**Tuesday, August 26th**

5:30 pm-8:00 pm at Copernicus Park

### Participate in writing the Community Plan for the Eastern Triangle!!

At the 1st public meeting on May 31st the City recorded the community's thoughts regarding what they considered to be the planning area's "strengths and weaknesses." We will use these ideas to guide the discussion at five planning workshops. The Housing and Economic Development Workshop is the second workshop in the series.
