices to support a "AAA" general obligation bond rating

In addition to the guiding principles, City Council also instructed staff that no retroactive pay would be made when the unions agreed to new contracts. The City began negotiating with the San Antonio Police Officers Association (SAPOA) in January of 2014, but no agreement with SAPOA has been reached as of July 2015.

In June 2015, the Mayor gave the Police union a July 31st deadline to come to an agreement with the City on a new contract or forgo a pay increase for FY 2015. No agreement was reached by the deadline, so the Proposed FY 2016 Budget transfers \$8.5 million that had been proposed as a lump sum pay increase for the firefighters and police officers to street maintenance.

The Proposed FY 2016 Budget keeps the public safety budget at less than 66% of the General Fund, as directed by the City Council, by reflecting the City’s March 20th proposal to the police union. The Proposed Budget includes 8.8% in wage increases for uniformed employees in FYs 16, 17 and 18; has the City covering the cost of healthcare for employees, while employees share in the cost of healthcare for their dependents. The City’s proposal also phases out the City’s contribution to the police and fire legal fund, continues job related tuition reimbursement, increases mileage limits of police cruisers, and eliminates the evergreen clause.

Fire Union The City has formally invited the Fire Union to begin negotiations a total of eight times, but so far the Fire Union has refused to meet.

South San Antonio Annexation

In January 2014, the City annexed the area formerly known as City South for limited purposes (see map below). The goal of the annexation is to encourage and promote economic development, and protect natural resources such as the San Antonio River by extending zoning to major gateways from South Texas.

Under limited purpose annexation, San Antonio enforces planning and zoning ordinances, and selected City codes. Property owners do not pay City property taxes, and the City does not provide police or fire protection, roadway maintenance, or other services. Within three years of limited-purpose

annexation, the City may annex the area for full purposes and begin providing municipal services to residents. Full purpose annexation would take place in December 2016 (Fiscal Year 2017).

The FY 2016 Budget and multi-year budget forecast includes costs associated with the annexation of the South San Antonio area. In order to have the public safety personnel

South San Antonio	FY 2016	FY 2017
Revenue	\$0	\$0.12
Expense - Operating	(1.3)	(6.5)
Expense - Capital	(2.1)	(0.0)
Net Expense	(\$3.4)	(\$6.4)

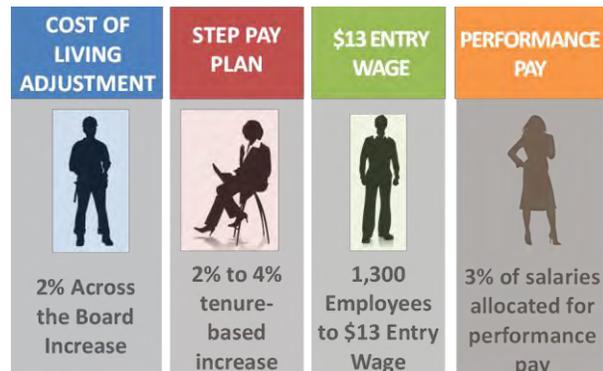

needed by January 1, 2017, the Police and Fire Departments would need to begin training cadets in FY 2016. The Budget includes the cost for 42 new Firefighters, 12 Police Officers (6 new positions and 6 transferred from the Off-Duty Employment Office), and additional code enforcement dollars. Additionally, two fire stations and associated equipment will be funded from the capital budget to service the area upon full purpose annexation.

Employee Compensation and Benefits

Civilian Compensation & Benefits

The FY 2016 Proposed Budget includes funding for increases to civilian compensation including ongoing maintenance of the Step Pay Plan, a 2% cost of living adjustment, and performance pay for Professionals, Managers, and Executives. Also included is a cost of living adjustment for civilian retirees equivalent to approximately 0.5% of their annuity, consistent with TMRS rules.

Cost of Living Adjustment The FY 2016 Proposed Budget includes a 2% cost of living pay adjustment for all full-time and part-time civilian employees, effective October 2015. Additionally, the FY 2016 Proposed Budget increases the lowest entry wage for all full-time civilian City employees from \$11.47 per hour to \$13.00 per hour, effective January 2016.

Step Pay Plan Maintenance The Step Pay Plan addresses market-competitiveness ensuring equitable employee pay within each job for non-professional, non-managerial employees. The Step Pay Plan was developed with input from the City’s Employee Management Committee (EMC), which is composed of City employees, employee associations including Service Employees International Union (SEIU) and the National Association of Public Employees (NAPE), and City management staff. Employees will move annually through the range and reach the maximum of the pay range after 10 years in a job.

The table below shows the pay increases for each step in the pay range:

	Step 0	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6	Step 7	Step 8	Step 9	Step 10
Increase	-	4%	4%	4%	4%	3%	3%	3%	2%	2%	2%

Performance Pay The FY 2016 Proposed Budget includes funding for performance pay for Professionals, Managers, and Executives as a method to reward strong performance through base salary increases. Employees hired by April 1, 2015 will be eligible and increases will be based on performance evaluations. A total of 3% of salaries has been allocated for performance pay.

Civilian Employee Benefits As the cost of health care steadily increases, the City continues to offer employees a choice in health plans to best meet their individual needs. The City is self-insured for health benefits, meaning the City and employees share all health care costs.

Consumer Choice
<ul style="list-style-type: none"> • Deductible \$1,300/\$2,600 • Out-of-Pocket Max: \$4,000/\$8,000 • Health Savings Account: \$500/\$1,000

New Value
<ul style="list-style-type: none"> • Deductible: \$1,250/\$2,500 • Out-of-Pocket Max: \$3,000/\$6,000

For 2016, employees will continue to have the option of participating in the Consumer Choice Preferred Provider (PPO) or the New Value PPO.

For those in Consumer Choice, the City will again provide a \$500 contribution (\$1,000 for family) to an employee's Health Savings Account (HSA). The Consumer Choice plan continues to promote consumerism and encourages employees to take a more active role in managing their health care – placing more of their health care decisions in their hands. The plan will continue to have premiums lower than the other health plan options. Internal Revenue Service (IRS)-approved maintenance drugs covered under the Consumer Choice plan will continue to be exempt from the deductible.

The FY 2016 Proposed Budget includes premium changes for both plans. There are no recommended plan design changes to either the Consumer Choice or New Value plans. Additionally, there are no plan design changes proposed for the dental or vision plans.

FY 2016 Proposed Monthly Premiums for Active Civilian Employees

Employee Wellness The Employee Wellness Program promotes wellness by targeting high risk health conditions including diabetes, back pain, and high blood pressure. In FY 2016 Employee Wellness continues efforts that target obesity, a leading cause of medical claims by continuing to offer popular programs, such as Virgin Pulse, Weight Watchers, and Onsite Health Coaches, in order to support a culture of wellness.

Retiree Benefits The City remains committed to providing health care insurance for retired City employees. Non-Medicare eligible retirees are eligible for the same health care plan options as active civilian employees, including Consumer Choice PPO with a health savings account and New Value PPO. Humana administers two fully-insured health plans for Medicare-eligible retirees.

General Fund Reductions and Efficiencies

One key part in developing the City's annual budget is the redirection of resources from lesser priority or inefficient programs to higher priority areas.

The FY 2016 Proposed Budget continues the City's commitment to efficient and prioritized service delivery by leveraging operational improvements, reducing administrative overhead, and reviewing City processes for improvement to generate \$4.3 million in efficiencies.

Reductions and Efficiencies A complete list of proposals is included under the Program Changes section of this budget document. Below are some of the efficiencies/reductions included within the FY 2016 Proposed Budget:

- **Restructure Utility Assistance Program – Savings \$201,000** In FY 2015 the Office of Innovation partnered with the Department of Human Services to help improve customer service in the Utility Assistance Program. With continued focus on improvement, the FY 2016 restructuring focuses on providing more concentrated and immediate relief for residents in need of utility assistance. This new structure creates program efficiencies without impacting the number of households served or services offered to seniors.
- **Consolidate Part-time Nutrition Sites – Savings \$239,000** This efficiency transfers seniors from 2 part-time nutrition sites to the new Northeast Comprehensive Center. Seniors will gain access to a full-time facility offering a broad variety of services as well as transportation.
- **Inter-Local Agreement for Digital Services Efficiency – Savings \$300,000** In the newly adopted Inter-Local Agreement between the City and Bexar County, the County will be reducing their payment to the City for library services by \$300,000 a year for 4 years, for a total reduction of \$1,200,000. In an effort to minimize the impact the

reduction will have on services for FY 2016, the City and County have agreed to strategically align their digital collections to eliminate duplicated digital content and collaborate on a delivery method that will allow all Bexar County residents access to the digital resources.

- **Reduction of Executive Positions – Savings \$370,000** The Proposed Budget reduces three vacant executive positions to include an Assistant Human Resources Director position, an Assistant Center City Development and Operations Director position, and an Assistant Planning Director position.
- **Transition Telestaff Management to Civilians—Savings \$86,000** This reduction lowers uniform overtime costs associated with upgrading the Fire Department’s personnel/time management software, Telestaff. With the upgrades complete, civilian staff will monitor and manage the software.
- **Flex Vacation Days—Savings \$850,000** This initiative saves overtime costs by allowing flexibility for firefighters to take time off in 6-hour blocks of leave and paramedics to take 12-hour blocks of leave rather than 24-hour blocks of leave. This will reduce overtime costs required to backfill for these shorter periods of time.
- **Increase Annual Leave Buyback—Savings \$710,000** The Fire Department will allow uniform employees the opportunity to sell back an additional 48 hours of annual leave from 120 to 168. This change allows the City to buy leave at the regular rate of pay rather than backfill with overtime at time and a half if leave is taken.

City Personnel Levels

The FY 2016 Proposed Budget includes a total of 11,922 positions in all funds including 407 positions for Pre-K 4 SA and excluding 1,969 temporary positions within the Internal Services/Alternative Services Employee Fund. The following graph compares the total authorized positions over a five-year period from FY 2012 to FY 2016.

The graph denotes those positions that are authorized within the General Fund, other Operating Funds, and Grant Funds.

**FY 2012 through FY 2015 reflects mid-year adopted personnel count or other City Council action*

The FY 2016 Proposed Budget adds 219 positions to the General and Restricted Funds through improvements and mandates. The Budget eliminates a total of 47 positions. These program changes result in a net increase of 172 positions. The following table summarizes the changes to personnel levels included in the Proposed Budget.

Department Reorganizations

The City is constantly looking for ways to make the organization more efficient and effective and reduce administrative overhead. In continuing this effort, this budget formalizes four department reorganizations and consolidations that will further streamline operations and enhance service delivery.

Office of EastPoint In FY 2016 the Office of EastPoint will be focusing on coordinating the implementation of the \$54 million Choice Neighborhood Initiatives (CNI) managed by the San Antonio Housing Authority, Eastside Promise Neighborhood (EPN) initiative managed by the United Way of San Antonio and Bexar County, and the Promise Zone initiative. The division in charge of the City real estate functions to include property acquisition and disposition will be transferred to the Transportation and Capital Improvements Department. The Leasing and Asset Management Division of the EastPoint Office will be transferred to the Center City Development and Operations Department, and the management of the City's Edwards Aquifer Protection Program will move to the Parks and Recreation Department. The FY 2016 Budget reflects these changes.

Government & Public Affairs This reorganization combines the City's Intergovernmental Relations, Communications & Public Affairs and Military Affairs Office. The combined department will facilitate strategic communications for the City.

Economic Development Department The Proposed Budget moves the International Relations Office from the Intergovernmental Relations Department to the Economic Development Department. This allows for better alignment of efforts to maintain foreign relations and increase global visibility, and economic growth.

Center City Development & Operations In 2016, the management and operations of Market Square, La Villita, Spanish Governor's Palace, and Mission Marquee Plaza will transfer from the Department of Culture and Creative Development Department to Center City Development & Operations Department. This allows for a closer tie of downtown events and parking to the development of downtown San Antonio.

Other Funds Summaries

Development Services Fund

The FY 2016 Proposed Budget for the Development Services Fund is \$32.3 million. The Development Services Fund was established in FY 2007 to account for revenues and expenditures generated from all development-related activities and to ensure that development fees are used to support the activities associated with supporting the development community.

Development Services Department The Development Services Department is responsible for protecting the health, safety, and quality of life of the citizens of San Antonio through regulation of land and building development. In addition, the Department assists customers through the development process by reviewing, permitting, inspecting, and granting authority to develop land and occupy buildings within the City.

The Development Services Department also provides administrative and technical support to boards and commissions that direct and review issues on land development and construction regulations. These boards include the Board of Adjustment, Building & Fire Board of Appeals and Advisory Board, and Zoning and Planning Commissions.

Permitting Activity FY 2015 marked the fourth consecutive year of residential permitting growth, following significant declines in the housing market from FY 2007 through FY 2011. Steady growth is expected to continue into FY 2016. Commercial permit activity over the past decade has experienced less fluctuation.

Residential and Commercial Building Permit Activity FY 2006 to FY 2016

Service Delivery The FY 2016 Proposed Budget provides further funding for the implementation of a comprehensive development services software system. The new system will be phased in over the next two and half a years, with new land development and zoning case management systems coming online first in the fall of 2016. The budget also provides funding for the creation of an additional parking lot to ease congestion for visitors to the Cliff Morton Development and Business Services Center. And in furtherance of improving the consistency of service delivery, cycle times, and facilitation between the City and developers, the FY 2016 Proposed Budget includes funding to expand after-hour plan review services to include review of fire systems, to further implement electronic plan review, and to further digitize building plans.

Solid Waste Fund

The FY 2016 Proposed Budget for the Solid Waste Operating and Maintenance Fund is \$107 million. Funding would be used to provide weekly curbside recycling and garbage collection, two annual brush collections, and two annual bulky waste collections to over 345,000 residential customers. Additional services include household hazardous waste disposal, two brush recycling centers, and four bulky drop-off centers.

Recycling Plan Department appropriations are guided by the *Recycling and Resource Recovery Plan* (Recycling Plan) approved by City Council in June 2010. The Recycling Plan sets the strategic goals of ensuring that all single-family and multi-family residents have access to convenient recycling programs, improving recycling opportunities for businesses and schools, and recycling 60% of all single-family residential curbside material collected by the Solid Waste Management Department by the year 2025.

Variable Rate Pricing (Pay as You Throw) The next step to achieve a 60% recycling rate is to implement Variable Rate Pricing, also known as Pay as You Throw. The program would provide customers with a blue recycling cart, a green organics cart, and a choice between three brown garbage carts (small, medium, large). The larger the brown cart, the greater the monthly rate for the cart. The program would incentivize customers to use smaller brown carts and place more recyclable material in the blue and green carts.

The FY 2016 Proposed Budget provides funding to begin conversion and expansion of the program to half of Solid Waste customers. Those customers that are part of the new program will have a choice of a small, medium, or large garbage can and the total monthly rate will be based on the size of the garbage cart instead of a single monthly fee. Non Pay As You Throw customers would continue to pay the current total monthly rate of \$20.93 per month. In FY 2017 a rate increase is projected to fund construction of a new service center to replace the Southeast Service Center.

Solid Waste Total Monthly Rate, FY 2012 – FY 2016 (Proposed)

Rate Analysis	FY 2012	FY 2013	FY 2014	FY 2015	FY 2016	
Garbage Cart Size	All Customers (96 gal cart size)				Non-PAYT Customers	PAYT Customers
Small (48gal)	\$19.43	\$19.43	\$19.93	\$20.93	\$20.93	\$20.43
Medium (64 gal)						\$20.93
Large (96 gal)						\$22.18

Storm Water Fund

The FY 2016 Proposed Budget for the Storm Water Operating Fund is \$47.4 million. The Proposed Budget includes \$32.1 million for operating expenses including personnel costs and payments to the San Antonio Water System (SAWS) for services related to compliance with the Texas Commission on Environmental Quality (TCEQ) permit requirements.

The primary source of revenue for the Storm Water Operating Fund is the Storm Water Utility Fee which was established in FY 1993 to provide funding for storm water operation services. The fee is assessed to residential and non-residential properties that discharge storm water into the City’s drainage system.

The FY 2013 Proposed Budget recommended an increase to the Storm Water Utility Fee to fund additional street sweeping cycles and additional mowing cycles. Due to City Council concerns about the rate methodology, which assesses fees based on lot size and land use, the Transportation & Capital Improvements (TCI) department was asked to review the methodology and fee structure before an increase would be approved. In FY 2014, TCI retained a consultant to assist with an analysis of the current fee structure and the development of a new methodology and fee structure.

The FY 2016 Proposed Budget recommends a new impervious cover methodology and rate structure, which assesses fees based on rate and volume of storm water runoff. Impervious cover has a direct relationship with storm water runoff rate and volume and is the best measure of drainage system usage. Impervious cover includes rooftops, parking, driveways, and walkways.

The new fee structure will provide service enhancements to street sweeping, storm drain tunnel maintenance, vegetation management, and high water detection.

Proposed Storm Water Utility Fee Structure	
Residential Rates	
Impervious Cover	Monthly Fee
<2,750 SF of impervious cover	\$3.22
2,750 to 4,220 SF of impervious cover	\$4.25
>4,220 SF of impervious cover	\$8.98
Non-Residential Rates	
Impervious Cover	Monthly Fee
<20% area of impervious cover	\$0.25/1,000 SF + \$55.77
20% to 40% area of impervious cover	\$0.37/1,000 SF + \$55.77
40% to 65% area of impervious cover	\$0.50/1,000 SF + \$55.77
>65% area of impervious cover	\$0.62/1,000 SF + \$55.77

Street Sweeping Operational efficiencies and enhanced funding of \$460,000 increase street sweeping by 10% and 2,000 gutter miles annually for residential, arterial, and collector streets.

Storm Drain Tunnel Maintenance The FY 2016 Proposed Budget includes \$650,000 to clean, map, and assess the condition of the underground storm drain system. This initiative will enhance management of the system and improve storm water conveyance by removing debris and blockages.

Vegetation Management The FY 2016 Proposed Budget includes \$750,000 to provide mowing for an additional 265 acres along City rights-of-way and channels increasing the number of mowing cycles by up to 50%. This initiative will increase annual mowing cycles in rights-of-way and channels from 4 to 6 and medians from 9 to 12. The initiative will also improve safety by eliminating vegetation that impedes the flow of storm water runoff and that creates visual obstructions for traffic.

High Water Detection The FY 2016 Proposed Budget includes \$440,000 to maintain 51 newly installed High Water Detection (HWD) sites. HWD includes flashing lights, which automatically

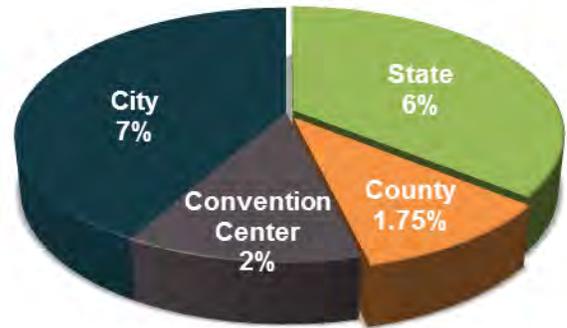

activate as rain water begins to flood roadways and deter motorists from hazardous water crossings.

Hotel Occupancy Fund

The Hotel Occupancy Tax Fund (HOT) captures revenues and expenditures associated with Hotel Occupancy Tax collections.

The current HOT rate of 16.75% levied on every room night charge contributes 6% to the State, 1.75% to Bexar County, 7% to the City, and the remaining 2% is a dedicated source of revenue to pay debt service and fund capital improvements for the Henry B. Gonzalez Convention Center Complex. The chart to the right shows the allocation of the HOT rate.

FY 2016 Hotel Occupancy Tax Rate (16.75%)

Hotel Occupancy Tax revenue projections are based on an analysis of anticipated lodging demand, projected number of room nights sold, projected average daily rates, estimated hotel/motel room supply, inflation rates, and known events. For FY 2016, the City projects HOT collections of \$63.9 million—a projected growth of 5.5% over the FY 2015 Adopted Budget and 3.6% over the FY 2015 Estimate.

**Historical Hotel Occupancy Tax Revenue
FY 2007 to FY 2016**

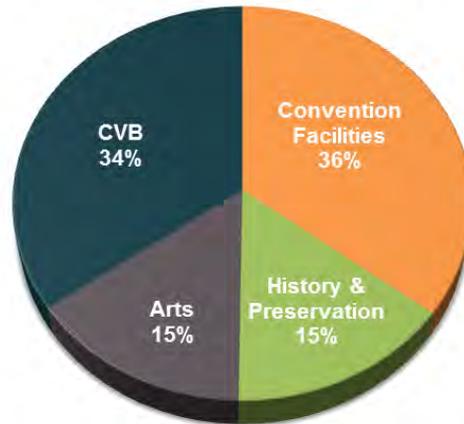

Funding from the HOT is used to support tourism, convention activities, and arts and cultural programming across the City. This is done through transfers to the Community & Visitor Facilities Fund and the Convention & Visitors Bureau Fund. These transfers are designed to cover any shortfalls that may exist between the revenues and expenditures of the funds. After

the annual debt service payment is made, the remaining net HOT collections are allocated 15% to the Culture & Creative Development Fund and 15% to the General Fund for history and preservation, totaling \$9,319,192 for each in FY 2016.

The chart to the right illustrates the FY 2016 allocation of HOT revenue among Arts and Cultural Programming, History & Preservation, and Tourism.

The FY 2016 Proposed Budget for the Hotel Occupancy Tax Fund will have \$63.9 million in appropriations, which encompass the operations of the Convention & Visitors Bureau, Convention & Sports Facilities, and the Department of Culture and Creative Development, as well as a 15% transfer of HOT allocations to the General Fund under History & Preservation.

FY 2016 Hotel Occupancy Tax Revenue Allocation

Community & Visitor Facilities Fund

The Community & Visitor Facilities Fund (CVF) was established in FY 2004 to account for revenues and expenditures generated from all convention, tourism, sports, and entertainment related facilities and activities. The CVF includes the Convention & Sports Facilities Department (CSF) and Non-Departmental operations. The facilities operated by CSF include the Henry B. Gonzalez Convention Center, Alamodome, Lila Cockrell Theater, and Carver Community Cultural Center.

The primary sources of revenue from operation of the CSF are facility rentals, catering commissions, food and beverage concessions, reimbursable expenses, and various event-related fees. Revenues are estimated based on both scheduled and projected events. Total Convention Center and Alamodome revenue in FY 2016 is estimated at \$23.4 million which is 2% more than the FY 2015 Adopted Budget of approximately \$23 million.

Henry B. Gonzales Convention Center Transformation The FY 2016 Proposed Budget includes operational funding in the amount of \$1.5 million for the expanded Henry B. Gonzales Convention Center. A total of 19 maintenance and operations positions will be allocated for the expanded facility, which will increase the total gross space of the Convention Center by 350,000 square feet to 1.65 million square feet. The expanded facility is scheduled to begin hosting events in the spring of 2016.

Convention and Visitors Bureau Fund

The Convention and Visitors Bureau (CVB) Fund was established in FY 2007 to account for revenues and expenditures generated from the promotion of San Antonio as a premier leisure, business, and convention destination. The FY 2016 transfer to the CVB Fund is \$21.3 million or 34% of the \$62.2 million net HOT Fund appropriations.

Marketing and Advertising Improvements The FY 2016 Proposed Budget includes \$1.45 million in additional funding to promote and advertise San Antonio's destination amenities and cultural assets. A total of \$500,000 in funding is included to celebrate and promote the transformation of the Henry B. Gonzales Convention Center, which is scheduled to begin hosting events in the spring of 2016. A total of \$950,000 in funding is included for the ongoing advertising and marketing of San Antonio's Missions as a UNESCO World Heritage Site and promotion of other local cultural assets, as well as for expanding the promotion of San Antonio as a travel destination through television, broadcast, and digital marketing.

Culture and Creative Development Fund

The Culture and Creative Development Fund was created in FY 2007 to account for expenses generated in support of San Antonio art and cultural programming. The Culture and Creative Development Fund is appropriated 15% of net HOT allocations in an amount of \$9.3 million. A portion of this fund's expenditures are directed to non-City owned facility agencies that support the arts. Art program funding is distributed on a competitive basis and is managed by the Department of Culture and Creative Development (DCCD). Applications are reviewed by staff and recommendations are developed in concert with the Cultural Arts Board.

Advanced Transportation District (ATD) Fund

In FY 2005, the Advanced Transportation District (ATD) Fund was established to account for all revenues and expenditures associated with the administration and project delivery of the ATD Program. ATD projects increase mobility, reduce traffic congestion, and improve neighborhood

connectivity. The FY 2016 Proposed Budget for ATD appropriations totals \$16.9 million. Total resources for the ATD Fund in FY 2016 include \$15.9 million in collected sales taxes and \$2.5 million available from the fund's beginning balance in prior year capital project savings.

Sidewalk and Street Improvements The FY 2016 Proposed Budget includes \$5 million for sidewalks and ADA accessible wheelchair ramps. The proposed budget of \$5 million will construct 9.06 new miles of new sidewalks and approximately 300 ADA accessible wheelchair ramps.

Bike Lanes For the fifth consecutive year, the budget includes \$1 million for bike projects, including bicycle lanes, bicycle facilities, and new outreach activities. This funding will allow for the construction of 10.7 miles of new bicycle lanes and the continued implementation of the Bicycle Master Plan.

Intersection Improvements The FY 2016 Proposed Budget includes \$1.1 million to improve traffic flow and add video vehicle detection systems at street intersections, and to make pedestrian safety improvements, such as school zone markings and audible pedestrian signals.

Six-Year Capital Improvements Program

The FY 2016 through FY 2021 Capital Improvements Program for the City of San Antonio totals \$1.40 billion. The six-year program contains 281 projects and represents the City's long range physical infrastructure development and improvement plan. Items in the six-year scope include new streets and sidewalks, drainage enhancement projects, park and library facility rehabilitation projects, aquifer land acquisition and linear park development, public health and safety enhancement including new fire stations, airport system improvements, technology improvements, flood control projects and municipal facility construction and refurbishment projects. The One-Year Capital Budget for FY 2016 totals \$670 million.

The following table details the planned expenditures by program area:

Convention Center Expansion

On May 30, 2012, staff presented to City Council a five-year \$325 million proposed financing plan for the Convention Center Expansion Project. The expansion will increase total space by 350,000 square feet to 1.65 million square feet. The expansion will also include the addition and renovation of existing exhibit halls, construction of a new well-defined entrance, renovation of food service facilities, way-finding and complimentary meeting spaces. In addition to meeting the current market demand for space, the Convention Center Expansion Project will allow for the City of San Antonio to position itself as a marketable convention destination well into the future.

Consolidated Rental Car Facility (CONRAC)

The Capital Budget includes funding for the construction of a Consolidated Rental Car Facility at the International Airport to increase convenience for travelers. This project will construct a six-story parking garage to be utilized by rental car facilities. The garage will include pick-up and return car storage parking, maintenance, and fueling facilities. The rental

facility will be located directly across from Terminal B, providing convenience to customers by eliminating the need for shuttles to ferry customers to and from the rental car pickup.

Alamodome

In November 2014, the NCAA selected the City of San Antonio to host the NCAA Men's College Basketball Final 4 Tournament in 2018. A contributing factor to winning the bid relied on the City's commitment to substantially complete the Alamodome's renovations by November 2016. Renovations consist of demolition and expansion of the Alamodome's north plaza, addition of 600+ seating capacity and high definition audio and visual upgrades. Existing corridors will also be expanded to reduce congestion and allow enhancement of food service facilities.

<i>Parks & Recreation</i>				
Parks Linear Creekway & Edwards Aquifer Protection Administration	262,378	278,352	4	0
Adds the required staff and associated equipment, supplies, and services to support the administration and development of the Edwards Aquifer protection program along with the additional miles of creekway and multi-use trails to be designed and constructed through the Sales Tax Venue. A transfer from the Sales Tax Venue would reimburse the General Fund.				
Parks Linear Creekway Operations and Maintenance	491,383	569,216	3	0
Adds staff and equipment to support the maintenance of additional miles of creekway and multi-use trails acquired through the Sales Tax Venues. In FY 2016, the City anticipates adding approximately 9.8 miles of greenway with 55 new components to trail heads along the greenway.				
Parks Acquisition and Development	656,630	583,684	6	0
Provides resources for required maintenance of additional acres, facilities, and parks developed through bond issues, grants, and other funds. In FY 2016, approximately 24 new acres, 14.5 miles of exercise trails and 165 new components will be added to park inventory.

Redirect Supportive Housing Program (SHP)	103,191	103,191	0
Eliminates \$103,191 of cash match for Supportive Housing Program (SHP) grant. The SHP provides child care services to families residing in a homeless shelter or transitional housing facility. In coordination with the homeless Continuum of Care and consistent with guidance provided by the Department of Housing and Urban Development, department will forgo applying for short-term emergency assistance grant to allow the Continuum of Care to redirect funds to permanent housing solutions.			
Restructure Utility Assistance Program	201,193	201,193	4
Continues implementation of program restructuring started in FY 2015. Initial service delivery model improvements included consolidation of sites, process and scheduling changes. FY 2016 restructuring focuses on providing more concentrated and immediate relief, moving away from an incremental payment approach. This model creates program efficiencies without impacting the number of households served. Does not impact services to seniors.

ADDITIONAL INFORMATION ON HOLIDAYS:

Uniformed Fire Department personnel will accrue a 13th holiday, designated as the September 11th Holiday in compliance with State Law. Since September 11th is not a City Holiday, this accrual shall be used in accordance with Fire Department policy.

Non-exempt civilian employees may be eligible to receive a Floating Holiday based on attendance for use during Fiscal Year 2015-2016 in accordance with Administrative Directive 4.4. Any Floating Holiday granted to non-exempt civilian employees during this fiscal year that is not taken by October 1, 2016, will be forfeited.

The value of the Holiday shall be determined based on the employee's work schedule. If the employee works an 8 hour day, the Holiday will be paid or banked at 8 hours. For employees that work a 10 hour schedule, the Holiday will be paid or banked at 10 hours.

Individual departments may develop Alternate Holiday schedules for the fiscal year, to substitute for those listed above, to accommodate for workload demands. These schedules must be submitted to and approved by the Human Resources Department and the City Manager's Office prior to October 1, 2015.

SUMMARY OF PROPOSED BUDGET**

Description:

The Bexar Appraisal District provides the City with the value, ownership, and taxability of property within the City limits. Property taxes are levied each year by the City on real property, mobile homes, and personal property at 100% of the appraised market value. In addition to providing General Fund operating support, property tax revenue is used to retire tax supported debt.

Description:

The Storm Water Operating Fund was established to account for all revenues and expenditures associated with the operation and maintenance of all City storm water activities. Revenue is generated from a Storm Water Utility Fee. The Storm Water Fund consists of several City activities that are responsible for the City's infrastructure system of lakes, streams, basins, dams, and storm water systems.

TAX INCREMENT FINANCING
SUMMARY OF PROPOSED BUDGET**

Description:

Tax increment financing is a tool, governed by the Tax Increment Finance Act Chapter 311 of the Texas Tax Code, to publicly finance needed infrastructure improvements and enhancements for residential and commercial developments within a defined area called Tax Increment Reinvestment Zone (TIRZ). In FY 1998, City Council created the Tax Increment Finance Program in accordance with the Community Revitalization Action Group (CRAG) recommendation. Currently, there are 20 TIRZs.

AIRPORT OPERATING AND MAINTENANCE FUND
SUMMARY OF PROPOSED BUDGET**

Description:

The Airport Operating & Maintenance Fund is an enterprise fund established to record all revenues and expenditures associated with the operations and maintenance of the San Antonio International Airport and Stinson Municipal Airport facilities. Airport user fees provide for operation and maintenance and required debt service for outstanding bonds. Aviation Bond Ordinance prohibits any credit to Airport Capital Improvement Funds which would reduce the Restricted Reserve balance to less than three months of operation and maintenance expenses.

AIRPORT PASSENGER FACILITY CHARGE AND SUBORDINATE LIEN FUND
SUMMARY OF PROPOSED BUDGET**

Description:

The Passenger Facility Charge Revenue (PFC) Fund was established to account for Passenger Facility Charges imposed on each passenger enplaned. The revenues pay for capital expenses and debt service associated with the preservation, enhancement, safety, security, or noise reduction for the San Antonio International Airport. The first priority on the use of the funds is debt service for the PFC bonds. The remaining balance less reserves is transferred to the PFC Capital Improvement Fund for pay as you go Capital Projects.

**SELF INSURANCE FUND
WORKERS' COMPENSATION FUND
SUMMARY OF PROPOSED BUDGET**

Description:

The Workers' Compensation Fund consolidates the Workers' Compensation liabilities into one account. Each department is charged a premium based on their own history of claim loss experience. A third party administrator processes Workers' Compensation claims paid from this fund. This fund provides for the costs of the City's Employee Safety Program and the City Attorney's administration of in-suit claims.

CONTRIBUTION TO DELEGATE AGENCIES

The Proposed FY 2016 Budget continues the City's strong commitment to strengthening long term economic viability in San Antonio through investment in human and workforce development. The consolidated funding process aims to direct investments toward providing effective services and positive outcomes and to ensure integration with the City's direct services, as well as to shift the focus away from the funding of agencies and the duplication of services. The City's delegate agency funding priorities support strategies that facilitate the achievement of self-sufficiency, healthy lifestyles, and full community participation among children, families, and seniors. Specifically, the Proposed FY 2016 Budget concentrates funding on strategies in alignment with the SA2020 initiative and City Council priorities including promoting long-term and short-term workforce development, early childhood education and family strengthening, school completion, job training, and adult literacy. In addition, the City will continue to support the community safety net through investment in senior services, basic needs, emergency assistance, family counseling, day care services and services for the homeless. The Department of Human Services and the Economic Development Department each administer a portion of the Delegate Agency Budget.

**GENERAL FUND
NON-DEPARTMENTAL/NON-OPERATING HIGHLIGHTS - FY 2016¹**

◆ **\$1 Million General Fund Contingency Reserve** **\$1,000,000**

This provides funds to establish a contingency reserve to be utilized for unfunded needs that arise during the year. Use of these contingencies is subject to City Council vote through an adopted ordinance.

◆ **Street Lighting Energy Charges** **\$14,152,660**

This provides funding for the energy costs for street lights.

◆ **Professional Fees & Services** **\$1,673,207**

This includes funds for professional studies and outside counsel as well as the City Property Tax Collection.

◆ **Sales Tax Collection Expense** **\$5,492,928**

This allocates funding for the estimated administrative fee charged by the State Comptroller for collection of the local sales tax. The amount charged is two percent of the revenue collected.

◆ **Lease of Office Space** **\$1,759,801**

This includes the annual space rental of several General Fund departments, including Finance, Economic Development, and Department of Human Services.

◆ **Association Dues** **\$482,878**

This amount provides for the annual membership dues for associations to include the Alamo Area Council of Governments, Texas Municipal League, National League of Cities, U.S. Conference of Mayors, Build SA Green, National Forum for Black Public Administrators, and the Downtown Improvement District.

◆ **Bexar Appraisal District** **\$2,534,966**

This budget is the estimated City share of the Bexar Appraisal District annual budget for FY 2016. The cost for a participating entity is based on its pro-rata share of the most recent prior year actual overall tax levy.

◆ **Maintenance and Operations of Carver Center** **\$1,024,596**

This budget represents the General Fund portion of the operations and maintenance of the Carver Center.

Note

1. In FY 2016, several programs were re-organized from Non-Departmental into the managing department. These re-organization include but are not limited to the following:

Memberships and Dues

The FY 2016 Proposed Budget provides funding for the following annual membership fees or dues to the following agencies in the amounts indicated below:

- **Alamo Area Council of Governments (AACOG)**

General Fund FY 2016 Budget: \$95,453

The Alamo Area Council of Governments' general purpose is to plan for the unified, far-reaching development of the region, eliminate duplication of services, and promote economy and efficiency through coordination. AACOG organizes cooperative projects among local governments and is heavily involved in regional planning for the San Antonio area. AACOG also provides services and technical assistance to member governments in economic development, grant applications, planning, management, and other areas.

- **Airports Council International (ACI)**

Airport Operating Fund FY 2016 Budget: \$80,000

Airports Council International is the global trade representative of the world's airports. ACI represents airports' interests with governments and international organizations like the International Civil Aviation Organization. ACI develops standards, policies and recommends practices for airports in the areas of safety, security and environmental initiatives. ACI also offers its members information and training opportunities, a customer service benchmarking program, detailed statistical analyses and practical publications.

- **Austin-SA Corridor Council**

General Fund FY 2016 Budget: \$50,000

The Austin-SA Corridor Council is a private, non-profit corporation which serves as a forum for the discussion of regional issues in the Austin and San Antonio area. The Council aims to promote the region's economic development, as well as the long range planning and implementation of regional infrastructure.

- **Lone Star Rail District (Commuter Rail District)**

General Fund FY 2016 Budget: \$50,000

The Lone Star Rail District, previously named the Austin-San Antonio Commuter Rail District, is an independent public agency and a political subdivision of the State of Texas. The District was created to develop a regional passenger rail service for the Austin-San Antonio corridor. The District is currently working on engineering and environmental studies for both the freight rail relocation bypass and passenger rail section of this project.

- **Free Trade Alliance**

General Fund FY 2016 Budget: \$180,000

The Free Trade Alliance is a Texas, non-profit corporation tasked with the purpose of promoting San Antonio as the center for trade in the Americas, to promote San Antonio's economic development objectives in China, and to maximize international business opportunities for San Antonio through the North American Free Trade Agreement (NAFTA). The Free Trade Alliance is comprised of individuals and community organizations headed by the City, the Greater San Antonio Chamber of Commerce, the San Antonio Hispanic Chamber of Commerce, the San Antonio Economic Development Foundation (EDF), San Antonio Water System, Port San Antonio, Bexar County, and CPS Energy.

**- OUTSIDE AGENCY CONTRACTS & MEMBERSHIPS HIGHLIGHTS FY 2016
PROPOSED -**

- **National League of Cities**

General Fund FY 2016 Budget: \$35,000

The National League of Cities (NLC) serves as a resource to advocate for the more than 19,000 cities, villages, and towns it represents. NLC advocates for cities in Washington, D.C. through full-time lobbying, provides programs and services to local leaders, and provides a network for informing leaders of critical issues and communicating with other cities.

- **San Antonio Mobility Coalition**

General Fund FY 2016 Budget: \$63,000

The San Antonio Mobility Coalition was created in 2001 to bring focus to the community's short and long-range transportation funding needs. The group identifies and advocates funding for multi-modal transportation solutions (highway, arterial, transit, freight rail, commuter rail, bicycle and pedestrian improvements) for the San Antonio Metropolitan area. SAMCo identifies and coordinates infrastructure improvements in the area in partnership with the appropriate government and business entities. Once projects are identified, SAMCo coordinates member cities and groups to utilize all available resources toward leveraging additional local, state and federal transportation funds.

- **Texas Municipal League**

General Fund FY 2016 Budget: \$49,972

The Texas Municipal League (TML) exists to serve the needs and advocate the interests of its member cities in Texas. TML lobbies for its member cities before legislative, administrative and judicial bodies at the state and federal levels. TML also sponsors and conducts conferences, seminars, meetings and workshops for the purpose of studying municipal issues and exchanging information.

- **San Antonio Metropolitan Partnership for Energy (Build San Antonio Green)**

Other Funds FY 2016 Budget: \$85,000

The San Antonio Metropolitan Partnership for Energy coordinates with the City of San Antonio, Bexar County, CPS Energy, San Antonio Water System, VIA Metropolitan Transit, Alamo Area Council of Governments, and the Bexar County Council of Cities to develop and implement energy and emission reduction policies for air quality improvement, water conservation, energy efficiency and renewable energy. In 2015, Build San Antonio Green and Solar San Antonio merged to form one organization. The consolidated organization will continue to provide technical workshops on energy efficiency, conservation, renewable energy and green building, promote the Build San Antonio Green program by certifying green-built homes in San Antonio while continuously transforming San Antonio into a leader in renewable energy through actively encouraging the widespread use of solar and other renewable, sustainable energy sources.

- **United States Green Building Council**

Other Funds FY 2016 Budget: \$1,500

The Washington, D.C.-based U.S. Green Building Council (USGBC) is a non-profit organization committed to promoting cost-efficient and energy-saving green buildings. USGBC supports green building products and services through the LEED Green Building Rating System. The LEED Green Building Certification System is the preeminent program for rating the design, construction and operation of green buildings. USGBC provides educational programs on green design, construction and operations for professionals in the building industry. USGBC also advocates at all levels of government for policies and initiatives that enable and encourage a sustainable built environment.

**- OUTSIDE AGENCY CONTRACTS & MEMBERSHIPS HIGHLIGHTS FY 2016
PROPOSED -**

- **Urban Sustainability Directors Network**

Other Funds FY 2016 Budget: \$4,150

The Urban Sustainability Directors Network (USDN) is a network dedicated to creating a healthier environment, economic prosperity, and increased social equity. The network enables sustainability directors and staff to share best practices and accelerate the application of good ideas across cities.

- **US Conference of Mayors**

General Fund FY 2016 Budget: \$40,235

The US Conference of Mayors is the official nonpartisan organization of cities with populations of 30,000 or more. The organization promotes the development of effective national urban/suburban policy, strengthens federal-city relationships, ensures that federal policy meets urban needs, and creates a forum in which mayors can share ideas and information. The organization assists mayors and cities directly through information, analysis, training, and technical assistance on city issues.

- **National Forum for Black Public Administrators**

General Fund FY 2016 Budget: \$15,000

The National Forum for Black Public Administrators is committed to strengthening the position of Blacks within the field of public administration; to increase the number of Blacks appointed to executive positions in public service organizations; and, to groom and prepare younger, aspiring administrators for senior public management posts in the years ahead.
