TIPS FOR A SUCCESSFUL NATIONAL NIGHT OUT PARTY/EVENT

- **Planning** – Get together with your friends and organize the party. The old adage of two heads is better than one applies; brainstorm ideas and activities. Advanced planning helps to ensure success.
- **Involvement** - Contact your SAPD Community Policing Units, the San Antonio Fear Free Environment (SAFFE) officers, and the Patrol Units at your local substations for officer participation. Also contact your area Fire Station by mail for participation.
Please Note: The Main NNO office will NOT schedule these visits.
- **Be creative** - When brainstorming ideas for your party. Do not be afraid to try something new or different. Be inclusive and share responsibilities, thus allowing others to gain ownership in the party/event.
- **Media** – Notify the media of what your neighborhood is doing (TV, Newspaper, and Radio station). Provide them with a concise thumbnail sketch of what it is you are doing. Write an article for publication and include it with your entry. Obtain newspaper clipping, newsletter articles or flyers of what you are doing.
- **Lights** – NNO means lights out for crime. Promote the proper use and energy efficient way of using security lighting. Talk with your Crime Prevention Officer or SAFFE Officer who has been “Crime Prevention Certified,” or contact CPSB for security lighting concerns. Have a lighting display as part of your party/event and make it informational as well as festive.
- **Summary Report** – Though it is *not a requirement*, by providing a written summary of your neighborhood party/event it will help explain what took place and provides the finishing touch to a well-planned party/event.
- **Photos/Scrapbook** – “A picture is worth a thousand words,” supply a pictorial essay of what took place in your neighborhood block party/event. Don’t forget to add captions to this pictorial essay briefly describing what took place. Otherwise a picture alone might be mistaken for some other event. Send actual color prints not color copies.
SPECIAL REQUEST: If submitting photos for local competition please include a 2nd set of photos so NNO Staff may use them for the National Competition Scrapbook.
- **Videotape** – Video tape your event capturing the sequence of events that occurred and the essence of the moment. Use Super 8 or ½ inch VHS tapes. Please label each tape and provide a log with the taped coverage of your party/event.
- **Judging** – All block and neighborhood association parties will be evaluated equally. Single block parties will be weighed equally against neighborhood parties.

FREQUENTLY ASKED QUESTIONS:

Q: When should we begin organizing?

A: As soon as possible! The best NNO events are those that begin their planning well in advance of the event.

Q: Is “NNO” just for already established neighborhood watch areas?

A: No!! NNO is for all blocks and neighborhoods in your community. Existing ‘Watch’ areas will likely be your best participants – but you’ll find that NNO will help you to get to those ‘tough to organize’ areas.

Q: Can we begin our activities earlier than 7:00 p.m.?

A: Certainly. The 7 p.m. to 10 p.m. listed hours are a suggested national timeframe. Some areas however begin at noon, some during the late afternoon, and some at 6:00 p.m. Tailor the day/night to best accommodate your community. Early starts are fine. Late starts (past 7:00 p.m.) though can be a problem because residents will have already settled into other evening activities.
