When to use: After submitting your User Security form and receiving an email with your user name.

Who should use: All registered SAIRS users.

Notes:

One User Security form needs to be submitted for every staff member who needs access to SAIRS.

No sharing. You will be contacted by email or phone with your user name and default password. You may want to print this email for reference. For security reasons, you will then need to go into the system, change your password and complete security questions.
