Planning & Development Services Department
1901 S. Alamo Street
San Antonio, Texas 78204

***** BIO *****

Michael P. Shannon, Development Services Engineer for the City of San Antonio's Development Services Department (DSD) since August 2006, received a Bachelor of Science degree in Civil Engineering from Worcester Polytechnic Institute (WPI) in Worcester, MA in 1997 and a Master of Science degree in Fire Protection Engineering from WPI in 2003. He is a registered Professional Engineer (PE) in Texas in the discipline of Fire Protection Engineering.

CURRENT POSITION: As one of the two DSD Building Development Division's Development Services Engineers, Mr. Shannon manages the fire protection review, commercial/industrial building review, residential building review, minor plans review teams and the school plans review/inspections team.

PREVIOUS WORK HISTORY: Prior to his appointment as Development Services Engineer, Mr. Shannon worked in DSD as its Fire Protection Engineer and then Senior Fire Protection Engineer for 4½ years; worked for 3½ years as a Fire Protection Graduate Engineer with Schirmer Engineer Corporation (a nationally recognized fire protection engineer and consulting firm), and 1 year as a Fire Protection Engineering Intern with Engineering, Planning and Management, Inc.

PERSONAL: Mr. Shannon is married and enjoys spending time with family and pets, golfing, basketball, reading and watching his beloved New England Patriots vie for another Super Bowl title.
