Development Services Department

1901 S. Alamo Street

San Antonio, Texas 78204

***** BIO *****

Kevin Carr started with Development Services Department in July, 2000. Mr. Carr's primary job responsibilities include the review of commercial building permit plans, automatic fire sprinkler modification plans, and underground fire main systems for conformance with the International Fire Code, Building Code, and applicable NFPA standards. He holds a Bachelor of Arts degree in Public Administration, and an Associates degree in Fire Science

WORK EXPERIENCE: Mr. Carr came to the City with over 25 years experience in fire protection, safety and instruction. Immediately before joining the City, Mr. Carr worked with the Bexar County Fire Marshal's Office for three years where he was Lead Fire Inspector. Kevin is a retired Master Sergeant (E-7) having spent over 20 years in the United States Air Force. During his military career he held positions as Military Training Instructor, Fire Protection Supervisor, Fire Prevention Inspector, and Fire Protection Specialist.
