

River North Master Plan

Master Plan Document Sub-committee Formation & Responsibilities

In order to more efficiently manage the review of the Master Plan content in its entirety, the document has been broken up into three sections for Planning Team review; Vision and Development Framework, Open Space and Streetscape Plan, and Mobility Plan (the Implementation Chapter will be reviewed by the Planning Team as a whole at a subsequent Planning Team meeting). Generally, the sections have been divided by overarching chapter topics. All Planning Team members are encouraged and welcome to review the document in its entirety, however will only be responsible for their designated section.

Formation:

- Complete the River North Planning Team Sub-Committee Preference Card (pink card provided) by ranking preference between the following sub-committee groups:
 - Vision and Development Framework
 - Open Space and Streetscape Plan
 - Mobility Plan
- Leave card with staff at the end of 1st Planning Team meeting
- Staff will compile results, honoring 1st preference whenever possible
(Note: the goal is to reach an equal balance of Planning Team members for each section. Some Planning Team members may be assigned to their 2nd or 3rd preference if necessary in order to reach a balanced distribution of members among sub-committees.)
- Planning Team members will be notified by City Staff to confirm sub-committee selection by the end of this week

Responsibilities:

- Select sub-committee chair (point person)
- Review selected section of the document
- Accept input from other Planning Team members and comments from residents/property owners at public meetings regarding content of selected section
- Provide recommendations for changes/edits
