

# PTAC'S VETERAN'S CORNER

## **January 2010 Veteran Business of the Month — MJW Medical Solutions Inc.**

Michael J. Williams Sr., a 24 year Air Force Veteran, founded MJW Medical Solutions, Inc. in December 2007 in Converse, Texas. MJW Medical Solutions, Inc. provides medical supplies and equipment distribution to large and small sized hospitals, including Department of Defense Agencies. During the company's second year of operation it has successfully been awarded over 100 contracts totaling approximately \$2.9M. This has increased efficiency in the supply chain and streamlined existing ordering processes for their customers. MJW also acts as a bridge between medical facilities and manufacturers by providing up to date information on industry trends and forecasts, provider information, and government affairs. MJW is an active member of the Health Distributor Association (HIDA) which gives MJW access to unsurpassed networking opportunities and accessibility to education programs designed for employee retention, performance, and profitability.
