

NOTICE OF ROVING WORK SESSION

SATURDAY, JANUARY 6, 2007

**2007-2012 CITY OF SAN ANTONIO GENERAL OBLIGATION BOND
PROGRAM**

**COMMUNITY BOND COMMITTEE FOR
DRAINAGE**

The **Community Bond Committee for Drainage** appointed by City Council (“Committee”) to review potential drainage projects for consideration in the 2007-2012 G.O. Bond Program (“Bond Program”) will convene at **8:00 a.m., SATURDAY, JANUARY 6, 2007**, in the parking lot of the City of San Antonio Development and Business Services Center, 1901 S. Alamo Street (at the corner of S. Flores and S. Alamo), to conduct a roving work session. The roving work session will be held throughout the day until its conclusion, at drainage sites that may not be limited to all or some of the locations specified below, for the purposes of viewing up to **23 or more** City Staff recommended drainage project sites, receiving City Staff presentations, and gathering information regarding up to **23 or more** City Staff recommended drainage projects proposed for consideration in the Bond Program.

The Project Number, Project Name, and location of up to **23** Staff recommended drainage project sites to be viewed and discussed during the roving work session, are set forth on the attached page of this Notice.

There will be no official action taken by the Committee during any portion of this roving work session.
