

CITY OF SAN ANTONIO, OFFICE OF THE CITY  
CLERK, MUNICIPAL ARCHIVES

---

**TITLE:**

Office of the City Clerk, City Council Proceedings, 1849–2005

**DATES:**

1849–2005

**QUANTITY:**

800 ft. of printed material; 42 photographs; and ~600 blueprints, survey plats, and construction plans

**LANGUAGES:**

English

This collection was processed with the assistance of the National Historical Publications and Records Commission.

---

**ADMINISTRATIVE HISTORY:**

The Office of the City Clerk is responsible for maintaining, destroying, and preserving the official records created by the City of San Antonio municipal government. In addition to maintaining the official records of the City of San Antonio, the Office of the City Clerk also prepares for and conducts City Council meetings, public hearings and work sessions, taping each for the permanent record; processes licenses, bonds, and insurance documents; prepares ceremonial items for the Mayor and City Council; sells and distributes copies of the city code, code supplements, and other city publications; processes and maintains records of appointments to boards and commissions; accepts claims filed against the city; accepts and maintains petitions filed by citizens; conducts municipal elections for the City of San Antonio, including City Council elections and run-offs as well as elections dealing with bond issues, referendums, initiatives, and revisions to the city charter; administers records of the city, including their microfilming as required by law; opens official bids for the city; and prepares publication of official city notices.

**SCOPE AND CONTENT:**

Collection includes correspondence, department reports, petitions, ordinances, resolutions, contracts, construction blueprints, maps, sketches, and photographs that document the activities of the City of San Antonio City Council. Proceedings largely consist of materials that were either passed by the City Council, as ordinances and resolutions, or filed in the Office of the City Clerk and later presented to the City Council, such as departmental reports presented by commissioners, or petitions brought by private citizens or corporations before the City Council. The collection documents the history of the City of San Antonio from the 1840s through the present, with materials relating to a variety of different topics, including the operation and results of city elections; the construction and maintenance of roads, bridges, sidewalks, sewers, electric signs, parks and plazas, rail and telegraph lines, and modifications to the San Antonio River; reports by City Commissioners on building projects, public health, city litigation, crime, and fire statistics; petitions and correspondence pertaining to topics as various as animal control, liquor and gambling within the city, zoning, schools, libraries, working conditions for laborers, and the distribution of municipal services.

---

**ARRANGEMENT:**

Materials between 1849 through 1919 have been arranged chronologically by year, and then subdivided into series as ordinances, resolutions, and petitions. Petitions were further formed into sub-series, based upon which committee originally heard the petition (e.g., Street improvements committee). All proceedings filed after 1919 are arranged based upon the date in which they were presented to the City Council, not their date of creation or the date filed with the Office of the City Clerk. After 1919, all petitions, ordinances, resolutions, and committee records are grouped together by date. All oversized maps, blueprints, and construction plans from 1849 through 1948 have been described at the item level (e.g., OS #) and stored separately to ensure their preservation.

**RESTRICTIONS:**

Unrestricted access.

**PREFERRED CITATION:**

[Box #, Folder title], Office of the City Clerk, City Council Proceedings, 1849–2005, San Antonio Municipal Archives.
