

EASTERN TRIANGLE COMMUNITY PLAN

TRANSPORTATION, INFRASTRUCTURE, AND DRAINAGE WORKSHOP

Tuesday, August 5th

5:30 pm- 8:00 pm at Copernicus Park, 5003 Lord Road
*At this workshop we will use ideas from the May 31st public meeting to develop goals related to the topics of **Transportation, Infrastructure, and Drainage**. We will address topics such as: area connectivity, traffic flow, public transportation options, street lighting, pedestrian access, sidewalks, water run-off, and drainage features.*

**DO YOU LIVE OR WORK
IN THIS AREA?**

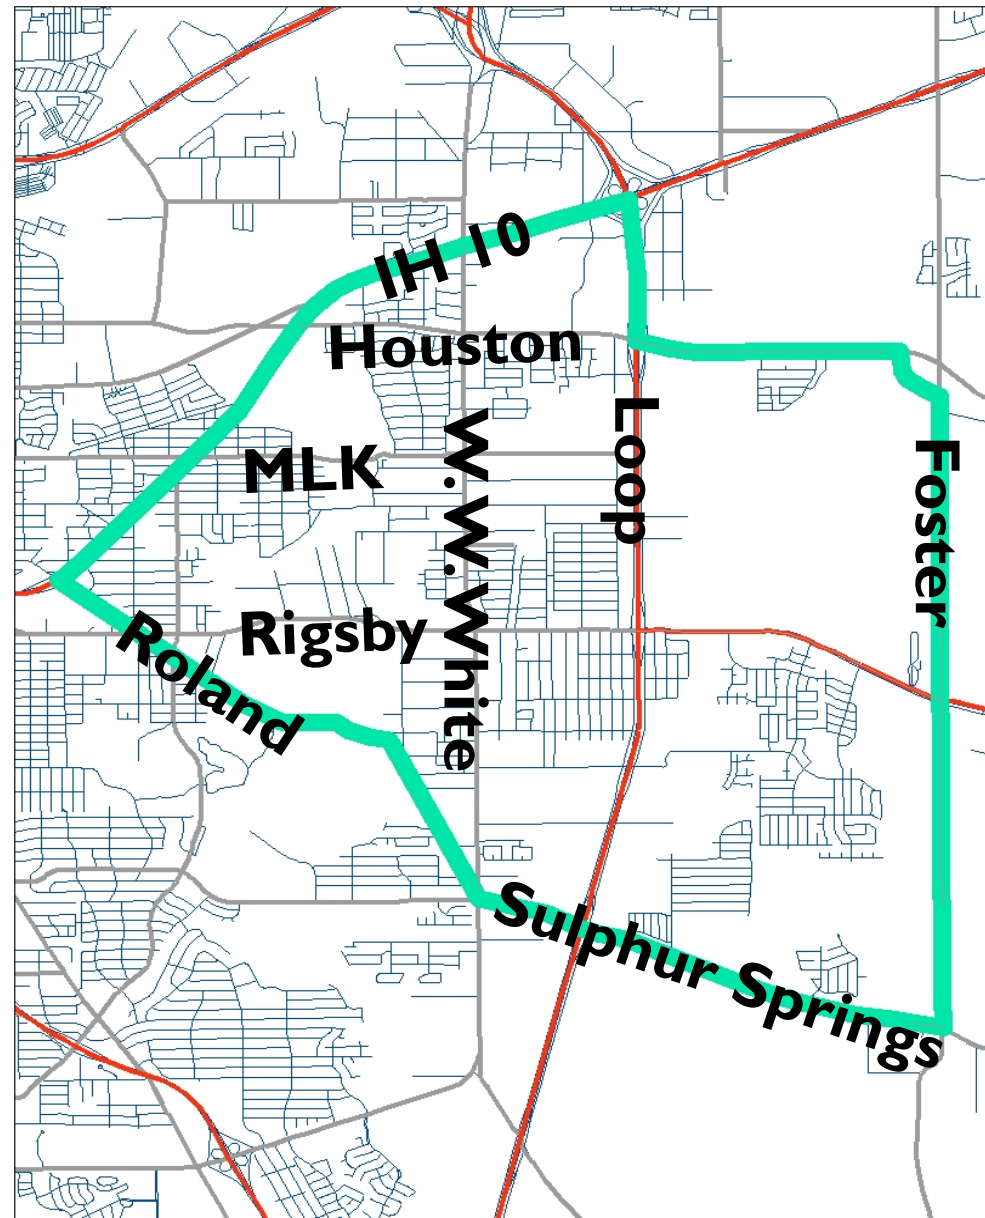

WHAT IS A COMMUNITY PLAN?

A community plan is a blueprint to help a community envision its future and to plan the steps necessary to get there.

**PARTICIPATE IN WRITING THE COMMUNITY PLAN FOR THE
EASTERN TRIANGLE!!**

At the 1st public meeting on May 31st the City recorded the community's thoughts regarding what they considered to be the planning area's "strengths and weaknesses." We will use these ideas to guide the discussion at five planning workshops. The Transportation, Infrastructure, and Drainage Workshop is the fourth workshop in the series.
