

Proposed Changes to Master Plan Document

Issue 1:

1.1 Preface [insert]

This Master Plan shall not constitute the basis for, or the authorization of, the use of eminent domain. It is not the intent of this Plan to utilize eminent domain for the following purposes:

- A) public park land and/or open space;
- B) public parking structures; and
- C) private use.

Issue 2:

A) Illustrative Plan remains, but remove all references to the utilization of public use on private property.

Adopted by River North Planning Team September 8, 2008.
