Shade value (survivability discount)	75%	100% (no discount)	90%

*Infrastructure & Growth Committee also recommended staff to consider options to improve the overall canopy in the City and ETJ to reach the 40% goal with the funds collected from the Tree Canopy and Tree Mitigation Investment funds. The I&G committee recommended to proceed to the City Council Meeting on May 6, 2010.

There will be no “B” session on April 28, 2010.
