ARTICLE VI - NO STRIKE CLAUSE

The Association shall not cause, counsel, or permit its members to strike, slow down, disrupt, impede or otherwise impede or otherwise impair the normal functions of the Department; nor to refuse to cross any picket line by whomsoever established, where such refusal would interfere with or impede the performance of the employee's duties as an employee of the City. The City shall not lock out any employee.

ARTICLE VII - MANAGEMENT RIGHTS

A. Subject to the terms of this agreement, the Association recognizes the management of the City of San Antonio and the direction of the Police Department are vested exclusively in the City, and nothing in this agreement is intended to circumscribe or modify the existing right of the City to operate and manage its affairs in all respects. The Association recognizes the City statutory and Charter rights to:

   acting through the City Manager and the Police Chief, shall retain all
   rights and authority to which by law it is its responsibility to enforce.

ARTICLE VIII - MAINTENANCE OF STANDARDS

All standards, privileges, and working conditions enjoyed by the City of San
Antonio Police Officers at the present time, which are not included in this
agreement, shall remain unchanged for the duration of the agreement.

ARTICLE IX - LABOR RELATIONS COMMITTEE

The City and the Association, having recognized that cooperation between manage-
ment and employees is indispensable to the accomplishment of sound and harmonious
labor relations, shall jointly maintain and support a Labor Relations Committee.
The Labor Relations Committee shall discuss the working conditions of employees,
including, but not necessarily limited to, safety and specifications for equipment,
discipline, departmental policies and procedures, and other areas of common
employee interest. The Committee shall recommend to the Police Chief changes
in any of these working conditions where necessary, and the Chief shall communicate
his decision to the Committee in writing. Matters subject to the grievance pro-
cedure shall not be appropriate items for consideration by the Committee. The
Labor Relations Committee shall consist of four (4) members who shall serve for
the term of this agreement. The Association shall designate two (2) members, and
the Police Chief shall designate two (2) members. Vacancies shall be filled by
the appointing party for the balance of the term to be served. The Labor Relations
Committee shall meet once per month at a time mutually agreeable to both parties
and at such other times as mutually agreeable to both parties. The Chairmanship
of the Committee shall rotate monthly; and, there shall be a written agenda of
matters to be discussed. The Committee shall make its recommendations in writing
to the Chief of Police with a copy to the City Manager. No matter within the
jurisdiction of the Committee shall be discussed by the Association at a higher
administrative level until it has been discussed by the Committee.

ARTICLE X - MAINTENANCE OF POLICE VEHICLES

The City shall insure that all Police vehicles assigned to Police Officers are in
a safe condition and shall maintain a preventive maintenance program for Police
vehicles. The Chief shall assign a supervisor to the vehicle maintenance shop for the purpose of inspecting the safety of Police vehicles. If, in the discretion of an employee, an assigned vehicle is not in safe condition said employee shall notify the supervisor assigned to the vehicle maintenance shop that the vehicle is not in a safe condition. The supervisor assigned to the vehicle maintenance shop shall make the decision as to the safety of the Police vehicle. In the event that the supervisor assigned to the vehicle maintenance shop deems the Police vehicle to be in safe condition, and the employee disagrees with the supervisor's decision, said employee may protest the supervisor's decision in writing. The supervisor assigned to the vehicle maintenance shop shall acknowledge the employee's protest in writing.

ARTICLE XI - PROMOTIONS

An employee taking a promotional examination shall only be placed on a promotional eligibility list when said employee scores a minimum of seventy percent (70%) on the written examination. The City shall announce all reading materials to be covered in any written promotional examination no more than eighty (80) days and no less than sixty (60) days prior to said examination. Methods of breaking tie scores on promotional examinations shall be in accordance with rules established by the Fire and Police Civil Service Commission, except that rules in effect at the beginning of the contract year shall remain in effect for the duration of the contract. Vacancies to be filled by promotion and for which there is an eligibility list shall be filled within fifty (50) days of the occurrence of the vacancy.

ARTICLE XII - SENIORITY

A. Seniority shall be defined as the length of service by an employee within his or her civil service classification. All other factors being equal, seniority is the determining factor in the assignment of relief days and vacation days and operates within a platoon or bureau.

B. When an Officer transfers from one platoon or bureau to another, there shall be no bumping of a less senior Officer out of relief days or vacation days to which the less senior Officer has been assigned. However, when prime relief days become open, the incoming Officer may, after serving in the platoon or bureau for six (6) months, then exercise his/her seniority in bidding for the prime time. Vacation shall be handled in the same manner in that no Officer shall be denied vacation already scheduled; but during the next round of vacation assignments, the senior Officer chooses before the junior Officer. In the event of a simultaneous transfer, i.e., one Officer is moved out at the
same time another Officer is moved in, the incoming Officer is not entitled to assume the relief days and vacation days of the outgoing Officer even though his seniority is greater than other officers in the platoon or bureau; otherwise the incoming Officer is placed in his respective position as to date of rank and bids with others as the next days and dates become available.

C. "All other factors being equal" is intended to relate to the total performance of an Officer. In the event an Officer is denied prime time because of unequal factors, it shall not be for an isolated instance of poor or substandard performance, but it may come about because of a consistent pattern of overall substandard performance.

D. Time spent in the Armed Forces on military leave of absence and other authorized leaves and time lost because of duty connected disability shall be included in length of service. Seniority shall be lost upon resignation, retirement, or discharge of an employee.

E. Seniority shall be a factor in promotions and layoff or recall consistent with State law and City ordinances and regulations. In the event of a tie in the seniority of two or more Officers, the Officer placing highest on the hiring or promotion list shall be the senior.

**ARTICLE XIII - HOURS OF WORK**

Employees who are not subject to shift work shall work eight consecutive hours except for interruptions for lunch periods. The work day shall conform to those hours set by the City Manager for the other City employees who work regular non-shift work. The hours presently prescribed are from 7:45 A.M. to 4:30 P.M. with forty-five minutes for lunch. The work schedule shall be an average forty-hour work week. All employees who are required to work shifts shall report for roll-call fifteen minutes prior to the beginning of the shift. The shift shall consist of eight consecutive hours within which time shall be included a thirty (30) minute lunch break. Five (5) full shifts constitutes a work week.

City policy has for some time permitted two fifteen (15) minute coffee and/or rest breaks per day when they can be taken without a serious interference with the work at hand. Such breaks are normally taken mid-morning and mid-afternoon for employees working non-shift, and for shift workers at a comparable time during the shift.

This policy shall continue to apply to the Police Force, however, the missing of any coffee and/or rest breaks because of the press of business shall not be grounds for overtime payment or for a grievance.
ARTICLE XIV - OFF-DUTY EMPLOYMENT

The existing policies for off-duty employment shall prevail.

ARTICLE XV - GRIEVANCE PROCEDURE

The City and the Association agree that disputes involving the interpretation, application or enforcement of a specific clause of this Collective Bargaining Agreement shall constitute a grievance under this procedure. (Disciplinary appeals are covered under another article of the agreement.) The City and the Association shall bear the expense of the arbitrator equally. The City shall bear the expense of any witnesses called by the City, and the Association shall bear the expense of any witnesses called by the Association. The City and the Association shall share equally any other expenses incidental to an arbitration case. Grievances as defined above shall be settled in the following manner:

Step 1 - Any employee having a complaint which is felt to be an abridgment of this contract, or to conditions or relationships prohibited by the contract, first will verbally discuss the problem with his immediate supervisor. This discussion must be within ten (10) working days of the Officer's actual or constructive knowledge of the occurrence or the event causing the problem. The supervisor is required to render a decision within three working days.

Step 2 - If the grievance is not resolved at Step 1, it shall be presented in writing to an intermediate supervisor. The intermediate supervisor is required to render a decision in writing within five (5) working days. Supervisors at all steps thereafter shall render a decision in writing. The employee shall have at this step, and every step thereafter, the right of representation by an Association representative.

Step 3 - If the grievance is not resolved at Step 2, it shall be presented to the Division Head in writing. If within five (5) working days the grievance has not been settled, it shall be submitted to Step 4.

Step 4 - If the grievance is not resolved at Step 3, the Association shall determine if a grievance exists. Said determination shall be made by an association grievance committee. The Chief shall appoint one (1) voting member to the committee.
and may appoint two (2) more non-voting members to the committee.

Step 5 - If a grievance does exist, it shall be presented in writing to the Chief for adjustment.

Step 6 - If the grievance has not been settled at Step 5, it shall be presented in writing to the City Manager.

Step 7 - If within five (5) business days the grievance has not been settled by the City Manager, it shall at the request of either party then be submitted to arbitration for adjustment. Since the City may also grieve against the Association, any grievance by the City against the Association will be filed directly with the President of the Association; and, if not settled within five (5) business days may be submitted to arbitration for adjustment.

Arbitration arising out of this agreement shall be handled according to the following procedure:

Within five (5) working days the City and the Association shall mutually agree upon an arbitrator. If they fail to agree, a list of seven (7) qualified neutrals shall be requested from the American Arbitration Association (AAA). Within five (5) working days after receipt of the list, the City and the Association shall alternately strike the names on the list, and the remaining name shall be the arbitrator. The Expedited Labor Arbitration Rules attached to this agreement as Attachment 1, and incorporated herein, shall apply whenever a grievance under this grievance procedure is submitted to arbitration. The arbitrator’s award is final and binding, except that the arbitrator shall not have the power to add to, modify, amend or delete any terms or provisions of this agreement.

ARTICLE XVI - WAGES

Wages shall be paid in accordance with the schedule outlined in Attachment 1, and incorporated herein.
ARTICLE XVII - DEATH IN FAMILY LEAVE

In the event of a death in the immediate family of an employee, the employee shall be granted three (3) working days off with pay. The immediate family shall be defined as the employee's mother, father, husband, wife, child, brother, sister, or other members of the immediate household. The mother-in-law and father-in-law of the employee are included.

ARTICLE XVIII - COURT AND CALL BACK PAY

A. Off-duty court time and call back shall be paid at the rate of time and one-half with a three (3) hour minimum; paid at double time with a three hour minimum on vacation days. This provision applies to the following courts only:

1. Bexar County District Court
2. Bexar County Courts-At-Law
3. Bexar County Grand Jury
4. Justice of the Peace Courts
5. San Antonio Municipal Courts
6. Civil Service Commission Hearing (when Officer is subpoenaed by the City)

B. It is understood that the Chief is responsible to deliver subpoenas issued by Bexar County and District Courts at an appropriate time to insure that Officers are in court only when their presence is required. To accomplish the above, the Chief may place Officers on a stand-by not to exceed one (1) hour. The time is set at 10:00 A.M. to 11:00 A.M. Officers placed on stand-by shall be compensated as follows:

1. Stand-by, off-duty on regular work day or relief day is one hour compensation at time and one-half.
2. Stand-by, off-duty on vacation day is double time.

C. It is understood that the City of San Antonio is planning to initiate an arraignment court, docket court or some similar system which will result in Officers having to appear in Municipal Court only when an actual hearing is scheduled. If for some unforeseen reason the arraignment court is not activated, the Chief shall arrange court schedules to accomplish the most efficient utilization of both the Officer's and the court's time.
D. When an Officer, on off-duty status, is required to be on stand-by for several
days in succession on the same subpoena, compensation may be claimed for each
successive day on stand-by at the applicable rate.

E. Employees who are subpoenaed to testify outside the City of San Antonio are
compensated by the State. If such State compensation is unduly delayed the
Police Department shall advance the payment to the employee and shall recover
the sum of the payment when it is forthcoming from the State. Should the day
of court time occur on a day off, the employee shall be given a day of
compensatory time in lieu thereof.

ARTICLE XIX - CLOTHING ALLOWANCE

Each Officer shall receive a clothing allowance of $200 per year payable quarterly
at $50 per quarter on or before:

October 31, 1979
January 31, 1980
April 30, 1980
July 31, 1980

In addition to the above, each new Officer shall receive an initial clothing
allowance of $245.

ARTICLE XX - HOLIDAYS

A. In the event an employee works on Christmas Eve Day, Christmas Day, or Thanks-
giving Day, said employee shall be compensated at double time and one-half
allocated as follows: 1) One Day's Pay at Straight Time; 2) One Day Off to be
Taken as Compensatory Time; C) Four Hours to be Paid in Compensatory Time or
Cash at the Discretion of the Chief at the Straight Time Rate. Employees who
work on Easter Sunday will be compensated four (4) hours of compensatory time.

B. No Officer covered by this contract shall lose any holidays, vacation, or
compensatory time he or she accumulated during the duration of this contract,
unless, after given written notice to take the compensatory time within a
specified thirty (30) day period, the Officer fails to do so.

ARTICLE XXI - VACATIONS

The City shall provide employee vacation days on the basis of the following schedule:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Vacation Days</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 - 15</td>
<td>15 Working Days</td>
</tr>
<tr>
<td>15 and Over</td>
<td>20 Working Days</td>
</tr>
</tbody>
</table>

-12-
anniversary date thereafter, he or she will be credited (on a lump sum basis) with five (5) additional days of vacation time. Service shall be determined in accordance with existing policies.

ARTICLE XXII - OTHER LEAVE POLICIES

All other leave policies in effect at the beginning of the contract year shall remain in effect for the duration of the contract. The compensatory time policy outlined in the Chief's memorandum of October 15, 1976, shall remain unchanged during the life of this contract.

ARTICLE XXIII - LENGTH OF SERVICE

A. The purpose of this Article is to permit evaluation of the performance of an employee with thirty or more years of service. It is the intent of this Article to allow employees with thirty or more years of service to continue said service where they have in the past, and do presently satisfy the standards of employment established by the Police Department.

B. The length of service for all employees shall be set at thirty (30) years. "Years" shall be defined as that time in the Police Pension Plan.

C. The Chief shall, after an employee's thirtieth year of service, review said employee's performance, and may continue the employee's service for a period of not less than one year.

D. In the event that the Chief is not satisfied with the performance of an employee under this Article, the Chief shall appoint a Review Board composed of sworn Police Officers to evaluate the employee's performance and recommend retention or non-retention. The Review Board shall take the following criteria into consideration:

1. Quality of Work History
2. Degree of Responsibility
3. Past Contributions
4. Record of Achievements
5. Presence or Absence of Past Disciplinary Actions

E. In the event that the Review Board recommends the employee not be retained, the employee may file a grievance under the grievance procedure in this agreement. If the grievance proceeds to Step 6, the arbitrator shall decide whether or not the Review Board properly applied the criteria in Section D above.
ARTICLE IV - PROBATIONARY PERIOD

A. There shall be a six (6) month probationary period for all civil service promotional ranks. During the promotional probationary period, an employee may be demoted by the Chief to the rank from which he was promoted on the basis of the employee's inefficiency, incompetency, or inability to supervise.

B. In the event that an employee is demoted under Section A above, said employee may file a grievance pursuant to the grievance procedure in this agreement. If the grievance proceeds to Step 6 of the grievance procedure, the employee shall only raise to the arbitrator the issue of whether or not the employee was demoted for some reason other than inefficiency, incompetency, or inability to supervise. The burden of proof shall be on the employee to demonstrate that the demotion was for some reason other than incompetency, or inability to supervise. In the event that the arbitrator rules that the demotion was for some reason other than incompetency, inefficiency, or inability to supervise, the arbitrator shall rescind the demotion and restore the employee to the promotional rank from which the employee was demoted.

C. Upon demotion while holding a probationary promotion, an employee shall resume the competitive rank from which appointed and the salary shall be in accordance with said competitive rank with service time credited as continuous time in that competitive rank and with all salary increases to which the employee would have been automatically entitled had the employee continuously remained in said competitive rank.

D. Prior to becoming a Police Officer (probationary), Class 601, an employee is a Police Cadet (civilian) and is not in the bargaining unit. Upon completing the requirements of Police Cadet, the employee becomes a Police Officer (probationary) and shall serve a thirty (30) weeks probationary period. Upon successful completion of the probationary period the Officer becomes a Police Officer, Class 600, Step A and shall be entitled to all benefits and emoluments of that class. The Police Officer shall serve one year at Step A and then be moved to Step B of the pay schedule. Upon completion of five (5) years of commissioned service the Police Officer is moved to Step C of the pay schedule. The provisions of this, paragraph D Article XXIV, as it pertains to the Police Officers (probationary) shall apply only to those employees who become probationary Police Officers after August 1, 1980.

ARTICLE XXV - DISCIPLINARY ACTIV

A. The Chief shall have authority to demote, temporarily suspend not to exceed thirty calendar days, or indefinitely suspend any employee for the causes set forth in the Rules and Regulations of the Civil Service Commission for Firemen
and Policemen of the City. The employee may appeal such actions as provided therein.

B. Prior to any such disciplinary action, the employee shall be given notice of contemplated disciplinary action, stating the action or actions contemplated and the reasons therefor, and notifying the employee that he may rebut the charges to the Chief, either orally or in writing, within a reasonable time.

C. After the notice and opportunity for rebuttal provided in the preceding paragraph, the Chief may demote, suspend or indefinitely suspend an employee by personal service on the employee of a written statement of charges. If the Chief should be unable to secure personal service after due diligence, service may be made by placing it in the mail addressed to the employee's last known address along with delivery of the statement to the Association, and proof of such service shall be sufficient to support any disciplinary action.

A copy of such statement shall be promptly filed with the Personnel Director of the City.

The written statement shall point out the particular rule or rules alleged to have been violated by the employee and the specific act or acts alleged to be in violation. Said statement shall inform the employee that he has ten (10) days after receipt thereof to file a written appeal with the Personnel Director. If alternate service is had as provided herein, the employee shall have ten (10) days from service upon the Association.

Appeal from demotion, suspension or indefinite suspension shall be decided either by one arbitrator, selected according to this contract or by the Firemen's and Policemen's Civil Service Commission, at the option of the Officer.

D. Upon receiving an appeal from an employee, the Personnel Director shall act immediately to notify the Association, the Chief and the City Manager of the appeal. If the appeal is for arbitration, the employee and the Chief (the parties) shall attempt to mutually agree on an arbitrator. If the parties fail to agree on an arbitrator within ten days after the appeal is filed, the Director shall immediately request a list of seven (7) qualified neutrals from the American Arbitration Association. The Parties may mutually agree on one of the seven neutrals. If they do not so agree, the Parties shall alternately strike the names on the list within five working days after receipt of the list, and the remaining name shall be the arbitrator. All
parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be immediately notified of his selection.

E. The hearing shall be commenced, but need not be completed, within thirty days of the arbitrator’s selection. Delay in commencement of the hearing within thirty days may occur due to unavoidable conflicts with the arbitrator’s schedule, or by mutual agreement of parties and for no other reason. If the arbitrator selected cannot commence the hearing within sixty days from his selection, and if the parties cannot agree upon a substitute within one day of so learning, another arbitrator shall be selected from a new list of seven names immediately requested from the American Arbitration Association, according to the procedure set out herein. The hearing shall be scheduled so that it can be completed without break, in consecutive calendar days (excluding weekends and holidays). The arbitrator shall make an award within thirty days of the close of evidence in standard arbitration hearings, and within five days of the close of evidence in expedited arbitration hearings. Post hearing briefs shall only be permitted in standard arbitration hearings, and must be mailed to the arbitrator within seven days of the close of evidence at the hearing.

A stenographic transcription of the proceedings shall be made only upon written agreement of the parties prior to the commencement of the hearing. Should there be no agreement, the party desiring the transcript may have the transcript made at its sole expense.

The award of the arbitrator shall state which particular factual charges he finds to be true, if any, and the particular rules he finds such conduct to have violated, if any. Where the charges are upheld, the award shall state whether the discipline imposed is upheld, or whether some lesser discipline is substituted.

F. The following rules shall govern the conduct of arbitration hearings under this section, and of certain preliminary matters:

1. Upon request of either party addressed to the opposing party at least 2 days prior to the date of hearing, the parties shall exchange the names of witnesses expected to be called at the hearing. In the absence of good or excusable cause the arbitrator may exclude the testimony of a witness upon the failure of a party to disclose such a witness, the arbitrator may exclude the testimony.

(3) In all hearings under this section, the City shall prove its case by a preponderance of the evidence.

(4) The parties, in writing, may request discovery from each other concerning the case. Should the other party not agree to provide the requested information within three days of the request, the request shall be deemed denied. The requesting party may then apply to the arbitrator, who shall order such discovery as is appropriate to the nature of the case, subject to rules of discovery in Texas civil cases. In considering the application, the arbitrator shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the hearing, and such other matters as he may deem material. In no event shall discovery be permitted to delay the hearing, and in no event shall discovery be requested within the three days prior to the hearing.

(5) All hearings shall be public unless it is expressly agreed in writing by the parties that the hearing shall be closed to the public. In any event, the final decision of the arbitrator shall be public, although public announcement may be reasonably delayed upon request of the parties.

(6) Unless otherwise provided in this contract, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

G. The arbitrator shall have all powers vested in the Commission under Article 1269m, V.A.C.S., and the Commission Rules, with respect to suspensions, terminations, and demotions, except the power to amend such rules.

H. Any notice or statement required to be filed by the Chief of Police or the employee in a disciplinary proceeding under Article 1269m, under Commission Rules, or under this contract, shall be filed with the Director of Personnel of the City.

I. Hearings conducted by the Firemen's and Policemen's Civil Service Commission shall be in accordance with Article 1269m, V.A.C.S.
J. With respect to indefinite suspensions, temporary suspensions, and demotions, the employee shall have such right to appeal the arbitrator's decision to district court as he is given in Article 1269m to appeal the Commission's decision, and no greater right.

K. Unless otherwise provided in this contract, in cases of conflict, the provisions of this contract will control over Article 1269m, Civil Service Commission Rules, and American Arbitration Association Rules; and Article 1269m and Civil Service Rules promulgated pursuant to it shall control over American Arbitration Association rules.

L. A probationary employee may be discharged at the discretion of the Chief, without appeal to arbitration, to the Commission, or to any court, at any time during the thirty (30) weeks probationary period.

M. Notwithstanding any other provision of this contract, the Chief shall have authority to temporarily suspend an employee for period of not less than 30 nor more than 90 working days, where the employee agrees to the suspension in writing. The employee shall have no right to appeal such agreed suspension, and no administrative or judicial body shall have power to review such a suspension or alter the terms of the agreement.

   threatened with transfer, dismissal or other disciplinary punishment. No
   promise of reward shall be made as an inducement to answering questions.

   from informing the employee that his conduct can become the subject to dis-
   ciplinary action resulting in disciplinary punishment.

G. In all cases where an employee is to be interviewed concerning an alleged act
   which, if proven, may result in his dismissal from the service, he shall be
   afforded a reasonable opportunity and facilities to contact and consult

ARTICLE XXXI - CLOSING STATEMENTS

Section 1 - Stability of Agreement

No agreement, understanding, alteration or variation of the agreement, terms or provisions herein contained shall bind the parties unless made and executed in writing by the parties hereto. The failure of the City or the employees to insist in any one or more instance, upon performance of any of the terms or conditions of this agreement shall not be considered as a waiver or relinquishment of the right of the City or the employees to future performance of any such term or condition, and the obligations of the City and the employees to such future performance shall continue in full force and effect.

Section 2 - Civil Service

In the event that any provision of this agreement conflicts or is inconsistent with any provision of Article 1269m, Revised Civil Statutes of Texas, this agreement shall prevail notwithstanding any such provision of Article 1269m.

The parties agree that each has had full and unrestricted right and opportunity to make, advance and discuss all matters properly within the province of collective bargaining. The above and foregoing agreement constitutes the full and complete agreement of the parties and there are no others, oral or written, except as herein contained. Each party for the term of this agreement specifically waives the right to demand or petition for changes herein, whether or not the subjects were known to the parties at the time of execution hereof as proper subjects for collective bargaining. It is additionally agreed that except as specifically modified by this
agreement, benefits and emoluments provided Police Officers by State legislation shall remain in effect throughout the term of the agreement, notwithstanding the fact that during the life of the contract legislation may become effective which would negate certain benefits or emoluments. ATTACHMENT NO. 3

AN ORDINANCE

ESTABLISHING A BINDING IMPASSE PROCEDURE IN THE EVENT AN IMPASSE IS REACHED DURING THE COLLECTIVE BARGAINING PROCESS WITH THE SAN ANTONIO POLICE OFFICERS' ASSOCIATION OR WITH THE INTERNATIONAL ASSOCIATION OF FIREFIGHTERS, LOCAL 624; ESTABLISHING THE CONDITIONS UNDER WHICH THE IMPASSE PROCEDURE WILL BECOME INVALID AND VOID; REITERATING THE CITY'S AUTHORITY AND INTENTION TO DISCIPLINE ANY FIREFIGHTER OR POLICE OFFICER ENGAGING IN A STRIKE; AND PROVIDING FOR THE TERMINATION OF THE ORDINANCE IN MARCH OF 1981.

WHEREAS, the courts of the State of Texas have found to be unconstitutional a portion of the impasse procedure contained in the Fire and Police Employee Relations Act; and

WHEREAS, the findings of the courts leave the City and the Fire and Police Associations without an acceptable impasse procedure in the event contract talks reach impasse; and

WHEREAS, the City intends to bargain in good faith with its Firefighters and Police Officers, while insuring that Firefighters and Police Officers are discouraged from engaging in any kind of strike or job action; and

WHEREAS, the City intends for this ordinance to be effective only long enough for the parties to bargain an impasse procedure and establish it by contract; now therefore:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. (Normal bargaining) The City shall engage in collective bargaining in accordance with the provisions of the Firemen's and Policemen's Employee Relations Act, and shall use the services of a mediator when appropriate.

SECTION 2. (Factfinding to be used) In the event of an impasse, a factfinding panel shall ascertain the facts and make recommendations.

SECTION 3. (Composition of the factfinding panel) Factfinding shall be accomplished by a factfinding panel of three (3) members. One (1) member shall be appointed by the Association, one (1) by the City, and the third (neutral) shall be as agreed upon or, if unable to reach agreement, selected through the American Arbitration Association procedure. The cost of the neutral shall be shared equally. The Association's member, if paid, shall be paid by the Association, and the City shall pay for the City representative, if any cost is involved.
SECTION 4. (Guidelines governing factfinding)

a. The overall compensation in the current contract including direct salary and fringe benefits;

b. A comparison of wages, hours and conditions of employment of San Antonio Police Officers and Firefighters with the wages, hours, and conditions of employment of other public and private employees in the local labor market area performing similar services and with other employees generally in public and private employment in comparable cities in the State of Texas and the City of San Antonio;

c. The hazards of employment, physical, educational, and mental qualifications, job training and skills required of a San Antonio Police Officer or Firefighter;

d. The cost of living in San Antonio relative to other communities;

e. The rate of increase in the cost of living for the preceding twelve-month period using localized data to the fullest extent feasible;

f. Any current national or state policies or guidelines with respect to compensation, and the extent to which such guidelines are followed in the comparable public and private sectors set forth in Section 4b. above.

SECTION 5. (Action upon recommendations of the factfinding panel) The findings and recommendations of the factfinding panel shall not be made public for seven (7) days. If, within seven (7) days after factfinding, the parties have failed to agree to a contract, the findings and recommendations of the factfinding panel shall be made public. If, within ten (10) days after the recommendations have been made public the parties have not agreed to a contract, the major unresolved issues shall at the request of either party be submitted to a referendum election which shall be binding on the parties.

SECTION 6. (Conduct of the referendum)

a. The election shall be held on the first day permissible under state law.

b. The party rejecting the factfinder's recommendation shall pay 3/4 of the cost of the referendum; the other party 1/4 of the cost.

- Each party shall be entitled to submit two (2) and only two (2) unsettled issues to the voters. The existing contract shall, therefore, be changed only by the outcome of the referendum issues.

d. Certain rights are reserved to City management and are not subject to referendum. They are:

   (1) The right to hire, direct, transfer and assign employees.
   (2) The right to reduce in force or lay off employees because of lack of work or funds. (All reductions shall be in accordance with Civil Service laws)
   (3) The right to determine appropriate staffing levels and work performance standards; along with the quality and quantity of services to be offered to the public; and the means and methods of offering those services.
   (4) The right to discharge for cause.
   (5) The right to use security personnel, which include, but are not limited to such job classifications incorporated with the Classification Manual as Airport Security Guard, Park Ranger, Lifeguard, School Crossing Guard, and Municipal Guard, which require training in law enforcement, safety and security duties, firefighting skills, emergency medical treatment, water safety, and other similar related skills.
   (6) The right to use civilians in the Police Department and the Fire Department to perform duties which do not require a commissioned officer or the power of arrest.
Civil Service laws shall not be subject to referendum.

The City shall not place on the referendum ballot any issue that would reduce any existing direct economic benefit accruing to association members.

Polling places shall be consolidated to the maximum degree feasible in accordance with applicable state and federal laws.

SECTION 7. (The procedure void in case of a strike) Should an Association cause, counsel, or permit its members to strike, slow down, disrupt, impede, or otherwise impair the normal functions of its department; or in any manner encourage members to refuse to cross any picket line by whoever established, where such refusal would interfere with or impede the performance of the employee’s duties as an employee of the City, the City shall render null and void the impasse procedure established by this ordinance by giving written notice to this effect to the president of the Association.

SECTION 8. (Disciplinary action) By this ordinance, the City reaffirms its right and intent to discipline any Firefighter or Police Officer who engages in any action listed in Section 7 above, in addition to whatever other remedies may be available to the City at law or in equity.

SECTION 9. (Time limitation of the ordinance) This ordinance is intended to provide an impasse procedure for the 1980 bargaining year only. It is intended to provide an opportunity for the Firefighter and Police Associations and the City to bargain an impasse procedure and include such a procedure as a permanent provision of the contract. Accordingly, this ordinance shall become invalid and void after March 31, 1981.
