Dear Mr Zanonni,
Coliseum / Willow Park Neighborhood Association is requesting funding to complete street reconstruction in our area. Unfortunately, we know not the amount necessary for this job. Our streets are in poor condition showing chug holes, gulches and scale-like patches of broken asphalt.

We appreciate the hope of a bond program and look forward to heavy voting for this initiative.

Thank you kindly,
Wray C. Hood
President of C.W.P.N.A.
