Hurricane Ike Situation Report #7

- Hurricane Ike is a Category 2 storm with winds of 105 mph. The storm is moving west/northwest at 13 mph. Hurricane Ike is expected to be a category 3 by landfall.
- As of yesterday, Port San Antonio is no longer receiving new buses and is now receiving self evacuees and buses with evacuees.
- The reception center has processed 2,911 general population evacuees, 321 special needs evacuees and 69 buses.
- There are 2,556 registered evacuees and 500 responders in shelters.
- There are currently 212 personnel from 20 agencies supporting operations at the ARCC.
- The San Antonio Volunteer Organizations Active in Disaster (SAVOAD) is seeking volunteers. Members of the community wishing to help with the response to Hurricane Ike are asked to go to the Coliseum Frontier. ***Please note that individuals are able to volunteer for more than one organization.*** For more information, contact (210) 224-5365.
- Medical volunteers are also needed. Those able to assist are asked to contact the Medical Volunteer Coordination Center at (210) 233-5910.

- The American Red Cross has established a contact number and website that can be used to register oneself as an evacuee or locate family members: 1-800-REDCROSS (1-800-733-2767) or visit www.redcross.org and click on the Safe and Well program.
- For basic shelter information, individuals can call 207-6400 or 3-1-1.
