Development Services Department

1901 S. Alamo Street

San Antonio, Texas 78204

\* \* \* **BIO** \* \* \*

**CURRENT POSITION:** For the past two years Mr. Patrick Poloskey, Development Services Manager for the City of San Antonio's Development Services Department, has managed the inspections program for one-and two-family dwelling construction and the investigations program.

**PREVIOUS WORK HISTORY:** Prior to his current position, Mr. Poloskey served as the Chief Electrical Inspector with the Development Services Department for fourteen years. Mr. Poloskey has thirty-two years of experience in the construction industry that began in 1974 as an apprentice electrician with the International Brotherhood of Electrical Workers (IBEW). He became licensed by the City of San Antonio as a Journeyman Electrician in 1978 and as a Master Electrician in 1986. He was employed by the City of San Antonio in 1989 as the Chief Electrical Inspector and received the International Conference of Building Official's (ICBO) certification as an Electrical Inspector in the same year. Mr. Poloskey obtained the Council of American Building Official (CABO) certification as a Certified Building Official in 1994. He is a Class A voting member of the International Code Council (ICC).
