### **ARTICLE 30 Health Benefits**

#### **Section 1. Police Active Health Benefits Working Group.**

The City and the Associations further agree to establish a health benefits working group. The City will provide access to claims information of a statistical and financial nature (consistent with medical privacy laws), third party vendor contracts, and other information necessary to perform its function. The Working Group shall be afforded training opportunities which shall be paid for respectively by each representing organization (Association or City).

The working group will have the following responsibilities:

1. Review City's uniformed health benefit plan, usage trends and cost trends.
2. The City will provide and review with the Association the claims, cost/experience reporting forms which are currently being provided to the Association's Health Benefit Consultant.
3. Identify Master Contract Document language clarification issues for discussion in the next round of negotiations.
4. Participate in future Requests for Proposals for vendors as to benefits products and services, by providing input, evaluation and suggestions to the City officials designated by the City Manager to carry out the selection and administration process.
5. Conduct or purchase a health benefits survey of other public entities for comparison with City's plan and design and experience.
6. Create an educational forum to inform Officers of the costs associated with health benefits and the increasing need to address increasing costs.
7. Provide the City and the Associations with suggestions regarding possible cost-saving initiatives to incorporate into future benefits programs.

#### **Section 2. Active Police Officer Health Benefits**

A. The City shall provide all active Police Officers who are eligible with family medical benefits as agreed upon herein. The minimum benefits provided are those as stated in the Master Contract Document for the City of San Antonio, San Antonio Professional Firefighters

Association and San Antonio Police Officer's Association Bargaining Unit (hereinafter referred to as "Master Contract Document") which is attached and incorporated herein as Attachment 6. Provisions and benefits specified in the Master Contract Document shall not be reduced during the life of this Agreement; however, the City reserves the right to change carriers or plan administrators at any time at its discretion. While the City is prohibited from reducing the provisions and benefits specified in the Master Contract Document during the life of this Agreement, a determination of what medical service is medically necessary for a particular patient or any reduction in the usual and customary charge for that medical service, will not be construed as a reduction in benefits; provided that the determination is made in accordance with the procedures and criteria described in the Master Contract Document.

B. Active Police Officers covered under this Agreement shall be granted the option of entering into or exiting from the civilian benefits program as provided for by the City to substitute for the basic program as outlined in this Agreement. Said option must be exercised by the active Police Officer during the re-enrollment period between the dates of October 1, and December 31, of each calendar year.

### **Section 3.**

This agreement, and the Master Contract Document for health benefits adopted herein, shall control the available health benefits during the term of this agreement, for active Police Officers.

### **Section 4.**

Health care benefits for active Police Officers shall not be terminated, altered, modified or reduced during the term of the Agreement, except by amendments or successors to this Agreement.

### **Section 5.**

It is understood and agreed that the provisions of this agreement and the Master Contract Document for health benefits have been drafted in substantial and material reliance upon existing provisions of federal and state law concerning employee health benefits.
