However, these additional meetings shall not be applicable to the administrative leave allowed herein. At no time shall more than one (1) committee member be qualified for this administrative leave from each of the following Divisions/Sections: Fire Suppression, EMS, Communications, Fire Prevention, Training, Services and Arson. Every reasonable effort will be made to schedule meetings at times agreeable to all members of the Committee. The work of said committees shall be conducted on City time without loss of pay by committee members; except that meetings which are scheduled at times when Union members who work shifts are not on duty, such employees shall attend on their own time.

Section 5.

The City shall make a copy of this Agreement available at each station and a copy provided to each Fire Fighter.

Section 5.

The Chief shall have the authority at any time to require a Fire Fighter to submit to psychological evaluation or treatment and/or medical evaluation, at the City's expense, to be performed by a qualified psychologist, psychiatrist, counselor, therapist, or medical doctor chosen by the City. It is understood and agreed that should an employee refuse to submit to a psychological and or medical examination, or refuse to provide the results of such examination, such refusal shall constitute a refusal to obey a command, for which discipline may be imposed. To the extent

allowed by law, the City will indemnify the Union from liability in connection with any disciplinary matters arising under this section.

Section 6.

Effective with the execution of this Agreement, the Chief shall have the right to assign (which assignment shall not be unreasonably withheld), a Fire Fighter to light duty not to exceed one (1) calendar year from the date of the assignment based on the recommendation of a qualified physician. The Chief, in his sole discretion, may extend the duration of an employee's light-duty assignment.

Section 7.

After an employee has two (2) uses of emergency leave in a calendar year, for each subsequent use of emergency leave, the Fire Chief shall have the right to deny eligibility for the next voluntary overtime opportunity which would otherwise have been made available to the employee.

Section 8.

In the event of a Fire Fighter death which occurred in the line of duty, the City shall pay \$5,000 over and above the City's life insurance/accidental insurance benefit to the beneficiary to assist with funeral and/or related costs. The City shall issue payment directly to the beneficiary listed on the employee's life insurance within ten (10) working days of receipt of the proper request for said payment.

Section 9.

Employees separating from the Department shall have their pay for accrued vacation leave calculated at base pay plus longevity.

ARTICLE 28.

EMPLOYEE WELLNESS AND FITNESS

Section 1. Purpose.

The purpose of the physical fitness plan is to ensure that employees of the Department are physically capable of meeting all of the physical demands inherent in the job. It is the intent of the parties that the elements of the plan be directed to establishing such job-related physical fitness. The City and the Union recognize that each employee of the Department has individual physical characteristics which must be taken into account in assessing and applying the requirements of the plan.

Section 2. Fitness Requirements for New Employees.

- A. Effective with the first class to enter the Fire Academy after the approval of the 2002 Agreement, all new employees must agree to maintain a standard of fitness throughout their careers with the San Antonio Fire Department.
- B. The City and the Union will meet and come to an agreement on the standard of fitness to be maintained and the regulations, policies, penalties, medical considerations, etc. which will be necessary to implement this section.

Section 3. Fitness Program for Existing Employees.

The City and the Union shall meet and come to an agreement on a physical fitness program for existing employees which is not punitive in nature, but is instead aimed at promoting physical fitness among all employees of the Department. Any discipline which may be issued for non-compliance with the physical fitness program or plan must be corrective in nature and must take into account the individual characteristics of the employee involved.

The City agrees to promote compliance with the plan through education, incentives, interdepartmental counseling and other positive approaches.

Section 4. Wellness Program.

In the spirit of improving the quality of life of all uniform employees, the City and the Union have met and have come to an agreement in principle on a mandatory wellness program for all employees, which is not punitive in nature, but is instead aimed at promoting the overall health and well-being among all employees of the Department. The City and the Union further agree that the parties shall approve a wellness program, and once approved, any substantive changes to the program can only be made by mutual agreement of the parties.

Section 5.

Nothing in this Article or Agreement shall require the City or the Union to violate the statutory provisions of the Americans with Disabilities Act.

ARTICLE 29.

DRUGS AND ALCOHOL

Section 1. General.

- A. It is agreed that efficiency and safety in the work place is necessary and required in order to carry out the mission of the Fire Department. Both parties support the proper and responsible implementation of this Article in the interests of public safety and the safety of Fire Fighters.

- B. Therefore, it is understood that the use of alcohol, drugs, or other controlled substances by members of the bargaining unit without proper prescription or other authorization while on duty or in the work place is detrimental to the operation of the Department and is clearly prohibited by this Agreement and the rules and regulations of the Fire Department.
- C. The City agrees to form an employee assistance drug committee with the Association. The Fire Chief and the Association President shall designate two (2) individuals to serve on the committee; the committee shall assemble and prepare materials to inform Fire Fighters of the issues and dangers of substance abuse to the Fire Fighters, the colleagues in the department, the public, and their families. The materials shall include an inventory and presentation of available community and City resources for dealing with emotional issues, depression, family conflict, domestic violence, alcohol abuse, substance abuse, and other mental and medical issues which are a part of the substance abuse paradigm. The committee will make materials and presentations available to all Fire Fighters.
- D. The City and the Union agree that Fire Fighters may be called upon in hazardous situations without warning, and that it is imperative to the interest of the Fire Fighters and the public to ensure that no Fire Fighter is substance impaired. In order to further their joint interest in protecting Fire Fighters and the public, the City and the Union agree to mandatory random drug testing as described in this section.

Section 2. Post Accident Testing.

- A. The parties agree to require post accident mandatory alcohol and drug testing under the testing guidelines set forth in this Article of any Fire Fighter involved in a vehicular accident in a City vehicle where the following conditions exist:
 - 1. The Fire Fighter was operating the City vehicle at the time of the collision; and
 - 2. The accident results in a death, serious injury to any person requiring medical treatment, or significant property damage.
- B. The City agrees to conduct post accident drug and alcohol testing of any Fire Fighter involved in a vehicular accident in a City vehicle that voluntarily requests testing, regardless of whether the above conditions are met.
- C. A positive drug or alcohol test under this Section shall not constitute conclusive proof of impairment or use, but shall create a rebuttable presumption subject to challenge through the grievance procedure. The presumption may be rebutted by competent evidence, in which case the determination of impairment or use shall be based upon the weight of the evidence, as determined by the arbitrator. Absent contrary evidence, the positive drug or alcohol test shall be sufficient to prove use or impairment.

Section 3. Reasonable Suspicion Testing.

- A. The Union acknowledges and recognizes the right of the City to investigate possible alcohol or drug abuse by bargaining unit members which impairs job performance and to require employees to submit to various specified, approved and recognized medical procedures, provided reasonable suspicion exists, in accordance with proper procedure and applicable law, as well as the terms of this Agreement. In this regard, it is understood that the City shall adequately train its supervisory personnel who have authority to investigate the reasonable suspicion standard in detecting symptoms and effects of alcohol and/or controlled substance abuse. Reasonable suspicion is defined as the actions, appearance or conduct of an employee which are indicative of or consistent with the use and/or presence in the employee's body of a controlled substance or alcohol. Reasonable suspicion is based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. This Article in no way establishes or permits testing in violation of a right provided by this Agreement.
- B. In addition to reasonable suspicion testing as provided for above, the parties acknowledge the right of the City to require employees who receive special assignments to be tested. As used herein, special assignments shall include assignments to Haz-Mat, Paramedic, and/or Arson units where the assignment requires (1) the carrying of a firearm; (2) contact with or access to extremely dangerous materials; and (3) the administration of controlled substances. Testing must be approved pursuant to recognized medical procedures in accordance with applicable clinical protocols as well as the terms of this Agreement. Employees applying for such positions must be informed at the outset that such testing will be required prior to promotion/assignment to the position sought. In no event will employees be tested under this subsection as a result of involuntary assignment to an affected position, unless said assignment is the result of a promotion. Employees subject to tests under this subsection will be given a minimum of five (5) days notice of the actual test, and shall take the test, and the City must administer the same, in a manner which assures the employee's privacy to the greatest extent possible consistent with the City's need to preserve the integrity of the test procedures and results.

Section 4. Random Testing.

- A. One Hundred percent (100%) of Fire Fighters of all ranks, including the Chief, shall be susceptible to mandatory testing for illegal drugs and controlled substances, during each calendar year on a fair and impartial statistical basis at the City's expense. The fair and impartial statistical basis (in which each employee has an equal chance of being selected during a calendar year) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent firm hired by the City, and the employee shall be tested upon being selected by the computer. The computer program shall be designed to ensure that no employee shall be randomly tested more than once in any twelve (12) month period.

- B. Upon notice of selection for random testing, any employee shall provide a urine sample in accordance with the policy or protocol established by the testing laboratory. Failure to provide a sample may be considered insubordination, and may be the basis for suspension or indefinite suspension. The Medical Review Officer (MRO) shall be contacted for instructions in the event of a claimed inability to provide a sample.
- C. The City and the Union have a mutual interest in ensuring that drug impaired Fire Fighters do not perform Fire Department duties. The City and the Union agree that the purpose of the mandatory drug testing policy is not to punish an employee who has not violated the Fire Department's rules, regulations, policies or procedures. The City and the Union are committed to the principle that the mandatory drug testing policy for Fire Fighters is designed and shall be administered to result in disciplinary action only against those Fire Fighters who have violated the Fire Department's rules, regulations, policies and procedures.
- D. The City will utilize a U.S. Department of Health and Human Services (DHHS) approved laboratory in performing urinalysis for drug detection. The laboratory will provide chain-of-custody procedures and documentation necessary to meet federal standards. Specimen collection and chain of custody procedures will ensure that specimen security, proper identification, and integrity are not compromised. A MRO will provide oversight to trained personnel on the collection and testing of urine samples. The Medical Review Officer shall be a qualified physician designated by the City.
- E. The employee will provide a urine specimen in a location that affords privacy. The collector will seal and label the specimen, initiate a chain of custody document, and prepare the specimen and accompanying paperwork for shipment to the drug testing laboratory. Each urine specimen will be subdivided into two bottles labeled as "primary" and "split" specimens. Both bottles will be sent to a laboratory where only the primary specimen confirms the presence of illegal, controlled substances, the employee will have seventy two (72) hours from the time they are notified by the MRO concerning positive test result to request the split specimen be sent to another DHHS-certified laboratory for a second opinion analysis. If either analysis is below the positive threshold levels, this shall constitute a negative result and the employee shall not be subject to further random testing for at least twelve (12) months. Both the primary and the split specimen shall be maintained for one year to be available in the event of legal or contractual disputes or further questions. In addition, employees may at their own expense request to have another urine specimen administered at a physician's office of the employee's choice and accompanied by the testing personnel provided such testing is administered within four (4) hours of the initial notification for testing. Results of any such test taken at the employee's expense shall be provided to the City only if the employee chooses to release the results to the City.
- F. Sample testing procedures shall conform to scientifically accepted analytical methods and procedures and shall include confirmation of positive test results by gas chromatography/mass spectrometry (GC/MS). Before the results of a drug test may be used as a basis for any action, an MRO will be employed to determine if the test result is

positive due to illicit drugs, or prescribed or over-the-counter drugs or food substances. In the event the MRO determines laboratory analysis found the specimen to be positive, but circumstances leading to the test result were other than illicit drug use, the test will be reported as negative to the City.

Section 5. Threshold Levels Revealed by Testing.

The parties have agreed that the following levels shall be determinative in any drug testing administered under this Article.

A. The five (5) drugs to be screened and the test cutoff levels in nanogram/milliliter are as follows:

	<u>Drugs</u>	<u>Cutoff Levels</u>
1.	Marijuana metabolite	50 ng/ml
2.	Cocaine Metabolite	300 ng/ml
3.	Opiate metabolite	2,000 ng/ml
4.	Phencyclidine	25 ng/ml
5.	Amphetamines	1,000 ng/ml

B. Concentrations of a drug at or higher than the above levels shall be considered a positive test result on the initial drug screening test.

1. An initial positive test result will not be considered conclusive; rather, it will be classified as “confirmation pending.”
2. A positive test result on the initial drug-screening test will automatically require a confirmation drug test be performed.

C. The same five (5) panel drug screen test will be conducted on each confirmation drug test as was conducted on the initial test. The five (5) drugs to be screened and the test cutoff levels in nanogram/milliliter for the confirmation drug test are as follows:

	<u>Drugs</u>	<u>Cutoff Levels</u>
1.	Marijuana metabolite	15ng/ml
2.	Cocaine metabolite	150ng/ml
3.	Opiates:	

- a. Morphine 2,000 ng/ml
- b. Codeine 2,000 ng/ml
- c. 6-Acetylmorphine 10 ng/ml
- 4. Phencyclidine 25ng/ml
- 5. Amphetamines:
 - a. Amphetamines 500 ng/ml
 - b. Methamphetamine 500 ng/ml

D. Concentrations of a drug at or higher than the above levels shall be considered a positive test result on the confirmation drug screening test. A positive test result under this section shall not constitute conclusive proof of impairment or use, but shall create a rebuttable presumption subject to challenge through the grievance procedure. In the event that the employee appeals any disciplinary action to arbitration after a positive test result under this section, the losing party shall pay all costs of the proceeding. The employee is the “losing party” under this section if the arbitrator finds drug or alcohol impairment in violation of department policies, rules or regulations, irrespective of any modification or reduction in discipline.

E. Alcohol testing procedure shall be as follows:

1. Alcohol testing shall be conducted by a Breath Alcohol Technician (BAT) using an Evidential Breath Testing Device (EBT). The employee will provide a breath sample. If the employee’s alcohol concentration is greater than or equal to .04, a second confirmation test will be performed in accordance with established EBT protocol.
2. An employee’s failure or refusal to provide a breath sample will result in a determination that the employee’s alcohol concentration is greater than or equal to .04.
3. Confirmation that an employee’s alcohol concentration is greater than or equal to .04 shall result in the implementation of those steps set forth under Section 8(B)(1) of this Article (not applicable to post accident testing under Section 2 above).
4. A positive test result under this Section shall not constitute conclusive proof of impairment or use, but shall create a rebuttable presumption subject to challenge through the grievance procedure.

5. Concentrations less than the thresholds listed herein, or initial positives not confirmed by the confirmatory testing shall be disregarded by the City, and may not be referred to or used at any time for any employment or disciplinary purpose whatsoever by the City.

Section 6. General.

- A. The thresholds listed above shall apply to all testing under this Article. Employees will complete a pre-testing consent form each time a test is conducted as part of a testing procedure under this Article. Failure to do so may be insubordination, and just cause for discipline. This is in addition to any signed acknowledgement forms which may have been obtained at the time of employment or any other occasion.
- B. In all drug testing under this Article, only conclusive results are to be reported to the City. A positive urinalysis test will be confirmed by a GC/MS test and reviewed by a Medical Review Officer before considered conclusive. Both tests must be positive or the results are considered inconclusive, thereby causing a negative test result to be reported to the City.
- C. In all drug testing under this Article, individuals with positive test results for drugs will be notified by the MRO (or a para-professional acting as his delegate) in person or by telephone. An interview will be conducted to determine if there is an alternative medical explanation of the drugs found in the employee's urine specimen. The employee is entitled to request and receive an in-person interview with the MRO prior to release of a positive result. If the employee provides appropriate documentation and the MRO is satisfied with the explanation, the drug test result is to be reported as negative to the City.
- D. Concentrations less than the thresholds listed herein, or initial positives not confirmed by the confirmatory testing shall be disregarded by the City, and may not be referred to or used at any time for any employment or disciplinary purpose whatsoever by the City.
- E. Once the employee has been notified of a drug test under any provision of this Article, an employee does not have any right to self report use or impairment under this Article, and thereby escape the consequences of violating the Department's rules and regulations, except as provided in this Article; however, it shall be within the Chief's discretion to permit self reporting and to withhold or suspend discipline based upon all relevant facts and circumstances.

Section 7. Confidentiality.

All records pertaining to the department required drug and/or alcohol tests shall remain confidential to the extent allowed by law, unless offered in evidence in a disciplinary appeal. Drug test results and records shall be stored in a locked file under the control of the Chief or his designee. The Chief will maintain original copies submitted by the laboratory. No access to these files shall be allowed without written approval of the Chief.

Section 8. Rehabilitation Treatment and Discipline for Substance Abuse.

- A. The parties have these joint objectives in this Article of the Agreement:
1. To preserve the Chief's right to discipline or terminate an employee for on-duty use or impairment in violation of Fire Department Rules and Regulations;
 2. To create disincentives for the use and abuse of substances; and
 3. To provide a means, together with incentives, to seek and obtain treatment and rehabilitation for any employee who is involved in substance abuse.
- B. A positive drug and/or alcohol result under this Article resulting from random testing or reasonable suspicion testing shall have the following consequences:
1. 1st positive result: The employee shall be suspended from the Fire Department for a period of time not to exceed thirty (30) days. The employee shall further be required to seek evaluation, education or treatment to establish control over the employee's drug or alcohol problem. Specifically, the employee must successfully complete an appropriate rehabilitation program as determined by a drug and/or alcohol abuse evaluation expert. The employee may utilize sick leave, vacation or unpaid administrative leave as necessary to complete the rehabilitation program. Verification of the employee's successful completion of the program must be provided to the City by the rehabilitation facility no later than six (6) months from the date of the initial positive result and constitutes a condition precedent to the employee's return to work. Prior to returning to duty the employee shall undergo a return to duty test with a result indicating an alcohol concentration of less than 0.04 and/or controlled substance test with a verified negative result. In addition, the City may continue to monitor any employee under this provision by conducting unannounced follow-up testing not to exceed twenty four (24) months following the employee's return to work. An employee's failure to meet the requirements to return to duty herein shall automatically place the employee under Section 8(B)(3) below.
 2. The preceding paragraph does not apply to an employee with a positive test result as a result of post accident testing, and the employee shall be subject to discipline up to and including termination depending on the level of impairment and overall circumstances of the incident or episode involved.
 3. 2nd positive result: The employee is subject to disciplinary action, up to and including termination.
 4. Following the employee's return to work as provided for under Section 8(B)(1), the employee may self-report any relapse into drug or alcohol use to the employee's immediate supervisor who shall immediately take steps necessary to remove the employee from regular duty. Any reported relapse will require the employee to complete another rehabilitation program (under the terms and conditions set forth in Section 8(B)(1) prior to returning to duty. No disciplinary action shall be taken against any employee that self-reports any relapse into drug

or alcohol use so long as the self-reporting occurs prior to the employee completing any follow-up testing as provided for under section 8(B)(1).

5. An employee may not unreasonably circumvent the follow-up testing requirements set forth in Section 8(B)(1). To that end, an employee that has been informed of a required follow-up test may not self-report any relapse into drug or alcohol use and thus avoid the follow-up test and the potential disciplinary action associated with a second positive result on more than one (1) occasion.
- C. Any employee who voluntarily seeks rehabilitation and treatment shall be entitled to the same leave and benefits that are otherwise applicable under leave policies and the existing coverage definitions in the Master Contract for Health Benefits, provided, however, that the Chief's right to discipline or terminate for on-duty use or impairment shall not be affected by this provision. An employee entitled to rehabilitation and treatment is not exempted from disciplinary action for violation of any other rules and regulations of the department (e.g. off duty DWI, regulations concerning leave, etc.).
- D. The City shall implement a drug and alcohol abuse education program. As part of that program, information will be provided on the availability of any EAP services under City programs or other outside service providers. The City will provide employees with literature and audio-visual materials and a copy of the drug and alcohol-free workplace policy as well as penalties for violating said policy.

Section 9. Union Representation of Members.

While it is understood that the Union is unequivocally opposed to the use of alcohol or drugs in the work place as well as the abuse of such substances under any condition and further agrees to cooperate toward the prevention of such abuse and strongly supports the prohibition of the use of drugs or alcohol in the work place and the proper enforcement of the Department's rules and regulations, the Union, retains the right to fairly and properly represent any aggrieved member of the bargaining unit by reason of the application of this Article, including but not limited to what the Union may consider as unwarranted or unreasonable investigations, search or the imposition of discipline.

ARTICLE 30.

GRIEVANCE PROCEDURE

Section 1. Scope of Procedure.

The purpose of this Article is to provide a just, equitable, and expeditious method for resolving disputes between the City and the Union (or employees) concerning all aspects of the employment relationship between the City and bargaining unit employees, and concerning the bargaining relationship between the City and the Union. To that end, the parties hereby agree and stipulate as follows:

- A. All disputes concerning the interpretation and/or application of the terms of this Agreement shall be submitted, if at all, to the grievance/arbitration procedure as called for herein. Failure to initially pursue grievance/arbitration in these instances shall be the basis for a plea in abatement in response to any suit or claim filed with a court of law and/or administrative agency.
- B. Employee claims of violation of statutory or constitutional rights may be submitted to the grievance/arbitration procedure or may be pursued by means of judicial and/or administrative appeal; provided that once the employee has elected to file a lawsuit and/or administrative claim, all issues raised by the dispute or claim will be resolved in such lawsuit and/or administrative process, and no grievance may be filed concerning the same subject matter. It is recognized that claims falling under this subparagraph may be included with related claims of contract violations. In such circumstances, the City shall not be entitled to abatement of a suit involving the contract claims, related to the statutory or constitutional claims asserted, for failure to grieve such contract matters initially. If the employee elects to use the grievance/arbitration procedure to raise statutory or constitutional claims, such matters may not thereafter be appealed to court except as provided by this Article.
- C. Claims alleging violation of Article 11, Section 1, or state or federal laws prohibiting employment discrimination including discrimination for having initiated or filed a claim for workers' compensation benefits, as prohibited by Texas Labor Code Section 451.001, shall not be subject to the grievance/arbitration procedure.
- D. Disciplinary matters subject to the appeals procedure provided by Texas Local Government Code Chapter 143 shall not be subject to the grievance/arbitration procedure; provided that such matters, at the employee's election, will be subject to the Civil Service Commission or grievance/arbitration procedure under a just-cause standard, if Texas Local Government Code Section 143.057 is repealed or amended to eliminate the optional appeal of disciplinary matters to a Hearing Examiner. If the provisions of Chapter 143 are not repealed, and should the employee elect to proceed to the optional appeal of disciplinary matters to a Hearing Examiner, the examiner shall be selected as called for in Section 5 (A) hereof. The powers, duties, and/or obligations of said arbitrator/hearing examiner shall likewise be as provided for in this Agreement and applicable provisions of the Texas Local Government Code, Chapter 143.

Section 2. Time Limits.

The parties shall act diligently and exercise good faith to adhere to the time limits set forth in this Article, unless such time limits are waived or extended by mutual agreement. In the event the employee or Union fails to meet the time limit at any step of the grievance procedure, the grievance shall be considered satisfied and no further action need be taken; provided, that where the grievance concerns a matter within the jurisdiction of the courts, the employee may file suit if the grievance is rejected due to failure to comply with a time limit set forth in this Article. Failure by the City to meet the time limits at any step shall be considered a denial of the grievance which will allow the Union or employee, at their option, to proceed to the next step. Time limits begin to run on the date of a party's actual receipt of an appeal or response. When

either party provides an appeal or response by mail, its timeliness shall be judged by the postmark on the envelope. When either party provides an appeal or response by facsimile transmission or via email, its timeliness shall be judged by the date printed by the facsimile transmission device or email. For any delivery of an appeal or response that is not hand delivered the parties are required to provide written confirmation to the other party. Where a deadline falls on a Saturday, Sunday, or legal holiday, the deadline will be extended to the next day which is not a Saturday, Sunday, or legal holiday.

Section 3. Relief through the Chain of Command.

The Union or any employee covered by this Agreement having a matter which is felt to be a grievance shall make a reasonable effort to resolve the matter through the appropriate chain of command via telephone, email or face to face meetings.

In the event the matter is not resolved through the Chain of Command, the employee may submit a grievance to the Union Grievance Committee.

Section 4. Steps of Grievance Procedure.

A. Initial Filing and Grievance Committee Review

1. In order to be considered, a grievance raising contractual issues must be submitted to the union grievance committee within thirty (30) calendar days of the grievant's actual or constructive knowledge of the event. A grievance raising non-contractual issues must be submitted with the union grievance committee within one hundred eighty (180) calendar days of the grievant's actual or constructive knowledge of the event.
2. The Union or any employee covered by this Agreement having a matter which is felt to be a grievance shall submit the grievance in writing to the Union Grievance Committee. The grievance shall be submitted on a form to be provided by the City and must include (a) a brief statement of the grievance and the facts on which it is based; (b) the section of the Collective Bargaining Agreement which has been violated; (c) the remedy or adjustment, if any, sought; (d) the employee's signature; and (e) where "maintenance of standards" is a basis for the grievance, the specific standard(s) alluded to must be identified. As used herein, "maintenance of standards" includes all statutory or other non-contract provisions incorporated herein through the Maintenance of Standards Clause found at Article 9.
3. Within three (3) business days after receipt of a grievance, the Union Grievance Committee shall provide a courtesy copy of the grievance to the Fire Chief. The copy may be delivered via hand delivery, facsimile transmission or email.
4. If the Union Grievance Committee decides in its sole discretion that no grievance is found to exist, no further action shall be required; provided, that if any employee grievance concerns matters appealable to court, e.g., statutory violations, the employee retains the option to file suit if his/her grievance is rejected.

5. The Union Grievance Committee shall review the grievance and if a grievance is found to exist for reasons stated by the employee or reasons known to the Committee, the Committee shall process the grievance by passing the grievance to the Fire Chief within fifteen (15) business days from receipt thereof.

B. Fire Chief's Response.

1. The Fire Chief or his designee shall respond to the grievance and shall render a decision to the Union Grievance Committee, in writing, within fifteen (15) business days from receipt thereof.

C. Appeal to City Manager.

1. If a grievance is not resolved the Union Grievance Committee shall submit the grievance, in writing, to the Director of Human Resources within fifteen (15) business days from receipt of the decision and a courtesy copy will be provided to the City Manager or his/her designee.
2. The City Manager or his/her designated representative shall review the matter and shall render a decision in writing to the Union Grievance Committee within fifteen (15) business days.

D. Submission to Arbitration.

1. If the grievance is not resolved the Union Grievance Committee shall have fifteen (15) business days from receipt of the City Manager's decision to submit the matter to arbitration.
2. Arbitration will be invoked by delivering a letter to the Director of Human Resources and a courtesy copy will be provided to the City Manager or his/her designee.

Section 5. Arbitrator Selection.

- A. The Human Resources Director or his/her designee shall within five (5) business days from the date the grievance is submitted to arbitration, request a list of seven (7) qualified neutrals from the American Arbitration Association that are able to begin the hearing within one hundred twenty (120) calendar days. The representative for the grievant and the representative of the Fire Chief may mutually agree on one of the seven (7) qualified neutrals. If the representatives do not agree, the representatives shall alternatively strike the names on the list of seven (7) qualified neutrals within seven (7) calendar days after receipt of the list, and the remaining name shall be the arbitrator. The grievant's representative shall strike the first name. All parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be promptly notified of his selection. The parties will not have ex parte communication with the arbitrator. Communication with the arbitrator will be through the parties, counsel for the parties, or the parties representative, jointly.

- B. At a date previously agreed upon, the arbitrator shall convene the hearing at a place mutually convenient to all parties. The arbitrator shall hear and take evidence of all issues presented as raised by timely-filed grievances. The hearing shall continue from day to day until all such evidence has been received and all parties have "rested." Transcripts and post-hearing briefs may be utilized at the discretion of the Arbitrator. If a transcript is utilized, a transcript by a duly-authorized court reporter will be taken of the hearing and shall be the only official transcript thereof. Both parties to the proceeding shall be entitled to representation of their own choosing, the expense of which must be borne by the respective party.
- C. The arbitrator shall make a reasonable effort to issue his/her award within thirty (30) calendar days after the date the hearing ends or, if transcripts and/or post-hearing briefs are required, within thirty (30) calendar days of receipt of the transcript or receipt of the parties' post-hearing briefs, whichever occurs later.

Section 6. Witnesses and Expenses.

- A. The following expenses shall be shared equally by the parties: arbitrator's fees and expenses and the cost of the hearing transcript. Each party will bear its own attorney's fees and costs; provided that:
 - 1. Should the arbitrator find that grievance upon which he rules is specious, he may in fact award the "prevailing party" (singularly) "reasonable attorney's fees" as defined in section 2 below.
 - 2. Should the matter proceed to court, the court shall have the discretionary authority to grant attorney's fees, including the costs of the arbitration proceedings (but not the grievance proceedings). A reasonable attorney's fee for the City shall be eighty five dollars (\$85.00) per hour, and for the employee, shall not exceed the actual rate agreed and charged, not to exceed one hundred dollars (\$100.00) per hour.
- B. The City shall compensate all witnesses called by either party at their straight-time rate; provided, however:
 - 1. The witness called is scheduled for duty when called to appear.
 - 2. The individual's identity and a brief statement as to the relevancy of his expected testimony has been provided the City five (5) days in advance of the hearing.

Any witness called by the Union and/or the grievant who has not been identified and/or who is not scheduled for duty shall be due no compensation or administrative leave from the City.

- C. Witnesses shall be scheduled by agreement between the parties so as not to unduly interrupt the mission of the Department. The arbitrator shall have the authority, based upon the summary statement of the witnesses, to determine whether or not the testimony of the witness is required or is merely duplicitous or cumulative, then the City shall have no obligation to pay for the witness' appearance.

- D. The grievant shall not be compensated for time spent at the hearing and/or in preparation thereof, nor shall he be entitled to administrative leave for any such time.

Section 7. Arbitrator's Authority—Contract Cases.

- A. This section applies to all issues involving the application or interpretation of this Agreement; provided, that where the sole issue of contract interpretation involves the Maintenance of Standards provision, and the underlying standard is a statute or constitutional provision, this section shall not apply.
- B. For issues subject to this section, the award of the arbitrator shall be final and binding upon the City, Union and employees. In making his/her award, the arbitrator shall be limited to interpreting and applying the provisions of this Agreement; he/she shall have no authority to add to, subtract from, or modify the terms of this Agreement as negotiated between the parties.
- C. The arbitrator shall have full power to take steps necessary to ensure a fair hearing for all concerned, which power shall include, but is not limited to: ordering a party to provide information in its possession or control which is reasonably necessary to the other party's prosecution of its case; ordering a party to make available to testify a person within its control; issuance of witness subpoenas; and taking reasonable steps to ensure that no undue delays in the proceedings occur, consistent with the right of all concerned to a full and fair hearing.
- D. The arbitrator shall have the authority to provide in his/her award for such relief as is necessary to make the prevailing party whole for all economic losses suffered as a result of a violation of the terms of this Agreement.

Section 8. Arbitrator's Authority—Non-Contract Cases.

- A. In all cases which present issues, e.g., statutory claims which do not involve interpretation or application of the terms of this Agreement, the procedures specified in this section shall apply; provided, that where a case raises both contract and non-contract claims, the arbitrator's award as to contract claims shall be final and binding on the City, Union, and the employee.
- B. In cases subject to this section, the parties will be entitled to engage in discovery as provided in the Texas Rules of Civil Procedure, and the arbitrator is authorized to issue subpoenas, to resolve disputes concerning the appropriateness of a party's discovery requests, and to enter such other orders as may be necessary to effectuate the discovery process. As soon as practicable, after the arbitrator's appointment and agreement to serve, the arbitrator and the parties' representative shall hold a conference, by telephone or otherwise, to set a reasonable period for discovery and a hearing date. In no case shall the period for discovery exceed ninety (90) days, except by mutual agreement of the parties.

- C. The provision of Section 6(C) of this Article are equally applicable to Section 7 cases.
- D. For issues subject to this section, the award of the arbitrator (both as to facts and the law of the contract) shall be final and binding; provided, that either party may appeal such award to state district court pursuant to Texas Local Government Code Chapter 174 on the grounds that it is clearly contrary to the provisions of a statute or the Constitution (state or federal), or is not supported by substantial evidence as indicated in the record made before the arbitrator. Any such appeal must be filed within thirty (30) days of the date of arbitrator's award.
- E. The arbitrator shall have the authority to provide in his/her award for such relief as a court with jurisdiction over such matter would be entitled to award, including injunctive and equitable relief, compensatory and exemplary damages.

ARTICLE 31.

EXHAUSTION OF REMEDIES

Section 1. Exhaustion.

The City, the Union, and the Fire Fighters covered herein, shall be required to exhaust all available remedies through grievance and/or the Civil Service Commission prior to proceeding to a court of law, state or federal administrative agency, or other regulatory body, except as provided in Article 30, Grievance Procedure. Failure to do so will act as a plea in abatement to any such court, administrative body, and/or regulatory agency proceeding until the exhaustion of remedies provided for in this Agreement have been completed to finality.

Section 2.

If, at any time after a decision and/or award of the Civil Service Commission and/or an arbitrator, any affected party contests or challenges the decision or award in any other legal proceeding, the following shall apply:

- A. The decision and award of the arbitrator and/or the Commission must be upheld, unless the contesting party can establish the award was not supported in whole or in part by substantial evidence and/or that the award of the arbitrator and/or the Commission was capricious.
- B. As a condition precedent to the filing of any subsequent action challenging the award of the arbitrator and/or the Commission, the affected party (as used here, "party" shall mean the Union and/or the City) must file a cost bond in the minimum amount of the sum of the arbitrator's fees and expenses and the fees of the court reporter who took the transcript of the arbitration proceeding.

Section 3.

Should any party be a part to any action by any other party contesting and/or challenging the award of the arbitrator and/or the Commission, the party may, pursuant to the terms of this

Agreement, request the court or administrative body to which the action has been addressed to reimburse it/them for all costs of court, including but not limited to reasonable attorney's fees, for having to defend said action. This remedy shall be in addition to any other remedy to which the party may be entitled, including but not limited to those as specified above and/or elsewhere in this Agreement. Should either party, after having pursued grievance/arbitration or Civil Service Commission proceedings, sue in a court of law, then that court has the authority to grant as a portion of its award all costs including attorney's fees, including but not limited to the attorney's fees expended and/or generated as a result of the arbitration proceedings (but not the grievance proceedings). It is agreed that as used herein the term "reasonable attorney's fees", shall be in accordance with Article 30, Grievance Procedure, Section 6. Witnesses and Expenses (A)(2).

ARTICLE 32.

PROMOTIONS

Section 1. Definitions.

A. Seniority - For purposes of this Article, each Fire Fighter shall be given one (1) point added to only the passing score on any written promotional examination for each year as a classified Fire Fighter in the San Antonio Fire Department. In no event shall the number of such seniority points exceed ten (10). "Classified Fire Fighter" is meant to include service as a Fire Trainee and a Probationary Fire Fighter. Seniority is defined as all years of service, whether interrupted or uninterrupted, on the San Antonio Fire Department, and not merely the 1st continuous period of service. Accrual of seniority points shall begin with the first day of employment as a Fire Trainee in the Fire Academy.

B. Eligibility.

1. Fire promotional examinations shall be open to all Fire Fighters who have held a classified position with the San Antonio Fire Department for minimum required continuous years, immediately below that rank for which the examination is to be held. (This period shall consist of time spent by the Fire Fighter in actual service with the Department. Any absences other than for scheduled Annual Vacation/Holidays, Line-of Duty (LOD) or for serving on active military duty, in excess of fourteen (14) consecutive days will cause the Fire Fighter to be required to remain in that position and rank for a period of time equal to the time of such absence. Time spent on leave for less than fourteen (14) days shall not apply. Example: A Fire Fighter is an Engineer as of 1/1/87. He is off work on Sick Leave for fifteen (15) days. He would be eligible for promotional examination to the position of Lieutenant as of 1/16/89. Fire Fighters who receive a retroactive promotion will be entitled to use the retroactive promotion date for purposes of determining eligibility to take future promotional examinations.)
2. The two (2) year continuous period required for eligibility to take the promotional examination for the rank of Fire Engineer shall commence with the date the Fire Fighter entered the Fire Academy. If the employee was hired after 6/30/07 the minimum

continuous period required for eligibility shall be three (3) years from the date the employee entered the Fire Academy.

3. A Fire Fighter who has completed two (2) continuous years of service as Fire Engineer shall be eligible for promotion to the rank of Lieutenant. The two (2) year continuous period required for eligibility on promotion shall commence with the date he was promoted to Fire Engineer. If the employee was hired after 6/30/07 the minimum continuous period required for eligibility shall be three (3) years from the date the employee was promoted to Fire Apparatus Operator.
4. A Fire Fighter who has completed two (2) continuous years service as a Fire Lieutenant shall be eligible for promotion to the rank of Captain. The two (2) year period required for eligibility on promotion shall commence with the date he was promoted to Fire Lieutenant.
5. A Fire Fighter who has completed two (2) continuous years service as a Fire Captain shall be eligible for promotion to the rank of District Chief. The two (2) year continuous period required for eligibility for promotion shall commence with the date he was promoted to Fire Captain.
6. Any Fire Fighter that would become eligible to take an exam during the month that the exam is given, shall be eligible to take the exam.
7. In the event the scheduling of a promotional examination is prior to the ninetieth (90th) day of the vacancy, any Fire Fighter that would become eligible for such exam if it was given on the ninetieth (90th) day would be allowed to take such exam. For the purposes of calculating the ninetieth (90th) day, day one (1) begins from the first day of vacancy. Such Fire Fighter will also need to have met the criteria for eligibility for such exam as if it were given on the ninetieth (90th) day.
8. Promotional examinations for the rank of Fire Engineer, Lieutenant and Captain shall be administered during the same month each year as illustrated by example below:

	Month Examination Given	Date List Effective
Lieutenant	February 2012	First Day of March 2012
Captain	March 2012	First Day of April 2012

Fire Engineer promotions examination will be administered as soon as possible after execution of this Agreement in compliance with the "unscheduled written examination" procedure set forth in Section 1.B.9.

Each eligibility list shall be valid for a period of one (1) year from the effective date listed above. For example, the Fire Captain eligibility list shall be effective from April 1, 2012 through March 31, 2013 at 11:59 p.m.

9. If a promotional eligibility list for a rank is exhausted more than ninety (90) days prior to the next scheduled promotional exam for that rank, the City may conduct an unscheduled promotional exam for that rank as follows:
 - A. The date of the unscheduled written examination and the list of source materials for the examination shall be posted in accordance with the provisions of Local Government Code Chapter 143.
 - B. The unscheduled exam will be conducted in accordance with the requirements of this Article.
 - C. The resulting Eligibility List will be created in accordance with the requirements of this Article, and will be effective for a period of one (1) year beginning on the first day of the month following the month the unscheduled written examination was given as illustrated under Section 1.B.8.
 - D. The date of the next scheduled exam will be administered during the same month which is one (1) year after the date of the unscheduled written examination.
10. In order to implement the above promotion examination schedule it is agreed that in the event that a vacancy occurs prior to implementation of the above schedules, the time limits under Chapter 143 to hold an exam and make the permanent appointment shall be superseded, subject to the right to back pay below. This does not include either the required ninety (90) day posting of study material prior to the promotional exam, or the thirty (30) day notice provision for posting notice of the exam. Persons promoted during the implementation of the new schedule above shall retain the right to back pay as provided under Chapter 143, so long as those persons would have been eligible to take the test within ninety (90) days of the vacancy. In the event a person becomes eligible following the ninety (90) day period, that person will only be entitled to back pay back to the date of that person's eligibility.
11. In the case of a Force Majeure Occurrence which prevents the conduct of the promotional exam, the actual date of the exam may be rescheduled for up to sixty (60) days. Notice of the examination is sufficient if posted prior to the ninetieth (90th) day before the scheduled date of the examination notwithstanding the actual date if rescheduled. In the event of a rescheduling, no further notice of the examination is required other than the new time, place, and date of the rescheduled examination. This provision specifically preempts Chapter 143 of the Texas Local Government Code, including but not limited to sections 143.029 and 143.107.

A "Force Majeure Occurrence" shall mean an occurrence beyond the control and without the fault of the City. Without limiting the generality of the foregoing, force majeure occurrences shall include: acts of nature (including fire, flood, earthquake, storm, hurricane, ice storm or other natural disaster), war, invasion, acts of foreign combatants, terrorists acts, military or other usurped political power or confiscation.

C. Seniority in Rank.

1. The employee with the most time in a classified rank shall be considered the senior in rank.
2. Where employees of classified ranks other than the rank of Fire Fighter have been promoted at the same time, seniority in rank shall be determined by the employee's placement on their respective eligibility list.
3. Where employees of the rank of Fire Fighter have the same amount of time in that classification, seniority in rank shall be determined by their badge number.

D. Return From Military Service.

Effective with the signing of this Agreement Fire Fighters who were serving on active military duty as members of the Armed Forces and who were eligible promotional candidates according to the rules as set out by USERRA when a Department promotional exam was offered, who did not take the exam, may apply within thirty (30) calendar days after notice by the City of their rights and obligations under this subsection upon return to the Department from active duty, to take the promotional exam given for that rank. The consulting firm who constructs the promotional exam given for each applicable rank will as part of the exam create an "A" and "B" exam for each test. Each test will be similar in construction and material covered. Fire Fighters covered by this section will be offered the ability to take the "B" test on their return and after being given the same amount of study time as officer who took, the original "A" exam. If the Fire Fighter's score would have resulted in a promotion if it had been achieved on the exam(s) missed due to active military service, the Fire Fighter must be promoted to the next available vacancy in that rank. Seniority in rank and retroactive back pay owed will be established as of the date the Fire Fighter would have been promoted based on the score made at the time, as if he or she had not been on active military service. This provision is intended to comply with requirements of the Federal Uniformed Services Employment and Reemployed Rights Act (USERRA), and to supersede the terms of Section 143.032(b) of the Texas Local Government Code.

Section 2. Study Materials Committee.

This selection section applies to future selection of source materials and posting of notice beginning January 2012.

The Chief shall establish a separate committee for the selection of proposed study materials for each promotional examination by rank. This committee will be comprised of two (2) members appointed by the Chief and two (2) members appointed by the President of the Association and shall be facilitated by the SAFD Human Service Division. This Committee will consult with the test consulting company to assure support from the job analysis throughout the materials selection process. Each member of the Committee will sign a pledge of confidentiality, agreeing to not release any information pertaining to any study materials selected by the Committee to be forwarded to the Chief in order to maintain the security of the selection process. Members of the Committee shall rank the material collectively and forward their recommendations to the Chief. Study materials for all ranks shall not be the same for any two (2) consecutive years.

After reviewing the recommendations, the Chief shall consult with the test consulting company to assure support from the job analysis. After his consultation, the Chief shall make the final decision and forward his selections and/or changes to the consulting company hired by the City to create the test. The committee membership will be changed after each testing cycle. The committee members appointed by both the Chief and the President of the Association will hold the same rank or higher as the position being tested for.

A listing of all potential materials from which promotional examination questions may be taken shall be posted annually each January for examinations to be administered within the one (1) year period beginning the following April. Such material may not be used unless available at the time of the posting of the study materials list.

Section 3. Promotion to Fire Engineer, Lieutenant, and Captain.

- A. Vacancies in the ranks of Fire Engineer, Lieutenant, and Captain shall be filled by competitive written examination in accordance with Chapter 143 Local Government Code and the rules established by the Fire Fighter and Police Officer Civil Service Commission not inconsistent herewith; however, a passing score of seventy (70) shall be considered minimum for eligibility for promotion.
- B. The City shall engage an outside bonded consultant to prepare written promotional examinations for each rank.
- C. All eligible candidates for promotions to a particular rank shall be given the identical examinations applicable to that rank in the presence of each other. The examinations will consist of multiple choice written questions, which shall have predetermined correct answers to enhance the objectivity of the examination. In addition, the preparer must certify at least seventy five percent (75%) of the questions on each examination for each rank must be newly composed and never before seen on any previous examinations of any rank given by that preparer for the City of San Antonio.
- D. The preparer of the examination shall deliver the examination sealed and numbered to the Civil Service Director who is charged with the responsibility for the security of all promotional examinations. The examination shall remain sealed until opened in the presence of the participants.
- E. All questions formulated by the outside consultant (and their correct answers) shall be derived from the materials selected by the Chief as study materials in accordance with this Section.

Section 4. Promotion to District Chief.

Persons having held the rank of Captain for a period of two (2) continuous years shall be eligible for promotion to the rank of District Chief. In the event all those Captains fail the written portion of the promotion examination which follows, persons holding the rank of Lieutenant for a minimum of five (5) continuous years and all Captains regardless of time-in-rank may be eligible for examination for promotion to District Chief. The promotional examination for the rank of District Chief shall consist of two (2) parts as follows:

- A. Written Examination—Shall consist of questions relating to the duties of the classification of the position to be filled. All notice of written examinations and publishing of study material shall be in accordance with Chapter 143 Local Government Code and the rules established by the Fire Fighter and Police Officer Civil Service Commission. A score of seventy percent (70%) on the written examination shall be considered a passing score. In the event that written examination scores are the same, the ranking of those scores shall be done on the basis of rules established by the Fire and Police Civil Service Commission. All test participants with passing grades, up to a maximum of the top twenty (20), shall be allowed to continue on to the next phase of the examination process, the Assessment Center Board.
- B. Assessment Center Board—Shall consist of three members as follows:
1. Two (2) persons from outside the San Antonio Fire Department who currently hold an administrative position in a Fire Department or fire-related agency in a City of 50,000 or more population or from a state or Federal agency. One such person shall be selected by the City; one shall be selected by the Union.
 2. One (1) person from outside the San Antonio Fire Department who has held an administrative position in the field of personnel management, city management, fire science, or a related field, for a minimum of five (5) years, to be selected by mutual agreement of the City and the Union.
 3. The City and the Union shall agree on guidelines to be presented to the Assessment Center Board for use in their examination.
 4. A minimum score of seventy percent (70%) on the composite factors evaluated by the Board shall be required to pass the Assessment Center Board.
 5. Failure of an applicant to obtain a passing score on the Assessment Center shall disqualify the applicant from further consideration for one (1) year from the date the written examination was administered, unless the list is exhausted, in which event persons on the list shall be eligible for re-examination. The result of the Assessment Center shall not be appealable to the Civil Service Commission or to arbitration through the grievance procedure.
- C. Eligibility List—Within seventy-two (72) hours of the completion of the Assessment Center Process, excluding weekends and holidays, an eligibility list shall be prepared and posted with the respective ranking of all applicants based on the following weights:
1. Written Exam Score 50%
 2. Assessment Center Score 50%
- Total Score 100%

- D. The District Chief eligibility list shall be valid for a period of one (1) year from the day after the date of the written examination unless exhausted, notwithstanding any pending disputes, appeals or litigation concerning an applicant's score or right to promotion. For example: the written exam is given on July 30, 2012, the eligibility list shall be effective from July 31, 2012 through July 30, 2013 at 11:59 p.m.

Section 5. Preemption.

The provisions in this Article shall apply notwithstanding any contrary provisions in Chapter 143, which are expressly preempted.

Section 6. Promotional Probation.

For promotional ranks of Fire Engineer, Lieutenant, Captain, and District Chiefs there shall be a probationary period of six (6) months. During the promotional probationary period, an employee may be demoted by the Chief to the rank from which promoted, and the decision to demote shall not be subject to disciplinary appeal. Upon demotion while holding a probationary promotion, an employee shall resume the competitive rank from which appointed and the salary shall be in accordance with said competitive rank, with service time credited as continuous time in that competitive rank and with all salary increases to which the employee would have been automatically entitled had the employee continuously remained in said competitive rank. If the probationary period is successfully completed, the probationary period shall count as time in grade in the new rank.

Section 7. Chief's Review of Promotability.

Notwithstanding the provisions of this Agreement, the parties understand and agree that in considering a Fire Fighter for promotion the Chief shall have all rights and privileges as contained in Chapter 143 Local Government Code regarding promotability.

Section 8. Assessment Center Promotional Dispute Resolution Procedure.

- A. The purpose of this Section of this Article is to provide for the exclusive remedy available to Fire Fighters who question or challenge the Assessment Center process.
- B. Any Fire Fighter who disputes or challenges the Assessment Center process as contained in this Article as it applies to him shall file a grievance within ten (10) calendar days of the posting of the results of the examination process with the Director of Personnel of the City, which grievance must state in particular and with specifics the Fire Fighter's objection to said process and/or results. Copies of all grievances so filed shall be provided to the Union.
- C. Within fifteen (15) calendar days of the date of the posting of the results of the Assessment Center process, the City and the Union shall meet to review all such grievances timely filed and shall each designate a representative to act in their behalf. These two (2) representatives shall select and agree upon a third, mutually-satisfactory individual who shall act as an independent arbitrator. Failure of the parties' representatives to agree on this third "neutral"

shall result in the parties selecting an arbitrator from the list of six (6) arbitrators previously agreed to in Section 4 of Article 30, Grievance Procedure. The arbitrator or "neutral" so selected shall be notified promptly of his appointment and, simultaneously therewith, the parties in agreement with the arbitrator or "neutral" shall select a date for a hearing of all the grievances so submitted, which date shall be within thirty (30) calendar days.

- D. At the date previously agreed upon, the independent arbitrator or "neutral" shall convene the hearing at a place mutually convenient to all parties. The arbitrator or "neutral" so selected shall hear and take evidence on all of the grievances that were timely filed by Fire Fighters as previously described. The hearing shall continue from day to day until all such evidence has been received. A transcript by a duly authorized court reporter will be taken of the hearing and shall be the only official transcript thereof. All parties to the proceedings, including individual Fire Fighters, shall be entitled to representation of their own choosing, the expense of which must be borne by the respective party.
- E. The arbitrator or "neutral" so selected shall submit a written opinion on each grievance presented and/or heard by him without the benefit of the submission of briefs by the City, the Union, and/or the affected Fire Fighter. The decision of the arbitrator or "neutral" shall be brief and concise and shall recite:
 - 1. The name of the grievant;
 - 2. The issue presented;
 - 3. The decision and award of the arbitrator or neutral.

Unless otherwise mutually agreed by the Union and the City, the decision of the arbitrator or "neutral" shall be rendered within fifteen (15) calendar days of the date the hearing was closed. The decision of the arbitrator shall be final and binding on the City, the Union, and the affected Fire Fighter/grievant.

- F. The fees and expenses of the arbitrator or "neutral" and of the official court reporter shall be borne equally by the Union and the City.
- G. Should at any time after the decision and award of the arbitrator or "neutral" any affected Fire Fighter/grievant contest or challenge the award of the arbitrator in any other legal proceeding, the following shall apply:
 - 1. The decision and award of the arbitrator or "neutral" must be upheld, unless the Fire Fighter/grievant can establish by clear and convincing evidence said award was not supported in whole or in part by substantial evidence and/or that the award of the arbitrator or "neutral" was capricious.
 - 2. As a condition precedent to the filing of any subsequent action challenging the award of the arbitrator or "neutral", the affected Fire Fighter/grievant must file a cost bond in the minimum amount of the sum of the arbitrator's fees and expenses and the fees of the court reporter who took the transcript of the arbitration proceeding.

H. Should the Union and/or the City be a party to any action by a Fire Fighter/grievant contesting and/or challenging the award of the arbitrator or "neutral", the City and/or the Union may, pursuant to the terms of this Agreement, request the court or administrative body to which the action has been addressed to reimburse it/them for all costs of court, including but not limited to attorneys fees, for having to defend said action. This remedy shall be in addition to any other remedy to which the City and/or the Union may be entitled, including but not limited to those as specified above and/or elsewhere in this Agreement.

Section 9. Appointment to Assistant Chief and Deputy Chief.

- A. The Chief shall have the right to appoint six (6) Assistant Chiefs which rank immediately above the rank of District Chief and rank below the Deputy Chief in the chain of command. The Chief shall have the right to appoint two (2) Deputy Chiefs which rank immediately above the rank of Assistant Chief and rank below the Chief in the chain of command. Effective October 1, 2011 the Chief shall have the right to appoint one (1) additional Deputy Chief for a total of three (3) Deputy Chiefs.
- B. No additional appointed positions shall be created other than by this Article.
- C. Hereinafter, no position in the rank of Assistant or Deputy Chief shall be filled other than by appointment. As vacancies occur in the rank of Assistant Chief, the Chief shall have the right to appoint to the position in accordance with this Section. Appointments to the rank of Assistant or Deputy Chief shall be by the Chief at his sole discretion, provided that the employee promoted is a classified, sworn member of the San Antonio Fire Department and occupies a rank of either Assistant Chief, District Chief, or Captain.
- D. - E. Any person appointed to the rank of Assistant Chief or Deputy Chief may be suspended or demoted to the rank from which he was promoted at the sole discretion of the Chief without appeal to the Commission and/or Arbitration. Any person appointed to either rank may, further, voluntarily return to the rank from which he was promoted at any time. Upon demotion or voluntary return to the previously-held rank pursuant hereto, the employee shall receive thereafter the full benefits provided in Chapter 143 Local Government Code and this Agreement as if he had served in either rank on a continuous basis throughout his tenure as either Assistant or Deputy Chief.
- F. A person appointed to the rank of Assistant or Deputy Chief may be terminated for cause, provided that such termination shall be subject to appeal in the same manner as applicable to all classified, uniformed employees in the Department.
- G. Except for the positions of Assistant or Deputy Chief, nothing in this Article shall be construed to require the City to create the rank or establish and fill the maximum number of

positions authorized herein. Further, nothing in this Article shall be construed to limit any existing right of the City to create ranks and establish positions in accordance with State law and the City Charter.

- H. Assistant or Deputy Chiefs appointed by the Chief pursuant to this Article may receive administrative leave time for work performed in excess of their regularly-scheduled duties. Said leave time may be granted at the discretion of the Chief, subject to scheduling and manpower contingencies that may arise. Said discretionary leave time shall, in no event, exceed that amount of time that said Assistant or Deputy Chiefs have accumulated in excess of their regularly-scheduled work week.
- I. Salary and Benefits for Assistant Chiefs and Deputy Chiefs
 - 1. Fire Fighters appointed to the Assistant Chief position by the Chief as provided for in Article 32, Section 8, of this Agreement, shall be compensated at an annual salary of not less than fifteen percent (15%) above the base salary of a District Chief plus thirty (30) years longevity.

ARTICLE 35.

**AGREEMENT BINDING ON SUCCESSORS AND ASSIGNS ON BOTH PARTIES,
REGARDLESS OF CHANGES IN MANAGEMENT, CONSOLIDATION, MERGER,
TRANSFER, ANNEXATION, AND LOCATION**

ADOPTING THE CITY'S OFFICER AND EMPLOYEE LIABILITY
PLAN POLICY AND REPLACING ORDINANCE NO. 62206,
ADOPTED IN JANUARY 1986.

* * * * *

WHEREAS, the current Ordinance adopted as Ordinance No. 62206, in January 1986, lacks procedural detail and clarity, causing concerns as to "acts" covered and excluded under the Indemnification Policy; lacks detail in procedures that officers and employees need to follow in order to be entitled to indemnification; and causes confusion as to when the City will pay for employee's outside counsel, and

WHEREAS, a new Ordinance is needed to define "acts" and to formalize the procedural process; NOW THEREFORE:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. This Ordinance formally adopts the City of San Antonio Officer and Employee Liability Plan Policy ("the Plan"). It replace Ordinance No. 62206, adopted in January 1986. The Plan indemnifies City officers and employees in connection with legal proceedings arising from the performance of their duties.

SECTION 2. This Policy will clarify the rights and responsibilities of the City, and of the officer or employee, and will simplify the process of responding in a timely manner to the initiation of litigation. The Plan shall consist of the policies, rights, and duties embodied in this Ordinance, and shall be implemented and administered as provided by this Ordinance.

SECTION 3. The proposed Ordinance defines "acts" that are covered and excluded. If the City denies coverage, the Plan member may seek a determination from the court as to whether they are entitled to coverage; it will formalize the procedural process, in that officers and employees are given specific procedures in order to request indemnification.

SECTION 4. The City Attorney or his designee will represent the Plan member unless a conflict arises, then the Plan member must select an approved private attorney for representation. The City will not pay for any costs or legal fees incurred by the Plan member if they utilize an attorney not approved by the City Attorney and Risk Manager, unless required by law.

SECTION 5. The Plan does not affect police/fire personnel under their present labor contracts.

SECTION 6. Formal adoption of this Ordinance will not necessitate a current budget amendment, as expenditures will be approved on a case-by-case basis in connection with each individual lawsuit.

SECTION 7. This Ordinance shall be effective on April 25, 1996.

PASSED AND APPROVED this 11th day of April, 1996.

ELIGIBILITY REQUIREMENTS

Eligible Employee

Full-time CITY employees (authorized full-time equivalent) are eligible to participate in the PLAN on the date their employment begins. Coverage begins on the date of hire, or upon taking office and performing work for the City of San Antonio, whichever occurs later.

A new EMPLOYEE who is not ACTIVELY AT WORK for any reason other than due to medical disability on his scheduled EFFECTIVE DATE of coverage will not become covered under the PLAN until such time as the EMPLOYEE returns to active employment.

Eligible Dependent

An Eligible Dependent is:

(1) The Eligible EMPLOYEE'S spouse. A spouse that is legally separated under a court decree under the laws of another state shall not be an eligible dependent,

(2) All natural children including legally adopted, under legal guardianship of the Covered EMPLOYEE and who have not yet reached their twentieth birthday, provided the children have never been married and are principally dependent upon the Eligible Employee, as directed by court order, for support and maintenance. Foster children are not Eligible Dependents under this Plan, unless there has been an application for adoption accepted by the Texas Department of Human Services. Stepchildren are Eligible Dependents during the marriage between the Eligible EMPLOYEE and the natural parent of the child, so long as (a) they permanently reside in the EMPLOYEE'S household, and (b) are PRINCIPALLY DEPENDENT on the EMPLOYEE.

In addition to the above, children will be considered as Eligible Dependents from age twenty (20) through age twenty-three (23), if they are full-time students, have never been married, and are PRINCIPALLY DEPENDENT upon the Eligible Employee for support and maintenance.

The term "Eligible Dependent" shall not include anyone who is covered as an Eligible EMPLOYEE. An Eligible Dependent shall not be entitled to any additional benefits or coverage by virtue of the fact that both parents, step parents or guardians are employed by the CITY.

Incapacitated Dependent

An Eligible Dependent child who is physically or mentally incapable of self-support upon attaining the age of twenty (20) years, shall continue to be an Eligible Dependent while remaining incapacitated, unmarried and continuously covered under the PLAN. An eligible incapacitated dependent must be solely dependent on the EMPLOYEE, and must be incapacitated by a disability that arose while such dependent was a covered dependent. To continue eligibility under this provision, proof of incapacity must be submitted by the EMPLOYEE at least thirty-one (31) days prior to such child's attainment of age twenty (20).

Effective Date of Coverage

Coverage does not become effective until the Eligible EMPLOYEE completes the CITY'S health benefit enrollment process.

Newborn infants will be covered from the date of birth as long as the EMPLOYEE is covered under this plan and coverage for the newborn child is requested within 31 days of the child's date of birth. If coverage of a newborn is not requested within 31 days of the child's date of birth, then coverage cannot become effective until the next January 1 of the year following the next open enrollment period.

Eligible Dependents who are enrolled after the EFFECTIVE DATE of this Plan will become covered on the date such dependent is acquired, provided that the covered EMPLOYEE enrolls such dependent within 31 days of the date the dependent is acquired. If coverage of a dependent is not requested within 31 days of the date the dependent was acquired, the coverage cannot become effective until the next January 1 of the year following the next open enrollment period.

Change of Family Status

If there is a legal change in family status, the EMPLOYEE has thirty-one (31) calendar days to notify the EMPLOYEE Benefits Office in writing or by personally appearing in the Benefits Office and completing a change of dependent coverage form.

If there is no change in family status or if notice is not given for additional coverage within thirty-one (31) days after the legal change in status, no change can become effective until the next January 1 of the year following the next open enrollment period.

A legal change in family status includes: divorce; marriage; birth or adoption of a child, including a child living with the adopting parents during the period of probation; change in employment status for the EMPLOYEE's spouse; or ineligibility of a child due to age, or change in student status.

Termination of Coverage for Individuals

The coverage of any COVERED PERSON under the PLAN shall terminate on the earliest of the following dates:

- (1) The date of termination of the PLAN;
- (2) The date employment terminates;
- (3) The date all coverage or certain benefits are terminated in a particular class by modification of the PLAN; and
- (4) The date an active Eligible EMPLOYEE is covered under any other available alternative health care delivery system for the EMPLOYEE or dependents of the EMPLOYEE.

Termination of Coverage for Dependents

Coverage with respect to the COVERED PERSON'S dependents shall terminate under the PLAN at the earliest time specified below:

- (1) Upon termination of employment for the covered EMPLOYEE;
- (2) On the date dependents cease to be eligible as defined in the PLAN.

Termination of Coverage for Failure to Pay Premium

Coverage with respect to any COVERED PERSON for which a premium or contribution is required shall terminate 31 days after the due date for such premium, or as soon thereafter as otherwise allowed by law.

Documentation

The PLAN ADMINISTRATOR is entitled to require relevant legal documentation to be furnished with any request for coverage or change in status.

CONTINUATION COVERAGE

On April 7, 1986, a federal law was enacted requiring that most employers sponsoring group health plans offer EMPLOYEES and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end. This law is called the Consolidated Omnibus Budget Reconciliation Act of 1985, better known as COBRA. This notice is intended to inform EMPLOYEES, in a summary fashion, of rights and obligations under the continuation coverage provisions of COBRA. The EMPLOYEE and spouse should take the time to read this notice carefully.

"Qualified Beneficiary" means:

- a. you, as a Covered EMPLOYEE, for termination or reduced hours;
- b. your spouse or your dependent child if he/she was a dependent under the PLAN on the day before your Qualifying Event occurred; or
- c. a child who is born to a Covered EMPLOYEE during a period of COBRA continuation coverage.

"Qualifying Event for a Covered Employee" means a loss of coverage due to:

- a. termination of employment for any reason other than gross misconduct; or
- b. reduction in hours of employment.

"Qualifying Event for a Covered Dependent" means a loss of coverage due to:

- a. a Covered EMPLOYEE'S termination of employment for any reason other than a gross misconduct or reduction in hours of employment;
- b. a Covered EMPLOYEE'S death; a spouse's divorce or legal separation from a Covered EMPLOYEE;
- c. a Covered EMPLOYEE'S entitlement to Medicare; or
- d. a dependent child's loss of dependent status under the PLAN.

"Timely contribution payment" means contribution payment must be made within 30 days of the due date or within such longer period as applies to or under the PLAN.

Continuation of Health Coverage. Continuation of health coverage shall be available to you and/or your Covered Dependents upon the occurrence of a Qualifying Event. To continue health coverage, the PLAN ADMINISTRATOR must be notified of a Qualifying Event by:

- (a) the EMPLOYER, within 30 days of such event, if the Qualifying Event is:
 1. for a Covered Dependent, the Covered EMPLOYEE'S death;
 2. the Covered EMPLOYEE'S termination other than for gross misconduct or reduction in hours;

The 48-hour period (or 96-hour period if applicable) begins at the time a delivery occurs in the HOSPITAL (or in the case of multiple births, at the time of the last delivery) or, if the delivery occurs outside the HOSPITAL, at the time a mother and/or newborn are admitted. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours if applicable) following the delivery.

If a decision is made to discharge a mother or her newborn child from inpatient care before the expiration of the minimum hours of coverage of inpatient care as provided above, the PLAN will provide coverage for timely POST DELIVERY CARE as defined herein. DEFINITIONS

The following terms shall mean:

A “pre-existing condition” is a condition (whether physical or mental and regardless of the cause of the condition) for which medical advice, diagnosis, care or treatment was recommended or received within the 6 month period prior to an individual’s “enrollment date.” Genetic information will not be treated as a condition in the absence of a diagnosis of a specific condition. Pregnancy will not be treated as a pre-existing condition.

“Enrollment date” means the first day of an individual’s coverage or, if there is a waiting period before an individual’s coverage becomes effective, the first day of the waiting period; therefore, conditions first diagnosed or treated during the waiting period will not be treated as pre-existing conditions. For an individual who enrolls during a special enrollment period (or as a late entrant), the enrollment date is the first day of the individual’s coverage.

“Late entrant” means an individual who enrolls other than during the initial enrollment period or a special enrollment period as provided under the “ELIGIBILITY REQUIREMENTS” of the PLAN.

“Creditable coverage” includes prior coverage under another group health plan, group or individual health insurance coverage issued by a state regulated insurer or an HMO, COBRA, Medicaid, Medicare, CHIP (Children’s Health Insurance Program), the Active Military Health Program, CHAMPUS, American Indian Health Care Programs, a State health benefits risk pool, the Federal Employees Health Plan, the Peace Corp Health Program, or a public health plan.

PRE-EXISTING CONDITION EXCLUSION PERIOD

Expenses for treatment of pre-existing conditions will not be covered for 6 months following an individual’s enrollment date. Once this exclusion period has been satisfied, normal benefits will be payable.

The pre-existing condition exclusion period will not apply to pregnancy (regardless of whether the woman had previous coverage) or to a newborn or adopted child under age 18 (or child placed for adoption under age 18) provided the child became covered under the PLAN or other creditable coverage within 31 days of birth or adoption (or adoptive placement) and provided they have not incurred a subsequent break in coverage of 63 consecutive days or more.

The PLAN’S pre-existing condition exclusion period may be reduced by an equal period of any prior continuous health coverage (creditable coverage) as long as there is no break in coverage of 63 consecutive days or more. Individuals have a right to demonstrate prior health coverage to reduce the PLAN’S pre-existing condition exclusion period by providing Certificates of Creditable Coverage.

CHAPTER 9**SUPPLEMENTAL ACCIDENT BENEFITS**

This provision provides you and your dependents with supplemental benefits for HOSPITAL and medical expenses resulting from an ACCIDENTAL INJURY occurring while you are covered by this PLAN.

Covered medical expenses directly related to the accident and incurred within the first ninety (90) calendar days of the date of the accident, are covered at 100% up to a maximum of \$500. DEDUCTIBLE does not apply.

If a COVERED PERSON who is scheduled for inpatient surgery in a HOSPITAL, has preoperative testing relating to this surgery performed within ten (10) days prior to the scheduled surgery and the testing is performed at a PHYSICIAN's office, diagnostic laboratory, ambulatory surgery center or on a HOSPITAL outpatient basis, the PLAN will pay pre-operative testing at 100% provided:

1. The charge for the surgery is a covered expense;
2. The tests would have been covered had the patient been confined as a HOSPITAL inpatient;
3. The tests are not repeated when the patient is confined for the surgery;
4. The test results are a part of the patient's medical record;
5. The surgery is performed in a HOSPITAL;
6. The service is identified as pre-admission or preoperative testing.

The DEDUCTIBLE does not apply.

Certification of ALL non-network admissions to a HOSPITAL including admissions for rehabilitation, treatment of mental or nervous condition, drug, alcohol or substance abuse and maternity is required prior to or on the day of admission as an inpatient. Emergency admissions must be verified within forty-eight (48) hours following admissions. Information for precertification must be provided to the CLAIMS ADMINISTRATOR.

Certification of all non-network outpatient surgery, performed in an ambulatory surgery center or HOSPITAL outpatient facility, is required prior to or on the day of the surgery. Emergency outpatient surgery must be certified within forty-eight (48) hours following the surgery. The COVERED PERSON is responsible for the certification of hospital admission and outpatient surgery.

If Pre-Certification Authorization is not obtained the maximum benefit paid for the doctor and HOSPITAL will be fifty percent (50%) of the usual and customary charges. The fifty percent (50%) not reimbursed by the PLAN will not count toward satisfaction of the Plan year out-of-pocket maximum.

Pursuant to State law, the PLAN will not restrict benefits for any HOSPITAL length of stay in connection with a mastectomy or lymph node dissection of less than 48 hours following a mastectomy or less than 24 hours following a lymph node dissection or require that a provider obtain authorization from the PLAN for prescribing a length or stay within the above periods. Certification is required for a length of stay, which is in excess of the above periods.

Pursuant to State law, the PLAN will not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child of less than 48 hours following an uncomplicated vaginal delivery or less than 96 hours following an uncomplicated cesarean section, or require that a provider obtain authorization from the PLAN for prescribing a length of stay within the above periods. Certification is required for a length of stay, which is in excess of the above periods.

PREFERRED PROVIDER NETWORK

The City of San Antonio participates in a Preferred Provider Network of HOSPITALS, PHYSICIANS and other providers that are contracted to furnish, at negotiated costs, medical care for the CITY EMPLOYEES and their dependents. The use of a Preferred Provider may result in reduced out of pocket expenses to the COVERED PERSON.

A current listing of the Preferred Provider Network contracting HOSPITALS, PHYSICIANS and other providers is available from the CLAIMS ADMINISTRATOR by phone or internet. A COVERED PERSON may choose any health care provider.

The CITY reserves the right to terminate or modify the Preferred Provider Network program, or any portion thereof, at any time. In the event the CITY changes the PPO provider, the CITY will ensure that the EMPLOYEES will not be substantially affected by a disruption of available in-network providers.

The "In-Network Benefit" level will be paid if a COVERED PERSON receives services from a Non-Participating Provider only in the following situations:

1. EMERGENCY SERVICES.
2. Court-Ordered Dependents. If your court-ordered Eligible Dependent lives outside the service area, and no Out-of-Area Participating Providers are reasonably available to treat the Eligible Dependent. Contact the Employee Benefits Office for details.
3. Continuity of Care if Participating Provider Leaves the PPO Network. If your Participating Provider leaves the PPO Network, a covered person may continue to see that Provider and receive PPO Benefits under "special circumstances."
4. "Special circumstance" means a condition such that a covered person's Participating Provider reasonably believes discontinuation of care could cause harm to that person, such as a Disability, an acute condition, a life-threatening illness or a pregnancy that is past the 24th week. If a COVERED PERSON'S Participating Provider makes such a request and special circumstances exist, In-Network Benefits will continue:
 - (a) In the case of a COVERED PERSON who is past the 24th week of pregnancy, through the delivery of the child, immediate postpartum care, and the follow-up checkup within the first six (6) weeks of delivery;
 - (b) In the case of other special circumstances, (e.g. terminally ill), for 90 days;
 - (c) If a Participating Provider, including a facility or a specialist is not available to a COVERED PERSON within the service area to provide MEDICALLY NECESSARY services covered by the PLAN, the CLAIMS ADMINISTRATOR, approves the coverage in advance.

Formulary Management

A Formulary is a list of medications that have received FDA approval as safe and effective, and have been chosen for inclusion on the Formulary by a committee of **PHYSICIANS** and pharmacists from the Pharmacy Benefit Management (PBM) vendor selected by the **CITY** to administer the prescription drug plan. The Formulary drug list can help the member and **PHYSICIAN** to maximize benefits while minimizing overall prescription drug costs to the member and the **PLAN**.

The PBM's vendor committee evaluates clinical efficacy and safety of each drug and votes the drug into one of three categories:

- Therapeutically Unique – Clinical effectiveness of the drug is superior to existing drugs with an acceptable safety profile prompting automatic addition to the Formulary
- Therapeutically Equivalent – Clinical effectiveness and safety profile are comparable to existing drugs
- Therapeutically Inferior – Clinical effectiveness of the drug is no greater than existing drugs and the safety profile is less favorable prompting automatic non-Formulary status

Products classified by the PBM's vendor committee as therapeutically equivalent are further evaluated from an economic perspective to determine which clinically appropriate drugs are most cost-effective for clients. The PBM's vendor committee evaluation is based solely on clinical criteria. It is only after the PBM's vendor committee clinical assessment is made that the economics of the drug are considered.

New FDA approved drugs that arrive on the market are automatically available to the members and are initially placed into the third tier (non-Formulary brand) except those excluded under the benefit plan. Based on the PBM's vendor committee decision, the new drug may then be placed in the second tier (Formulary brand). Additions to the Formulary are made on a quarterly basis throughout the year with deletions most often occurring annually.

Three-Tier Coinsurance Level	Type of Medication
Lowest Coinsurance – Generic Tier 1	Medications classified as generic
Middle Coinsurance – Preferred Brand Tier 2	Preferred Brand medications on the Formulary list with no generic available
Highest Coinsurance – Non-Preferred Brand Tier 3	Non-preferred brands (not on Formulary list) or brands with a generic available

The most up-to-date Formulary guide is available on the pharmacy benefit management vendor's website.

Note: Drugs listed on the Formulary may not be covered as they are subject to the City of San Antonio's specific plan coverages, exclusions, and limitations.

Prior Authorizations

Certain prescriptions require "clinical prior authorization" or approval from your PLAN before they will be covered. The pharmacy benefit management vendor administers the clinical prior authorization process on behalf of the City of San Antonio.

A Clinical Prior Authorization (CPA) can be initiated by you, your PHYSICIAN or Pharmacist by calling 1-800-842-2038. To initiate a clinical prior authorization, the caller should have available the name of the medication, PHYSICIAN'S name, telephone number (and fax number, if available), member's ID number, and the UHC group number #712983.

After the initial call is placed, the Clinical Services Representative obtains information and verifies that COSA participates in a CPA program for the particular drug category. The Clinical Services Representative generates a drug specific form and faxes it to the prescribing PHYSICIAN. Once the fax form is received back into the Clinical Call Center, a pharmacist reviews the information and approves or denies the request based on established protocols. Determinations may take up to 48 hours from the pharmacy benefit management vendor's receipt of the completed form, not including weekends and holidays.

If the prior authorization request is APPROVED, the pharmacy benefit management vendor's Clinical Service Representative contacts the person who initiated the request and enters an override into the pharmacy benefit management vendor's processing system for a limited period of time. The pharmacy will then process your prescription.

If the prior authorization request is DENIED, the pharmacy benefit management vendor's Clinical Call Center pharmacist contacts the person who initiated the request and sends a denial letter explaining the denial reason. This includes denials due to PHYSICIAN non-response. The letter will include instructions for appealing the denial.

The categories/medications that require prior authorization include, but are not limited to:

- Attention Deficit Hyperactivity Disorder (ADHD)
- Narcolepsy
- Anabolic steroids (all forms)
- Anti-Fungals (i.e., Lamisil, Sporanox)
- Botulinum Toxins (Botox)
- Contraceptives (for dependent children)
- Crinone 8%

The criteria for the Clinical Prior Authorization programs are based on nationally recognized guidelines; FDA approved indications and accepted standards of practice.

Please have the information listed below when initiating your request for a clinical prior authorization:

- Name of your Medication
- PHYSICIAN'S Name
- PHYSICIAN'S Phone Number

- PHYSICIAN'S Fax Number, if available
- Member ID number (from your card)
- City of San Antonio Group Number: 712983

Age and Quantity Limitations

Some medications are subject to age and quantity limits. Your prescription will be denied at time of purchase if it exceeds these limitations. Limitations are based on criteria developed with guidelines from various national medical agencies and in conjunction with the pharmacy benefit management vendor's clinical review process.

Age Limitations

Certain medications having an age limitation include but are not limited to, the following health conditions:

- Topical Acne
- Attention Deficit Hyperactivity Disorder (ADHD)
- Narcolepsy

If your prescription is "denied" due to age limitations, but you and your PHYSICIAN believe it is **MEDICALLY NECESSARY** for you to take the medication to treat one of the above conditions, you may request a clinical prior authorization. Refer to the previous section titled "Prior Authorizations" for details.

Quantity Limitations

Certain medications having quantity limitations include but are not limited to, the following health conditions and medications:

- Impotency
- Insomnia
- Migraine
- Butorphanol
- Oral Antiemetics
- Diflucan 150mg

If your prescription is "denied" due to quantity limitations, and you and your PHYSICIAN believe it is **MEDICALLY NECESSARY** for you to take a larger quantity of the medication, you may request a clinical prior authorization. Refer to the previous section titled "Prior Authorizations" for details.

Specialty Pharmacy

Specialty Pharmacy provides convenient, dependable access to medications for people living with complex health conditions. The programs and services focus on injectibles and medication therapies involving strict compliance requirements, special storage/handling/delivery, complex administration methods, and education /monitoring/ ongoing support. These drugs are limited to a 30-day supply regardless if dispensed at a retail pharmacy or at mail service. The retail COINSURANCE will apply for specialty pharmacy medications regardless if the medication is obtained at retail or mail.

Certain classifications of specialty pharmacy medications will require prior authorization or approval before they will be covered by your PLAN. Drugs include the following, but are not limited to:

- Asthma (Xolair)
- Endometriosis (Lupron)

- Growth Hormone Deficiency (Genotropin, Nutropin)
- Osteoarthritis (Synvisc)
- Osteoporosis (Forteo)
- Parkinson's Disease (Apokyn)
- Precocious Puberty (Lupron-Ped)
- Prostate Cancer (Lupron, Viadur)

A member may enroll in the Specialty Pharmacy Program by contacting the United HealthCare at 1-866-429-8177.

Direct Member Reimbursement

There may be instances where you need to fill a prescription but are unable to have your claim processed through a network retail pharmacy due to situations such as an emergency situation, or a new member whose enrollment has not been processed. In these instances, you will be required to pay the full retail cost of the covered medication, and then file for reimbursement.

You can receive reimbursement for covered prescriptions you've paid for under the PLAN by following these steps:

- Pay the pharmacist the full amount of your prescription. Keep your receipt(s).
- Obtain and complete a claim form available from the COSA Employee Benefits Office.
- Send your completed form and itemized receipts to the pharmacy benefit management vendor.

Please note that the pharmacy benefit management vendor will reimburse you according to the PLAN'S guidelines.

Drug Utilization Alerts at Time of Purchase

Drug Utilization Review (DUR) is an effective tool in monitoring drug use to assure that it is appropriate, safe, and effective. At the time of purchase, the pharmacy benefit management's vendor DUR program monitors claim submissions across all pharmacies and PHYSICIANS, compares each claim with the active prescriptions of individual members, and sends "flags" back to the pharmacists should any drug utilization alerts occur. The DUR system adheres to the National Council for Prescription Drug Products (NCPDP) DUR guidelines and monitors every prescription for numerous conditions. Examples of some of the DUR alerts are listed below.

Drug/Drug Interaction

A drug/drug interaction is a potentially harmful result that can occur when a patient is taking two or more drugs at the same time. The possible results of the interaction may include the increase or decrease in drug effectiveness or an increase in the adverse effects of one or both of the drugs.

When these occur, the pharmacy benefit management vendor's system advises the dispensing pharmacist that the drug he/she is about to dispense may have a potentially harmful interaction with a drug the patient is currently taking. This allows the pharmacist to use professional judgment to intervene, if necessary, to prevent the patient from being harmed.

Over Utilization

The submission of prescription drug claims across all contracted pharmacies is monitored. When a pharmacy claim request is received, the pharmacy benefit management vendor's system reviews each patient's drug profile, searching for a previous prescription for the same drug or its generic equivalent.

The system then applies any other parameters that have been defined to reject a claim if the request for the medication is being submitted sooner than the PLAN recognizes as appropriate.

Therapeutic Duplication Monitoring

Duplicate therapy monitoring informs the dispensing pharmacist that the newly prescribed drug may duplicate the therapeutic effects of another drug already prescribed for the patient. This duplication can occur even when the two drugs are prescribed for different medical conditions.

When a duplication of therapy is detected, the pharmacy benefit manager vendor will transmit information back to the dispensing pharmacist, including the name of the drug that is duplicating the therapy, for further evaluation and intervention.

On inpatient HOSPITAL bills under \$3,000.00 the PLAN will make a cash presentation to any EMPLOYEE who (1) detects a billing overcharge made by a HOSPITAL as a result of an inpatient confinement to any covered family member and (2) receives a billing adjustment and (3) the PLAN realizes a savings.

Upon discharge from the HOSPITAL, simply review the bill. If there is any error, it may be in one of the following areas:

A Calculation Error

A charge for service the patient did not receive.

The patient received a service but not in the quantity indicated.

Remember, take the original bill and obtain a corrected bill and present both to the CITY CLAIMS ADMINISTRATOR for review and determination. The PLAN will pay the EMPLOYEE 25% of the savings or maximum of \$500, whichever is less. As an example, if an EMPLOYEE detects an incorrect charge of \$1,200 and this is confirmed, the EMPLOYEE will receive a check for 25% of the savings, or \$300 from the PLAN.

The COB provision is designed to correct over coverage which occurs when a person has health coverage for the same expenses under two (2) or more of the plans listed below. Should this type of duplication occur, the benefits under this PLAN will be coordinated with those of the other plans so that the total benefits from all plans will not exceed the expenses actually incurred.

If a COVERED PERSON'S benefits under another health plan are reduced due to cost containment provisions, such as a second surgical opinion, pre-certification, HMO or preferred provider arrangements, the amount of the reduction shall not be considered as an allowable expense under this PLAN.

The benefits provided by the plans listed below are considered in determining duplication of coverage:

1. This Plan;
2. Any other group insurance or prepayment plan, Health Maintenance Organizations (HMOs); Blue Cross/Blue Shield;
3. Any labor-management trustee plan, union welfare plan, employer organization plan or employee benefit organization plan;
4. Any government plan or statute providing benefits for which COB is not prohibited by law.

Order of Benefit Determination

Certain rules are used to determine which of the plans will pay benefits first. This is done by using the first of the following rules which applies:

1. A plan with no COB provision will determine its benefits before a plan with a COB provision;
2. A plan that covers a person other than as a Dependent will determine its benefits before a plan that covers such person as a Dependent;
3. Any labor-management trustee plan, union welfare plan, employer organization plan or employee benefit organization plan will determine its benefits before this plan;
4. When a claim is made for a dependent child who is covered by more than one (1) plan:
 - (a) the benefits of the plan of the parent whose birthday falls earlier in the year will be determined before the benefits of the plan of the parent whose birthday falls later in that year; but
 - (b) if both parents have the same birthday, the benefits of the plan which covered the parent longer will be determined before those of the plan which covered the other parent for a shorter period of time.

This method of determining the order of benefits will be referred to as the "Birthday Rule." The Birthday Rule will be used to determine the order of benefits for dependent children in all cases except those described below.

- (c) if the other plan does not have the Birthday Rule, then the plan which covers the child as a dependent of the male parent will pay its benefits first.
- (d) if the parents are legally separated or divorced, benefits for the child will be determined in this order:
 - (i) first, the plan of the parent with custody of the child will pay its benefits;
 - (ii) then, the plan of the spouse of the parent with custody of the child will pay its benefits; and
 - (iii) finally, the plan of the parent not having custody of the child will pay its benefits.

However, if there is a court decree stating which parent is responsible for the health care expenses of the child, then a plan covering the child as a dependent of that parent will determine its benefits before any other plan.

5. A plan that covers a person as:
- (a) a laid off employee; or
 - (b) a retired employee; or
 - (c) a dependent of such employee;

will determine its benefits after the plan that does not cover such person as:

- (a) a laid off employee; or
- (b) a retired employee; or
- (c) a dependent of such employee.

If one of the plans does not have this rule, and if, as a result, the plans do not agree on the order of benefits, this rule will not apply.

6. If one of the above rules establishes the order of payment, a plan under which the person has been covered for the longer time will determine its benefits before a plan covering that person for a shorter time.

Two successive plans of the same group will be considered one plan if the person was eligible for coverage under the new plan within twenty-four (24) hours after the old plan terminated. A change in the amount or scope of benefits, or a change in the carrier, or a change from one type of plan to another (e.g., single employer plan to multiple employer plan) will not constitute the start of a new plan.

When the COB provision reduces the benefits payable under this Plan:

- (a) each benefit will be reduced proportionately; and
- (b) only the reduced amount will be charged against any benefit limits under the Plan.

The COB provision is applied throughout the CALENDAR YEAR. If there is any reduction of the benefits provided under a specific Benefit Provision of this PLAN because of duplicate coverage, similar

benefits may be payable later in that year if more ALLOWABLE EXPENSES are incurred under the same Benefit Provision of this PLAN because of duplicate coverage, similar benefits may be payable later in that year if more ALLOWABLE EXPENSES are incurred under the same Benefit Provision. "ALLOWABLE EXPENSE" means any necessary, usual and customary item of expense at least part of which is covered under at least one of the plans covering the person for who claim is made or service provided, in no event will ALLOWABLE EXPENSE include the difference between the cost of a private HOSPITAL room and a semi-private HOSPITAL room unless the patient's stay in a private HOSPITAL room is MEDICALLY NECESSARY.

Benefits under a governmental plan will be taken into consideration without expanding the definition of "ALLOWABLE EXPENSE" beyond the HOSPITAL, medical and surgical benefits as may be provided by such governmental plan.

When a plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an ALLOWABLE EXPENSE and a benefit paid.

The PLAN has the right to release to, or obtain from, any other organization or person any information necessary for the administration of this provision and to pay to any organization any amounts necessary to satisfy the intent of this provision.

If the PLAN has paid any amounts in excess of those necessary to satisfy the intent of this provision, it has the right to recover such excess from the person, to or for whom, such payments were made or from an insurance company or organization.

When you claim benefits under the PLAN, you must furnish information about OTHER COVERAGE, which may be involved in applying this coordination provision.

A payment made under another Plan may include an amount which should have been paid under this PLAN. If it does, the CLAIMS ADMINISTRATOR may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under this PLAN. The CLAIMS ADMINISTRATOR will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services.

Compliance with Cost Containment Health Plan Provisions

If the COVERED PERSON'S benefits are reduced by a health plan that has cost containment provisions, such as a second surgical opinion, HMO, pre-certification or preferred provider arrangements, the amount of such reduction shall not be an ALLOWABLE EXPENSE.

PROVISION FOR SUBROGATION AND RIGHT OF RECOVERY

A third party may be liable or legally responsible for expenses incurred by a COVERED PERSON for an illness or a bodily injury.

Benefits may also be payable under the PLAN for such expenses. When this happens, the PLAN may, at its option:

1. Take over the COVERED PERSON'S right to receive payment of the benefits from the third party. The COVERED PERSON will:
 - (a) transfer to the PLAN any rights he may have to take legal action against the third party with respect to benefits paid by the PLAN which are subject to this provision; and
 - (b) cooperate fully with the PLAN in asserting its right to subrogate. This means the COVERED PERSON must supply the PLAN with all information and sign and return all documents reasonably necessary to carry out the PLAN's right to recover from the third party any benefits paid under the PLAN which are subject to this provision.
2. Recover from the COVERED PERSON any benefits paid under the PLAN which the COVERED PERSON is entitled to receive from the third party. The PLAN will have a first lien upon any recovery, whether by settlement, judgment or otherwise, that the COVERED PERSON received from:
 - (a) the third party; or
 - (b) the third party's insurer or guarantor; or
 - (c) the COVERED PERSON'S uninsured motorist insurance.

This lien will be for the amount of benefits paid by the PLAN for the treatment of illness or bodily injury for which the third party is liable or legally responsible. If the COVERED PERSON:

- (a) makes any recovery as set forth in this provision; and
- (b) fails to reimburse the PLAN fully for any benefits paid under this provision; then he will be personally liable to the PLAN to the extent of such recovery up to the amount of the first lien. The COVERED PERSON must cooperate fully with the PLAN in asserting its right to recover.

1. Proof of Loss

Written proof of loss must be furnished to the CLAIMS ADMINISTRATOR within one (1) year after the month such loss was incurred. Failure to furnish proof within the time required shall not invalidate or reduce any claim if it was not reasonably possible to give proof within such time, provided proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the COVERED PERSON, later than one (1) year from the month care, treatment, service or supply was first provided for the illness or injury.

2. Legal Actions

No action at law or in equity shall be brought to recover on the PLAN unless the EMPLOYEE or retiree has exhausted administrative remedies provided in the review and appeal process in Chapter 19.

3. Examination

The CLAIMS ADMINISTRATOR shall have the right and opportunity to have the COVERED PERSON examined whose injury or illness is the basis of a claim when and so often as it may reasonably require during pendency of a claim.

4. Conformity with Federal Statutes

Any provision of this PLAN, which on its EFFECTIVE DATE is in conflict with federal statutes, is hereby amended to conform to the minimum requirements of such federal statutes.

5. Choice of PHYSICIAN

The COVERED PERSON shall have free choice of any PHYSICIAN, as defined in this PLAN, practicing legally. Benefits may vary depending on the PHYSICIAN'S participation in the City's Preferred Provider Network.

6. Entire Contract

The PLAN DOCUMENT constitutes the entire contract of coverage between the PLAN SPONSOR and the COVERED PERSON.

7. Effect of Changes

All changes to the PLAN shall become effective as of a date established by the PLAN ADMINISTRATOR, except that:

No increase or reduction in benefits shall be effective with respect to covered expenses incurred prior to the date a change was adopted by the PLAN SPONSOR, regardless of the effective date of the change; and

8. Written Notice

Any written notice required under the PLAN shall be deemed received by a COVERED PERSON sent by regular mail, postage prepaid, to the last address of the COVERED PERSON on the records of the EMPLOYER.

9. Clerical Errors/Delay

Clerical errors made on the records of the PLAN SPONSOR, PLAN ADMINISTRATOR or CLAIMS ADMINISTRATOR and delays in making entries on records shall not invalidate covered or cause coverage to be in force or to continue in force. Rather, the EFFECTIVE DATES of coverage shall be determined solely in accordance with the provisions of the PLAN regardless of whether any contributions with respect to COVERED PERSONS have been made or have failed to be made because of such errors or delays. Upon discovery of an error or delay, an equitable adjustment of any contributions will be made.

10. Workers' Compensation

The PLAN is not in lieu of and does not affect any requirement for coverage by Workers' Compensation insurance.

11. Statements

(a) Not Representations

Statements made by or on behalf of any person to obtain coverage under the PLAN shall be deemed representations and not warranties.

(b) Misstatements on Enrollment or Claim Form

If any relevant material fact has been misstated by or on behalf of any person to obtain coverage under the PLAN, the true fact shall be used to determine whether coverage is in force and the extent, if any, of coverage. Upon the discovery of any misstatement, an equitable adjustment of any benefit payments will be made.

(c) Time Limit for Misstatement

No misstatement made to obtain coverage under the PLAN will be used to void the coverage of any person which has been in force for a period of two (2) years or to deny a claim for a loss incurred or disability commencing after the expiration of the two (2) year period. The provisions of this paragraph shall not apply if any misstatement has been made fraudulently.

(d) Use of Statements

No statement made by or on behalf of any person will be used in any context unless a copy of the written instrument containing the statement has been or is furnished to any person or to any person claiming a right to receive benefits with respect to the person.

12. Identification Cards

Identification card(s) will be issued, which indicate coverage by the City of San Antonio Health Benefits Program. Upon request, the CLAIMS ADMINISTRATOR or the City's Employee Benefits Office will verify coverage of COVERED PERSONS. Identification cards will be for identification of COVERED PERSONS only and do not constitute a guarantee of coverage.

13. Protection Against Creditors

No benefit payment under this PLAN shall be subject in any way to alienation, sale, transfer, pledge, attachment, garnishment, execution or encumbrance of any kind, and any attempt to accomplish same shall be void. If the CITY finds that such an attempt has been made with respect to any payment due or to become due to any covered person, the CITY in its sole discretion may terminate the interest of such COVERED PERSON or former COVERED PERSON in such payment. And in such case the CITY shall apply the amount of such payment to or for the benefit of such COVERED PERSON or former COVERED PERSON, his/her spouse, parent, adult child, guardian or a minor child, brother or sister, or other relative of a dependent of such COVERED PERSON or former COVERED PERSON, as the CITY may determine, and any such application shall be a complete discharge of all liability with respect to such benefit payment. However, at the discretion of the CITY, benefit payments may be assigned to health care providers.

1. Claim Filing

- (a) Medical claims (doctor's visits, prescription drugs, exams, HOSPITAL, etc.) shall be filed on a claim form available from the Employee Benefits Office or CLAIMS ADMINISTRATOR.
- (b) The claim form shall include medical bills (itemized only) and the explanation of benefit statement (EOB) from other health insurance policies, if any. The bill should contain the following:
 - (i) the official letterhead of the HOSPITAL, doctor, clinic, pharmacy, etc. including address, phone number and tax ID;
 - (ii) type of service;
 - (iii) date of service received;
 - (iv) amount charged;
 - (v) name of patient; and
 - (vi) diagnosis.
- (c) Only one (1) detailed claim form must be completed per person per year, even for different claims and/or diagnoses. Any additional claims throughout the year may be filed on a short claim form available through the Employee Benefits Office. If a claim is for an ACCIDENTAL INJURY, then a detailed claim form must be completed for each accident occurrence. All items on the front of the claim form must be completed. The blocked section regarding secondary insurance coverage must be completed.
- (d) The original claim form with the attached bills shall be mailed to the City's CLAIMS ADMINISTRATOR.

2. Limitation of Liability

The PLAN SPONSOR shall not be obligated to pay any benefits under the PLAN for any claim that is not timely filed.

3. Time of Claims Processing

Benefits for incurred medical expenses which are covered under the PLAN will be processed immediately upon receipt of proper written proof of loss by the CLAIMS ADMINISTRATOR. Any benefits payable will be made within twenty (20) working days.

Periodic Payment: Payment of accrued periodic payments for continuing losses which are covered under the PLAN will be made immediately upon receipt of proper proof of loss by the CLAIMS ADMINISTRATOR and at the applicable time period.

4. Payment of Benefits

All benefits under the PLAN are payable to the Covered EMPLOYEE whose illness or injury or whose covered dependent's illness or injury is the basis of a claim.

In the event of the death or incapacity of a Covered EMPLOYEE and in the absence of written evidence to the PLAN of the qualification of a guardian for his estate, the PLAN may, in its sole discretion, make any and all payments to the individual or institution which, in the opinion of the PLAN ADMINISTRATOR, is or was providing the care and support of the EMPLOYEE.

Benefits for medical expenses covered under the PLAN may be assigned by a Covered EMPLOYEE to the person or institution rendering the services for which the expenses were incurred. No assignment will bind the PLAN SPONSOR unless it is in writing and unless it has been received by the CLAIMS ADMINISTRATOR prior to the payment of the benefit assigned. The CLAIMS ADMINISTRATOR will not be responsible for determining whether any assignment is valid. Payment of benefits which have been assigned will be made directly to the assignee unless a written request not to honor the assignment signed by the Covered EMPLOYEE and the assignee has been received before the proof of loss is submitted.

5. Discharge of Liability

Any payment made in accordance with the provisions of this section will fully discharge the liability of the PLAN SPONSOR to the extent of payment.

6. Recovery of Payments

If the following circumstances apply, the PLAN SPONSOR reserves the right to deduct from any benefits properly payable under the PLAN or recover from the Covered EMPLOYEE or assignee who received the payment:

- (a) the amount of any payment which has been made in error; or
- (b) pursuant to a misstatement contained in a proof of loss; or
- (c) pursuant to a misstatement made to obtain coverage under the PLAN within two (2) years after the date coverage commences.

REVIEW PROCESS FOR DISPUTED CLAIMS

The review process for disputed claims shall include the following:

1. The Employee or Retiree may request a review by writing the CLAIMS ADMINISTRATOR and stating the basis for the disputed claim.
2. This request must be made within ninety (90) calendar days after the receipt of the original explanation of benefits.
3. Upon receipt of the request, the claim will be reviewed by the CLAIMS ADMINISTRATOR who will either affirm the original claim determination in writing, pay the disputed claim amount, or request additional information necessary to make a determination.
4. The CLAIMS ADMINISTRATOR's decision will be simultaneously mailed and emailed within thirty (30) calendar days to the EMPLOYEE /Retiree along with supporting documentation setting out the basis on which the decision is made.
5. Either the Employee/RETIREE or the CLAIMS ADMINISTRATOR may request a review by Claims Review Committee in accordance with paragraph six (6) below. The Employee/Retiree's request must be made within twenty (20) calendar days after the date upon which the CLAIMS ADMINISTRATOR's decision is simultaneously mailed and emailed to the Employee/Retiree. Should the twentieth (20th) calendar day fall on a weekend or holiday, the time shall be tolled until the first subsequent business day. Alternatively, an employee may elect to forego the review of the claim by the Claims Review Committee and instead appeal the decision of the CLAIMS ADMINISTRATOR through the Grievance Procedure, set forth in Article 30 of the Collective Bargaining Agreement. The EMPLOYEE/RETIREE shall have thirty (30) days from the date upon which the CLAIMS ADMINISTRATOR's decision is simultaneously mailed and emailed to initiate the grievance process. Once the grievance process is initiated, all applicable deadlines as set forth in the Grievance Procedure shall be applicable to the employee.
6. A review may be made within fifteen (15) calendar days by a Claims Review Committee upon the request of the PLAN ADMINISTRATOR only if new claims information is provided by the EMPLOYEE or Retiree which was not considered before by the CLAIMS ADMINISTRATOR. The Committee shall consist of the PLAN ADMINISTRATOR, a representative of the CLAIMS ADMINISTRATOR who was not directly involved in processing the initial claim, and an independent licensed medical reviewer of the CLAIMS ADMINISTRATOR. The decision of the Committee will be made within fifteen (15) calendar days, mailed to the EMPLOYEE/Retiree and will be deemed final and binding. The employee shall have thirty (30) days from the date the Claims Review Committee decision is simultaneously mailed and emailed to the Employee to initiate the grievance process as set forth in Article 30 of the Collective Bargaining Agreement. Once the grievance process is initiated, all applicable deadlines as set forth in the Grievance Procedure shall be applicable to the Employee.

(c) The member shall make the payment described by Subsection (b) of this section in full within a period after the member's return that is equal to three times the amount of time the member was absent, except that the maximum period for payment may not exceed five years.

(d) If the member does not comply with Subsections (b) and (c) of this section, the member loses all credit toward the member's years of service for the length of time the member was engaged in active service in any uniformed service.

(e) The amount of credit purchased under this section may not exceed the length of the active service in a uniformed service required to be credited by law.

(f) If the member complies with this section and makes all required payments, a municipality to which this Act applies shall make payment to the fund in an amount equal to the amount the municipality would have paid if the member had remained on active status in the department during the member's absence while in the uniformed service.

Re: Revised Actuarial Analysis of Potential Legislation

Dear Board Members:

At your request, we have prepared a revised actuarial analysis of various potential changes to the retiree health benefits for the current and future retired fire and police covered by the Fire and Police Retiree Health Care Fund, San Antonio (Fund). This report replaces two prior ones dated February 20, 2007 and February 28, 2007. The potential changes included in this analysis are based on the draft of potential legislation to amend Article 6243q, Vernon's Texas Civil Statutes, the state law governing the Fund, which has been given to the Legislature, and on the resolution you adopted at your February 20, 2007 meeting regarding the Board's commitment to the additional authority that the Board would be responsible for if the potential legislation were to become law. We based this analysis on our October 1, 2006 actuarial valuation of the Fund and on the actuarial methods and assumptions used in that valuation, except for the revised assumptions described in this report. The results of the analysis are summarized in the attached Exhibits 1A and 1B and are described more fully in the rest of this report.

Summary of Fund's Current Actuarial Condition

Our February 19, 2007 report of the October 1, 2006 actuarial valuation of the Fund revealed that the expected contributions are not adequate to provide the normal cost contributions of 10.92% of covered payroll and to amortize the unfunded actuarial accrued liability (UAAL) of \$505 million over an acceptable period of time. In fact, the UAAL will never be amortized with the current financing arrangement and the current benefits. Therefore, the current financing arrangement is inadequate. Without any changes, we projected that the assets in the Fund would be depleted in fiscal year 2026-2027, and benefits after that date would have to be reduced by more than one half and would be provided on a pay-as-you-go basis from future contributions.

Scope of the Analysis

The potential changes included in our analysis are described below. The changes in Items 1, 2, 3, and 5 would be enacted if the potential legislation were to become law. The changes in Item 4 have been under serious consideration by the Board in anticipation of the additional authority in the potential legislation "to administer the Fund and the retiree health plan... for the greatest benefit of all members." [new

Section 3.01(f)]. The order of the potential changes reflects the order in which they are presented in this report.

1. The benefit provisions for Prefund 1 retirees and spouses would become the same as those for the Prefund 2 retirees and spouses, including each of the potential changes included in this analysis.
2. In addition to the changes in Item 1, the maximum deductible per person in a calendar year would increase initially by \$300 (from \$200 to \$500) beginning January 1, 2008, the maximum out-of-pocket payments per person in a calendar year would increase initially by \$800 (from \$700 to \$1,500) beginning January 1, 2008, and the maximum deductible and the maximum out-of-pocket payments would each increase annually according to changes in the total medical care consumer price index beginning January 1, 2013, but not to exceed 8% in any one year.
3. In addition to the changes in Items 1 and 2, the maximum out-of-pocket payments per person in a calendar year would increase by an additional \$100 per year for the four years beginning January 1, 2009.
4. In addition to the changes in Items 1, 2, and 3, in-network incentives for health care services similar to those in the retiree benefits program for general employees would be added. This would increase the retiree's cost of using out-of-network providers in order to provide an incentive to use the discounted services of the network providers and to provide a reduction in claims paid by the Fund if out-of-network providers continue to be used.
5. In addition to the changes in Items 1, 2, 3, and 4, contributions would be required of future retirees who retire with less than 30 years of service equal to what they would have contributed as employees if they had continued employment for 30 years.

Exhibit 2 shows the details of the in-network incentives for health care services that were considered in Item 4 above. Exhibit 3 discloses the changes in actuarial assumptions that were made in determining the effects of each of the potential changes. Exhibit 4 displays the resolution the Board adopted at their February 20, 2007 meeting regarding the Board's commitment to and ideas for carrying out the additional authority the Board would have for administering the Fund and the retiree health plan if the potential legislation were to become law.

The potential legislation not only includes the changes above in Items 1, 2, 3, and 5 but also includes proposed city contributions of 9.4% of covered payroll and proposed contributions by the fire/police beginning at 2.0% of average pay of the combined fire and police departments October 1, 2007 and increasing annually to 2.7%, 3.4%, 4.1% and then to an ultimate rate of 4.7% October 1, 2011. If the state law is amended in 2007 to include the reductions in benefits and increases in contributions described above, then the actuarial condition of the Fund would be significantly improved.

Further contingent changes (additional increases in contributions and additional reductions in benefits) are expected to be necessary to achieve the financing objective of paying for the normal cost of benefits and amortizing the UAAL in 30 years. These changes would begin to become effective after ten years in 2017 if the amortization period is still above 30 years according to the potential legislation. At that time both the city and the fire/police contribution rates would be increased by up to 10% each year until the Fund has an amortization period of 30 years or less. In addition, there would be benefit reductions resulting from companion increases of up to 10% each year in the maximum deductibles and in the maximum out-of-pocket payments.

During the 10-year period 2007-2017 the Board and the Board's actuaries will monitor how the actual experience compares to the actuarially assumed experience, and the Board will consider making further reductions in benefits that are necessary to achieve the objective of having a 30-year amortization period. However, if this objective is not achieved by the actuarial valuation as of October 1, 2016, then the package of increases in contributions of up to 10% annually and reductions in benefits would go into effect beginning October 1, 2017 for the contribution rates and January 1, 2018 for the benefits and would

continue as long as necessary until meeting the 30-year amortization period objective would require no further increases in contributions and reductions in benefits. In making annual actuarial valuations the actuary will determine the expected contingent future increases that are required prospectively to have a 30-year amortization period based on the then current actuarial condition of the Fund.

Effect of Potential Changes

The benefit reductions are shown in Exhibit 1A, along with the resulting hypothetical contribution rate beginning October 1, 2006 required to pay the normal cost of reduced benefits and to amortize the reduced UAAL in 30 years. We based our analysis on a 30-year amortization period in order to be consistent with the required contribution rate shown in the actuarial valuation and with the maximum amortization period allowed by GASB Statements 43 and 45.

The reduced actuarially required contribution rate resulting from the benefit reductions and contribution increases for certain retirees is 16.31%, which is more than the ultimate increased contribution rate of 14.1% (9.4% by the city and 4.7% by the fire/police) included as part of the proposed legislation. We assumed the city rate of 9.4% would begin October 1, 2007 and that the fire/police rate would begin at 2.0% effective October 1, 2007 and would increase annually to 2.7%, 3.4%, 4.1%, and 4.7% effective October 1, 2008, 2009, 2010, and 2011, respectively. We have determined that the package of additional contribution rate increases necessary to have an amortization period of 30 years will be 10% after 10 years on October 1, 2017, 10% after 11 years on October 11, 2018, and 1.2% after 12 years on October 1, 2019. This schedule of required contribution rates and increased contribution rates after 10 years required for an amortization period of 30 years as of October 1, 2006 is shown in Exhibit 1B.

Resolution Adopted by Board of Trustees on February 20, 2007

Mr. Burney requested Board consideration of the following Board resolution:

“If legislative amendments are approved by the Legislature and signed by the Governor, the Board of the Health Fund will be vested with the authority to design a retiree health care benefit plan that addresses the needs of retirees while recognizing the fiscal target of amortizing the unfunded actuarial liability of the Health Fund to under thirty (30) years. The Board is committed to drafting a new Schedule of Benefits and Plan that considers all options for achieving these goals of retiree health care and fiscal responsibility, starting with the current benefits provided under the collective bargaining agreements as modified by such legislation. All plan design changes and options will be considered, including, but not limited to, those options priced in recent actuarial studies by the Health Fund such as in-network incentives and out-of-network penalties, wellness plans, and prescription drug programs. The Board will solicit assistance from outside sources to prepare such plan, including engaging professionals to assist in drafting a plan and encouraging the active participation of all affected parties, including retirees, COSA, and unions.”

“The final plan will be adopted by the Board prior to the beginning of the calendar year 2008 to provide adequate notice to members of its content. The final decision as to plan design and content is within the Board’s discretion.”

Upon motion by Trustee Martinez and second by Trustee Clancy, the resolution unanimously passed.
