Development Services Department

1901 S. Alamo Street

San Antonio, Texas 78204

***** BIO *****

Leonardo Salas has been with Development Services Department since May 2005. He is a State Licensed Journeyman Electrician with the bulk of his experience in Commercial Installations and Service. Combined with many years as a CAD Tech/ GIS Specialist, he is proficient at interpreting and developing plans and electrical data for construction documents. Mr. Salas is constantly learning more about the Development Process, as well as other Building Codes.

CURRENT POSITION: As part of the [Minor Plans Team](#), Mr. Salas reviews commercial plans for code compliance and consults with customers regarding the plans review and permitting process.
