Date Received: 12/30/2006 **Project Title:** *Installation of Storm Drains*

Submitted By: Douglas W. Hutchings

Address: 1030 Kayton Ave. San Antonio, TX 78210

Phone Number: 210-488-1298

Project Description:

Please consider the installation of storm drains along Kayton Avenue from S. New Braunfels to Clark. After every rain, many areas are covered with water for days and many driveways have standing water. This is a driving hazard and a health hazard. I have discussed the situation with many home owners and we all agree that this situation is severe, and would like it corrected. Thank you for your consideration.

Project Location:

Kayton Avenue from S. New Braunfels to Clark.

Suggested Project Matches Staff Recommendation: To be determined
