Development Services Department

1901 S. Alamo Street

San Antonio, Texas 78204

**\*\*\* BIO \*\*\***

**WORK EXPERIENCE:** Stanley Sells has an extensive history in construction management, including experience as Project Manager, Project Supervisor, Estimator, and General Contractor. Responsibilities included development and implementation of schedules and budgets, quality control, assurance that assigned projects were in compliance with applicable building codes and local ordinances, and resolution of labor issues. Stanley has been responsible for the successful completion of a broad scope of projects including family dwellings, commercial buildings and educational facilities. Mr. Sells joined the Development Services Department in 2007.
