South: New Sulphur Springs
West: Pecan Valley Dr.

**Do you live or work
in this area?**

THE CITY OF SAN ANTONIO HAS PARTNERED WITH THE EASTERN TRIANGLE COALITION TO CREATE A "COMMUNITY PLAN" FOR THIS AREA.

Come and tell us the community's strengths and opportunities that can be built upon and the community's weaknesses and threats that can be addressed in a future vision for the area. The ideas gathered will be the foundation for issues to be addressed in the community plan.

WHAT IS A COMMUNITY PLAN?

A blueprint to help a community envision its future and plan the steps necessary to get there.

* What are the things that make the Eastern Triangle a great place to live?

* What can be improved in the Eastern Triangle?

* What makes the Eastern Triangle unique?

Come answer these questions and tell us about your experience in the Eastern Triangle.
