

After School Affordability Plan

Do you need help with the new summer and After School Fees? Contact the Center for Working Families to set up an appointment. Ask the staff about the Summer & After School Affordability Program. Services offered include help with job placement, child care assistance and one-on-one financial coaching. During your scheduled appointment, you must provide a valid driver's license, proof of income and copies of your most current utility bills. If you are receiving TANF, Food Stamps, SSI or Social Security bring those letters along with Social Security Cards of household members and birth certificates of children.

For help with summer or After School Fees contact the **Center for Working Families at 207-7830.**
