

Eastern Triangle Community Plan

SWOTs Public Meeting, 08/05/2008

Transportation and Infrastructure by District

SWOTs: Strengths, **W**eaknesses, **O**pportunities, **T**hreats

I. NORTH DISTRICT

TRANSPORTATION and INFRASTRUCTURE

strengths / opportunities	weaknesses / threats
S- Bus stops throughout area	W- Traffic calming needed along Kenmar & Upland W- Traffic calming needed on Kay Ann Ave and Susanwood W- No bike lanes for kids to bike to parks W- Sidewalks needed; around WW White Elementary W- General lack of sidewalks throughout area W- Flooding around Davis Middle School & surrounding streets W- Flooding at Jarbet and MLK W- Drainage concerns in the Dellcrest neighborhood

II. SOUTH DISTRICT

TRANSPORTATION and INFRASTRUCTURE

strengths / opportunities	weaknesses / threats
S- Expanded public transit	W- Lack of lighting on Loop 410 (Rigsby to IH-37) W- Poor road maintenance W- Speeding along Sinclair – no enforcement W- Poor or no sidewalks T- Flooding concerns throughout area

III. EAST DISTRICT

TRANSPORTATION and INFRASTRUCTURE

strengths / opportunities	weaknesses / threats
	W- Developers who have built in the area have not provided the infrastructure necessary to mitigate the impact of their development on existing adjacent residences W- Sinclair is dangerous W- Disinvestment by the City

IV. WEST DISTRICT

TRANSPORTATION and INFRASTRUCTURE

strengths / opportunities	weaknesses / threats
<p>S- Good public transportation in area, particularly along MLK</p>	<p>W- Sidewalks needed in the Amity Rd. area W- Wheatly Rd. needs repaving W- Potholes along Roland St. W- Wheatly Heights area has flooding problems W- Bad drainage on MLK from IH-10 to Freedom Bridge</p>

V. CENTRAL DISTRICT

TRANSPORTATION and INFRASTRUCTURE

strengths / opportunities	weaknesses / threats
<p>S- CIMS Infrastructure Projects S- Minimal traffic S- Good VIA service in some areas S/O- Easy access to highways</p> <p>O- Mass transit along WW White O- VIA could create route to hike & bike paths O- Retain garbage collection staff to minimize trash on streets</p>	<p>W- Pot holes in many streets W- Poor lighting W- Streets in need of repair W- Need streetlight at Rigsby & Willenbrock W- VIA improvements needed W- Bus stop improvements needed at Rigsby and WW White</p> <p>T- Drainage problems throughout district</p>
