

RIVER WALK CAPITAL IMPROVEMENT PHASE II UPDATE: May 7 – May 11, 2012

The River Walk Capital Improvement Project Phase II is underway and will continue through May 2012. This is provided to give updates on various project areas. The areas under construction at this time are as follows:

UNDER CONSTRUCTION:

1. **Hotel Contessa sidewalk, between the Presa St and Navarro St bridges** - The scope of work includes sidewalk improvements, bridge repairs at Marriage Island, cleaning and painting of the underside of the Navarro St Bridge as well as lighting improvements.
 - The river level sidewalk under the south side of the Navarro St Bridge remains closed to pedestrian traffic.
 - Pedestrian traffic has been routed to the street level and over the bridge to the next staircase down to the river level.
 - The sidewalk will be re-opened to pedestrian traffic by Friday, May 18th.
 - A concrete pour has been finalized for Thursday, May 10th from 5 am to 1:30 pm and Friday, May 11th from 5 am to 4:30 pm.
 - This work will require a lane closure of the west lane of Navarro between Villita for work under the south side of the Navarro St Bridge and Market.

Thank you for your patience and cooperation during construction as we work to improve the historic River Walk. With the assistance of the Paseo del Rio Association, the Downtown Operations Department will provide project updates to you every 7 to 10 days or as needed. If you should require any additional information please contact **Cynthia Martinez, Downtown Operations Department at 207-3372.**
