

Work requested (check all that apply): Phase I Phase II Phase III / Cleanup Plans
 Site cleanup / remediation Absestos Survey Lead Survey
 Other: _____

Site Information

Property Name (if applicable) _____
Property Address _____
City Council District #: _____ TIRZ District: _____
Current Zoning: _____
Property ID# (See www.BCAD.org): _____

Acreage: _____ Is the property currently vacant/abandoned? Yes No
If yes, how long has it been vacant or abandoned? _____

Known or suspected contaminant(s) (check all that apply):
 Hazardous substances Petroleum Asbestos Lead-based paint
 Not sure Other: _____

Are property taxes paid up-to-date on this property? Yes No

What is the current site condition and use?

Are there any structures on the site? If so, what type? Please provide the total floor space if known (include approximate square footage of interior floor space, covered areas, and paved areas):

Applicant Information

Name: _____ Title: _____

Company: _____

Address: _____

City, State, ZIP: _____

Phone: _____ Email: _____

Are you the property owner? Yes No

If no, describe your relationship with the owner and their role in the work to be performed:

Is the applicant: Non-profit Governmental Entity For-profit

Other: _____

Current property owner (if different from Applicant): _____

Owner Address: _____

City, State, ZIP: _____

Owner Phone: _____ Owner Email: _____

Date property acquired: _____

If owner, how did you take ownership of the property (Purchase, Foreclosure, Donation, etc.)?

Is a property transaction (sale or lease) pending? What is the timeline?

Property History

Please provide information regarding past uses of the site including business operations and associated ownership of the property.

Identify when and how the site may have become contaminated, with what substance(s), and where any contamination is likely to be found.

Describe any steps taken by the owner (if any) to ensure environmental concerns were not exacerbated.

Past Environmental Work

List all environmental investigation reports that have been completed at this site. Indicate “none” if no investigations have been completed.

Are there any known environmental enforcement actions (at the federal, state or local level) regarding contamination or hazardous substances at the site? If so, please explain.

Redevelopment Plan

Please provide a redevelopment plan summary for the site including the proposed level of investment. Attach additional information as needed.

Briefly describe any public benefit the proposed redevelopment will provide (such as creation of jobs, preservation of historically or culturally significant property, preservation of habitat, reuse or recycling of materials or infrastructure, cost savings to the community, or increased property values).
