### Routine Maintenance and Building Repairs

Asset Management is responsible for the operation and maintenance of this building and will absorb these expenses. Tenant departments have a Building Maintenance scheduled line item that is debited each month to cover utilities and the services provided by Asset Management. Such services include plumbing, HVAC, electrical, drywall, and all other related structure repairs.

### Contractual Services

- **Pest Control** services are provided monthly and on request by Triple B to treat the facility for fleas, roaches, ants, rats, mice, crickets, silverfish, spiders and scorpions).
- **HVAC** monthly maintenance includes filter change and routine AC checks by Air Jireh.
- **Elevator Service** provided by EMR Inc.
- **Security Guard Services** is provided by Allied Barton. Contact Mike Peters, 207-2363, concerning these issues.
