Labor Relations Committee**

**Section 1. Labor Relations Committee.**

The City and the Association, having recognized that cooperation between Management and employees is indispensable to the accomplishment of sound and harmonious labor relations, shall jointly maintain and support a Labor Relations Committee. The Labor Relations Committee shall discuss the working conditions of officers, including, but not necessarily limited to, safety and specifications for equipment, discipline, departmental policies and procedures, and other areas of common officer interest. The Committee shall recommend to the Police Chief changes in any of these working conditions where necessary, and the Chief shall communicate his decision to the Committee in writing. The Committee has no independent authority to bind either party with respect to any individual grievable topic. The Labor Relations Committee shall consist of four (4) members who shall serve for a one-year term. The Association shall designate two (2) members, and the Police Chief shall designate two (2) members. Vacancies shall be filled by the appointing party for the balance of the term to be served. The chairmanship of the Committee shall rotate once every three (3) months, and, there shall be a written agenda of matters to be discussed. Officers desiring items placed on the written agenda shall forward the matter in writing to the Office of the Chief of Police with a copy to the President of the Association. The Committee shall make its recommendations in writing to the Chief with copies to the Association and the City Manager. The Chief shall thereafter respond to the Committee's recommendations in writing within fourteen (14) calendar days from receipt thereof. A copy of the response will be sent to the Association and to the City Manager. An extension of the Chief's response of an additional fourteen (14) calendar days shall be granted by the Committee upon request of the Chief. No matter within the jurisdiction of the Committee shall be discussed by the Association at a higher administrative level until it has been discussed by the Committee.

**Section 2. Labor Relations Subcommittees.**

The Labor Relations Committee may appoint subcommittees as necessary. Such subcommittees shall report to the Labor Relations Committee and the Labor Relations Committee shall make final recommendations in writing to the Chief of Police as outlined above.

**Section 3. Defense of Officials.**

It is understood and agreed that individual city employees serving on the committee are acting in the course and scope of their employment, even though designated by the Association, and as such are entitled to defense and indemnity under the terms of the City's existing risk management, insurance and defense programs, in the event that the recommendations of the committee become the basis of claims or litigation.

**ARTICLE 10  
Safety and Equipment**

**Section 1. General.**

The City shall maintain at all times an adequate quantity of modern, marked and unmarked vehicles, radios, and other essential equipment in sound working condition to ensure a safe work place for each officer and to maximize the Department's prime objectives of crime prevention, suppression, and detection. Such vehicles, radios, and other essential equipment must be replaced during periods of repair. Any unanimous recommendations by the Labor Relations Committee in Article 9, above, for the purchase and use of advanced technological improvements in equipment (e.g., EO-tech electronic site; tire spikes), shall be considered evidence that such improvements contribute to a safe work place for each officer. Any recommendations by the Labor Relations Committee shall take into consideration City budget cycles and priorities.

**Section 2. Preventive Vehicle Maintenance Program.**

The City shall ensure that all police vehicles assigned to the officers are in safe condition and shall maintain a preventive maintenance program for police vehicles. The Chief shall assign a supervisor to the vehicle maintenance shop for the purpose of inspecting the safety of police vehicles. The Chief may assign either a sworn officer or civilian to this position, except that in the event that a civilian is assigned, there shall be no reduction or loss of sworn positions in the Police Department as a result of the assignment of a civilian. If at the discretion of an officer, an assigned vehicle is not in safe condition, said officer shall notify the supervisor assigned to the vehicle maintenance shop that the vehicle is not in a safe condition. The supervisor assigned to the vehicle maintenance shop shall make the decision as to the safety of the police vehicle. In the event that the supervisor assigned to the vehicle maintenance shop deems the police vehicle to be in a safe condition, and the employee disagrees with the supervisor's decision, said officer may protest the supervisor's decision in writing. The supervisor assigned to the vehicle maintenance shop shall acknowledge the officer's protest in writing and forward all copies to the officer's division commander for final disposition.

The Vehicle Maintenance Supervisor shall maintain records on the maintenance of all police vehicles. When a vehicle reaches the 30,000 miles odometer reading, a review of the vehicle's maintenance record will be conducted. If deemed necessary, the Vehicle Maintenance Supervisor may request an exhaustive mechanical evaluation be performed on the vehicle. Any officer may request an exhaustive mechanical evaluation of police vehicle when the vehicle reaches the 30,000-mile mark. This inspection will be accomplished in a timely manner or another vehicle will be provided for the officer.

Effective October 1, 2007, marked vehicles having 65,000 miles on their odometers and assigned to the Uniform Division, must be retired from the Uniform Division fleet. An officer will not be required to operate a marked vehicle assigned to the Uniform Division having 65,000 miles or more on its odometer. Additionally, an officer will not be subject to disciplinary action for refusing to comply with an order to drive marked vehicles in the Uniform Division which had 65,000 miles or more on its odometer. Prior to 65,000 miles a vehicle may be retired from the Uniform Division fleet if considered unsafe by the head of the vehicle maintenance unit or a division commander. No officers in the Uniform Division may be ordered to drive a patrol vehicle, which has in excess of 65,000 miles. Any vehicle retired from use in the Uniform Division pursuant to this agreement may be used by the Department in other divisions, provided that the vehicles are sound and safe to operate.

Effective October 1, 2008, marked vehicles having 70,000 miles on their odometers and assigned to the Uniform Division, must be retired from the Uniform Division fleet. An officer will not be required to operate a marked vehicle assigned to the Uniform Division having 70,000 miles or more on its odometer. Additionally, an officer will not be subject to disciplinary action for refusing to comply with an order to drive marked vehicles in the Uniform Division which had 70,000 miles or more on its odometer. Prior to 70,000 miles a vehicle may be retired from the Uniform Division fleet if considered unsafe by the head of the vehicle maintenance unit or a division commander. No officers in the Uniform Division may be ordered to drive a patrol vehicle, which has in excess of 70,000 miles. Any vehicle retired from use in the Uniform Division pursuant to this agreement may be used by the Department in other divisions, provided that the vehicles are sound and safe to operate.

### **Section 3. Take-Home Cars.**

The City shall provide to officers occupying the rank of Lieutenant or above a City-owned vehicle for the officer's use during his employment on active duty status and for the officer's use in driving to and from home. In lieu of a take-home vehicle, the Department may offer said officer a monthly car allowance of \$300 per month. An eligible officer may initially opt for a City-provided, unmarked vehicle (with less than 10,000 miles on its odometer) or the allowance as previously noted. During the period of June 1 to July 1 of each calendar year, the officer may elect to change from his car or car allowance. If an eligible officer opts for a vehicle, and the same is unavailable, such officer may draw the \$300.00 car allowance until the vehicle is furnished. The use of a City vehicle by an officer may be revoked by the Chief if the individual assigned the vehicle is not insurable per state minimum requirements. Each officer assigned a vehicle shall be required to use the vehicle in a manner consistent with Department policies. Any officer assigned a vehicle shall not be eligible to receive any car allowance, as otherwise provided by the City. The Chief has the sole discretion whether to assign or not assign or to remove a vehicle from any other officer in any rank below Lieutenant. Assignment by the Chief of a vehicle to another officer below the rank of Lieutenant shall not be grounds for filing of a grievance based upon the equal pay standards of Chapter 143 of the Local Government Code or any provision of this Agreement.

### **Section 4. Radios.**

The City shall provide to each employee so requesting, one (1) permanently assigned hand-held police radio. A charger will be issued if necessary. These radios will be replaced in accordance with Department policies and regulations. However, in the event the radio needs to be replaced or repaired due to negligence or intentional abuse on the part of the officer to whom the radio is issued, the officer shall be required to reimburse the City for the costs. The cost of said radio shall be, for purposes of the Section, based upon its actual value at the time of loss. Negligence or intentional abuse and the actual value considering depreciation value of the radio shall be determined by the Labor Relations Committee outlined in Article 9.

**“Permanently issued or assigned radios”** are those issued pursuant to an eligible officer requesting to have one issued to them and does not imply that the officer cannot later turn in their radios.

**“Approved police functions”** shall mean either a City function where the City provides security or an official function sanctioned and approved by the Chief of Police and functions for which a work permit has been issued.

#### **Section 5. Soft Body Armor.**

The City shall provide to all officers the option of selecting soft body armor with a minimum standard of Threat Level III-A or Threat Level II. Such vests shall meet the highest levels of specifications as determined by the Labor Relations Committee outlined in Article 9. Vests shall be provided to all new officers prior to the end of their first week as officers. Vests shall be replaced every five (5) years by making a proper request to the Division Commander, or at any time when obvious damage to the vest requires replacement. However, if it is determined by the Labor Relations Committee outlined in Article 9, that the damage done to the vest was caused by neglect or misuse on the part of the officer, then the officer shall pay the actual value considering replacement costs, depreciation, utility value, and market value of the vest as determined by the Labor Relations Committee at the time of the loss. One free fitting per year will be provided by the City.

#### **Section 6. Ammunition.**

Effective January 1, 2008 in addition to the ammunition provided by the Department for mandatory in-service firearms training, each officer is entitled to one hundred (100) rounds of ammunition per year.

#### **Section 7. Labor Relations Committee as Equipment Advisory Committee.**

A. The Labor Relations Committee as outlined in Article 9, in addition to its other duties, shall serve as the Equipment Advisory Committee. This committee shall meet for the purpose of reviewing specifications, testing, and making recommendations to the Chief as to the purchase of all police-related equipment. For purposes of this Section, police-related equipment includes, but is not limited to, communications equipment, vehicles, vehicle light bars, weapons, specialized or technical investigative equipment, training aids, and computer-related equipment and materials. Police-related equipment does not include chairs, desks, office supplies, maintenance supplies, or other non-specialized equipment or materials purchased on a Citywide basis for all departments.

B. When an officer loses and/or damages equipment assigned for purposes of employment the Labor Relations Committee shall cause to be conducted an investigation surrounding the facts causing the loss or damage. Upon completion of its investigation, the committee will make a determination as to the cause of the loss or damage and to what extent the officer is responsible for such loss and/or damage. The committee shall write a report of its findings which shall be forwarded to the Chief. An officer who disagrees with the findings of the committee may appeal the committee's recommendation to the Chief. The Chief may adopt, in whole or in part, or reject the committee's recommendations. The actions of the Chief in this regard shall not be subject to grievance and arbitration as provided for herein, if the Chief concurs in the recommendation of a majority of the committee or reduces the officer's responsibility for such loss or damage below the recommendation of the majority of the committee.

#### **Section 8. Reimbursement Procedures.**

A. Officers may utilize payroll deductions to reimburse the City for lost or damaged equipment. Payroll deductions must be set at fifty dollars (\$50.00) per payday unless the officer agrees to

higher payments. It shall be the obligation of the officer to coordinate such repayment with the Police Department Accounting Office.

B. Officers desiring to reimburse the City for lost or damaged equipment outside of payroll deductions may do so as long as such mandatory payments are no less than fifty dollars (\$50.00) per pay day. Nothing herein prohibits the officer from agreeing to higher payments. All reimbursements paid outside of payroll deduction are due within five (5) calendar days of the payday.

C. Regardless of the method of payment, all payments must begin not less than the second pay day after the final ruling by the Chief.

D. After all administrative appeals are exhausted, officers failing to reimburse the City or who fail to pay according to the selected pay schedule above shall be deemed insubordinate to the Chief of Police and may be disciplined up to and including termination.

### **Section 9. Standardized Installation of Equipment.**

The City agrees it will standardize the location of all equipment in all marked vehicles whenever possible.

## **ARTICLE 11 Promotions**

### **Section 1. Definitions.**

A. **Seniority** - For purposes of this Section, each police officer shall be given one (1) point on a promotional examination for each year as a classified police officer in the San Antonio Police Department. In no event shall the number of such seniority points exceed ten (10). "Classified police officer" is meant to include service as an initial probationary police officer and probation after promotion. Seniority is defined as all years of service, whether interrupted or uninterrupted, on the San Antonio Police Department, and not merely the last continuous period of service.

B. **Eligibility** - Police promotional examinations shall be open to all police officers who have held a classified position with the San Antonio Police Department for two (2) years or more, immediately below the rank for which the examination is to be held. Promotional examinations to the rank of Detective Investigator shall be open to only those officers within the classification of a Class C or higher patrol officer; no officer shall be permitted to take a promotional examination to the rank of Detective Investigator until being in the classification of a Class C or higher patrol officer.

C. **Seniority in Rank - Time Within a Classified Police Officer Rank.** The officer with the most time in a classified rank shall be considered the senior. Officers promoted on the same day shall be promoted at least one minute apart to establish seniority in rank. Seniority in rank for newly hired police officers shall be determined by their ranking on the eligibility list and effective with their appointment to probationary police officer.

D. **Return From Military Service** - Effective with the signing of this Agreement officers who were serving on active military duty as members of the armed forces and who were eligible promotional candidates according to the rules as set out by USERRA when a department promotional exam was offered, who did not take the exam, may apply within 30-calendar days after notice by the city of their rights and obligations under this subsection upon their return to the Department from active duty, to take the promotional exam given for that rank. The consulting firm who constructs the promotional exam for each applicable rank will as part of the exam create an "A" and "B" exam for each test. Each

test will be similar in construction and material covered. Officers covered by this section will be offered the ability to take the "B" test on their return and after being given the same amount of study time as an officer who took the original "A" exam. If the officer's score would have resulted in a promotion if it had been achieved on the exam(s) missed due to active military service, the officer must be promoted to the next available vacancy in that rank. Seniority in rank and retroactive back pay owed will be established as of the date the officer would have been promoted based on the score made at the time, as if he or she had not been on active military service. This provision is intended to comply with requirements of the federal Uniformed Services Employment and Reemployment Rights Act (USERRA), and to supersede the terms of Section 143.032(b) of the Texas Local Government Code.

## **Section 2. Study Materials.**

A. **Study Materials Committee** - The Chief shall establish a committee for the selection of proposed study materials for each written promotional examination. This committee may vary in number and in composition, but shall be chaired by the Training Academy Commander. This committee may be composed of individuals who are selected from within or outside of the Department, provided that if members from outside the department are selected, they may not consist of more than 50% of the committee. This committee shall meet at appropriate times to review submitted materials. When the need arises to administer a promotional examination for any rank, this committee shall convene and select proposed materials, which are pertinent to the rank for which the promotional examination is being administered. Members of the committee shall rank the material separately and forward their rankings to the Chief. The Chief shall, after reviewing the rankings, make the final decision and forward his decision to the Consulting Company hired by the City to create the test. Study materials for all ranks shall not be the same for any two consecutive years. The exceptions include, the Texas Penal Code, the Code of Criminal Procedures, the General Manual, and the Collective Bargaining Agreement.

B. **Promotional Text Materials** - The City shall limit the promotional material for all ranks to two hundred (200) pages of text except for text taken from the Texas Penal Code, the Code of Criminal Procedures, the General Manual, and the Collective Bargaining Agreement. For purposes of this section, two hundred pages of text shall be defined as text that averages approximately 750 words per page. An officer may not file any grievance or appeal based on the limitations involving pages of text and words. The City shall attempt to obtain the publisher's permission to duplicate and distribute to the candidates the study materials without incurring any fee, cost, penalty or liability to the publishers, and if it does obtain this permission, the City will bear the expense of the printing or reproduction of the study materials for distribution to eligible candidates. However, the City will not be required to perform the aforementioned printing, reproduction, and dissemination of the study materials if the permission of the publishers to do so cannot be obtained at any cost, or penalty, or liability to the publishers. Where the City cannot obtain such permission, the City will make arrangements to ensure that all of these study materials (e.g., textbooks) are available at one or more locations within the city for purchase by the candidates. Candidates who purchase study materials and who score seventy percent (70%) or higher on each of the examinations applicable to the promotion sought will be reimbursed for the price of the study materials.

After the Chief has made his selections, the City Human Resources Department will pick up the study materials. The study materials will be printed and/or reproduced under circumstances, which will promote security. The Human Resources Department will verify the completeness of the packets. No question will be included in the examination unless it derives its source from the study material.

The date and location that the study materials will be made available for candidates to pick up or the location where the study materials may be purchased will be announced in the Daily Bulletin for five (5) consecutive working days. In accordance with this Section, the study materials shall be either announced

as to location for purchase or provided to eligible candidates during a period which is not more than twenty five (25) nor less than fifteen (15) calendar days prior to the examination.

**Section 3. Promotion to Detective Investigator, Sergeant, Lieutenant and Captain.**

A. The City shall engage an outside bonded consultant to prepare written promotional examinations for each rank.

Beginning at least eighty-five (85) calendar days before the administration of the examination, the City will announce in the Daily Bulletin the date of the examination and with the location and dates that any eligible officer may register for the examination. This announcement will run for five (5) consecutive working days. Candidates for the promotional examinations shall register for the examination between eighty (80) and seventy (70) calendar days before the written examination.

All eligible candidates for promotion to a particular rank shall be given the identical examinations applicable to that rank in the presence of each other. The examinations will consist of multiple choice written questions, which shall have predetermined correct answers to enhance the objectivity of the examination.

The preparer of the examination shall deliver the examination sealed and numbered to the Civil Service Director who is charged with the responsibility for the security of all promotional examinations. The examination shall remain sealed until opened in the presence of the participants.

All of the questions asked on the examination must be prepared and composed in a manner that the grading of all examination papers can be completed immediately after the examination is held. All examination papers shall be graded as they are completed, at the place where the examination is given, and in the presence of any candidates who wish to remain during the grading. Examination grading may be performed within fifty (50) feet of any entrance or exit from the examination room in open view of all candidates. A score of seventy percent (70%) (out of a possible 100%) on each examination applicable to the rank to which the officer seeks promotion shall be considered a minimum passing score.

Each eligible promotional candidate shall have the opportunity to examine test source materials and their own graded examination paper and answers within five (5) consecutive working days after the examination. The candidate may see the above material, but may not remove the graded examination paper from the Human Resources Department.

Candidates arriving after the appointed starting time of the examination will not be admitted or allowed to participate in the examination.

All questions formulated by the outside consultant (and their correct answers) shall be derived from the materials selected by the Chief as study materials in accordance with this Section.

Matters relative to the construction of any promotional written examination which are appealable to the Civil Service Commission pursuant to Chapter 143, Local Government Code, shall continue to be appealable and the decision of the Commission shall be final.

B. In addition to meeting the requirements as set forth in Subsection A, promotional examinations for Detective Investigator and Sergeant shall consist of one (1) examination session which shall not exceed either one hundred (100) multiple choice questions or two (2) hours in length.

C. In addition to meeting the requirements as set forth in Subsection A, promotional examinations for Lieutenant and Captain shall consist of an examination session in the morning which shall not exceed one hundred (100) multiple choice questions or two (2) hours in length and an afternoon session on the same day with questions which may be based upon video and/or written scenarios as determined by the outside consultant in consultation with the City. The answers to the questions in the afternoon session shall also be multiple choice with no set number of questions, but the examination shall be limited to two (2) hours. All video presentations, written scenarios and questions shall be validated as job-related. The afternoon session examination shall not be weighted more than thirty percent (30%) of the overall written examination.

#### **Section 4. Requirements After Promotion.**

The following applies to promotional examinations given after January 1, 2001. These requirements do not apply to officers promoted prior to December 31, 2000.

A. Officers promoted to detective investigator, sergeant, lieutenant or captain shall attend a mandatory investigator (detectives), supervisory or management (sergeant, lieutenant and captain) training program designed for that rank of no less than 40-hours nor more than 80-hours prior to or after being promoted. Officers who are promoted to the rank of detective investigator, sergeant, lieutenant, or captain and who have not attended the mandatory training program shall be required to attend the required training within sixty (60) calendar days of promotion.

B. Officers promoted to detective investigator, sergeant, lieutenant or captain shall be assigned to one or more officers of equal rank for on-the-job field training for a period of no less than one (1) calendar month during their probationary period. Officers promoted to the rank of captain shall be required to complete their on-the-job field training, assigned to and physically working with a captain assigned to the patrol division at a police substation.

C. Within forty-eight (48) months after being promoted, officers promoted to lieutenant shall be required as a condition of maintaining the rank to complete with a passing grade at least sixty (60) hours of college credits or achieve an Associate's degree from an accredited college or university. Officers who have already satisfied this requirement shall present proof to the Chief of Police. Officers who fail to complete this requirement within the specified time period shall be demoted to their previous rank and seniority.

D. Within sixty (60) months after being promoted, officers promoted to captain shall be required as a condition of maintaining the rank to obtain a Bachelor's Degree from an accredited college or university. Officers who have already satisfied this requirement shall present proof of completion to the Chief of Police. Officers who fail to complete this requirement within the specified time period shall be demoted to their previous rank and seniority.

E. If the officer fails to complete the mandatory college requirements within the prescribed time period after promotion, the officer will be allowed to appeal the demotion only if exigent circumstances or an emergency situation occurred which would have prevented the officer from completing the requirements.

F. If an officer is promoted to the next higher rank before completing the educational requirements for his previous rank, the time requirements remain in effect for completion of the appropriate educational requirements for that previous rank. For example, an officer is promoted to Lieutenant on January 1, 2001 and has forty-eight months to complete sixty (60) hours of college credits or achieve an Associate's degree. The officer is promoted to Captain on January 2, 2004 without

achieving the college hours or the degree. The officer will have until December 31, 2004 to obtain sixty (60) hours of college credit or an Associate degree.

#### **Section 5. Appointment to Commander.**

The Chief shall be entitled to create seven (7) Commander positions only when actual staffing in the department reaches 2,194. This shall be above the rank of Captain and below the rank of Deputy Chief, and shall be an appointed position. Higher ranking officers may be demoted to Commander but if removed, entitled to return to their last tested rank. Only Captains shall be eligible for appointment and serve at the discretion of the Chief of Police. After the initial appointment to each of the seven Commanders positions, a minimum of one year time in rank shall be required for eligibility for such appointment. Appointment shall be at the sole discretion of the Chief. As vacancies occur in the rank of Commander, the Chief of Police shall either appoint a Captain or permanently abolish the position at his sole discretion within ninety (90) calendar days in accordance with this Section. Should the Chief of Police fail to appoint and the position is permanently abolished, the position of Commander shall revert to the rank of Captain. The City shall not reduce or abolish authorized positions in other ranks as a result of implementation of this section.

Prior to making any permanent appointment to the rank of Commander, the Chief shall adopt and publish a policy setting forth the selection and appointment process, which shall be published for at least thirty (30) calendar days prior to closing applications. The process may not change once the applications process is closed.

The compensation for Commander shall be set at not less than 7% above the rate of a 30 year Captain's base pay at Step B plus longevity. The officers so assigned shall be entitled to all benefits as contained in the following specified Articles of this Agreement: Articles 1; 2; 3; 4; 5; 6; 7; 9; 10 Section 3; 11 Section 5; 14 Section 1; 16 Sections 2; 17; 19; 20 (without premium pay); 21; 22 Sections 2, 3, 4, 5, 6, 7, 8, 9, 10 and 11; 23; 28; 29; 30; 31; 32; 33; 34; 35; 36 Sections 1, 2, 4, 5, 6; and 37.

Officers appointed to this rank shall be subject to overall City policies and regulations and while appointed to this rank shall not be subject to the provisions of Chapter 143, Local Government Code, or any provision of this Agreement, unless specifically so provided by this Article.

Officers appointed to Commander shall also be subject to the education requirements of a Captain specified in Section 4(d), (e), and (f) of this Article.

Any officer appointed to the rank of Commander may be demoted to the rank of Captain at the sole discretion of the Chief of Police without appeal to the Commission and/or Arbitration. Any officer appointed to this rank may, further, voluntarily return to their last civil service rank of Captain at any time. Upon demotion or voluntary return to the last civil service rank pursuant hereto, the officer shall receive thereafter the full benefits provided in Chapter 143, Local Government Code, and this Agreement as if he had served in that rank on a continuous basis throughout his tenure as Commander, and any other non tested appointed rank. An officer appointed to the rank of Commander may be terminated for cause, provided that such termination shall be subject to appeal in the same manner as applicable to all classified uniformed officers in the Department.

Commanders appointed by the Chief of Police pursuant to Article 11, Section 5 of this Agreement, may receive administrative leave for work performed in excess of their regularly scheduled duties. Said leave time may be granted at the discretion of the Chief of Police, subject to the scheduling and manpower contingencies that may arise.

The provisions of §143.014(b) restricting appointment of the classification immediately below Police Chief, and subsections (c), (d), (f), (g) and (h) of Section 143.014 shall not apply.

The City agrees to defend, indemnify, and hold harmless the Association and its officers, agents, representatives, and officers from any action, at law or in equity, brought by any Commander or other member(s) of the unit regarding this Section.

#### **Section 6. Appointment to Deputy Chief.**

The Chief of Police shall have the right to appoint a total of five (5) Deputy Chiefs which shall be one rank immediately above the rank of Commander and one rank immediately below the Assistant Chief in the chain of command. This Article shall create no positions within the rank of Deputy Chief other than by this Article. As vacancies occur in the rank of Deputy Chief, the Chief of Police shall either appoint an officer or permanently abolish the position within ninety (90) calendar days in accordance with this Section. Should the Chief of Police fail to appoint and the position is permanently abolished, the position of Deputy Chief shall revert to the rank of Captain or Commander. Positions within the rank of Deputy Chief up to five (5) shall be filled by the Chief of Police at his sole discretion, within ninety (90) calendar days of a vacancy occurring in that rank. Appointments to the rank of Deputy Chief shall be by the Chief of Police at his sole discretion, provided that the officer promoted is a Captain with a minimum of one (1) year in the rank or a Commander.

Officers appointed to this rank shall be subject to overall City policies and regulations and while appointed to this rank shall not be subject to the provisions of Chapter 143, Local Government Code, or any provision of this Agreement, unless specifically so provided by this Article.

For clarification purposes, effective upon execution of this agreement and effective with the promotion of any officer to the rank of Deputy Chief after October 1, 2002, those officers appointed to the rank of Deputy Chief shall be required as a condition of maintaining the appointed rank to obtain a Master's Degree from an accredited college or university within forty-eight (48) months after being appointed. Deputy Chiefs appointed after October 1, 2002, who have already obtained a Masters Degree prior to being appointed to the rank of Deputy Chief, shall present proof of completion to the Chief of Police within seven (7) calendar days of being appointed to the rank. Deputy Chiefs who have not obtained a Masters Degree, must complete and make a passing grade on at least nine (9) hours of Masters Degree requirements in an approved Masters Degree program every twelve (12) months after being appointed to the rank of Deputy Chief until such time as a Masters Degree is awarded. Deputy Chiefs will submit proof of the completion of the required hours to the Chief of Police and the Association on their annual promotion date until such time a Masters Degree is obtained. Deputy Chiefs who fail to complete this requirement within the specified time periods shall be demoted within ten (10) calendar days after verification by the Chief of Police of the Officer's non-compliance. Officers shall be demoted to their previous civil service rank and seniority.

Any officer appointed to the rank of Deputy Chief may be demoted to their last tested civil service rank at the sole discretion of the Chief of Police without appeal to the Commission and/or Arbitration. Any officer appointed to this rank may, further, voluntarily return to their last tested rank at any time. Upon demotion or voluntary return to the previously-held rank pursuant hereto, the officer shall receive thereafter the full benefits provided in Chapter 143, Local Government Code, and this Agreement as if he had served in that rank on a continuous basis throughout his tenure as Deputy Chief, and any other non tested appointed rank. An officer appointed to the rank of Deputy Chief may be terminated for cause, provided that such termination shall be subject to appeal in the same manner as applicable to all classified uniformed officers in the Department.

Except for the position of Deputy Chief, nothing in this Article shall be construed to require the City to create the rank or establish and fill the maximum number of positions authorized herein. Further, nothing in this Article shall be construed to limit any existing right of the City to create ranks and establish positions in accordance with State law and City Charter.

Deputy Chiefs appointed by the Chief of Police pursuant to Article 11, Section 5 of this Agreement, may receive administrative leave for work performed in excess of their regularly scheduled duties. Said leave time may be granted at the discretion of the Chief of Police, subject to the scheduling and manpower contingencies that may arise.

Officers appointed to the Deputy Chief position by the Chief of Police as provided for in Article 11, Section 6, supra, of this Agreement, shall be compensated at an annual salary of not less than fifteen percent (15%) above the rate of a 30-year Captain's base pay at Step B plus longevity. The City agrees to defend, indemnify, and hold harmless the Association and its officers, agents, representatives, and officers from any action, at law or in equity, brought by any Deputy Chief or other member(s) of the unit regarding this Section.

#### **Section 7. Appointment of Assistant Chief.**

The Chief of Police shall have the right to appoint two (2) Assistant Chiefs which shall be one rank immediately above the rank of Deputy Chief and one rank immediately below the Chief of Police in the chain of command. This Article shall create no positions within the rank of Assistant Chief other than by this Article. As vacancies occur in the rank of Assistant Chief, the Chief of Police shall either appoint an officer or permanently abolish the position within ninety (90) calendar days in accordance with this Section. Should the Chief of Police fail to appoint and the position is permanently abolished, the position of Assistant Chief shall revert to the rank of Captain. Positions within the rank of Assistant Chief shall be filled up to two (2) by the Chief of Police at his sole discretion, within ninety (90) calendar days of a vacancy occurring in that rank. Appointments to the rank of Assistant Chief shall be by the Chief of Police at his sole discretion, provided that the officer promoted is a Commander with one year in the rank or Deputy Chief.

Officers appointed to this rank shall be subject to overall City policies and regulations and while appointed to this rank shall not be subject to the provisions of Chapter 143, Local Government Code, or any provision of this Agreement, unless specifically so provided in this Article.

For clarification purposes, effective upon execution of this agreement and effective with the promotion of any officer to the rank of Assistant Chief after October 1, 2002, those officers appointed to the rank of Assistant Chief shall be required as a condition of maintaining the appointed rank to obtain a Master's Degree from an accredited college or university within twenty four (24) months after being appointed. Effective October 1, 2005, as to officers appointed thereafter only, officers appointed to the rank of Assistant Chief shall be required as a condition of maintaining the appointed rank to obtain a Master's Degree from an accredited college or university within thirty-six (36) months after being appointed. Assistant Chiefs appointed after October 1, 2002, who have already obtained a Masters Degree prior to being appointed to the rank of Assistant Chief, shall present proof of completion to the Chief of Police within seven (7) calendar days of being appointed to the rank. Assistant Chiefs who have not obtained a Masters Degree must complete and make a passing grade on at least one-half of any Masters

Degree requirements they have left to obtain in an approved Masters Degree program every twelve (12) months after being appointed to the rank of Assistant Chief until such time as a Masters Degree is awarded. Effective October 1, 2005, Assistant Chiefs who have not obtained a Masters Degree must complete and make a passing grade on at least one-third of any Masters Degree requirements they have left to obtain in an approved Masters Degree program every twelve (12) months after being appointed to the rank of Assistant Chief until such time as a Masters Degree is awarded. Assistant Chiefs will submit proof of the completion of the required hours to the Chief of Police and the Association on their annual promotion date until such time a Masters Degree is obtained. Assistant Chiefs who fail to complete this requirement within the specified time periods shall be demoted within ten calendar days after verification by the Chief of Police of the Officer's non-compliance. Officers shall be demoted to their previous civil service rank and seniority. Officers who were grandfathered as Deputy Chief's in Section 5 shall be additionally grandfathered under this section.

Any officer appointed to the rank of Assistant Chief may be demoted to their last tested civil service rank at the sole discretion of the Chief of Police without appeal to the Commission and/or Arbitration. Any officer appointed to this rank may, further, voluntarily return to their last tested rank at any time. Upon demotion or voluntary return to the previously-held tested rank pursuant hereto, the officer shall receive thereafter the full benefits provided in Chapter 143, Local Government Code, and this Agreement as if he had served in that rank on a continuous basis throughout his tenure as Assistant Chief, and any other non tested appointed rank. An officer appointed to the rank of Assistant Chief may be terminated for cause, provided that such termination shall be subject to appeal in the same manner as applicable to all classified uniformed officers in the Department.

Assistant Chiefs appointed by the Chief of Police pursuant to Article 11, Section 6 of this Agreement, may receive administrative leave for work performed in excess of their regularly scheduled duties. Said leave time may be granted at the discretion of the Chief of Police, subject to the scheduling and manpower contingencies that may arise.

Officers appointed to the Assistant Chief position by the Chief of Police as provided for in Article 11, Section 7, supra, of this Agreement, shall be compensated at an annual salary of not less than eight percent (8%) above the rate of a Deputy Chief's base pay plus longevity (a 30 year Captains base pay at Step B + .18 times that base pay). The officers so assigned shall be entitled to all benefits as contained in the following specified Articles of this Agreement: Articles 1; 2; 3; 4; 5; 6; 7; 9; 10 Section 3; 11 Section 7; 14 Section 1; 16 Sections 2; 17; 19; 20 (without premium pay); 21; 22 Sections 2, 3, 4, 5, 6, 7, 8, 9, 10 and 11; 23; 28; 29; 30; 31; 32; 33; 34; 35; 36 Sections 1, 2, 4, 5, 6; and 37.

The City agrees to defend, indemnify, and hold harmless the Association and its officers, agents, representatives, and officers from any action, at law or in equity, brought by any Assistant Chief or other member(s) of the unit regarding this Section.

## **ARTICLE 12**

### **Seniority**

#### **Section 1. Seniority Defined.**

Seniority in this Article shall be defined as the length of service by an officer within his civil service classification. All other factors being equal, seniority is the determining factor in the assignment of relief days and vacation days and operates within a section, unit, or detail for purposes of this Article. Assignment of sections or districts shall not be subject to the provisions of this Article, except in Section 6.

**Section 2. Six-Month Requirement.**

When an Officer transfers from one section, unit, or detail to another, there shall be no bumping of a less senior officer out of relief days or vacation days to which the less senior officer has been assigned. However, when prime relief days become open, the incoming officer, including officers newly-promoted, may, after serving in the section, unit, or detail for six (6) months, then exercise his seniority in bidding for the prime time. Vacation shall be handled in the same manner in that no officer shall be denied vacation already scheduled; but, during the next round of vacation assignments, the senior officer chooses before the junior officer. In the event of a simultaneous transfer, i.e., one officer is moved out at the same time another officer is moved in, the incoming officer is not entitled to assume the relief days and vacation days of the outgoing officer, even though his seniority is greater than other officers in the section, unit, or detail; otherwise, the incoming officer is placed in his respective position as to date of rank and bids with others as the next days and dates become available.

**Section 3. "All Other Things Being Equal" Defined.**

"All other factors being equal" is intended to relate to the total performance of an officer. In the event an officer is denied prime time because of "unequal factors", it shall not be for an isolated instance of poor or substandard performance, but it may come about because of a consistent pattern of overall substandard performance.

**Section 4. Military or Duty-Connected Disability.**

Time spent in the Armed Forces on military leave of absence and other authorized leaves and time lost because of duty-connected disability shall be included in length of service.

**Section 5. Seniority Tie-Breaker.**

Seniority shall be a factor in promotions and layoff or recall consistent with State law and City ordinances and regulations. In the event of a tie in the seniority of two or more officers, the officer placing highest on the hiring or promotional list shall be the senior.

**Section 6. Certain Officer Transfer Rights.**

This Section applies only to those officers holding the rank of Patrol Officer assigned to the Day (A Shift), Evening (B Shift), or Dog Watch (C Shift) shifts of the Uniformed Patrol Division. To the extent that this Section differs with Sections 1, 2, 3, 4, or 5 above, this Section shall prevail so far as the affected shifts are concerned.

When an assignment is declared vacant in a section of the Day (A Shift), Evening (B Shift), or Dog Watch (C Shift) shifts of the Patrol Division, the opening shall be awarded to the most senior officer on that shift of the applicable rank who voluntarily requests that assignment. In the event no officer of the applicable rank from that shift requests the assignment, any officer of applicable rank from the remaining two shifts may request the position and it shall be awarded to the most senior officer.

Once an officer has been transferred, he will then be able to exercise his seniority based on the next available opening on that shift; provided, however, that officers transferring from outside the three affected shifts shall not be eligible to exercise their seniority rights until six months have expired from entry into the affected shifts with the sole exception that officers transferring into or out of one of the Uniformed Patrol shifts shall be entitled to use his seniority in bidding on vacancies in conformance with this Section immediately.

Officers transferring from one of the Uniformed Patrol shifts to another shift or to another unit or division shall lose their vacation request time and will have to put in for a new vacation schedule based on available openings on that shift.

Any officer covered by this Section may be removed from a position he occupies to another position within the three specified shifts, provided such is done on the basis of reverse seniority (i.e., beginning with the least senior person). Probationary officers have no protection under this article. The Resource Management Unit or the FTO Coordinator controls probationary officer assignments.

Nothing in this Article shall be construed to limit in any fashion any right currently vested in the City by virtue of this Agreement, except as explicitly modified by this Article and such modification shall be limited solely to the specific provisions of this Article. These rights include, but are not limited to, the right to determine when a vacancy exists, to determine the number of positions to be assigned to a division or shift, to transfer any person from the three shifts covered by this Article to any position outside of those three shifts, to make assignments of officers not covered by this Article, and to make assignments of officers affected by this Article in conformance with the provisions contained herein.

#### **Section 7. Personnel Career Activity System.**

All officers requesting transfers to positions outside of the three uniform patrol shifts will utilize the Personnel Career Activity System (PCAS).

All officers who hold the rank of patrol officer or detective investigator who apply for a position through PCAS and who are not selected, and who request same in writing through the chain of command to the Captain of the Unit to which the officer was not selected, shall be given the true reason for rejection in writing within fourteen (14) calendar days of the date the request was received by the non-selecting Captain.

Within fourteen (14) calendar days of receiving a written rejection, an affected officer may submit a written appeal to the Deputy Chief who supervises the non-selecting Captain. The Deputy Chief shall affirm the rejection or overturn the rejection in writing within fourteen (14) calendar days of receipt of the appeal.

Appeals and responses under this section are not subject to Article 15 (Grievance Procedure) of this Agreement, nor may be used in any official proceeding, unless such response includes a violation of Article 4, Section 2 (Management Duties to the Association) of this Agreement.

### **ARTICLE 13 Hours of Work**

#### **Section 1. General Provisions.**

A. **Work Period.** Officers will continue to work a seven-day work period in accordance with past practice, as opposed to other work periods under the Fair Labor Standards Act. A "work period" means a regularly repeating seven day calendar cycle that consists of five, 8 hour or four 10 hours days.

B. **Contractual Overtime Provision.** By past practice and through this Agreement, the City has established a pay pattern that allows officers to receive overtime payment in pay or compensatory time for any hours outside of the officer's regularly scheduled shift or workday. Nothing in the Agreement including Section 1(C) below is intended, designed, or will change this practice. The City

agrees it will continue to pay officers for overtime in pay or compensatory time in accordance with this Agreement for any hours outside of the officer's regularly scheduled shift or workday.

C. **FLSA 207k Partial Exemption.** The City and the Association agree, that under the federal Fair Labor Standards Act, the City is entitled to the 43-hour exemption from payment of FLSA statutory overtime compensation. This means that the City is not required by federal law to pay overtime to officers until after the officer has worked 43 hours in a workweek. Within the context of this Agreement however, the City shall continue to pay all contractual compensation in accordance with Article 8 Maintenance of Standards, and in accordance with Section B above, which is enforceable by the grievance procedure of this Agreement. However, the City retains the right under Article 7, Management Rights, to change any process, accounting procedure, forms, periods, or other aspects of accounting practices if it reasonably determines that such change is necessary to comply with state or federal overtime law. The City and the Association agree that the City shall not be obligated in any FLSA enforcement lawsuit to pay overtime until a 43-hour threshold is reached.

## **Section 2. Local Government Code Section 142.0015 Override.**

Section 142.0015 of the Local Government Code provides among other things, that officers may not be required to work over 40 hours in a week unless an "emergency" has been declared. Texas law, including but not limited to Section 174.006(a) of the Local Government Code, allows the parties to this Agreement to override and change that standard, and the parties expressly agree to override it. Accordingly, the Chief or any supervisor shall continue to be entitled to require work by officers beyond the regularly scheduled shift hours in a day, and over and above the 40 regularly scheduled hours within a seven-day work period. This practice, which the parties agree is both legal and proper without the need for a declaration of "emergency," will continue as a benefit to both the City and the Association, as a contract provision which has been continuously in effect under all previous collective bargaining agreements. Any claim for additional wages based upon Section 142.0015 is expressly waived in consideration of the finalization of this agreement.

## **Section 3. General Provisions.**

Officers who are not subject to shift work shall work eight (8) consecutive hours except for interruptions for lunch periods. The workday shall conform to those hours set by the City Manager for the other City employees who work regular non-shift work. The hours presently prescribed are from 7:45 a.m. to 4:30 p.m., with forty-five (45) minutes for lunch.

City policy has for some time permitted two fifteen (15) minute coffee and/or rest breaks per day when they can be taken without serious interference with the work at hand. Such breaks are normally taken mid-morning and mid-afternoon for officers working non-shift, and for shift workers at comparable time during the shift. This policy shall continue to apply to the Department; however, the missing of any coffee and/or rest breaks because of the press of business shall not be grounds for overtime payment or for a grievance.

If an officer requests a thirty (30) minute meal break and is denied such request because of press of business a second time within such shift, and as a result thereof requests thirty (30) minutes of compensatory time or pay at straight time, said officer must submit an "incident report" to the Section Sergeant as to the reasons why the officer could not take said meal break. The granting of or the refusal to grant the compensatory time or pay at straight time by the Section Sergeant shall be final and binding on the officer, with no rights of appeal to the Commission and/or grievance and arbitration as provided elsewhere in this Agreement.

The City will continue to compensate officers who work shifts for the thirty minute lunch, coffee and/or rest breaks; however, the time permitted by this article for those time periods shall in no event constitute time actually worked by an officer unless that officer is ordered by a supervisor to resume duties, or obtains supervisory authorization to do so. Notwithstanding this provision for compensation as to lunch, coffee, and/or rest breaks, officers remain within full coverage and benefits, not limited to life insurance, health insurance, and Texas Workers' Compensation Act, if the officers are traveling to or from lunch or breaks or during lunch or break time and are performing activities that are in furtherance of the affairs or business of police work. This shall apply unless the activities are specifically excluded by the provisions of the Texas Worker's Compensation Act and the rules of the Texas Workers' Compensation Commission, or are excluded by the standards set forth in Article 35 of this Agreement.

Officers who have by practice worked an eight (8) or ten (10) consecutive hour workday, which included a thirty or forty-five minute lunch break, and are not specifically covered by the sections below will continue to do so.

**Section 4. Hours for Certain Patrol Division Units.**

Officers working on the Daylight (A Shift), Evening (B Shift), or Dog Watch (C Shift) Shifts of the Patrol Division or the daylight or night shift of CID shall work a seven (7) day work period, with daily hours compensated at straight-time according to assignments as follows:

The Patrol Daylight "A" Shift shall work from 6:00 a.m. to 2:00 p.m. or from 6:30 a.m. to 2:30 p.m., with thirty (30) minutes for lunch and two fifteen (15) minute coffee breaks.

The Patrol Evening "B" Shift shall work from 2:00 p.m. to 10:00 p.m. or from 2:30 p.m. to 10:30 p.m., with thirty (30) minutes off for lunch and two fifteen (15) minute coffee breaks.

The Patrol Dog Watch or Night "C" Shift shall work from 10:00 p.m. to 6:00 a.m. or from 10:30 p.m. to 6:30 a.m., with thirty (30) minutes off for lunch and two fifteen (15) minute coffee breaks.

The Downtown Foot/Bicycle Patrol Unit officers shall be assigned to work one of two (2) ten-hour shifts per day, daylight shift 7:30 a.m. to 17:30 p.m. or 17:30 p.m. until 3:30 a.m., with thirty (30) minutes off for lunch and two fifteen (15) minute coffee breaks.

**Section 5. Hours for Certain Units.**

Officers working on the daylight or night shift of CID or who are assigned to positions equivalent to those assigned to CID and who investigate criminal cases, file charges and dispositions, or who work in an undercover capacity shall work a seven (7) day work period with daily hours compensated at straight-time as follows:

A. Officers below the rank of Lieutenant assigned to the daylight shift in CID or equivalent as described above may work from 7:30 a.m. to 6:00 p.m., with thirty (30) minutes off for lunch and two fifteen (15) minute coffee breaks.

B. Officers below the rank of Lieutenant assigned to the night shift in CID or equivalent as described above may work from 7:00 p.m. to 5:30 a.m., with thirty (30) minutes off for lunch and two fifteen (15) minute coffee breaks.

C. Officers above the rank of Sergeant in the units operating under the ten (10) hour work day shall continue to work a tour of duty consisting of eight (8) hours and forty-five (45) minutes, with forty-

five (45) minutes for lunch and two fifteen (15) minute coffee breaks, and shall be entitled to Saturday and Sunday as their regularly assigned relief days.

D. Officers subject to the ten (10) hours, four (4) day workweek shall include, but not be limited to, the following:

- Off-Duty Employment
- Property Crimes
- Homicide
- Robbery
- Sex Crimes
- Night C.I.D. Detectives
- Repeat Offenders Program
- Surveillance Detail
- Financial Crimes
- Vehicle Crimes
- Wrecker Service

Officers assigned to the above units will continue to work the hours currently prescribed for those units and with lunch and break hours currently provided. It is not the intent of either the City or the Association to delete any unit currently operating under a four (4) day workweek as of the effective date of this Agreement.

Breaks are normally taken midway through the first half and midway through the second half of a tour of duty. The missing of any coffee and/or rest breaks because of the press of business shall not be grounds for overtime payment or for a grievance.

#### **Section 6. Adjustment of Working Hours.**

The Chief shall have the right to adjust the working hours, and starting and ending time of any shift, or the units of C.I.D. covered by the ten (10) hour work day provided that such change does not cause an employee to work in excess of an average forty (40) regularly scheduled hours in a work period. In no case shall any changes in starting and ending times of shifts covered by Section 4 and 5 above exceed one hour in each calendar year. In the event the Chief decides to exercise his rights pursuant to this section, he shall notify the President of the Association in writing of the anticipated adjustment at least thirty (30) calendar days prior to implementation. The Association shall have fourteen (14) days from the date so notified to submit any comments or objections to the proposed change in writing to the Chief. If objection is expressed by the Association, representatives of the Association and the Chief shall meet to discuss the anticipated adjustment within the next succeeding five (5) days. This right shall not be subject to appeal pursuant to the grievance procedure contained in Article 15 of this Agreement, with the sole exception that the issue of regularly scheduled work in excess of the average forty (40) hours in a workweek may be appealed pursuant to the grievance procedure. Nothing in this section shall be construed in any fashion to limit the Chief's right to establish the working hours of units not covered by Sections 4 and 5 above.

### **ARTICLE 14 City Property/Off-Duty Employment Office**

#### **Section 1. Introduction.**

The existing policies for off-duty employment shall prevail, except that on matters involving jurisdiction or conflict of interest, the Chief shall have the right to amend the existing policies, subject to grievance

procedure outlined in Article 15 of this Agreement. Provided, however, this article shall no longer permit a distinction between public and private events nor between for-profit and non-profit entities.

**Section 2. Off Duty Office.**

The City shall establish an office staffed with a minimum in rank of one Sergeant, sworn support personnel, on-duty transportation and office equipment necessary to handle requests of officers to work at City facilities. Such office shall be located in the Convention Center complex. Office space only, without additional staffing, shall be provided at the Alamodome.

**Section 3. Use of Sworn Personnel at City Facilities.**

A. The City shall utilize only sworn officers for the purposes of providing security, crowd control, and other police-related activities at all City facilities. This shall not include ticket takers, badge checkers, or individuals whose duty is to enforce house rules. The Association recognizes that the City has legitimate reasons to work with performers or entertainer's special security needs. The City shall include in every contract for the use of City facilities that any vendor or lessee using said facility shall use only sworn officers procured through the off-duty employment office for security, crowd control and other police-related activities while using the facility, and that number of officers determined to be necessary by the off-duty employment office shall be paid by the vendor or lessee.

For the purposes of this article, City facilities shall include only the following:

- (1) The Convention Center Exhibit Halls and Banquet Halls or future expansions
- (2) The Lila Cockrell Theater
- (3) Market Square
- (4) Market Square's Centro de Artes Ballroom; Fiesta Room; and Farmers Market
- (5) La Villita
- (6) The Alamodome
- (7) Municipal Auditorium

B. All officers assigned to work at City facilities on an off-duty basis shall be compensated as follows. Police Officers, regardless of seniority or other compensation, shall be paid at 1.2 times the officer's straight time rate (not including longevity) for an officer at Step C of the salary schedule found in Attachment 2 of this agreement. All supervisors, regardless of rank or seniority, shall be paid at 1.2 times the straight time hourly rate for a Sergeant (not including longevity) if working in a supervisory capacity for the vendor. The straight time rate shall be computed by multiplying the officer's appropriate monthly rate from Attachment 2 by twelve (12) months and dividing that product by 2080 hours in a work year. All payments will be made utilizing the officer's bi-weekly payroll check.

C. The office of the Chief of Police shall have the responsibility of staffing all City facilities with sworn officers. The number of officers needed at any one such property or facility shall be within the exclusive prerogative of the Chief. The Chief shall establish and maintain a Department Procedure for administering this Section. The special order shall include sign-up, notification on a rotating basis, and other policies necessary for the administration of this Section.

D. The City agrees to pay officers who work any Fiesta events and related activities in an off-duty capacity at double their base pay plus longevity. The City agrees to maximize the use of off-duty personnel who have signed up on the volunteer roster, and to minimize the use of on-duty personnel,

subject to the other provisions herein. Fiesta activities and events will be those that are defined in the Official Fiesta Calendar published each year by the City and the Fiesta Commission. Events such as basketball games, concerts, or trade shows unrelated to Fiesta during the calendar days of Fiesta shall be paid at the regular overtime rate unless insufficient volunteers sign up for such events, then all volunteers whether or not from Fiesta volunteer roster shall receive Fiesta pay. Easter Sunday will not be covered under this Section but is covered under Article 20, Holidays, and Section 1.

E. The City and the Association shall not grant any exceptions to this Article, with the sole provision being that officers who "volunteer" their time without remuneration, of any type, may work events for charitable events. "Volunteers" are not exempt from the requirements for off-duty employment of City facilities, even where such volunteers under this paragraph are working on City facilities, and written permission for volunteers to work on City facilities must be approved by the Office of the Chief or his designee.

F. Nothing in this Article precludes the City from utilizing personnel from private security companies to provide day-to-day security for any of the facilities listed paragraph A, above.

G. The City shall first be required to call or otherwise make available the opportunity for off-duty placement to SAPD personnel, and then to non-SAPD certified peace officer City employees. After having done so, the City may fill any remaining need for certified personnel with employees of other agencies outside the City organization.

H. The Association, on behalf of the Department, will apply and coordinate any paperwork necessary to comply with the Private Security Act of Texas.

I. Section 7(p)(1) of the Fair Labor Standards Act makes special provisions for officers of public agencies that, at their own option, perform off-duty employment. This FLSA section provides that the City may facilitate the employment or affect the conditions of the officer's off-duty employment. Additionally, the City may keep a roster and select from the roster, negotiate the officers pay, retain a fee for administrative expenses, require the individuals who are hiring the officers to pay the costs directly to the City and establish procedures for the officers to receive their pay, and require officers to observe normal standards of conduct during their off-duty employment and enforce such requirements through disciplinary action

Since the off-duty employment provision was placed into the Agreement in 1988, the City and the Association have worked together to assure compliance. The Agreement of 1988 established an off-duty employment office and established off-duty compensation at the rate of 1.5 times an officers overtime rate in accordance with the officer's rank. This was renegotiated in 1994 and reduced to 1.2 times the straight time for an officer at Step C. Additionally in 1994, the City agreed to provide officers the opportunity to take compensatory time instead of pay for off-duty purposes. This was considered a pass through of the pay benefit and was not intended or designed to impugn the separate and independent employer relationship outlined in Section 7. This Agreement removes the compensatory time payment allowance to eliminate any challenge to that relationship. In furtherance of the Agreements, the City has paid officers in the rare instances where vendors did not pay. This was considered an important benefit to officers and not designed or intended to alter the separate and independent status of outside interests utilizing city facilities. The City and the Association have a continued relationship within the scope of the Agreement that allows the City to negotiate officer pay rates and conditions of off-duty employment while maintaining a separate and independent status from the individuals contracting to utilize city facilities and off-duty police officers.

J. Officers participating in the off-duty employment opportunities provided through this Agreement are working off-duty for the lessees of city facilities and not for the City or the Department. In the event of any ruling or holding by a Court or any determination by the Department of Labor that non-payment by vendors makes the City liable for FLSA overtime as the employer of officers, the City may require that officers sign an agreement agreeing to look solely to the vendor for payment; provided, however, that the City will implement reasonable practices for collection of accounts in order to achieve collection of such amounts in a commercially reasonable manner

K. In the event of any ruling or holding by a Court or any determination by the Department of Labor that results in altering or changing the benefits provided by this Agreement under this Article or challenges the ability of the City to determine compensation under this Article, the Association agrees that the City shall not be subject to provide additional wages, compensation, or incentives of any kind beyond that which is specified in this Article for purpose of off-duty employment at city facilities. To assure this outcome, the City and the Association agree to meet within ten (10) calendar days of the ruling, holding, or determination in an effort to resolve any conflicts with this Agreement. In the event that a compromise cannot be reached within the ten (10) calendar day window period, the City and the Association will submit all unresolved issues within thirty (30) calendar days before a neutral arbitrator selected by the parties. If the parties are unable to agree on an arbitrator, the parties will each submit the name of a qualified neutral person with DOL, judicial, or litigation experience in overtime and FLSA compliance in matters involving law enforcement officers. The two neutrals will select a third qualified neutral with the same experience who shall serve as the chairman of the arbitration panel. The dispute shall be submitted to the arbitration panel within ten (10) calendar days of their appointment. The hearing shall be conducted under Rules 5-10 of the Expedited Labor Arbitration Rules appended hereto as Attachment 1. The arbitration panel shall determine a decision within thirty (30) calendar days of their appointment. The arbitration panel's authority is limited to all claims or issues under this section, however under no case shall the arbitration panel issue a ruling that has the effect of changing compensation rates provided by this section. The decision shall be final and binding on all parties, and this process shall be exclusive for all claims or issues relating to the ruling, holding or determination which initiates the process. Officers seeking redress for off-duty employment grievances not relating to such issues shall do so on an individual basis and in accordance with the Grievance procedure of this Agreement.

L. Officers shall be paid, in addition to the compensation for hours worked for lessees using City facilities, the City "special event" parking rate, which shall be an additional cost charged to the lessee as a part of total officer security costs. This parking reimbursement shall be paid for one parking rate per day.

## **ARTICLE 15**

### **Grievance Procedure**

#### **Section 1. Scope of Procedure.**

The City and the Association agree that the purpose of this grievance procedure is to provide a just and equitable method for resolving disagreements between the parties regarding the interpretation of the provisions of this Agreement. Only matters involving the interpretation, application, or alleged violation of a specific provision of this collective bargaining Agreement shall be subject to this grievance procedure. Disciplinary matters which are subject to the jurisdiction of the Commission pursuant to Chapter 143 Local Government Code are not subject to this procedure but are covered in Article 27 of this Agreement. Where a statutory claim is asserted before any administrative agency or court, which claim(s) arises from the same factual occurrence made the basis of a grievance, the grievance shall be abated until final disposition or settlement of such claim(s), unless the officer agrees with the employer

and the Association to submit all claims arising from the same factual occurrence, including statutory claims, to the grievance procedure herein. Any alleged violation(s) of Article 4, Section 2(F), of this Agreement shall not be the subject of a grievance unless there is an Agreement between the parties hereto and the officer to submit such issue(s) to the grievance procedure.

## **Section 2. Time Limits.**

The parties shall adhere to the time limits as set forth in the procedure. In the event the officer or Association fails to meet the time limits at any step of the procedure, the grievance shall be considered satisfied and no further action shall be taken. Failure by the City to meet the time limits at any step shall be considered an unsatisfactory response and shall automatically allow the grievance to proceed to the next step. Such time limits may be waived, however, by mutual consent of the parties in writing.

## **Section 3. Steps.**

A grievance within the scope of this procedure as defined in Section 1 above shall be handled as follows:

**Step 1.** Any officer having a matter which is felt to be a grievance, first must within twenty-one (21) calendar days of the actual or constructive knowledge of the occurrence or the event causing the problem submit such grievance in writing to the Association with a copy to his immediate supervisor. Said determination of whether a grievance exists shall be made by an association grievance committee. The Chief may appoint one (1) non-voting member of the committee. The committee may exclude the Chief's appointed member from deliberations. The grievance committee shall meet and render its decision in writing within thirty (30) calendar days of the receipt of the written grievance by the officer. If the Association exercises this right, the Chief of Police shall be entitled to exclude Association representatives from any administrative meeting, procedure, or process, where their presence or participation has been allowed, notwithstanding the provisions of Article 8.

In the event that the grievance committee decides that a grievance exists, the Association, representing the aggrieved officer, shall prepare a formal written grievance on behalf of the aggrieved officer and proceed to Step 2. Nothing herein prohibits the city from challenging whether a grievance is timely.

It is the intent of the parties to attempt to resolve disputes and grievances over the application, interpretation and enforcement of the Agreement at the lowest level. Nothing herein shall prevent the Association from meeting and conferring with the City, Chief or their designees in an attempt to resolve the alleged grievance before the time limits in Step 1 expire.

**Step 2.** If a grievance is believed to exist, it shall be presented in writing to the Chief. The Chief shall have fourteen (14) calendar days to act on the grievance and render a decision in writing.

**Step 3.** If the grievance is not resolved at Step 2, the matter shall be submitted in writing to the Human Resources Director within seven (7) calendar days from the decision at Step 2.

The Human Resources Director shall within five (5) calendar days submit the matter to the City Manager who shall review the matter and shall render a decision in writing within fourteen (14) calendar days. The Human Resources Director shall obtain the response from the City Manager or his representative and contact the President of the Association of the response and results within five (5) calendar days.

If the grievance has not been settled at Step 3, the parties shall have seven (7) calendar days from the date the Human Resources Director notified the President of the Association, in which to appeal the grievance

to arbitration for adjustment. An appeal from the Association shall be submitted in writing to the Human Resources Director. Since the City may also grieve against the Association, any grievance by the City against the Association will be filed directly with the President of the Association; and, if not settled within seven (7) calendar days, may be submitted to arbitration for adjustment.

A grievance contesting action by the City Council or City Manager shall be filed at Step 3 instead of Step 2.

The President of the Association may file a class action grievance on behalf of bargaining unit members similarly situated at Step 1 within twenty-one (21) calendar days of the officer or officers' actual or constructive knowledge of the occurrence or event causing the problem.

The chief's representative to the Association grievance committee may submit for the committee's consideration any evidence that the grievance has been addressed or resolved in a previous grievance or an arbitrator's award. If the current grievance, or an issue of the current grievance, is determined by the Grievance Committee to have been previously resolved, the current grievance, or the issue of the current grievance, will be deemed as denied by the Grievance Committee and the grievant will be bound by the previous resolution.

With the exception of all grievances filed prior to the date of execution of this Agreement, if a grievance has not been finally resolved within three hundred and sixty five (365) calendar days from the date of appeal to arbitration, and no mutually agreed time extensions exist or are requested by either party to the grievance, the grievance will be deemed to have expired. Grievance extensions will not be unreasonably denied under this paragraph.

#### **Section 4. Arbitration.**

If a grievance is submitted to arbitration, within fourteen (14) calendar days, the City and the Association shall agree upon an arbitrator. The parties may mutually agree to elect to use a panel arbitrator or expedited process pursuant to the provisions in Article 27 (Disciplinary Actions). For this purpose, the parties may agree in writing to utilize one or more arbitrators for a specified period of time, provided that either party may request selection on any specific matter as follows: If the parties fail to agree upon an arbitrator, a list of seven (7) qualified neutrals shall be requested from the American Arbitration Association (AAA). Within fourteen (14) calendar days from receipt of the list, the Association and the City shall alternately strike names on the list and the remaining name shall be the arbitrator.

The conduct of the hearing shall be governed by the standard rules of the American Arbitration Association. The parties, by mutual agreement, may request that the hearing be held in accordance with the Expedited Labor Arbitration Rules which are found as Attachment 1 to this Agreement and are incorporated herein by reference.

Upon written request delivered at least seven (7) calendar days prior to the date of the hearing, a party to the proceeding shall provide to the opposing party the names and addresses of witnesses expected to be called at the hearing. In the absence of good or excusable cause, the arbitrator may exclude the testimony of a witness upon the failure of a party to disclose such a witness. The parties, in writing, may request discovery from each other concerning the grievance. Should the opposing party not agree to provide the requested information within seven (7) calendar days of the request, the request shall be deemed denied. The requesting party may then apply to the Arbitrator, who shall order such discovery as is appropriate to the nature of the case, consistent with, but not bound by, the rules of discovery in Texas civil cases. In considering the application, the Arbitrator, shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the

hearing, and such other matters as he may deem material. In no event shall discovery be requested within seven (7) calendar days prior to the hearing.

The arbitrator shall not have the power to add to, amend, modify, or subtract from the provisions of this Agreement in arriving at his decision on the issue or issues presented and shall confine his decision to the interpretation of this Agreement. The arbitrator shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him. The decision of the arbitrator shall be final and binding upon the City and the Association.

The City shall bear the expense of any witnesses called by the City. The Association shall bear the expense of any witnesses called by the Association. The City and the Association shall share equally the fees and expenses of the arbitrator.

**Section 2.     Pyramiding.**

Where an officer is eligible for more than one rate of overtime pay, he shall receive only one of those rates at a time, though it shall be the higher rate.

**Section 3.     Shift Differential Pay.**

A.     All police officers permanently assigned to begin work after 12:00 p.m.; including but not limited to shifts currently referred to as the Evening "B" or "Dog Watch" "C" shifts are to receive \$350 per month differential pay.

B.     Only officers permanently assigned to or on Special Assignment approved through the offices of Division Commanders to begin work after 12:00 p.m. shall receive shift differential pay. Officers on special assignment must work an applicable shift for eighty (80) hours or more of any calendar month to be entitled to differential pay for that assignment for the full month.

C.     Officers who are permanently assigned to begin work after 12:00 p.m. and who by assignment have the discretion in their working hours must work an applicable shift for eighty (80) hours or more of any calendar month to be entitled to differential pay for that assignment for the full month.

**Section 4.     Longevity Pay.**

In addition to wages as set forth in the pay schedule, each officer's base pay shall be increased by three percent (3%) for each five (5) years of his longevity, to a maximum of thirty (30) years, i.e., a thirty year veteran would receive an additional eighteen percent (18%). On each officer's anniversary date which is not a multiple of five, he shall receive an eight dollar (\$8.00) increase in his longevity pay per month, provided, however, that he shall no longer receive monthly longevity pay of \$4.00 per year of service, to a maximum of twenty-five (25) years as is set forth in State law, and that the eight dollar (\$8.00) interim monthly adjustments will not increase any fifth year level.

**Section 5.     Standby Pay.**

All qualified officers assigned to the S.W.A.T., including, K-9, Bomb, Bomb alternates, Meth Lab Certified Detectives, and Crisis Negotiating teams shall receive One Hundred Fifty-Seven Dollars (\$157.00) per month standby pay during each month of active assignment. All officers assigned to the K-9 Detail shall receive three (3) hours of overtime compensation per workweek and an additional hour-and-one-half (1-1/2) hours of overtime compensation per workweek for each additional animal. Such overtime compensation shall be provided for the housing and feeding of assigned canines. The parties agree that an accurate computation of hours of work caring for a police dog is difficult or impossible to determine and that the compensation provided herein is a fair and reasonable agreement considering all pertinent facts and circumstances. If a police dog is retired (taken out of service by the City) the Chief of Police shall award the police dog to the officer if the officer so desires. The City shall have no further obligation for the care, maintenance and support of the police dog.

**Section 6.     Language Skills Pay.**

Each officer shall be entitled to Language Skills Pay upon satisfactory completion of the testing requirements for proficiency as set forth in Administrative Directive 4.38. The amount shall not be less than the amount payable to other City employees. Any officer who has not taken or passed the proficiency test shall not be assigned to or required to use second language skills on the job, provided that any officer whose personal judgment indicates that using a second language is appropriate to the safe and expeditious

handling of police business should be willing to do so. No discipline may be imposed for differences in the exercise of such judgment.

**Section 7. Helicopter Assignment Pay.**

All officers who are assigned to the helicopter unit shall be compensated at One Hundred Fifty-Seven Dollars (\$157.00) per month of active assignment. The City shall pay the costs of all required training and seminars needed to maintain the officer's flight eligibility, certifications and licensing. The City shall continue to provide all safety equipment, including flight helmets, flight suits, and gloves.

**Section 8. Drug Recognition Experts.**

Officers who are certified by the Sam Houston State University program, and recertified periodically as required by Department policy, and who are assigned by the Chief to provide drug recognition expertise to other members of the Department, shall receive One Hundred Dollars (\$100.00) per month for each month of active assignment.

**Section 9. Volunteers in Policing.**

Officers (not to exceed the rank of sergeant) assigned, as Volunteers in Policing coordinators, up to a maximum of seven (7), shall receive One Hundred Fifty-Seven Dollars (\$157.00) per month for each month of active assignment. The Chief may at his discretion cancel (or reactivate) the Volunteers in Policing assignment pay at any station should the number of civilian volunteers actively participating in the program drop to a number no longer justifying the Volunteers in Policing assignment pay.

**Section 10. Overtime, Regular Rate, and other Pay Calculations.**

A. Overtime, pension, Fiesta pay, court and call-back pay, holiday pay, longevity, education, shift differential, FTO, incentive pay i.e. SWAT, helicopter, VIP, crisis negotiation, K-9, instructors and bomb tech, certification pay and language skills pay will be paid in accordance with this Agreement and past practice.

B. The Association agrees that, for the term of this agreement (including any extension period), all past pay practices under the terms "regular rate of pay," "rate of pay," or "regular pay" in the previous agreement, including those which have been calculated and paid based on base pay or base pay plus longevity (examples below) are deemed as proper pay practices under the prior agreement and will remain proper under this agreement. Should any grievance contesting the definition or calculation of pay or "regular rate of pay" be filed after August 1, 2003, contesting such "regular rate of pay" issues, it is the position of the Association that said grievance is without merit and will be immediately resolved in accordance with the agreed and accepted past pay practice. This provision is intended to assure that the City will have no such retroactive liability for such pay practices, and has been relied upon by the City in accepting and approving this agreement. This agreed condition is essential to this agreement.

C. Therefore, in the event of any successful officer(s) claims, by grievance or lawsuit, under the terms "regular rate of pay," "rate of pay," or "regular pay" the Association agrees to share in the liability by special assessment and pay for such claims at the ratio of 50% Association, 50% City. To the extent that any such matters are asserted by suit, the Association shall provide and pay for cooperating joint defense counsel, or pay 50% of the City's cost of defense.

D. Notwithstanding this agreement the City and the Association agree that "regular rate of pay" is negotiable, and that upon resolution or settlement of the FLSA lawsuit (*Matthew Jackson and*

*Steve Christian, et. al., Plaintiffs, v. The City of San Antonio, Defendant, Cause No. SA-03-CA-049-RF*), the way pay is calculated for longevity, Fiesta Pay, and court and call back pay will be subject to the negotiation process.

E. In accordance with arbitration rulings, sick leave buy back and sick leave upon separation pay shall be calculated to include all incentives as used in that calculation for an individual officer. For purposes of Section 9 of this Article, incentives are defined as those pay additions that apply to an individual officer. This would include but not be limited to the various assignments pays such as FTO, SWAT, helicopter, SAFFE, and VIP. Also included would be any applicable educational pay, shift differential pay, language skills pay, and certification pay.

F. Should this Agreement create any new pay categories, such categories shall be included for overtime, pension, and leave upon separation computation unless specifically excluded by wording within the applicable section.

G. This section does not have the effect of altering the duty to pay overtime when required by the FLSA at 1.5 times the "regular rate of pay" as defined by federal law; the parties recognize, however, that this agreement, portions of which predate the FLSA, has not used the term "regular rate of pay" in the manner defined by the statute.

H. The computation for the calculation of longevity pay will be base pay at the officer's appropriate step multiplied by the percentage increase of the officer's longevity position plus \$8 for each additional year up to a maximum of 4 years.

5 Years	3%
10 Years	6%
15 Years	9%
20 Years	12%
25 Years	15%
30 Years	18%

#### I. Pay Examples

Longevity: A 22-year patrol officer in step E would make \$3,985 for base pay times 12% for longevity plus an additional sixteen dollars total for years 21 and 22.  $((\$3,985 * .12) + 16 = \$494.20)$ .

Fiesta Pay shall be double time: Base plus longevity times two (2).

All Past Pay Practices in relation to Court and Call-Back shall continue, except as changed and modified by this agreement.

Court and Call back shall continue to be paid at one and one-half (1.5) x "regular rate of pay" for actual time worked. However, Court and Call back shall never be paid in an amount less than 3 hours x 1.5 x base pay plus longevity. The officer will be given whichever amount of pay is higher but not both.

The Holiday and Premium Holiday rate of pay shall be as follows: Holiday pay shall be compensated at double time, the regular rate of pay (inclusive of all the subject officer's incentives or add-on pays) for the day worked, plus credit for the holiday, which is accrued additional leave time; and double time and one half (2.5) on a Premium Holiday, (which is pay for the day worked and accrued additional leave time or

payment), depending on which type of Holiday was worked. This is inclusive of all incentive pays for calculation of regular rate of pay for this article.

Example: Regular Holiday: An officer works Memorial Day, 2008, the officer gets paid his regular compensation for the work day and has already been paid incentives for the month. An additional day is credited for accrued leave, and not as pay.

Example: Premium Holiday - a step E patrol officer on dogwatch with a Bachelors degree making \$4,494 per month base with 20 years would receive \$539.28 per month in longevity. He will receive \$350 per month for shift-differential and \$315 per month for a Bachelors degree.  $\$4,494 + \$539.28 + \$350 + \$315 = \$5,698.28$  per month times 12 months = \$68,379.36 divided by 2080 hours worked per year = \$32.87 per hour.

In this example for a premium holiday, the officer would receive 20 hours (8 hrs. X 2.5 rate) compensation for an 8 hour day. ( $20 \times \$32.87 = \$657.40$ ), which may be taken as follows:

1. Eight hours regular day wages plus 12 hours compensatory time.
2. Eight hours regular day wages plus 12 hours at \$32.87 per hour.
3. Eight hours regular day wages plus 8 hours compensatory time and 4 hours at \$32.87 per hour.
4. Eight hours regular day wages plus 4 hours compensatory time and 8 hours at \$32.87 per hour In the event that an officer works a ten (10) hour work day then the same logic would apply in calculating their compensability.

## ARTICLE 17 Death in Family Leave

In the event of a death in the immediate family of an officer, the officer shall be granted consecutive working days off with pay according to the following schedule:

Officers working a five-day forty hour week, will be granted four (4) consecutive working days off.

Officers working a four-day forty hour week, will be granted three (3) consecutive working days off.

The immediate family shall be defined as mother, father, legal spouse, child, brother, sister, half-siblings, grandparents, spouses' grandparents, great-grandparents, spouses' great-grandparents, mother-in-law, father-in-law, grandchildren, step-parent, step-children and other members of the immediate household residing with the officer.

Unless exclusive permission is received from the Chief of Police, the working days as outlined by this Section shall be taken within fourteen (14) calendar days from the date of the death of the family member.

Officers on military leave during the time of death of an immediate family member shall not be entitled to the provisions of this Article.

In the case of a death of friends or relatives outside the immediate family, or if an officer wishes to perform service as a pallbearer, an officer may request other types of accrued leave. The leave must be approved in advance by the officer's supervisor.

**ARTICLE 18**  
**Court and Call-Back Pay**

**Section 1.**

"Call back" as used in this Article means an officer having been released from duty for fifteen (15) or more minutes and called back to report to duty by an appropriate supervisor or authority. Officers failing to complete assigned duties and/or tasks within their assigned tour of duty and are called back or held over to complete the assigned duties and/or tasks within fifteen (15) minutes from being released from duty are not subject to "call-back" as outlined in this Article. Additionally, officers who voluntarily report to duty prior to roll call and are ordered to perform a duty and/or task are not subject to "call-back" as provided in this Article. However, officers may submit for time and a half (1-1/2) overtime extending from the end of their tour of duty until such time the assignment has been completed (including court time) and they are released by the appropriate supervisor or from the time they are ordered to perform a duty and/or task upon reporting early to work until the beginning of the tour of duty.

Off-duty court time and call back shall be paid at the rate of time and one-half, with a three (3) hour minimum and paid at double time with a three (3) hour minimum on vacation and relief days.

An off-duty officer who attends court or a pretrial conference and is dismissed for the remainder of the day before three (3) hours time has elapsed is entitled to three (3) hour minimum. An off-duty officer who attends court or a pretrial conference in the morning, is released for lunch, and returns to complete his attendance in court or the pretrial conference, is compensated for the actual time spent in court or conference, inclusive of the time he initially reported until final dismissal by the appropriate authority. For example:

- Off-duty Officer Jones attends 150<sup>th</sup> District Court or Municipal Court 6 at 1000 hours. The judge releases Officer Jones for lunch at 1200 hours with instructions to return at 1300 hours. Ultimately, Officer Jones is dismissed from court at 1400 hours. Officer Jones submits one card for four (4) hours compensation.

When an off-duty officer attends one court and is released or dismissed prior to the expiration of the three (3) hour time frame and is required to attend a second court immediately after the expired three (3) hours, the officer will be compensated for two (2) separate three (3) hour court callbacks, For example:

- Off-duty Officer Sanchez attends 150<sup>th</sup> District Court or Municipal Court 6 at 0800 hours and is finally released at 0900 hours. He then attends 130<sup>th</sup> District Court or Municipal Court 1 at 1100 hours and is dismissed at 1130 hours. Officer Sanchez submits two (2) cards, each for a three (3) hour minimum.

When an off-duty officer is requested in more than one court/pretrial conference on the same day, he will be compensated for attending only one (1), if the other appearance times are within three (3) hours of the first one. For example:

- Off-duty Officer Jones attends 130<sup>th</sup> District Court or Municipal Court 1 at 1000 hours and is dismissed at 1100 hours. He then appears in County Court 2 at 1130 hours and is finally dismissed at 1200 hours, Officer Jones submits one card for three (3) hours compensation.

This provision applies to the following courts in work-related matters or the course of employment only:

- A. District Courts.
- B. County Courts-at-Law.
- C. Grand Juries.
- D. Justice of the Peace Courts.
- E. Municipal Courts.
- F. Civil Service Commission or Arbitration Hearing (when an officer is subpoenaed by the City).
- G. Texas Alcoholic Beverage Commission hearings.
- H. Federal Court.
- I. Administrative License revocation Hearings (ALR).
- J. Pre trial conferences.
- K. Pardon and Parole hearings.

For purposes of this Article, a vacation period shall be defined as any three (3) consecutive days of paid leave (comp. time, holidays, annual leave) and any relief days occurring within that time period which has been previously scheduled in accordance with regular departmental policies. Relief days shall not be counted as a part of the three (3) day minimum specified above, provided, however, any relief days occurring during the scheduled vacation period which covers the time from the last hour worked before the start of the vacation period and continues until the first hour worked after the scheduled vacation period shall be considered a vacation day for the purpose of this Article. Relief day shall be defined as covering the time from the last hour worked before the start of the relief day and continues until the first hour worked after the scheduled relief day for the purposes of this Article unless it occurs within one and a half (1 ½) hours of the end of the officer's duty shift on the last day the officer worked.

An off-duty officer who is subpoenaed for and participates in a telephone ALR Hearing set by a judge will be compensated for one (1) hour at a rate of time and one-half and paid at double time rate if he is on vacation or on his relief day. In the event the telephone ALR Hearing exceeds one (1) hour, the officer will be compensated for the actual time spent testifying in the ALR Hearing.

When an officer is subpoenaed by the respondent to a Civil Service or Arbitration hearing he will be granted compensatory time at the rate of one hour per hour required to satisfy the subpoena to a maximum of three (3) hours.

## Section 2.

It is understood that the Chief is responsible to deliver subpoenas issued by Bexar County and District Courts at an appropriate time to insure that officers are in court only when their presence is required. To accomplish the above, the Chief may place officers on a stand-by not to exceed one (1) hour in the morning and/or one (1) hour in the afternoon. An officer must receive specific notification from court liaison personnel, District Attorney personnel, County Court or District Court personnel, to be on afternoon standby. The "a.m." time is set at 10:00 a.m. to 11:00 a.m. The "p.m." time is set at 1:30 p.m. to 2:30 p.m. Officers placed on stand-by shall be compensated as follows:

- A. Stand-by, off-duty and regular work is one-hour compensation at time and one-half.
- B. Stand-by, off-duty on vacation or relief day is one-hour compensation at double time.

C. When an officer is placed on standby, the officer must be available by his phone during the specified time period. If the officer is not available by his phone during the specified time period, the officer will not be compensated.

D. For an officer to be placed on standby, he must receive specific notification from Court Liaison Detail personnel, from a judge, or from a district/county prosecutor. When an officer is placed on standby by a judge or district/county court prosecutor, he must notify the Court Liaison Detail.

E. Officers who are notified by court liaison to appear in court and are subsequently canceled by a proper authority will receive the following:

1. If canceled after 4:30 p.m. of the day before the assigned court appearance date, compensation will be paid according to Section 2, A or B above.

2. If canceled upon arrival at the assigned court, Section 1 of this Article applies.

### **Section 3.**

When an officer, on off-duty status, is required to be on stand-by for several days in succession on the same subpoena, compensation may be claimed as in Section 2 above, for each successive day on standby at the applicable rate. Approval for standby for more than three (3) days must be received from the Court Liaison prior to being on standby.

### **Section 4.**

Officers who are subpoenaed by other jurisdictions and have received compensation from those jurisdictions shall not be entitled to compensation as provided in this Article unless the officer turns over all funds received from the other jurisdiction to the office of the Chief of Police and validates his attendance by completing the necessary forms.

### **Section 5.**

For purposes of this Article, an officer shall be paid for all hours worked, including travel time, when traveling to courts outside a sixty (60) mile radius of the city.

## **ARTICLE 19 Clothing Allowance**

The clothing allowance shall be \$480.00 per year, payable monthly at \$40.00 per month. In addition, each new officer shall receive an initial clothing allowance of \$480.00.

Effective October 1, 2007, the clothing allowance shall be \$720.00 per year, payable monthly at \$60.00 per month.

**ARTICLE 20**  
**Holidays**

**Section 1. Holiday Accrual.**

Each officer shall be credited with one day of accrued holiday leave for each holiday adopted by the City Council for each year. Any officer whose start time for the work shift is on a premium holiday shall receive regular pay plus one and one-half times their base pay plus longevity (with the accrued holiday plus ½ time in pay or compensation time, or without the accrued holiday in pay or compensatory time, at the officer's discretion). Any overtime accrued in excess of the officer's regular duty hours, during the premium holiday, shall be at one and one half (1 ½) times their base pay plus longevity (in pay or in compensatory time at the officer's discretion).

Premium Holidays include:

1. New Year's Day,
2. Easter Sunday,
3. Independence Day,
4. Thanksgiving Day,
5. Christmas Eve Day,
6. Christmas Day,
7. New Year's Eve Day

**Section 2. Hours of Holiday.**

For purposes of this Article, holiday pay and premium holiday pay shall be paid to the officer if the start time for the officer's work shift begins during the holiday or premium holiday. Holiday and premium holiday pay shall be paid according to Article 16.

**Section 3. Staffing of Holidays.**

The Chief has sole discretion to staff the Department on scheduled City holidays in accordance with Article 7, Section 1(A), of this Agreement. Such assignments are not subject to grievance or arbitration procedures. Any decrease in staffing on these days will be done by reverse seniority within the details of the unit. Article 12, Seniority, Section 2, applies to this section in that no junior officer will be bumped out of working a premium holiday, if the senior officer has not been assigned to the section, unit, or detail six months prior to the premium holiday.

**ARTICLE 21**  
**Vacations**

**Section 1.** The City shall provide officers vacation time on the basis of the following schedule:

Completed Years of Service	Vacation Time
1 through 10	124 working hours
11 through 15	164 working hours
16 & Over	204 working hours

Effective October 1, 2007, the City shall provide officers vacation time on the basis of the following schedule:

Completed Years of Service	Vacation Time
1 through 10	126 working hours
11 through 15	166 working hours
16 & Over	206 working hours

**Section 2.** Vacation time shall be accrued and credited as follows:

A. Officers having 1 through 10 years of completed service shall accrue vacation at the rate of ten (10) hours per month.

B. On the date an officer completes ten (10) years of service and on each anniversary date thereafter, he will be credited (on a lump sum basis) with forty (40) additional hours of vacation time.

C. On the date an officer completes fifteen (15) years of service and on each anniversary date thereafter, he will be credited (on a lump sum basis) with forty (40) additional hours of vacation time for a total of eighty (80) hours.

D. For purposes of this Article, anniversary date is defined as the annual anniversary of the officer's beginning probation with the Department.

## ARTICLE 22 Miscellaneous Leave Provisions

**Section 1. Leave Policies.**

All other leave policies in effect at the beginning of this agreement year shall remain in effect for the duration of the Agreement.

**Section 2. Leave Pay Upon Separation.**

A police officer who leaves the classified service for any reason shall receive a lump-sum payment in the full amount of his ending salary for the period of his accumulated compensatory time, holidays, sick leave (in accordance with entitlements as provided for by statute), bonus days, and vacation time, provided that such payment, in the case of vacation time, shall be based upon not more than ninety (90) days of accumulated vacation leave. The beneficiaries of any police officer who loses his life as the result an injury or illness in the course and scope of employment shall be paid the full amount of his salary for the total number of his days of accumulated leave.

**Section 3. Leave Buy Back.**

The City will buy back or convert either in "pay" or in "other forms of leave," at the officer's discretion up to ten (10) unused sick leave days for the preceding year (October 1 to September 30) on a one-for-one basis provided that the officer requests same in writing on a form provided by the City by the end of the first pay period in October; and the officer has a balance after the buy back of not less than fifty (50) accumulated sick days. In addition, the City will buy back or convert either in "pay" or in "other forms of leave," at the officer's discretion up to five (5) remaining unused sick leave days for the preceding year (October 1 to September 30) on a two-for-one basis, provided that the officer requests same in writing, on

a form provided by the City, by the end of the first pay period in October; and the officer has a balance after the buy back of not less than fifty (50) accumulated sick days. Effective October 1, 2007, sick leave buy back will be paid at the regular rate of pay, which includes the incentive pay used in overtime calculations, applicable to the officer at the time the payment is actually paid to the officer for the leave buy back.

The City shall distribute funds in cash or as other forms of leave. The City agrees to allow officers to adjust their paycheck the pay period before or after the sale of leave days in order for the officer to make contributions to their deferred compensation plan.

The Accounting Unit will run in the Daily Bulletin during the month of September notification to the officer to file, in writing, for the buy back. An officer may not "sell" back sick leave accumulated prior to the year (October 1 to September 30) and may only "sell" back those unused days of the fifteen (15) days currently accumulated. The City will pay the officer his amount due at the same time as other City employees are paid for their sick leave buy back but not later than Christmas Eve day.

**Section 4. Bonus Days Leave.**

Each officer shall be entitled to one (1) additional day of leave for each quarter of a calendar year (beginning January 1) of "perfect attendance". Officers off from duty for one of the following reasons are not eligible to receive the one (1) day perfect attendance bonus: time off for sick leave; off-job injury leave; military leave in excess of fifteen (15) days in a calendar year; leave without pay; stress leave; and suspensions. Full vacation days, holidays, and/or compensatory time usage that has not been scheduled and documented by the supervisor prior to the end of that officer's preceding day's shift will disqualify an officer from receiving the perfect attendance bonus. Holidays, relief days, special assignments, administrative leave (with or without pay), and time restored by the Commission or an Arbitrator shall not affect the officer's entitlement to the perfect attendance bonus.

A day as used in this Section of this Article shall equate to eight (8) hours, regardless of the number of hours in an officer's daily work schedule. An officer may accumulate no more than 400 hours of perfect attendance bonus day time.

In the event that an officer has reached the maximum number of Bonus Days that may be accrued, the excess Bonus Days may be converted to vacation leave or holiday leave at the discretion of the officer.

**Section 5. Compensatory Time Accrual.**

Each officer may accumulate 480 hours of compensatory time.

**Section 6. Holiday Leave Accrual.**

Each officer may accumulate up to a maximum of three hundred and twenty (320) hours of holiday leave at the rate of eighty (80) hours per year.

**Section 7. Leave Conversion.**

For purpose of clarification only, the following chart details the type of leave and what amounts over the accumulated maximum may be converted into at the discretion of the officer. Officers who have maximum accumulation in leave accrual that cannot be converted into other categories because of maximum accumulation in those categories are subject to Section 8 of this Article.

- Holiday (320 maximum hours) into Vacation
- Vacation (720 maximum hours) into Holiday
- Bonus Day (400 maximum hours) into Vacation/Holiday
- Sick (1:1) (as applicable per Section 3 above) into Compensatory Time/Holiday/Vacation

**Section 8. Savings Clause.**

No officer covered by this agreement shall lose any holidays, vacation, or compensatory time he accumulated during the duration of this agreement that exceeds the maximum permitted accrual amount allowed by this Agreement, unless, after being given written individual notice to take the holidays, vacation, or compensatory time within a specified period not less than thirty (30) days, the officer fails to do so.

**Section 9. Injury-on-Duty Leave.**

Any officer may be granted Injury-on-Duty (IOD) Leave by the Chief of Police after three hundred and sixty-five (365) calendar days from the original date of injury if:

A. Medical documentation from the officer's physician is provided showing additional medical treatment or procedures are needed and are as a result of the original injury.

B. When presented with such medical documentation, the Chief shall have the right to require the officer to be evaluated by a physician as designated by the City for confirmation of the findings of the officer's physician. Should the determination of the City's designated physician be different than that of the officer's designated physician, the two of them shall select a third physician who shall be supplied all pertinent and relevant records of the officer. This third physician shall evaluate said records and, if necessary as determined by him, conduct an additional medical evaluation of the officer involved. The determination of this third physician shall be final and binding on parties and not subject to appeal to the Commission and/or grievance and arbitration as provided for in this Agreement. Should the determination of the third, independent physician agree with the officer's physician, the City shall bear the cost of this third physician's evaluation.

If this third physician's evaluation agrees with the evaluation of the City's designated physician, the cost of the third physician's evaluation and examination shall be borne by the officer.

C. The officer will not be charged any sick leave during any second or other occurring period of an original IOD incident, but will be granted immediate IOD leave.

D. If it is determined by licensed physicians and reviewed by the Chief of Police that the second or subsequent treatment period is not a result of the original injury, the officer will have the IOD time rescinded and charged sick time. In the event the officer has no sick time on the books, he will forfeit any other type of accumulated leave on the books to equal this IOD time taken off. In the event the officer has no time on the books, he or she shall pay back the time at one-half of all vacation, holiday, and sick time accumulated until all IOD leave is satisfied.

E. The Chief of Police shall have the final authority and it will no longer be necessary to submit such requests to the City Manager's office, or City Council, for approval and extended IOD leave. In the event such additional IOD leave is denied, the employee will retain the right to appeal the denial to the City Manager and City Council.

**Section 10. Jury Duty.**

A leave of absence, without loss of regular pay, shall be granted to an officer upon his actual jury duty service, unless excused therefrom; provided, however, that such officer waives or remits to the City his jury fee and provides proof of jury service verified by the court liaison section and submitted to Police Accounting.

**Section 11. Sick Leave Pool.**

Each officer shall accumulate fifteen (15) days of sick leave, with pay, per calendar year.

When the total number of sick leave pool days drops below seven hundred (700), one (1) day of sick leave with pay from each officer participating in the program shall become part of the sick leave pool, and any remaining days shall continue to be credited to the individual officer.

Officers having opted not to participate will not, under any circumstances, be allowed to enter the pool at any later date. Any officer who voluntarily drops out of the pool may not, under any circumstances, be allowed to re-enter the pool. Notification to the Accounting Unit must be provided, in writing, by the officer who drops out of the pool. The Accounting Unit shall include a copy of this report in the officer's file, and must forward a copy to the Chief's office for inclusion in the officer's permanent "201" file. A copy must also be sent to the Association within thirty (30) calendar days of the date the officer requests to drop out of the sick leave pool. No officer shall be eligible to draw sick leave pool days until one (1) of his sick days is credited to the pool.

Upon completion of the initial two-month period of employment after graduation from the Academy, each officer shall have one and one-half (1.5) days of sick leave credited to the pool. In the event of separation from employment prior to completion of the probationary period, the City may adjust the pool for any sick leave credits not actually earned by the contributing probationary officer. When an officer retires or dies, any sick leave accumulated by the officer that would have otherwise been forfeited shall be credited to the sick leave pool.

The Chief of Police and the President of the Association shall each appoint an equal amount of officers to a committee in rank to administer the sick leave pool. The committee shall then elect a chairman. The resulting vacancy will be filled by the opposite appointing officer from that receiving the chairmanship. Example: If the Chief of Police appointee is elected chairman, the Association President shall appoint for the created vacancy.

The Chief of Police will select one sergeant, one detective and one patrol officer. The Association President will select one detective and two patrol officers. In cases where an officer applies for sick leave pool benefits and holds a rank higher than sergeant, the Chief and President of the Association will each appoint one person of rank equal to or higher than held by the requesting officer.

All committee members shall be appointed on or before October 1 of each year and shall serve one-year terms. Any vacancies occurring during the course of the term shall be filled within twenty-one (21) calendar days. No person shall be allowed to serve more than one (1) consecutive term. The City shall indemnify, defend, and hold harmless each committee member.

The following requirements determine when a committee may consider when sick leave pool days may be drawn. A decision by the committee shall be final.

A. Officers may be considered for sick leave pool days after taking off fifteen (15) consecutive working days (or comparable hours) of continuous non-job-related illness or injury. The fifteen (15) consecutive working days used for eligibility shall not be refundable by committee or otherwise.

B. No officer shall be permitted to use more than 180 pool days for a single illness or injury.

C. Pool days may not be used for injuries or illnesses sustained in the line of duty.

D. The number of days in the pool shall be solely for the benefit of officers with extended injuries or illnesses, and such days shall not revert to the accumulated sick leave of individual officers.

E. Pool time may only be used for disability, which is defined as a non-job-related injury or illness, which prevents an officer from fully performing assigned duties in all major divisions of the department.

F. The committee chairman may at any time or at the request of the Chief of Police reconvene the committee for further consideration should evidence come forward that would affect the outcome of a committee decision after a decision has been reached. The committee by majority vote may extend, reduce, approve, cancel, or deny a pool usage, as the evidence requires.

G. Officers desiring consideration for pool usage may be required to submit to medical examination by a City doctor and may be required to produce medical records, doctor's orders, and any other material necessary to render a decision by the committee.

H. Upon any officer being absent from duty ninety (90) working days as a result of a single illness or injury, the Chief may require the officer to submit to a medical examination to determine whether the officer is permanently disabled. When it is determined that an officer is permanently disabled, the Chief shall be entitled to terminate or retire the officer, whichever is applicable, according to law existing.

## **Section 12. Leaves of Absence.**

The Chief may grant a leave of absence, without pay, to a maximum of five (5) officers, which granting shall not be unreasonably withheld. The primary purpose of which shall be to provide to the officer with additional education in law enforcement-related areas. Request for leave under this section for the purpose of the officer continuing full-time formal education at an institution of higher learning shall be given priority. The duration of the leave shall be for a period of time as determined by the Chief, but in no event for a period to exceed three (3) calendar years. Should the leave be for the purpose of pursuing continued formal education at an accredited college or university of higher learning, the leave shall be granted on a semester-by-semester basis.

A leave of absence under this Section shall not be considered a break in service for promotional or seniority purposes. Officers on leave of absence shall not be eligible to apply for or take promotional examinations while on such leave.

An officer on an approved leave of absence under this Section must return to regular assignment with the City for a period at least equal to the length of his leave. Should an officer fail to return to his regular assignment for such period, the leave taken shall be considered as a break in service for purposes of promotion, seniority, pay, and/or pension.

The Chief of Police may recall an officer from a leave of absence granted under this Section in the case of an emergency for the duration of the emergency.

Officers on leave of absence may continue pension payments, and the City shall match such payments according to the requirements of state law. However, all other forms of compensation shall be withheld until such officer returns to full-time status with the Department.

## **ARTICLE 23**

### **Working in a Higher Classification**

#### **Section 1. Definitions.**

“**Vacancy**” is an encumbered position that is not currently filled.

“**Absence**” is a position that is currently filled but the individual currently occupying that position is not currently present for duty.

“**Investigative assignment**” is any assignment that requires investigation where that individual, as part of his job assignment, is from time to time responsible for filing a charge and disposition if one is necessary.

“**Undercover assignment**” is any assignment that requires investigation where that individual, as part of his job assignment, will work in plainclothes without revealing his identity or occupation in furtherance of an assigned police function and is working for a unit within Criminal Investigation and Intelligence.

Support and assistance functions shall include telephone answering, transport of materials or property, initial or follow-up information intake, or filing or copying functions.

#### **Section 2. Acting In A Higher Position.**

When an absence occurs in the positions of Sergeant, Lieutenant, Captain, Deputy Chief or Assistant Chief, and said absence continues from day to day for a period in excess of seven (7) calendar days, the Chief shall assign an officer to act in the capacity of the absent position. [If it be determined that an absence will continue in excess of seven (7) calendar days, and said position is determined by the Chief to be of critical importance, he may, at his sole discretion, fill said absence by appointing from the first day of absence. If another officer of the equivalent or higher rank is in a position to assume the responsibilities of the absent officer’s position, then the Chief is not required to assign an officer to such position. During service in the acting capacity, the officer, so assigned, shall be compensated at the base salary of the higher position, plus his or her own longevity or seniority pay beginning on the rate of such acting assignment by the Chief. Excepted from this provision is any absence created by operation of Article 3 of this agreement.

If a vacancy is not filled within thirty (30) calendar days in the rank of Sergeant, Lieutenant, Captain, Deputy Chief or Assistant Chief, and the position is not eliminated, then the Chief shall appoint temporarily from the next lower rank some officer to fill that position until a permanent officer is assigned to fill said vacancy.

#### **Section 3. Temporary Investigative/Undercover Assignment.**

A. When an officer holding the rank of Patrol Officer is temporarily assigned to perform investigative, or undercover work, outside his/her regular duties in the Criminal Investigative Division,

the Traffic Investigation Unit, or Intelligence Unit (or its successors in function) said officer shall be compensated at the base salary of a Detective Investigator with the longevity or seniority pay of his/her permanent rank for all hours worked in that assignment beginning on the date of such acting assignment.

B. The City is entitled to assign Patrol Officers to support and assistance functions in criminal investigative divisions without paying higher classification pay. The City may also assign Patrol Officers within the department, for support and assistance functions, as workload requires, without paying higher classification pay.

C. It is understood and recognized that the City may assign Patrol Officers to undercover functions within the department, or with outside agencies, provided that higher classification pay shall be applicable.

#### **Section 4. Exceptions and Grievability.**

A. All appointments to a higher classification position shall be done in writing with the approval of the Chief of Police. No officer will be paid for the performance of higher level work without prior written authorization. The Chief of Police shall unilaterally determine the guidelines for working in a higher classification position and the procedures for which such authorization will be obtained.

B. Any officer who works voluntarily in an assignment for which sole compensation is in an overtime capacity shall not be eligible to receive higher classification in addition to the overtime pay. (i.e. Patrol officer working overtime vice assignment will only receive their normal overtime rate for hours worked in said assignment.)

#### **Section 5. General.**

A. A position may not be occupied by officer(s) of lower rank, as described above for a period in excess of one hundred and eighty (180) calendar days except for officers working for or assigned to outside agencies (i.e. Drug Enforcement Administration, Federal Bureau of Investigation, etc.) or officers working temporary undercover assignments for the Police Department.

B. An officer who works in the acting capacity of a higher position will only be compensated for the hours or days that the officer actually works in that position and is present to carry on the duties of the higher position. Officers will be compensated in whole hours with a minimum of one-hour. Any hours actually worked over four (4) shall be compensated for a full day.

C. If an officer requests in writing the assignment of appropriate supervision and his request is unreasonably denied, the Chief of Police shall review such request and make the determination if appropriate supervision is available and make such adjustment as deemed necessary to rectify the situation. This may be accomplished by making a temporary higher classification appointment, a reassignment or any other action as determined by the Chief of Police. The determination by the Chief of Police shall be final and not subject to a grievance.

### **ARTICLE 24 Initial Probationary Period**

#### **Section 1. Police Cadet.**

Prior to becoming a Police Officer (probationary), Class 601, an employee is a Police Cadet (602) (civilian) and is not in the bargaining unit. Upon successful completion of the requirements of Police

Cadet, the employee becomes a Police Officer (601) (Probationary). On becoming a Probationary Police Officer (601) he/she shall serve a fifty-two (52) week probationary period.

**Section 2. Police Initial Probationary Period.**

The fifty-two (52) week period following completion of the Police Academy shall consist of time spent by the officer in the performance of "service" for the City. Thus, periods in excess of fifteen (15) working days spent on leaves, vacations, suspensions, and/or other such absences during which the officer performs no "service" for the City or within the period the officer is assigned to "light duty" status shall be excluded from determining whether or not the officer has completed the fifty-two (52) week period herein specified.

**Section 3. Special Assignment.**

During the fifty-two (52) week initial period, the officer will be assigned to performing actual police patrol duties and shall not be eligible for any other special assignment during the term of this initial period.

**Section 4. Non-Supplanting.**

In no event shall probationary patrol officers supplant assigned positions or relief days. Probationary officers may only assume the Field Training Officer's relief days while actually riding with the Field Training Officer or temporary RD's as assigned by the Patrol Assignment Coordinator for training and review procedures.

**Section 5. Probationary Dismissal.**

Following graduation from the Police Academy, during the officer's probationary period (the initial thirty (30) weeks following graduation) and during the twenty-two (22) weeks next following the completion of said probationary period, an officer may be disciplined or discharged without written notice and/or without cause at the discretion of the Chief. Such action shall not be reviewable by an arbitrator, the Commission, or any court. An officer does not become entitled to protection against discipline or discharge by the provisions of the civil service law or this agreement, except upon completion of said fifty-two (52) week period. Upon successful completion of the full fifty-two (52) week period, the officer shall be eligible for all rights under this agreement.

**Section 6. Probationary Direct Deposit.**

Upon completion of the requirements of the initial Academy, all officers shall be entitled to request the City to make direct deposits of their payroll checks, as are other non-probationary officers.

**ARTICLE 25  
Field Training Officers**

**Section 1. Field Training Officer Program.**

The Chief shall continue the Field Training Officer Program (FTOP) as a section of the Police Academy. The FTOP function will be to reinforce and update training given in the Academy in field operations. The primary purpose of the Program is to complete the education and training of probationary officers. Additionally, the program may be used to conduct continuing or remedial education or training for other

Department personnel. While patrol officers may be used as Field Training Officers (FTO's) to conduct such training and education, they may not be used to supervise, investigate, or perform other duties performed by higher-ranking officers.

**Section 2. FTO Minimum Requirements.**

The minimum requirements for FTO's shall be established by the Chief, and any officer meeting such requirements shall be considered for a position in the program. Positions will be filled from qualified officer applicants based upon the standards enunciated by the Chief. The selection and removal of an officer from the FTO program shall be at the discretion of the Chief and not subject to the grievance procedure. There shall be a minimum of eighty (80) FTO's in the Department.

**Section 3. Hours and Assignment, Emblem, and Voluntary Service.**

The hours and assignment of FTO's shall be at the discretion of the Chief, realizing the need to accomplish the training and education of bargaining unit members as the primary purpose of the program. Officers assigned to the program shall be identified by an appropriate badge and/or emblem. Service as an FTO shall be voluntary.

**Section 4. FTO Coordinator.**

The program will be headed by a "Coordinator" who shall hold the rank of Lieutenant or above. The Coordinator shall have the power to recommend to the Chief the dismissal of any officer from the program on the basis of the officer's record while serving as an FTO.

**Section 5. Field Training Officer Pay.**

All officers permanently assigned to the FTO program, including the Coordinator, shall receive a \$265.00 per month pay supplement, in lieu of any compensatory time as previously provided.

**ARTICLE 26  
Promotional Probationary Period**

**Section 1.**

There shall be a six (6) month probationary period for all civil service promotional ranks commencing the date the officer is actually promoted. Salary, benefits and seniority within the promotional rank commences the date the officer was eligible for the promotion pursuant to this Agreement and Chapter 143 of the Local Government Code. During the promotional probationary period, an officer may be demoted by the Chief to the rank from which he was promoted on the basis of the officer's inefficiency, incompetence, or inability to supervise.

**Section 2.**

In the event that an officer is demoted under Section 1 above, said officer may file a grievance pursuant to the grievance procedure in this Agreement. If the grievance proceeds to Section 4 of the grievance procedure, the officer shall only raise to the arbitrator the issue of whether or not the officer was demoted for some reasons other than inefficiency, incompetency, or inability to supervise. The burden of proof shall be on the officer to demonstrate that the demotion was for some reason other than inefficiency,

incompetency, or inability to supervise. In the event that the arbitrator rules that the demotion was for some reason other than incompetency, inefficiency, or inability to supervise, the arbitrator shall rescind the demotion and restore the officer to the promotional rank from which the officer was demoted.

### **Section 3.**

Upon demotion while holding a probationary promotion, an officer shall resume the competitive rank from which appointed and the salary shall be in accordance with said competitive rank with service time credited as continuous time in that competitive rank and with all salary increases to which the officer would have been automatically entitled had the officer continuously remained in said competitive rank.

## **ARTICLE 27 Disciplinary Actions**

### **Section 1.**

The Chief shall have authority to demote and/or suspend not to exceed forty-five (45) calendar days, or indefinitely suspend (as provided for in Chapter 143 of Local Government Code) any officer for the causes set forth in the Rules and Regulations of the Commission. The officer may appeal such actions, if any, as provided for herein. Nothing contained herein prevents the Chief and the accused officer from reaching an agreed settlement on any matter so long as both parties concur in writing in advance of said settlement. Officers suspended for three (3) days or less who appeal the suspension shall not serve the suspension unless a suspension with loss of pay is awarded by an arbitrator.

### **Section 2.**

Prior to any such disciplinary action, the officer shall be given notice of contemplated disciplinary action by personal service, stating the action or actions contemplated and the reasons therefore, and notifying the officer that he may rebut the charges to the Chief, either orally, or in writing, within seven (7) calendar days. If the Chief should be unable to secure personal service after due diligence, service may be made by placing the notice in the mail addressed to the officer's last known address along with delivery of the statement to the Association, and proof of such service shall be sufficient to support any disciplinary action.

### **Section 3.**

After the notice and opportunity for rebuttal provided in the preceding paragraph, the Chief may demote, suspend, or indefinitely suspend an officer by personal service on the officer of a written statement of charges. If the Chief should be unable to secure personal service after due diligence, service may be made by placing it in the mail addressed to the officer's last known address along with delivery of the statement to the Association, and proof of such service shall be sufficient to support any disciplinary action. Service of notice in accordance with this section shall constitute suspension or other disciplinary action for purposes of adherence to any contractual or statutory limitations period. A copy of such statement shall be promptly filed with the Human Resources Director of the City.

### **Section 4.**

The written statement shall point out the particular rule or rules alleged to have been violated by the officer and the specific act or acts alleged to be in violation. In the event of demotion, suspension, or indefinite suspension, the statement informing the officer of disciplinary action and the reason(s) therefore shall also inform the officer that an appeal may be had by filing same in writing with the Human

Resources Director, within ten (10) calendar days after receipt of said written statement, or, if alternate service is had as provided herein, within ten (10) calendar days from service upon the Association.

#### **Section 5.**

For the purposes of this Article, the term arbitrator shall mean the same as a third-party hearing examiner as referred to in Chapter 143 of the Local Government Code. Appeal from demotion, suspension or indefinite suspension shall be decided by one (1) arbitrator, selected according to this agreement. Upon receiving an appeal from the officer, the Human Resources Director shall act promptly to notify the Association, the Chief, and the City Manager of the appeal.

Within ten (10) calendar days of the execution of this Agreement, a panel of ten (10) arbitrators will be established by the City and the Association, either by agreement, or by striking names from a list of twenty (20) names, ten (10) names being submitted by each party. The Association will strike the first name. Persons whose names are submitted to act as arbitrators under this Agreement, must be Texas residents, and must be qualified to hear labor arbitrations through the American Arbitration Association.

The established panel of arbitrators will expire at the end of this Agreement. The City and the Association may fill any vacancy which occurs on the panel by agreement, or when two (2) vacancies occur, by striking names from a list of ten (10) names, five (5) names being submitted by each party, with the Association striking the first name. The parties by mutual agreement may permanently remove one or more panel arbitrators at any time.

#### **Section 6. Arbitration Process.**

- (a) Suspensions of forty-five (45) calendar days or less.

If the officer chooses to appeal a suspension of forty-five (45) calendar days or less to an arbitrator, the officer and the Chief may attempt to mutually agree on a particular arbitrator. If the parties fail to agree on an arbitrator within seven (7) calendar days after the day the appeal is filed, the Human Resources Director will select as arbitrator, by rotation, the name of the next arbitrator from the list of ten (10) pre-selected arbitrators. The arbitrator must be promptly notified of his or her selection, and asked to provide available dates within the next ninety (90) calendar days for the arbitration to be heard.

If the officer and the Chief cannot agree within ten (10) calendar days on a date for the hearing from the list of dates offered by the arbitrator, the parties must promptly schedule a telephone conference between the arbitrator, and the arbitrator will set a date for the hearing within the next one hundred and twenty (120) calendar days.

The parties will not have ex parte communication with the arbitrator. Communication with the arbitrator will be through the counsel for the Chief and the counsel for the officer jointly.

No briefs shall be filed and the arbitrator shall issue an award within seven (7) calendar days of the conclusion of the hearing for panel arbitration. The parties may waive this requirement by mutual agreement in writing.

- (b) Indefinite suspensions and demotions.

If the appeal is for arbitration of an indefinite suspension or demotion, the counsel for the officer and the counsel for the Chief shall attempt to mutually agree on an arbitrator. If the parties fail to agree on an

arbitrator within fourteen (14) calendar days after the appeal is filed, the Director shall promptly request a list of seven (7) qualified neutrals from the American Arbitration Association.

The parties may mutually agree on one of the seven (7) neutrals. If they do not so agree, the parties shall alternately strike the names on the list within twenty-one (21) calendar days after receipt of the list, and the remaining name shall be the arbitrator. All parties shall act to complete the selection process at the earliest possible date. The arbitrator shall be promptly notified of his selection.

Nothing herein prohibits an officer from opting to appeal an indefinite suspension or demotion to a panel arbitrator, if in the notice of appeal the officer elects to take the next available arbitrator on the panel.

#### **Section 7.**

The hearing shall be commenced, but need not be completed, within ninety (90) calendar days of the arbitrator's selection. Delay in commencement of the hearing within these time periods may occur due to unavoidable conflicts between the arbitrator and the parties' schedules, or by mutual agreement of parties and for no other reason. However, if the arbitrator selected cannot commence the hearing within ninety (90) calendar days from his selection, and there is no agreement to extend the hearing to a later date by the parties, the parties shall attempt to agree on a substitute arbitrator. If the parties cannot agree upon a substitute within seven (7) calendar days of so learning, another arbitrator shall be selected from a new list of seven (7) names promptly requested from the American Arbitration Association, according to the procedure set out herein. The arbitrator shall make an award within thirty (30) calendar days of the close of evidence or after receipt of briefs if any in standard arbitration hearings, and within seven (7) calendar days of the close of evidence in expedited arbitration hearings under 143.057 of the Local Government Code. Post hearing briefs shall only be permitted in standard arbitration hearings, and must be mailed to the arbitrator within such time as is agreed to by the parties, or as directed by the arbitrator.

#### **Section 8.**

A stenographic transcription of the proceedings shall be made only upon written agreement of the parties prior to the commencement of the hearing. Should there be no agreement, the party desiring the transcript may have the transcript made at its sole expense.

#### **Section 9.**

The award of the Arbitrator shall state which particular factual charges he finds to be true, if any, and the particular rules he finds such conduct to have violated, if any. Where the charges are upheld, the award shall state whether the discipline imposed is upheld, or whether some lesser discipline is substituted.

#### **Section 10.**

The following rules shall govern the conduct of arbitration hearings under this Section, and of certain preliminary matters.

A. Upon written request delivered at least seven (7) calendar days prior to the date of the hearing, a party to the proceeding shall provide to the opposing party the names and addresses of witnesses expected to be called at the hearing. In the absence of good or excusable cause, the arbitrator may exclude the testimony of a witness upon the failure of a party to disclose such a witness. The parties, in writing, may request discovery from each other concerning the case. Should the opposing party not agree to provide the requested information within seven (7) calendar days of the request, the request shall be deemed denied. The requesting party may then apply to the Arbitrator who shall order such discovery

as is appropriate to the nature of the case, consistent with, but not bound by, the rules of discovery in Texas civil cases. In considering the application, the Arbitrator shall consider the burden and expense of producing the information, the need of the requesting party, the amount of time available prior to the hearing, and such other matters as he may deem material. In no event shall discovery be requested within seven (7) calendar days prior to the hearing.

B. The Arbitrator shall have the power to subpoena witnesses. Where the subpoena request is not opposed by a party, the Human Resources Director shall issue the subpoena in the name of the Arbitrator and such issuance shall be considered the act of the arbitrator. If the subpoena is opposed, the moving party shall apply to the arbitrator for issuance of the subpoena.

C. In all hearings under this Section, the City shall prove its case by a preponderance of the evidence.

D. All hearings shall be public unless it is expressly agreed in writing by the parties that the hearing shall be closed to the public. In any event, the final decision of the arbitrator shall be public, although public announcement may be reasonably delayed upon request of the parties.

E. Unless otherwise provided in this Agreement, the conduct of the hearing shall be governed by the rules of the American Arbitration Association.

#### **Section 11.**

Unless otherwise provided in this Agreement, the Arbitrator shall have all those powers and only those powers vested in the Commission under Chapter 143 of the Local Government Code and the Commission Rules, with respect to suspensions, terminations, and demotions, with the sole exception of the power to amend such rules.

#### **Section 12.**

Any notice or statement required to be filed by the Chief of Police or the officer in a disciplinary proceeding under Chapter 143 of the Local Government Code, under Commission Rules, or under this Agreement, shall be filed with the Human Resources Director of the City.

#### **Section 13.**

Hearings conducted by the Commission shall be in accordance with Chapter 143 of the Local Government Code.

#### **Section 14.**

With respect to suspensions, indefinite suspension, temporary suspensions as defined in Chapter 143 of the Local Government Code and demotions, the officer shall have such right to appeal the arbitrator's decision to district court as he is given in Chapter 143 of the Local Government Code to appeal the Commission's decision, and no greater right.

#### **Section 15.**

Unless otherwise provided in this Agreement, in cases of conflict, the provisions of this Agreement will control over Chapter 143 of the Local Government Code, and any other civil service provision, and

American Arbitration Association Rules; and Chapter 143 of the Local Government Code, and any other civil service provision, and Civil Service Rules promulgated pursuant to it shall control over American Arbitration Association Rules. Once an officer receives a formal notification from Internal Affairs, the officer may initiate a written request to the Chief to waive the normal investigative track through Internal Affairs for the investigation to be submitted to an expedited disciplinary track, however in no event can the expedited disciplinary track be requested within sixty (60) calendar days of the expiration of the complaint's one-hundred-and-eighty (180) calendar day timeline in Chapter 143 of the Local Government Code. Both the officer and the Chief must agree to submit a matter to the expedited disciplinary track for an expedited disciplinary finding. An expedited disciplinary finding is an agreement by the officer and the Chief that disciplinary action is warranted and enacted, but did not proceed through the conventional track. Any disciplinary action resulting from the expedited disciplinary track must be agreed upon by the officer and the Chief, and must be enacted within thirty (30) calendar days of the parties' agreement to expedite the disciplinary process, but under no circumstances later than the time limitation as expressed and proscribed in Chapter 143 of the Local Government Code, as applicable. Absent an agreement by both the Chief and the officer, the matter will continue through the regular investigative procedure.

#### **Section 16.**

Notwithstanding any other provision of this Agreement, the Chief shall have authority to suspend an officer for a period of not more than ninety (90) calendar days, or implement an agreed disciplinary action, only where the officer agrees to the disciplinary action in writing. An agreed disciplinary action is an agreement between the officer and the Chief that may include, but is not limited to, any one, or combination of, a suspension, demotion, or non-disciplinary actions such as professional counseling, re-training, or re-assignment. The officer shall have no right to appeal such agreed disciplinary actions, and no administrative or judicial body shall have power to review such a suspension or alter the terms of the Agreement.

#### **Section 17.**

Any deadline or time restrictions set out in this Agreement with respect to disciplinary proceedings may be modified by written agreement of the parties. However, neither party may be compelled to waive its right to insist upon the deadline and time restrictions provided by the Agreement.

#### **Section 18.**

Officers suspended up to a maximum of forty-five working days may, at the Chief's discretion, forfeit either accumulated compensatory time, vacation, bonus time or holiday leave equal to the suspension. Approval of forfeiting time by the Chief shall not be unreasonably withheld and may only be denied because of a consistent overall pattern of substandard performance. The officer shall have ten (10) calendar days from receipt of notice of the suspension to decide whether or not he wishes to forfeit accumulated leave or exercise his appeal rights pursuant to Chapter 143 of the Local Government Code or the Grievance and Arbitration Procedures of this Agreement. The provisions of this Article shall apply solely to suspensions which are agreed to by the officer, and no appeal to the Commission or to arbitration may be instituted on suspensions where the officer has forfeited accumulated compensatory, vacation, bonus time or holiday leave pursuant to the terms of this Article.

#### **Section 19.**

Except as provided in this section of this Article, the Chief and City are precluded from the introduction of evidence or otherwise complaining of any acts or occurrences earlier than the one hundred and eightieth (180<sup>th</sup>) calendar day immediately preceding the date on which the Chief suspends the officer.

The Chief may introduce evidence or otherwise complain of any felony Penal Code violation or a felony violation of the Controlled Substance Act committed by an officer so long as the evidence or complaint is filed within one hundred and eighty (180) calendar days of the Department's first knowledge of the act, provided however, that the statute of limitation for criminal judicial action against the officer involved has not expired. This amendment language shall not be applied retroactively. Only upon written notice in the original written statement of the Chief may any act or occurrence be admissible in a disciplinary hearing in accordance with this section. Solely to aid the Commission or arbitrator in the assessment of appropriate discipline and not to prove a charge of a violation of Civil Service Rules or for any other purpose, the Chief and the City may introduce evidence of prior disciplinary actions which have not been set aside on appeal as follows:

A. Where the Chief's original written charges include alleged violations of Civil Service Rules constituting acts of intentional violence, the Chief and the City may introduce prior discipline on such other violations found to have been committed within five (5) years immediately preceding the date of said written charges;

B. Where the Chief's original written charges include alleged violations of Civil Service Rules concerning drug or alcohol abuse, any prior discipline on such violations found to have been committed within ten (10) years immediately preceding the date of said written charges;

C. Where the Chief's original written charges allege acts of incompetence, all prior discipline for acts of incompetence may be introduced by the Chief or the City so long as adequate records are maintained in accordance with Section 20 below, at the time of the act for which discipline was assessed; and

D. Where the Chief's original written charges allege a violation of any other Civil Service Rule, the Chief and the City may introduce prior discipline for a violation(s) of the same rule within two (2) years immediately preceding the date of said written charges, so long as adequate records are maintained in accordance with Section 20 below, at the time of the act for which discipline was assessed.

E. Upon execution of this Agreement, suspensions of three (3) days or less that were not appealed by the officer shall be automatically reduced to a written reprimand two (2) years after the date the suspension was served on the officer if the officer did not have a sustained complaint for the same rule within two (2) years from the date the suspension was served on the officer. Suspensions that were appealed to the Commission or Arbitrator by the officer are not eligible to be reduced to a written reprimand under this Section. The original suspension paperwork sent to the Commission will reflect the conditions of this Section to reduce the applicable suspension to a written reprimand. The reduction of any suspension contained within this subsection does not qualify for any form of reimbursement to the employee.

#### **Section 20.**

The City shall develop records, which, to the fullest extent possible, quantify the work done by each officer in each assignment. Such records shall be available by assignment upon specific request of officers appealing disciplinary actions or their representatives.

#### **Section 21.**

Section 143.056 of the Local Government Code regarding procedures after felony indictment and certain misdemeanor complaints shall be modified to provide:

A. Should the Chief fail to charge the officer with a violation of Civil Service Rules within thirty (30) calendar days following acquittal or dismissal of the criminal charges, the officer shall be reinstated with all back pay and benefits; and

B. In the event an officer has been demoted or suspended, either temporarily or indefinitely, for any action which results in the officer being indicted for a felony or charged with a misdemeanor of Class B or above, no further action may be taken on the officer's appeal until the completion of trial on the merits on those charges; except that a hearing on an officer's appeal may be initiated prior to completion of trial on the merits by mutual agreement between the City and the officer. Delay of an appeal pending the results of criminal proceedings as specified above shall apply both to appeals to arbitration and appeals to the Commission pursuant to this Article.

## **ARTICLE 28**

### **Internal Security Interview Procedure**

#### **Section 1. Investigations Through The Chain Of Command.**

Minor allegations of misconduct made against officers which are of the type set out in the Complaint Matrix contained in the General Manual will be investigated within the officer's chain of command within twenty-one (21) calendar days of receipt of the written complaint. The Captain of the station/section will conduct the investigation under procedures and guidelines set out in the General Manual. Such an investigation of the officer shall be confined to the written complaint, and that complaint only. If the officer is the rank of Captain or above, or if the officer has no Captain in their chain of command, the officer's division commander, bureau commander, or Chief of Police or designee will investigate. Suspensions, if imposed, may be for up to three (3) calendar days. If the accused officer does not agree with the final terms of the contemplated disciplinary decision within five (5) calendar days, the case will be forwarded to the Internal Affairs Unit for further investigation. Suspensions agreed to by an officer may not be appealed to or altered by the Commission, an arbitrator, or by any court. Investigations through the chain of command do not entitle the officer to have an attorney present during interviews with his commanding officer, but nothing herein prohibits an officer from seeking advice from an attorney or an Association representative provided it is within the five (5) day time limit.

#### **Section 2. Internal Affairs Investigations.**

This procedure shall apply to all non-criminal investigations of misconduct by officers.

A. An interview of the charged officer shall take place at a location designated by the investigating officer, usually at the police facility to which the officer is assigned or the Internal Affairs Office. If the officer is required to complete written interrogatories, at the officer's request, such interrogatories shall be provided to the officer on a computer disk so that the officer may complete such interrogatories at a location other than a police facility. The officer must return the completed interrogatories in accordance with a written agreement between the officer and the investigator in charge of the investigation. An officer who requests to complete the interrogatories in this manner will do so during their off duty time and will not be compensated by the department in any way. When the interrogatories are completed, the officer shall return the computer disk and their responses to the investigator in charge of the investigation for review and clarification by either party. The officer will sign the printed copy of the report in the presence of the investigator.

B. The officer shall be informed of the rank, name and command of the officer in charge of the investigation, and the identity of all persons present during the interview. If an officer is directed to

) leave his post and report for interview to another command, the officer's assigned command shall be promptly notified of the officer's whereabouts.

C. The officer under investigation shall be informed forty-eight (48) hours prior to being interrogated or asked to otherwise respond to an investigation of the general nature of the investigation, and sufficient information to reasonably apprise the officer of the allegations shall be provided. The officer shall be allowed to review but not copy verbatim or photocopy any complaints, affidavits, other written statements, GPS/AVL readouts, video recordings, audio recordings, and photographs, which have been gathered as part of the administrative investigation. The officer shall not release the provided information to any person other than his attorney or representative.

D. The interview shall be completed with reasonable dispatch. Reasonable respites shall be allowed. Time shall be provided also for personal necessities, meals, telephone calls, and rest periods as are deemed necessary. Except in exigent circumstances where the seriousness of the complaint warrants an extended interrogation, or when the complaint will expire within sixty (60) calendar days, an officer shall not be required to submit to any single interview for longer than six (6) hours. The interviewing officer shall advise the officer being interviewed of an estimated time for the interview process. Interview sessions may be held on consecutive days until the interview process is completed. Provisions in Subsection A regarding the removal of interrogatories do not apply to this subsection.

) E. The officer shall not be subjected to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions. Nothing herein is to be construed so as to prohibit the investigating officer from informing the officer under investigation that this conduct can become the subject of disciplinary action resulting in disciplinary punishment.

F. In all cases where an officer is to be interviewed concerning an alleged act which, if proven, may result in any disciplinary action, the officer under investigation shall be afforded a reasonable opportunity and facilities to contact and consult privately with an attorney of his own choosing or a representative of the Association before being interviewed. An attorney of his own choosing or a representative may be present during the interview. A representative may not be a police officer who is related to the respondent, or a supervisor with involvement in the incident being investigated. Such representative may not participate in the interview except to counsel the officer, or to assert any rights afforded to the officer under this article in a manner which does not impair the ability of the investigator to conduct the interview and obtain information directly from the officer. At any time during the interview the officer under investigation may request to consult with his attorney or representative in private, prior to continuing the interview, provided that the investigator may impose reasonable limits on such conferences in order to complete a meaningful investigative interview and to obtain a written statement or response from the officer in the officer's own words.

) G. If an officer is or maybe likely to be placed under arrest, that is if the officer under investigation is a suspect or the target of a criminal investigation, the officer shall be given his rights pursuant to the Miranda Decision. Nothing in this subsection shall be construed to limit the authority of the Chief to conduct administrative investigations nor shall anything in this subsection be construed to relieve the officer of his obligation to fully cooperate with said investigations, to comply with the Rules and Regulations and Procedures of the San Antonio Police Department, or to provide thorough, complete and truthful responses to requests for written statements and written interrogatories in connection with said administrative investigations. In all investigations where the officer is subject to a companion or concurrent criminal investigation, the Department shall ensure that any officer's statement gathered as part of the administrative investigation shall not be released to the criminal investigating entity, except as required by a subpoena or required to be disclosed by law or Court decision.

H. The officer under investigation shall be given an exact copy of any written statement he may execute.

I. The refusal by an officer to answer pertinent questions concerning any administrative matter may result in disciplinary action.

J. An officer shall have the right to have the interview tape recorded, provided the officer furnishes the tape and the recorder and advises all parties of the recording prior to the beginning of the interview session. The tapes shall remain in the custody of the Internal Affairs Unit of the Police Department but shall be available for review by the officer or the officer's designated representative in the event the interview may result in disciplinary action, or a grievance.

K. Neither an officer nor a representative of the Chief shall tape record a conversation between an officer and a representative of the Chief without disclosing intent to record prior to the conversation. Possession of a tape recording device within the Internal Affairs Unit, or possession while being interviewed by a representative of the Chief without disclosing its presence at the time of entry into the Internal Affairs Unit or at the time the interview commences outside the Unit shall be prima facie evidence of a violation under this section. Officers violating this section shall be subject to disciplinary action by the Chief.

Nothing in this section is to be construed to limit the authority of the Chief to authorize the wearing of a recording device during the investigation of criminal activity, which may include officer involvement.

L. A polygraph examination may be required of an officer by the Chief only in the strictest confidence and where the complainant, and any complaining witnesses who give a written statement have been examined and found wholly truthful by a licensed examiner. The fact that an examination is ordered or administered and the results thereof shall not be disclosed by the Chief or the examiner to any person, except following execution of a written agreement between the Chief and the examined officer.

M. The Chief's office shall provide written notice, in a sealed envelope, to the individual officer of the final status of any complaint filed with the Internal Affairs Unit where the officer in question had to respond in writing to the complaint.

N. The results of a formal investigation will be forwarded to the Advisory Action Board for recommendations.

### **Section 3. Chief's Advisory Action Board.**

Chief's Advisory Action Board (CAAB) as used in this section shall mean the combined Police portion of the Advisory Action Board and the Citizen's portion of the Advisory Action Board.

A. The Police portion of the Chief's Advisory Action Board shall consist of seven (7) voting members: a Deputy Chief until replaced by a Commander upon implementation, one Captain; one Lieutenant; one Sergeant; one Detective Investigator; and two Patrol Officers. The members shall be appointed by the Chief. The Chief may appoint a Deputy Chief as a Chairperson who will be a non-voting member of the Chief's Advisory Action Board. Those members shall serve for one hundred and eighty (180) calendar days.

B. Except as specifically provided for in this article, the Chief's Advisory Action Board (CAAB) will be conducted in accordance with the San Antonio Police Department's General Manual.

C. Citizen Advisory Action Board

1. This Board shall consist of four (4) members sitting for each Board session. The members to serve at each meeting shall be selected on a rotating basis from a panel of eight (8) citizens of San Antonio appointed as set forth below. The Chairman shall be entitled to alter the rotating list in order to coordinate the schedules of the participants. The Chairman may approve agendas for matters not involving the use of force, bodily injury, or unlawful search or seizure, in instances where workload for the Board makes it necessary, which do not require the attendance of the citizen Board members. The Chairman shall schedule any complaint for civilian member participation, upon request by the officer or the complainant; if it is reasonably possible to do so based on the workload and availability of civilian members. Notice shall be given to the President of the Association. It is understood and agreed that the civilian members shall, nevertheless, be required to hear the full range of disciplinary cases and controversies presented to the Board, in order to develop an accurate sense of context and fairness.

2. Members of the panel for the Citizen Advisory Action Board shall be selected by the City Council, which shall first nominate and submit to the association a list of not less than sixteen (16) individuals for service. The association, or its designated committee, shall have fourteen (14) calendar days to strike the list, approving at least eight (8) individuals. Each party agrees that the selections and the final list shall be representative of the diversity of the community. The City Council may select a new member to replace anyone removed from the panel by selecting from any remaining names on a list previously approved by the association, or by submitting names to the association, which shall have one-week to strike the list, approving a replacement individual.

3. Citizens appointed to serve on the panel shall meet the minimum requirements for eligibility established under state statute for service on the Fire and Police Civil Service Commission and shall take an oath of office as members of the panel. In addition, no person shall be appointed to serve on this panel who has been indicted for a felony or a crime of moral turpitude. Members of the panel shall serve at the pleasure of the City Council, which may remove them, or replace them at any time, with or without cause. Members shall have no right to the position, and shall not be entitled to removal proceedings or a hearing. If not removed or replaced, a member shall serve for a two (2) year period. The City Ethics ordinance shall apply to all members of the Citizen Advisory Action Board.

4. Appointment and selection for the meetings of the Board shall be accomplished in sufficient time to be able to provide each appointee with not less than twenty-four (24) hours of training, including orientation work at Professional Standards, and one shift on the ride along program. The responsibility for the training of each new member of the panel shall fall upon the Commander of the Professional Standards Section.

5. An accused officer has a right to privacy and all members of the CAAB shall respect that right to privacy. Each member of the uniform and citizen Board shall sign a pledge of confidentiality, agreeing to maintain the right of privacy as to privileged matters under applicable law. Any violation of this right shall be grounds for disqualification or removal from the panel, as set forth below. "Right to privacy" shall mean only the right of any accused officer of the department to have the allegations, facts, testimony and evidence brought before the Board held in confidence by the members hearing the case, and shall not extend to include any public information or information imparted to the Board members from public information, or from individuals not officially connected to the Internal Security process. The Chairman shall keep and maintain all records of the Board, and no members shall have or maintain any records other than during the meetings of the Board, or on department premises, in connection with their official duties. This article shall not be interpreted to impair or effect the right of any person, including the citizens on the Board, to make report of facts to the Chief of Police, the District Attorney, or the FBI, or to testify under subpoena,

the rules of discovery, or order of any court; nor shall this article be interpreted to impair or affect the rights of any officer under *Garrity vs. New Jersey* or its progeny and *Miranda vs. Arizona* or its progeny.

6. If any member of the Citizen Advisory Action Board is accused by an officer of a violation of the right to privacy, the Civil Service Commission shall convene and if a determination is made that a member of the Citizen Advisory Action Board violated an officer's right to privacy, then the Civil Service Commission may remove that member. If the breach of privacy involves a direct report of confidential information by the member to the public or the press, removal by the Civil Service Commission shall be mandatory. In any event, the Civil Service Commission shall send a report of its findings and action to the City Council. The purpose of these hearings shall be to protect the interests of accused officers and the complainants, and shall not give rise to any rights on the part of the member accused of a breach of right to privacy.

D. The CAAB shall meet in the Chief's Conference Room, or other designated locations as determined by the Chairperson of the CAAB, in advance, at least twice each calendar month. The Chairperson shall prepare an agenda of cases to be considered, which shall be published forty-eight (48) hours prior to the meeting of the Board. The Chairperson of the CAAB is responsible for notification of all members of the CAAB as to the date and time of each meeting. Notification shall be made forty-eight (48) hours prior to the meeting of the Board.

E. All members of the Chief's Advisory Action Board shall be given the opportunity to review each case that will be presented for consideration subject to the Chief's approval of exceptions, based on workload, as noted above.

F. The Chairperson of the Chief's Police Advisory Action Board shall be responsible for the maintenance of the confidentiality of all files submitted for review by the CAAB.

G. The Chairperson of the CAAB, on recommendation from any member of the CAAB may elect to hear testimony from complainants or defendants. Attendance to these boards meetings where testimony is requested are entirely voluntary and complainants or defendants may elect to remove themselves at any stage of the questioning by either board without fear of reprisal. The Chairperson of the CAAB shall determine the manner in which all meetings shall be conducted and shall be the determining factor as to the hearing of testimony or attendance by any person. No officer or witness shall have the right to be represented by counsel.

H. Each board shall make independent recommendations and forward these recommendations to the Chief of Police. Such recommendations are advisory only and are not binding on the Chief. The Citizen Advisory Action Board may not conduct a separate independent investigation but may recommend to the Chief of Police that further investigations should be undertaken.

I. Any matter which is brought before the CAAB, where a final ruling by the Chief of Police has occurred, the Chief of Police shall direct the Commander of the Professional Standards Section to notify the Complainant(s) and accused officer(s) as to the final disposition of the case within twenty-one (21) calendar days.

"Right to privacy" shall mean only the right of any accused officer of the department to have the allegations, facts, testimony and evidence brought before the Board held in confidence by the members hearing the case, and shall not extend to or include any public information or information imparted to the Board members from public information, or from individuals not officially connected to the Internal Security process. This paragraph shall not impair or effect the right of any person to make a report of

) facts to the Chief of Police, the District Attorney or the FBI, or to testify under subpoena, the rules of discovery, or order of any court.

**Section 4. Chief's City Vehicle Accident Advisory Action Board.**

A. Effective with the execution of this Agreement, the Chief's Advisory Action Board as described in Section 2 of this Article will no longer review cases involving city motor vehicle accidents. All cases involving city motor vehicle accidents previously assigned to the Chief's Advisory Action Board will be assigned to the Chief's City Vehicle Accident Advisory Action Board in accordance with this section.

B. The City Vehicle Accident Advisory Action Board will consist of one (1) Captain, one (1) sergeant, one (1) detective investigator and two (2) patrol officers appointed by the Chief. The Captain shall serve as chairperson. Members shall serve from January through June or from July through December of each calendar year.

C. Except as specifically provided for in this Article, the Chief's City Vehicle Accident Advisory Action Board will be conducted in accordance with General Manual provisions and the Chief's Advisory Action Board outlined in this Article.

) D. An officer will be retrained for an accumulation of points or the number of accidents within a two-year period at the Chief's discretion. The occurrence of two chargeable accidents within a two-year period will serve as a baseline for the Chief or the board to review individual cases and training needs. Ultimately, retraining will be determined on the basis of severity of the accidents, which may drastically differ from one case to another.

**ARTICLE 29**

**Health Benefits**

**Section 1. Police Active Health Benefits Working Group.**

The City and the Association agree in principle that health benefit costs and market based health plans are issues that will be reviewed in the next collective bargaining cycle. The City and the Associations further agree to establish a health benefits working group. The City will provide access to claims information of a statistical and financial nature (consistent with medical privacy laws), third party vendor contracts, and other information necessary to perform its function. The Working Group shall be afforded training opportunities which shall be paid for respectively by each representing organization (Union or City).

The working group will have the following responsibilities:

1. Review City's uniformed health benefit plan usage trends and cost trends.
2. Identify Master Contract Document language clarification issues for discussion in the next round of negotiations.
3. Participate in future Requests for Proposals for vendors as to benefits products and services, by providing input, evaluation and suggestions to the City officials designated by the City Manager to carry out the selection and administration process.
4. Conduct or purchase a health benefits survey of other public entities for comparison with City's plan and design and experience.
5. Create an educational forum to inform officers of the costs associated with health benefits and the increasing need to address increasing costs.

6. Provide the City and the Associations with suggestions regarding possible cost-saving initiatives to incorporate into future benefits programs.

## **Section 2. Active Police Officer Health Benefits**

A. The City shall provide all active Police Officers who are eligible with family medical benefits and shall pay the full cost of said benefits as agreed upon herein. The minimum benefits provided are those as stated in the Master Contract Document for the City of San Antonio, San Antonio Professional Firefighters Association and San Antonio Police Officer's Association Bargaining Unit (hereinafter referred to as "Master Contract Document") which is attached and incorporated herein as Attachment 6. Provisions and benefits specified in the Master Contract Document shall not be reduced during the life of this Agreement; however, the City reserves the right to change carriers or plan administrators at any time at its discretion. While the City is prohibited from reducing the provisions and benefits specified in the Master Contract Document during the life of this Agreement, a determination of what medical service is medically necessary for a particular patient or any reduction in the usual and customary charge for that medical service, will not be construed as a reduction in benefits; provided that the determination is made in accordance with the procedures and criteria described in the Master Contract Document.

B. Active Police Officers covered under this Agreement shall be granted the option of entering into or exiting from the civilian benefits program as provided for by the City to substitute for the basic program as outlined in this Agreement. Said option must be exercised by the active Police Officer during the re-enrollment period between the dates of October 1, and December 31, of each calendar year.

**Section 3.** This agreement, and the Master Contract Document for health benefits adopted herein, shall control the available health benefits during the term of this agreement, for active police officers.

**Section 4.** Health care benefits for active Police Officers shall not be terminated, altered, modified or reduced during the term of the Agreement, except by amendments or successors to this Agreement.

**Section 5.** It is understood and agreed that the provisions of this agreement and the Master Contract Document for health benefits have been drafted in substantial and material reliance upon existing provisions of federal and state law concerning employee health benefits. Any change in federal or state law or regulations which changes the obligations of either party, the applicability or extent of Medicare benefits, or materially alters the assumptions relied upon in negotiations shall entitle the City or the Association to reopen negotiations concerning health benefits.

## **ARTICLE 30**

### **Retiree Health Benefits**

#### **Section 1. Existing Benefits and Transition.**

This article assumes the passage and implementation of substantially the same terms and conditions currently set forth in Committee Substitute House Bill (CSHB) 2751 (hereinafter "pending legislation"). From the date of execution of this agreement until the effective date of such legislation, the contractual provisions previously in effect shall continue in effect. The provisions of the Former Master Contract document, as modified by the pending legislation, thereafter apply until the Board of Trustees of the Fire and Police Retiree Health Care Fund, San Antonio (hereinafter the "Board"), shall make further changes as authorized by the Act. (See Former Master Contract Document attached hereto as Attachment 7.)

Both parties to this agreement contemplate that the Board will adopt a new Master Contract Document in the near future.

## **Section 2. Pending Legislation and Alternate Agreement.**

The City and the Association have agreed upon the terms for providing retiree health insurance, including the contributions, definitions and scope of coverage, and authority of the Board of Trustees as set forth in such pending legislation. In the event that such legislation does not become enacted into law, the parties adopt the provisions of the legislation verbatim as their contractual agreement during the term of this contract, effective on October 1, 2007. Both parties additionally agree to seek and support the implementation of the same terms and conditions for retiree health benefits and fund management by the Board in the next legislative session.

## **Section 3. Retired Police Officer Health Benefits.**

**A. Retiree Benefits.** This Agreement assumes continuing the prefunded retiree benefit program on modified terms of contribution and benefits, as additionally provided for under the pending legislation. The Former Master Contract Document statement of terms of coverage, payments, deductibles and other definitions of benefits for active employees also applies to retirees, subject to future adjustment under the provisions below. The new provisions in this Agreement and the pending legislation (see identified above) for adjustments have been agreed to in order to assure that the long term cost of the benefits provided do not exceed the agreed contribution levels for the City and Police Officers.

Except as provided elsewhere in this Agreement and under the proposed legislation retiree medical benefits shall be secondary to Medicare benefits, to the maximum extent allowable under Federal law. Retirees shall not be required to purchase Medicare coverage if they have not qualified with the full 40 quarters for Medicare, Part A. Upon reaching the age and established qualification criteria for Medicare eligibility, medical benefits under the Former Master Contract Document as primary coverage shall no longer be applicable, and medical benefits provided under the Former Master Contract Document shall convert to secondary coverage only, in accordance with the provisions set forth in the Former Master Contract Document. Once the retiree is eligible for Medicare, the retiree is required to apply for, purchase and maintain Medicare, Part B benefits. The benefits provided prior to Medicare eligibility are stated in the Former Master Contract Document.

Provisions and benefits specified in the Former Master Contract Document shall not be reduced during the life of this Agreement; however, the City reserves the right to change carriers or plan administrators at its discretion. While the City is prohibited from reducing the provisions and benefits specified in the Former Master Contract Document during the life of this agreement, except as provided in the pending legislation; however, any reasonable determination of what medical service is medically necessary for a particular patient, or any reduction in the usual and customary charge will not be construed as a reduction in benefits, provided that the determination is made in accordance with the procedures and criteria described in the Former Master Contract Document and any document authorized by the Board that supersedes it in the future.

**B. Spouses of retired Police Officers** shall be eligible to receive the benefits as set forth in the Former Master Contract Document. Medical benefits shall be secondary to Medicare benefits once the spouse individually qualifies for Medicare coverage. Spouses of retired Police Officers shall pay a portion of the annual health plan to retain coverage at a rate based on the tenure of the Police Officer to whom the spouse was married. Beginning with a Police Officer, who served 20 years or less, the spousal rate will be 30% of the health plan premium (the COBRA formula premium as enumerated in Chapter 2

of the Former Master Contract Document). From 21 years to 30 years of tenure, for each year of tenure above 20, the spousal rate will decrease by 3% of the health plan premium until it is 0% for a spouse of a Police Officer with 30 years of tenure. Once the retired Police Officer becomes eligible for Medicare, the spousal rate will become 0% of the annual health plan premium.

**C.** Spouses of deceased police officers shall be entitled to benefits provided for spouses of retired police officers, in the event that the deceased officer died in the line of duty, or was eligible for retirement at the time of death. Line of duty shall mean any occurrence wherein the officer was exercising the power and authority of a certified peace officer, whether or not scheduled for duty at the time of death. Spouses of officers not eligible for retirement or acting in the line of duty at the time of death shall be entitled to continue coverage by paying the applicable COBRA formula premium (as enumerated in Chapter 2 of the Former Master Contract Document), until death or remarriage.

**D.** Upon retirement, the Police Officer may elect to cover any other eligible dependents (other than spouse) in accordance with the Master Contract Document. The retiree shall pay 100% of the health plan premium (the COBRA formula premium as enumerated in Chapter 2 of the Former Master Contract Document) for each other eligible dependent.

**E. Contributions.** The City has established a trust fund for prefunded retiree health care benefits for all eligible retired Police Officers (hereinafter referred to as "the Fund") and, along with the police officers has increased its contribution levels for the purpose of establishing an actuarially sound retiree health benefit fund, evaluated over thirty years. The parties agreed in principle in 1995 that once an actuarially sound fund was established by current contribution levels, the responsibility for future contributions (made necessary by changes in circumstances, the economy, and the medical care system) would be jointly shared by the parties, and would be quantified and allocated by negotiation in future agreements, as necessary. In keeping with this principle, the contribution levels to the trust fund and their effective dates shall continue at 9.4% (% of base pay + longevity/month) by the City and \$70 per month by each Police Officer until October 1, 2007, and thereafter shall be in accordance with the pending legislation.

**Section 4.** Officers who retire from the San Antonio Police Department and who become employed by the City as a full time permanent civilian employee shall have the option of enrolling in the civilian flexible benefits program provided by the City as primary coverage at which time medical benefits provided under the prefunded retiree program shall convert to secondary coverage in accordance with the provisions set forth in the applicable retiree plan document. A retired police officer may choose not to enroll in the civilian flexible benefits program in which case the medical benefits provided under the applicable retiree plan document shall be primary.

**Section 5.** Medical benefits provided for herein as to retirees and their spouses shall be secondary to Medicare/Medicaid benefits. Once the spouse is individually eligible for Medicare, each such person is required to apply for, purchase, and maintain Medicare benefits. Upon the death of a retiree police officer who became a police officer on or after October 1, 1988, the plan shall pay the applicable Part B Medicare premium for a surviving spouse until death or remarriage. The Plan Administrator may approve any alternate health care coverage provided by the spouse of a retired or deceased police officer, in lieu of Medicare coverage, to comply with this requirement. The health plan will serve as secondary coverage or coverage levels not otherwise provided by Medicare, to the extent permitted by federal law.

**Section 6.** The secondary insurance coverage provisions for retired police officers and spouses shall control available health benefits during the term of this agreement for retired police officers and spouses, except as provided elsewhere in this Article, or as modified by the Board of Trustees or under the proposed legislation.

**Section 7.** Health care benefits for retired Police Officers shall not be terminated, altered, modified or reduced except by amendments or successors to this Agreement, or under the proposed legislation, or as modified by the Board of Trustees.

**Section 8.** It is understood and agreed that the provisions of this agreement and the Former Master Contract Document for health benefits have been drafted in substantial and material reliance upon existing provisions of federal and state law concerning employee health benefits. Any change in federal or state law or regulations which changes the obligations of either party, the applicability or extent of Medicare benefits, or materially alters the assumptions relied upon in negotiations shall entitle the City or the Association to reopen negotiations concerning health benefits.

**ARTICLE 31

The City will provide each on-duty officer with free parking on the Police lot itself or a lot adjacent to the Police building to which the officer is assigned. Should the City decide to conduct such an audit, the Association shall ensure that the Trusts make available to the City all relevant documentation within a reasonable time.

**D. Use of Benefits.** With respect to the Prepaid Legal Benefits, it is understood that no officer may use the benefits for the purpose, in whole or in part, of implementing and/or initiating legal action against the City, any of its agents, officers, and/or assigns.

**E. Exclusive Trust.** The Association shall ensure that all funds paid by the City pursuant to this Section are used for the exclusive benefit of the employees and that said funds shall not be commingled with the funds of any other organization, entity, or Association, nor shall said funds be used for any other purpose other than that provided for herein.

**F. Payment and Change in Plans.** During the term of this Agreement, the Association may change providers for Supplemental Benefits (Dental/Optical and Legal). In the event that the Association makes a proposal to change benefit providers, the Association shall submit the same in writing to the City.

**G. Copies of Trust Plan.** The Association will provide up-to-date copies of the Trust Plan Documents to the Human Resources Department of the City and the Association Office.

**H. Determination Letter.** It shall be the sole responsibility of the Association to maintain the tax- exempt status of the benefit received under this Section. In accordance therewith, the Association shall provide to the City, through its Director of Finance, a copy of the Internal Revenue Service Determination Letter regarding the tax-exempt status of the benefit received under this Section. The City shall receive said letter no later than ten (10) calendar days from commencement of this Agreement.

**I.** In an effort to coordinate the provisions outlined in this Article with the scheduled collective bargaining cycle with the San Antonio Professional Firefighters' Association, due to begin prior to the expiration of that agreement in 2005. The City and the Association agree to reopen any

portions of this Article during such negotiations in order to facilitate the development of a consistent approach and language in both Agreements. The parties shall have the same statutory duty to bargain in good faith as to all issues which relate to the benefits under this Agreement.

**ARTICLE 32**

B. Officers who fail to complete the above requirement(s) shall not be allowed to move into the "Class B" police officer pay status until the requirements are met. The Chief shall have the right to require the officer to produce a copy of the certificate or other valid verification prior to approval for the employee to receive such payments. Only officers who have obtained Texas Instructors Certificate (T.I.C.) through departmental approval will be eligible for T.I.C. pay. Officers who possess T.I.C., whether active or in-active prior to April 1, 2004, will automatically qualify for T.I.C. pay.

**ARTICLE 34  
Psychological and/or Medical Examination**

**Section 1. Psychological and/or Medical Evaluation.**

The Chief shall have the authority at any time to require an officer to submit to psychological evaluation or treatment and/or medical evaluation, at the City's expense, to be performed by a qualified psychologist, psychiatrist, counselor, therapist, or medical doctor chosen by the City. An officer ordered either to submit to such an evaluation or to submit to a "fitness for duty" evaluation pursuant to Section 143.081 of the Local Government Code, must authorize, in writing, the release of the results of the examination to the Chief, as the officer's employer. If indicated by the evaluation, the Chief may order an officer to undergo treatment by an appropriate health care practitioner of the officer's choosing.

**Section 2. Commitment to Effective Drug Interdiction Program.**

The City and the Association agree that officers may be called upon in hazardous situations without warning, and that it is imperative to the interest of officers and the public to ensure that officers are not substances impaired. In order to further their joint interest in protecting officers and the public, the City and the Association agree to mandatory drug testing as described in this section.

One Hundred Percent (100%) of officers of all ranks, including the Chief, shall be susceptible to mandatory drug testing during each calendar year on a fair and impartial statistical basis at the City's expense. The fair and impartial statistical basis (in which each officer has an equal chance of being selected during a calendar year) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent firm hired by the City, and the officer shall be tested upon being selected by the computer.

The City and the Association have a mutual interest in ensuring that drug impaired officers do not perform law enforcement duties. The City and the Association agree that the purpose of the mandatory drug testing policy is not to punish an officer who has not violated the Police Department's rules,

regulations, policies or procedures. The City and the Association are committed to the principle that the mandatory drug testing policy for officers is designed and shall be administered to result in disciplinary action only against those officers who have violated the Police Department's rules, regulations, policies or procedures.

Where an officer appears unable or unwilling to give a specimen at the time of the test, testing will document the circumstances surrounding the inability or unwillingness. The officer will be permitted no more than four (4) hours to provide the sample during which time he will remain in the testing area under observation. Reasonable amounts of fluids may be given to the officer to encourage urination. Failure to provide a sample may be considered a refusal to submit to a drug test.

Officers shall have the right to request that their urine sample be stored in case of legal disputes. The urine sample will be submitted to the designated testing facility where a sample will be maintained for a period of one-year. Officers may at their own expense request to have the test administered at a qualified physician's office or certified testing laboratory, accompanied by the testing personnel provided such testing is administered within five (5) hours after notification by the Chief (and the sample shall be properly handled by a certified testing laboratory).

Drug testing shall consist of a two-step procedure:

- A. Initial screening test.
- B. Confirmation test.

Should a confirmation test be required, the test procedure will be technologically different and more sensitive than the initial screening test.

The City and the Association will agree within one hundred and eighty (180) calendar days as to a SAMHSA/CAP FUDTP certified laboratory selected to conduct drug testing. The laboratory selected shall be experienced and capable of quality control documentation, chain of custody and have a demonstrated technical expertise and proficiency in urinalysis and shall comply with all requirements of SAMHSA/CAP FUDTP. The City shall require any laboratory selected for collecting samples, to conduct a background investigation on those laboratory personnel involved in the collecting or handling of an unsealed sample. In addition, the City shall require any laboratory selected for collecting samples to use only employees who have not been arrested by officers of the San Antonio Police Department or convicted of a felony or misdemeanor crime involving dishonest conduct or possession of illegal drugs to be involved in the collecting or handling of an unsealed sample collected from an officer. Test results shall be inadmissible in any administrative disciplinary hearing if it is determined that the laboratory collecting samples failed to conduct a background investigation on the laboratory personnel involved in collecting or handling the unsealed sample which resulted in a positive test result.

All records pertaining to the department required drug tests shall remain confidential except to the extent used in a disciplinary process and appeal. Drug test results and records shall be stored in a locked file under the control of the Chief. The Chief will maintain original copies submitted by the laboratory. No access to these files shall be allowed without written approval of the Chief.

Nothing in this section shall be construed to prohibit the Chief from conducting a drug test on an officer based upon reasonable suspicion in accordance with the guidelines as set forth by this section.

For the purposes of this section:

A. "drug testing" shall be defined as the compulsory production and submission of urine by an officer for chemical analysis to detect the presence of prohibited drug usage.

B. "reasonable suspicion" shall be defined as a judgment/conclusion that a person is unable to safely and/or effectively perform their duties due to the suspected influence of drugs, alcohol, or inhalants. Reasonable suspicion is based on specific, observable facts that an officer may be under the influence of drugs, alcohol, or inhalants.

### **ARTICLE 35** **City Protection for Police Officers**

The City will defend in or out of court any Police Officer who incurs a charge or lawsuit as a result of the lawful performance of his duties pursuant to the provisions of City guidelines as adopted and approved under City Ordinance No. 83927 incorporated as Attachment "4", excluding Section 1. "Definitions" Subsection 8B, V and VI, which shall not apply, or as otherwise provided by law.

### **ARTICLE 36** **Employee Personnel Systems**

#### **Section 1. Police Personnel Unit.**

A. The City shall implement a Police Personnel Unit. Such unit shall be staffed with a minimum of one (1) Sergeant or above, support personnel, and the operational equipment, i.e., computers. At the discretion of the Chief and without limiting his authority to determine the manpower and/or staffing needs of any unit and/or the Department as a whole, this unit's primary functions shall be to make recommendations to the Chief:

1. To set the amount and type of relief days assigned to each station, including Police Headquarters;

2. To set the number of officers assigned to each work station; and

3. The actual personnel on a seniority basis assigned to each patrol shift at each police station, including Headquarters,

B. Additionally, this unit shall:

1. Maintain an updated, City-wide file of all officer requests for relief days and work station assignments; and

2. Process assignment of relief days, from said office, by seniority of requests on file pursuant to Article 12 of this Agreement.

#### **Section 2. Non-Supplanting by Probationary Officers.**

In no event shall probationary patrol officers supplant assigned positions or relief days. Probationary officers may only assume the Field Training Officers' or Sergeants' relief days while actually riding with

the Field Training Officer and may assume the Sergeant's relief days for the remainder of their initial fifty-two (52) week period.

**Section 3. Thirty (30) Day Requirement.**

All premium relief days shall be filled or abolished in accordance with current practice within thirty (30) calendar days. For purposes of this section, premium relief days shall be defined as Thursday/Friday, Friday/Saturday, Saturday/Sunday, and Sunday/Monday.

**A. Thirty (30) Calendar Day Exception**

The thirty (30) calendar day requirement shall be waived from February 24 through the last day of Fiesta each year. Officers having transferred into any assignment and who meet their six (6) month requirement for seniority eligibility during the Fiesta break will be eligible only for premium days that become available after their six month eligibility has been met.

For example, an officer who meets his six-month requirement on March 15<sup>th</sup> would not be eligible for any premium relief days that become available before that date.

It is agreed and understood that only prime relief days that become available during the waived Fiesta period can be guaranteed to the most eligible officer under this exception clause. All non-premium relief days that would have become available as a result of the guaranteed transfer that would have taken place were it not within the Fiesta period, and that are not premium relief days will be filled in accordance with available openings after the waived Fiesta period ends. All premium relief days being vacated during the Fiesta period shall be filled within thirty (30) calendar days after the last day of Fiesta.

While it is understood that situations may arise when there will be legitimate reasons for eliminating a particular set of relief days, premium relief days shall not be abolished for the purpose of compliance with this section.

**Section 4. Nepotism.**

No officer shall be allowed to work under the direct supervision of a relative. Relatives may be co-workers in the same division. No officer shall be allowed to exercise his seniority in applying for positions that would place him under the direct supervision of a relative. No supervisory officer shall be allowed to exercise his seniority in applying for positions that would place him in direct supervision of a relative. For the purposes of this section, relative means persons related through blood or marriage, and include spouses, parents, children, brothers or sisters, and in-laws standing in the same relationships.

**ARTICLE 37  
Miscellaneous Provisions**

**Section 1. Service Handgun/Badge Upon Retirement.**

Each officer who retires from the force shall be given his service handgun and badge at no charge.

calendar days to the officer's beneficiary as designated in the City's life insurance program and provide at no cost the officer's badge and service handgun to that beneficiary if otherwise legal.

**Section 3. Special Assignments.**

A. Except as provided elsewhere in this Agreement, the City shall have a right to place officers on special assignment. Officers placed on special assignment on an involuntary basis shall work the assignment for a maximum of sixty (60) calendar days. At the end of the sixty (60) calendar day period, the Chief of Police may extend the term, based on extenuating circumstances. Officers whose assignment exceeds the original sixty (60) calendar day period shall relinquish their seniority and relief days from the original, permanent assigned unit. Officers who object to the continuation of the special assignment after the sixty (60) calendar day period shall be returned to their assigned unit. Officers returning to an original unit from a special assignment that exceeded the sixty (60) calendar day limit must re-bid on relief days, based on the next available opening (no six (6)-month waiting period unless the special assignment goes beyond one hundred and eighty (180) calendar days, in which case the officer will be required to wait the six (6) months).

B. Officers placed on special assignment on a voluntary basis may work the assignment for a maximum of one hundred and eighty (180) calendar days. Officers whose assignment exceeds the original one hundred and eighty (180) calendar day period shall relinquish their seniority and relief days from their original, permanent assigned unit. Officers returning to their original unit from a special assignment that exceeded one hundred and eighty (180) calendar days must re-bid on relief days, based on the next available opening.

**Section 4. Permanent Personnel File.**

The City shall be required to maintain a permanent personnel file on each officer, pursuant to the requirements as outlined in Section 143.089, Local Government Code or its successor in function.

**Section 5. Exception to Open Records Act (Officer File Photo).**

Contained within each officer's permanent personnel file shall be a photograph(s) as defined by H.B. No. 474, Article 2.12 of the Code of Criminal Procedure. The same shall not be released to the public or the press where the same would endanger the life or the physical safety of the officer unless:

- A. The officer is under indictment or charged by an offense by information; or
- B. The officer is a party in a Civil Service hearing or a case in arbitration; or
- C. The photograph is introduced as evidence in a judicial proceeding.

**Section 6. Pay Stub.**

The City will utilize payroll check stubs with current data and new slots showing accrued balances of sick leave, bonus days, holidays unused, compensatory time, vacation time, and military leave.

**Section 7. Family Assistance Officer.**

The Chief shall appoint a Family Assistance Officer. The Family Assistance Officer will be relieved of regular duty on a case-by-case basis in order to assist the families of officers who die or are seriously

injured while on active duty, or suffer a catastrophic illness in making appropriate arrangements and completing necessary paperwork.

**Section 8. Reimbursement for Lost, Damaged, or Stolen Items.**

The Chief shall have discretion to reimburse any officer, the replacement value (up to a maximum of \$250.00), for any personal item lost, damaged, or stolen (including clothing) as a result of on-duty employment. The Chief's decision in this regard shall be final and is not subject to grievance and/or arbitration.

**Section 9. Physical Fitness.**

The City and the Association are committed to a healthy, physically fit and well-trained police department. In demonstrating this commitment, officers who participate and meet standards as established in a police academy sponsored wellness program or who score the standards set out in this section during annual in-service training shall be awarded the administrative leave incentives outlined herein.

During October of each year preceding the starting date of each yearly in-service training, the Chief and the President of the Association shall appoint three (3) members each (six total) to a physical fitness panel. It will be the sole responsibility of this panel to set point values, time limits, and the necessary requirements for the wellness program and for achieving incentives for the next year's in-service. The Chief and Association shall provide written notice of their appointees to the physical fitness panel at least thirty (30) calendar days before the panel is scheduled to meet. Through the use of both the most current Physical Fitness Standard number scale criteria, and the previous year testing results, the committee will set standards which best create a performance curve of the department and provide incentives based on performance according to sex and age groupings. The panel shall reach an agreement on all items relating to point values, time limits, or necessary requirements, and all recommendations shall be forwarded to the Chief. The Chief can veto any recommendation and return the recommendation to the panel for re-examination. The Training Academy Commander shall act as the non-voting moderator and will be responsible to ensure the panel meets at the required stated time.

**A. Academy Sponsored Wellness Program.**

Officers may elect to participate in a personalized wellness program individually designed for the officer by the fitness panel. Officers participating in personalized programs will have administrative leave incentives set by fitness panel. Personalized incentives will be awarded in accordance with personalized goals and objectives met by the individual officer involved. The Chief or designee will approve all panel approved individual wellness programs and award incentives of one (1) to five (5) days in accordance with this Agreement and the success of the individual officer in achievement of the designed goals and objectives which will be measured by the fitness test.

**B. In-Service Physical Standards.**

A PT staff member will monitor each officer's sit-ups, push-ups, vertical jump, mile and one-half run, dummy drag and stationary or bicycle ride. The sit-ups, push-ups, weight control and vertical jump will be monitored on a one-on-one basis.

C. Incentives.

Officers who successfully complete any combination of exercises and who score within the pre-designated total point range will receive the corresponding physical fitness incentive of two (2) to five (5) administrative leave days.

Officers who participate in the physical fitness program for three consecutive years during in-service and who do not receive an incentive shall receive one-day administrative leave for their participating in the program. For purposes of this section the physical fitness panel shall define participation for each year.

Officers may select five of the six events (which may include but shall not be limited to, sit ups, push ups, vertical jump, mile and one half run and/or walk, stationary or bicycle ride, and sprint, wall, drag) in which to participate in to achieve their goal. Weight loss is not an event but will be counted towards the officers overall score. No points will be subtracted for not participating in any individual event.

Officers on light duty, that have a documented injury will need to provide the Academy PT staff with a copy of their 172-form in order to reschedule a make-up with the PT staff. Officers who cannot participate in the physical fitness portion of their scheduled in-service due to a documented injury will have sixty (60) calendar days from the date they return to full duty in order to complete this portion of their in-service and qualify for the administrative leave hours.

Officers who attend their scheduled in-service but miss participating in the physical fitness portion due to departmental business or other emergency, but not a documented injury, have thirty (30) calendar days from their scheduled in-service date to reschedule a make-up with the PT staff.

The award of administrative leave or lack thereof shall not be the grounds for a grievance. Decision by academy staff as to the actual individual completion times or individual completion of exercise requirements shall be final. This leave shall be awarded the second pay period of the following quarter in which the officer earned the administrative leave hours and the officer has 365 calendar days from that pay period to use it.

**ARTICLE 38**  
**Civilianization**

3. Communications
4. Research and Planning
5. Municipal Integrity

8. Vehicle Storage (effective October 1, 2007)

The City agrees to maintain staffing levels in the ICE Unit at no less than 30% sworn officers, not to include supervisors, it being understood that any reduction in the percentage of sworn officers shall be by

attrition or enhanced authorized staffing only. The Chief will meet with Association representatives from time to time to make sure that implementation protocols and procedures for patrol and dispatch sufficiently provide for the safety of officers, the safety of civilian employees and the public generally, and effective prosecution. The lead incident commander of the shooting investigation team shall be a sworn officer.

Officers and Detectives assigned to Vehicle Storage, Communications and Youth Services at the time of the City Council approval of this Agreement who also receive shift differential pay will retain the shift differential pay if they are involuntarily reassigned due to civilianization of the units until they voluntarily transfer to a job assignment without shift differential.

The City shall notify the Association President at least ninety (90) calendar days prior to civilianization of Vehicle Storage, Communications, Youth Services and jobs traditionally performed by sworn officers and shall consult, and reach mutual agreement, with the Association President over the effects of such civilianization. The City agrees the effect of civilianization shall not reduce the authorized number of sworn police officers, detectives or supervisors.

## **Section 2.**

The City of San Antonio may additionally utilize civilians in any position created in the future, that does not require the individual to have and exercise the power of arrest under the standards for distinguishing between classified and civilian positions set forth in *Lee v. City of Houston*, or any later decision by the Supreme Court of Texas.

## **ARTICLE 39 Savings Clause**

Should any provision of this Agreement be found to be inoperative, void or invalid by a court of competent jurisdiction, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement, it being the intention of the parties that no portion of this Agreement or provision herein shall become inoperative or fail by reason of the invalidity of any other portion or provision.

## **ARTICLE 40 Closing Statements**

### **Section 1. Stability of Agreement.**

No agreement, understanding, alteration or variation of the Agreement, terms or provisions herein contained shall bind the parties unless made and executed in writing by the parties hereto. The failure of the City or the officers to insist in any one or more instances, upon performance of any of the terms or conditions of this Agreement, shall not be considered as a waiver or relinquishment of the right of the City or the officers to future performance of any such term or condition, and the obligations of the City and the officers as to such future performance shall continue in full force and effect.

### **Section 2. Civil Service.**

In the event that any provision of this Agreement conflicts or is inconsistent with any provision of Chapter 141, 142, or 143 of the Local Government Code or any other civil service provision, this Agreement shall prevail, notwithstanding any such provision of Chapter 141, 142, or 143 of the Local Government Code or any other civil service provision.

**Section 3. Full and Final Scope of the Agreement.**

The parties agree that each has had the full and unrestricted right and opportunity to make, advance, and discuss all matters properly within the province of collective bargaining. The above and foregoing Agreement constitutes the full and complete Agreement of the parties and there are no others, oral or written, except as herein contained. Each party for the term of this Agreement specifically waives the right to demand or petition for changes herein, whether or not the subjects were known to the parties at the time of execution hereof as proper subjects for collective bargaining. Subject to the Maintenance of Standards clause (Article 8), it is agreed that the City shall not be subject to provide additional wages, compensation, or emoluments of any kind beyond that which is specified in this agreement; and should any future State law be enacted which requires cities to compensate City Police in any manner beyond the scope of this Agreement, the compensation or emolument levied against the City shall be waived and disclaimed in-toto. It is additionally agreed that, except as specifically modified by this Agreement, benefits and emoluments provided police officers by State legislation shall remain in effect throughout the term of the Agreement, notwithstanding the fact that during the life of this Agreement, legislation may become effective which would negate certain benefits or emoluments.

**Section 4. Impasse Procedure.**

In the event the City and the Association reach an impasse in collective bargaining negotiations, as such impasse is defined in Chapter 174 of the Local Government Code, the parties shall abide by the impasse procedure set forth in City Ordinance No. 51838, which ordinance is set forth in Attachment 3 hereto and incorporated herein by reference. This agreement, and the "contract" referred to in the ordinance are one and the same.

**Section 5. No Bypass Agreement.**

The parties hereto agree that all negotiations will be conducted exclusively between the designated representatives of the City and the Association. Neither party will make any effort to bypass the spokesman of the other party during the period of negotiations up to and including impasse resolution attempts.

**Section 6. Indemnity.**

The indemnity provided herein by the City shall be permitted to the extent, and only to the extent, permitted by Texas Law.

**ARTICLE 41  
Studies and Re-Openers**

The City and Association agree that a number of unresolved issues need to be discussed and studied during the term of this Agreement. For that purpose, the City Manager shall appoint at least one (1) member, the Chief shall appoint up to four (4) members, and the Association shall appoint up to four (4) members to serve on each committee. The parties agree to make their appointments on or before July 1, 2007. The committees may appoint additional members to serve on subcommittees as needed.

1. Implementation of the four (4) day, ten (10) hour compressed work cycle and other alternative work schedules, including but not limited to, hours of work, shift schedules, regular days off, seniority for sign up process, marked and unmarked vehicles needed to implement the work cycle, mileage limitations by contract on marked and unmarked vehicles, and two-man vehicles for certain high risk assignments.

2. Creation of career ladder incentives including, but not limited to, recognition of senior patrol officers, grades for detectives, and educational and skill level goals for all ranks.

3. Review and recommendations on a promotional examination process for all civil service ranks.

4. Creation of hiring alternatives which enhance the City's ability to expedite the hiring of new officers without compromising quality or standards.

The committees shall issue their recommendations to the City and Association on or before July 1, 2008, unless extended by mutual agreement. Any mutually agreed amendment shall be ratified by the members of the Association and the governing body of the City and attached to this Agreement. This article does not modify or impair the rights of the City or the Chief to act independently under existing law or contract provisions.

AN ORDINANCE

51838

ESTABLISHING A BINDING IMPASSE PROCEDURE IN THE EVENT AN IMPASSE IS REACHED DURING THE COLLECTIVE BARGAINING PROCESS WITH THE SAN ANTONIO POLICE OFFICERS' ASSOCIATION OR WITH THE INTERNATIONAL ASSOCIATION OF FIREFIGHTERS, LOCAL 624; ESTABLISHING THE CONDITIONS UNDER WHICH THE IMPASSE PROCEDURE WILL BECOME INVALID AND VOID; REITERATING THE CITY'S AUTHORITY AND INTENTION TO DISCIPLINE ANY FIREFIGHTER OR POLICE OFFICER ENGAGING IN A STRIKE; AND PROVIDING FOR THE TERMINATION OF THE ORDINANCE IN MARCH of 1981.

WHEREAS, the courts of the State of Texas have found to be unconstitutional a portion of the impasse procedure contained in the Fire and Police Employee Relations Act; and

WHEREAS, the findings of the courts leave the City and the Fire and Police Associations without an acceptable impasse procedure in the event contract talks reach impasse; and

WHEREAS, the City intends to bargain in good faith with its Firefighters and Police Officers, while insuring that Firefighters and Police Officers are discouraged from engaging in any kind of strike or job action; and

WHEREAS, the City intends for this ordinance to be effective only long enough for the parties to bargain an impasse procedure and establish it by contract;  
NOW THEREFORE:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. (Normal bargaining) The City shall engage in collective bargaining in accordance with the provisions of the Firemen's and Policemen's Employee Relations Act, and shall use the services of a mediator when appropriate.

SECTION 2. (Factfinding to be used) In the event of an impasse, a factfinding panel shall ascertain the facts and make recommendations.

SECTION 3. (Composition of the factfinding panel) Factfinding shall be accomplished by a factfinding panel of three (3) members. One (1) member shall be appointed by the Association, one (1) by the City, and the third (neutral) shall be as agreed upon or, if unable to reach agreement, selected through the American Arbitration Association procedure. The cost of the neutral shall be shared equally. The Association's member, if paid, shall be paid by the Association, and the City shall pay for the City representative, if any cost is involved.

ATTACHMENT 3  
CITY ORDINANCE 51838

Page 2 of 4

SECTION 4. (Guidelines limiting the scope of factfinding ):

- a. The overall compensation in the current contract including direct salary and fringe benefits;
- b. A comparison of wages, hours and conditions of employment of San Antonio Police Officers and Firefighters with the wages, hours, and conditions of employment of other public and private employees in the local labor market area performing similar services and with other employees generally in public and private employment in comparable cities in the State of Texas and the City of San Antonio;
- c. The hazards of employment, physical, educational, and mental qualifications, job training and skills required of a San Antonio Police Officer or Firefighter;
- d. The cost of living in San Antonio relative to other communities;
- e. The rate of increase in the cost of living for the preceding twelve-month period using localized data to the fullest extent feasible;
- f. Any current national or state policies or guidelines with respect to compensation, and the extent to which such guidelines are followed in the comparable public and private sectors set forth in Section 4b. above.

SECTION 5. (Action upon recommendations of the factfinding panel) The findings and recommendations of the factfinding panel shall not be made public for seven (7) days. If, within seven (7) days after factfinding, the parties have failed to agree to a contract, the findings and recommendations of the factfinding panel shall be made public. If, within ten (10) days after the recommendations have been made public the parties have not agreed to a contract, the major unresolved issues shall at the request of either party be submitted to a referendum election which shall be binding on the parties.

SECTION 6. (Conduct of the referendum)

- a. The election shall be held on the first date permissible under state law.
- b. The party rejecting the factfinder's recommendation shall pay 3/4 of the cost of the referendum; the other party 1/4 of the cost.
- c. Each party shall be entitled to submit two (2) and only two (2) unsettled issues to the voters. The existing contract shall, therefore, be changed only by the outcome of the referendum issues.
- d. Certain rights are reserved to City management and are not subject to referendum. They are:
  - (1) The right to hire, direct, transfer and assign employees.
  - (2) The right to reduce in force or lay off employees because of lack of work or funds. (All reductions shall be in accordance with Civil Service laws)
  - (3) The right to determine appropriate staffing levels and work performance standards; along with the quality and quantity of services to be offered to the public; and the means and methods of offering those services.
  - (4) The right to discharge for cause.
  - (5) The right to use security personnel, which include, but are not limited to such job classifications incorporated with the Classification Manual as Airport Security Guard, Park Ranger, Lifeguard, School Crossing Guard, and Municipal Guard, which require training in law enforcement, safety and security duties, firefighting skills, emergency medical treatment, water safety, and other similar related skills.
  - (6) The right to use civilians in the Police Department and the Fire Department to perform duties which do not require a commissioned officer or the power of arrest.

ATTACHMENT 3  
CITY ORDINANCE 51838

Page 3 of 4

- e. Civil Service laws shall not be subject to referendum.
- f. The City shall not place on the referendum ballot any issue that would reduce any existing direct economic benefit accruing to association members.
- g. Polling places shall be consolidated to the maximum degree feasible in accordance with applicable state and federal laws.

SECTION 7. (The procedure void in case of a strike) Should an Association cause, counsel, or permit its members to strike, slow down, disrupt, impede, or otherwise impair the normal functions of its department; or in any manner encourage members to refuse to cross any picket line by whomever established, where such refusal would interfere with or impede the performance of the employee's duties as an employee of the City, the City shall render null and void the impasse procedure established by this ordinance by giving written notice to this effect to the president of the Association.

SECTION 8. (Disciplinary action) By this ordinance, the City reaffirms its right and intent to discipline any Firefighter or Police Officer who engages in any action listed in Section 7 above, in addition to whatever other remedies may be available to the City at law or in equity.

SECTION 9. (Time limitation of the ordinance) This ordinance is intended to provide an impasse procedure for the 1980 bargaining year only. It is intended to provide an opportunity for the Firefighter and Police Associations and the City to bargain an impasse procedure and include such a procedure as a permanent provision of the contract. Accordingly, this ordinance shall become invalid and void after March 31, 1981.

CITY OF SAN ANTONIO

Interdepartment Correspondence Sheet

TO: The Mayor and City Council  
FROM: Claude C. McRaven, Employee Relations Coordinator  
COPIES TO: file  
SUBJECT: An Impasse Procedure for Collective Bargaining

Date February 11, 1980

Background

The proposed ordinance is submitted in accordance with the Council's directive (Resolution of December 13, 1979) to develop an impasse procedure to be utilized during the 1980-'81 Fire and Police Contract Negotiations, in the event the parties fail to reach agreement.

It is felt the procedures outlined offer the best compromise available to insure good faith bargaining for the upcoming contract talks. The ordinance is designed to self-destruct after the 1980 negotiations; and any impasse procedure beyond this time period should be bargained and included in future contracts, if agreement can be reached.

Conclusion and Recommendation

The ordinance provides an impasse procedure which is workable and which is in the best interest of the City. It is recommended for adoption with the understanding that all parties will negotiate in good faith toward agreement on a reasonable and workable procedure to be included in future contracts.

AN ORDINANCE 83927

ADOPTING THE CITY'S OFFICER AND EMPLOYEE LIABILITY PLAN POLICY AND REPLACING ORDINANCE NO. 62206, ADOPTED IN JANUARY 1986.

\* \* \* \* \*

WHEREAS, the current Ordinance adopted as Ordinance No. 62206, in January 1986, lacks procedural detail and clarity, causing concerns as to "acts" covered and excluded under the Indemnification Policy; lacks detail in procedures that officers and employees need to follow in order to be entitled to indemnification; and causes confusion as to when the City will pay for employee's outside counsel, and

WHEREAS, a new Ordinance is needed to define "acts" and to formalize the procedural process; NOW THEREFORE:

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. This Ordinance formally adopts the City of San Antonio Officer and Employee Liability Plan Policy ("the Plan"). It replace Ordinance No. 62206, adopted in January 1986. The Plan indemnifies City officers and employees in connection with legal proceedings arising from the performance of their duties.

SECTION 2. This Policy will clarify the rights and responsibilities of the City, and of the officer or employee, and will simplify the process of responding in a timely manner to the initiation of litigation. The Plan shall consist of the policies, rights, and duties embodied in this Ordinance, and shall be implemented and administered as provided by this Ordinance.

SECTION 3. The proposed Ordinance defines "acts" that are covered and excluded. If the City denies coverage, the Plan member may seek a determination from the court as to whether they are entitled to coverage; it will formalize the procedural process, in that officers and employees are given specific procedures in order to request indemnification.

SECTION 4. The City Attorney or his designee will represent the Plan member unless a conflict arises, then the Plan member must select an approved private attorney for representation. The City will not pay for any costs or legal fees incurred by the Plan member if they utilize an attorney not approved by the City Attorney and Risk Manager, unless required by law.

SECTION 5. The Plan does not affect police/fire personnel under their present labor contracts.

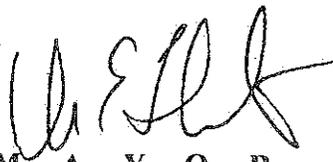

ATTACHMENT 4  
CITY ORDINANCE 83927  
Page 2 of 13

SECTION 6. Formal adoption of this Ordinance will not necessitate a current budget amendment, as expenditures will be approved on a case-by-case basis in connection with each individual lawsuit.

SECTION 7. This Ordinance shall be effective on April 25, 1996.

PASSED AND APPROVED this 11th day of April, 1996.

AGENDA ITEM NO. 33

Office of the Director

TO: Mayor and City Council  
FROM: Nora W. Chávez, Director of Finance and Lloyd Garza, City Attorney  
COPIES: J. Rolando Bono, Assistant City Manager; Frank Garza, First Assistant City Attorney; Richard Ramirez, Assistant Director of Finance; Bruce Birdwell, Risk Manager; File  
SUBJECT: Indemnification Ordinance

Date: March 26, 1996

**SUMMARY AND RECOMMENDATIONS:**

This Ordinance formally adopts the City of San Antonio Officer and Employee Liability Plan Policy ("the Plan"). It replaces Ordinance No. 62206, adopted in January 1986. The Plan indemnifies City officers and employees in connection with legal proceedings arising from the performance of their duties. This Policy will clarify the rights and responsibilities of the City, and of the officer or employee, and will simplify the process of responding in a timely manner to the initiation of litigation. The Plan does not affect police/fire personnel under their present labor contracts. The Plan shall consist of the policies, rights, and duties embodied in this Ordinance, and shall be implemented and administered as provided by this Ordinance.

Staff recommends approval of this Ordinance.

**BACKGROUND INFORMATION:**

The current Ordinance was adopted as Ordinance No. 62206, in January 1986, but lacks procedural detail and clarity, causing concerns as to "acts" covered and excluded under the Indemnification Policy. The Ordinance also lacks detail in procedures that officers and employees need to follow in order to be entitled to indemnification; and causes confusion as to when the City will pay for employee's outside counsel.

The proposed Ordinance defines "acts" that are covered and excluded. If the City denies coverage, the Plan member may seek a determination from the court as to whether they are entitled to coverage. In addition, it will formalize the procedural process, in that officers and employees are given specific procedures in order to request indemnification. The City Attorney or his designee will represent the Plan member unless a conflict arises, then the Plan member must select an approved private attorney for representation. The City will not pay for any costs or legal fees incurred by the Plan member if they utilize an attorney not approved by the City Attorney and Risk Manager, unless required by law.

**FINANCIAL IMPACT:**

Formal adoption of this Ordinance will not necessitate a current budget amendment, as expenditures will be approved on a case-by-case basis in connection with each individual lawsuit.

**COORDINATION:**

The Finance Department and the City Attorney's Office have jointly developed this Ordinance for consideration.

# MASTER CONTRACT

## INTRODUCTION

The purpose of the Employee Health Benefit Program is to provide the City of San Antonio Uniformed Employees with a family health plan, with coverage and benefits defined herein.

This Master Contract defines and provides for coverage and administration for the benefits common to uniformed City employees. The variations in coverage applicable to such classes are set forth in specific appendices to this Master Contract, including but not limited to Firefighters and Police Officers. The coverage provisions applicable to a covered person shall collectively be referred to as the Plan, and the provisions of this Master Contract and the applicable appendices for any covered person shall be referred to as the Plan Document.

This Plan Document does not provide for any premium payment or contributions to the cost of coverage. The obligation and amount of such payments are separately determined from the Ordinances of the City Council or any applicable Collective Bargaining Agreements.

This plan is open to uniformed City employees.

The benefits provided and defined in this Master Contract are self-funded by the City of San Antonio at the time this document was drafted, but the City of San Antonio is entitled to reinsure any portion of its obligations hereunder, and additionally may contract for any carrier acceptable to the City Council to assume and administer coverage and benefits under this document.

ANY BENEFITS UNDER THE CITY'S INSURANCE OR SELF FUNDED PROGRAMS ARE SUBJECT TO CHANGE AS DETERMINED BY THE CITY COUNCIL IN ANY BUDGET YEAR, OR BY AMENDMENT OR OTHER LAWFUL CHANGE TO THE APPLICABLE BARGAINING AGREEMENTS.

The City of San Antonio may select a claims administrator from time to time, or may elect to administer claims under the plan as an internal function. The City's claim administrator is not an insurer.

## PLAN AND CLAIMS ADMINISTRATION

Administration and payment of claims under the Plan Documents shall be carried out by the Claims Administrator, under the supervision of the Plan Administrator. It shall be a principal duty of the Plan Administrator to see that the Plan Document is carried out as written. The Plan Administrator shall have full power to administer the Plans and all of their details, and to make all final determinations about coverage on behalf of the City of San Antonio.

The Plan Administrator will make available for examination, to each Covered Person, his heirs, and/or assigns, records that pertain to the Covered Person at a reasonable time during normal business hours as established by the Plan Administrator.

The Plan Administrator's powers shall include, but shall not be limited to, the following:

- (a) To make and enforce reasonable rules and regulations as the Plan Administrator deems necessary or proper for the effective and efficient administration of the Plan Document;
- (b) To interpret the contract, including, but not limited to, all questions of coverage and eligibility. The Plan Administrator's interpretations thereof in good faith shall be final and conclusive on all persons claiming Benefits under the Plan Document, subject only to the Review and Appeal Process; and
- (c) To coordinate with and supervise the Claims Administrator, prepare and handle budgetary and contractual relationships involving the plan, distribute information to Covered Persons under the plan, appoint such agents, counsel, accountants, consultants and actuaries as may be required to assist in administering the Plan Document.

**ELIGIBILITY REQUIREMENTS****Eligible Employee**

Full-time City employees (authorized full-time equivalent) are eligible to participate in the Plan on the date their employment begins. Coverage begins on the date of hire, or upon taking office and performing work for the City of San Antonio, whichever occurs later.

A new employee who is not actively at work for any reason other than due to medical disability on his scheduled effective date of coverage will not become covered under the Plan until such time as the employee returns to active employment.

**Eligible Dependent**

An Eligible Dependent is:

(1) The Eligible Employee's spouse. A spouse that is legally separated under a court decree under the laws of another state shall not be an eligible dependent,

(2) All natural children including legally adopted, under legal guardianship of the Covered Employee and who have not yet reached their twentieth birthday, provided the children have never been married and are principally dependent upon the Eligible Employee, as directed by court order, for support and maintenance. Foster children are not Eligible Dependents under this Plan, unless there has been an application for adoption accepted by the Texas Department of Human Services. Stepchildren are Eligible Dependents during the marriage between the Eligible Employee and the natural parent of the child, so long as (a) they permanently reside in the employee's household, and (b) are principally dependent on the employee.

In addition to the above, children will be considered as Eligible Dependents from age twenty (20) through age twenty-three (23), if they are full-time students, have never been married, and are principally dependent upon the Eligible Employee for support and maintenance.

The term "Eligible Dependent" shall not include anyone who is covered as an Eligible Employee. An Eligible Dependent shall not be entitled to any additional benefits or coverage by virtue of the fact that both parents, step parents or guardians are employed by the City.

**Incapacitated Dependent**

An Eligible Dependent child who is physically or mentally incapable of self-support upon attaining the age of twenty (20) years, shall continue to be an Eligible Dependent while remaining incapacitated, unmarried and continuously covered under the Plan. An eligible incapacitated dependent must be solely dependent on the employee, and must be incapacitated by a disability that arose while such dependent

was a covered dependent. To continue eligibility under this provision, proof of incapacity must be submitted by the employee at least thirty-one (31) days prior to such child's attainment of age twenty (20).

### **Effective Date of Coverage**

Coverage does not become effective until the Eligible Employee completes the City's enrollment document.

Newborn infants will be covered from the date of birth as long as the employee is covered under this plan and coverage for the newborn child is requested within 31 days of the child's date of birth. If coverage of a newborn is not requested within 31 days of the child's date of birth, then coverage cannot become effective until the next re-enrollment period.

Eligible Dependents who are enrolled after the effective date of this Plan will become covered on the date such dependent is acquired, provided that the covered Employee enrolls such dependent within 31 days of the date the dependent is acquired. If coverage of a dependent is not requested within 31 days of the date the dependent was acquired, the coverage cannot become effective until the next re-enrollment period.

### **Change of Family Status**

If there is a legal change in family status, the employee has thirty-one (31) calendar days to notify the Employee Benefits Office in writing. The notice may be given by personally appearing in the Benefits Office and completing a change of dependent coverage form.

If there is no change in family status or if notice is not given for additional coverage within thirty-one (31) days after the legal change in status, no change can become effective until the next re-enrollment period, which shall be not less than thirty-one (31) days, occurring during the months of October or November, as the Plan Administrator shall determine, or as otherwise established by the City Council.

A legal change in family status includes: divorce; marriage; birth or adoption of a child, including a child living with the adopting parents during the period of probation; change in employment status for the employee's spouse; or ineligibility of a child due to age, or change in student status.

### **Termination of Coverage for Individuals**

The coverage of any Covered Person under the Plan shall terminate on the earliest of the following dates:

- (1) The date of termination of the Plan;
- (2) The date employment terminates;
- (3) The date all coverage or certain benefits are terminated in a particular class by modification of the Plan; and
- (4) The date an active Eligible Employee is covered under a qualified Health Maintenance Organization (HMO) or any other available alternative health care delivery system for the employee or dependents of the employee.

### **Termination of Coverage for Dependents**

Coverage with respect to the Covered Person's dependents shall terminate under the Plan at the earliest time specified below:

- (1) Upon termination of employment for the covered employee;
- (2) On the date dependents cease to be eligible as defined in the Plan.

### **Termination of Coverage for Failure to Pay Premium**

Coverage with respect to any Covered person for which a premium or contribution is required shall terminate 31 days after the due date for such premium, or as soon thereafter as otherwise allowed by law.

### **Documentation**

The Plan Administrator is entitled to require relevant legal documentation to be furnished with any request for coverage or change in status.

### Continuation Coverage

On April 7, 1986, a federal law was enacted requiring that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health coverage (called "continuation coverage") at group rates in certain instances where coverage under the plan would otherwise end. This law is called the Consolidated Omnibus Budget Reconciliation Act of 1985, better known as COBRA. This notice is intended to inform employees, in a summary fashion, of rights and obligations under the continuation coverage provisions of COBRA. The employee and spouse should take the time to read this notice carefully.

"**Qualified Beneficiary**" means:

- a. you, as a Covered Employee, for termination or reduced hours;
- b. your spouse or your dependent child if he/she was a dependent under the Plan on the day before your Qualifying Event occurred; or
- c. a child who is born to a Covered Employee during a period of COBRA continuation coverage.

"**Qualifying Event for a Covered Employee**" means a loss of coverage due to:

- a. termination of employment for any reason other than gross misconduct; or
- b. reduction in hours of employment.

"**Qualifying Event for a Covered Dependent**" means a loss of coverage due to:

- a. a Covered Employee's termination of employment for any reason other than a gross misconduct or reduction in hours of employment;
- b. a Covered Employee's death; a spouse's divorce or legal separation from a Covered Employee;
- c. a Covered Employee's entitlement to Medicare; or
- d. a dependent child's loss of dependent status under the Plan.

"**Timely contribution payment**" means contribution payment must be made within 30 days of the due date or within such longer period as applies to or under the Plan.

**Continuation of Health Coverage.** Continuation of health coverage shall be available to you and/or your Covered Dependents upon the occurrence of a Qualifying Event. To continue health coverage, the Plan Administrator must be notified of a Qualifying Event by:

- a. the Employer, within 30 days of such event, if the Qualifying Event is:
  1. for a Covered Dependent, the Covered Employee's death;
  2. the Covered Employee's termination other than for gross misconduct or reduction

- in hours;
  - 3. for a Covered Dependent, the Covered Employee's entitlement to Medicare.
- b. you or a Qualified Beneficiary, within 60 days of such event, if the Qualifying Event is:
- 1. for a spouse, divorce, or legal separation from a Covered Employee; or
  - 2. for a dependent child, loss of dependent status under the Plan.

The Plan Administrator must, within 14 days of receiving such notice, notify any Qualified Beneficiary of his/her continuation right. Notice to a Qualified Beneficiary who is your spouse shall be notice to all other Qualified Beneficiaries residing with such spouse when such notice is given.

Upon termination of employment or reduction in hours, to continue health coverage for 29 months, a Qualified Beneficiary who is determined under Title II or Title XVI of the Social Security Act to be disabled on such date or at any time during the first 60 days of COBRA continuation coverage, must notify the Plan Administrator of such disability within 60 days from the date of determination and before the end of the 18 month period. If a Qualified Beneficiary entitled to the disability extension has non-disabled family members who are entitled to COBRA continuation coverage, the non-disabled family members are also entitled to the disability extension.

Qualified Beneficiaries who are disabled under Title II or Title XVI of the Social Security Act must notify the Plan Administrator within 30 days from the date of final determination that they are not longer disabled.

A Qualified Beneficiary must elect Continuation of Health Coverage within 60 days from the later of the date of the Qualifying Event or the date notice was sent by the Plan Administrator.

A newborn child of a Qualified Beneficiary or a child placed with a Qualified Beneficiary for adoption may be added according to the enrollment requirements for dependent coverage under the Eligibility Requirements of the Plan.

Any election by you or your spouse shall be deemed to be an election by any other Qualified Beneficiary, though each Qualified Beneficiary is entitled to an individual election of continuation coverage.

Upon election to continue health coverage, a Qualified Beneficiary must, within 45 days of the date of such election, pay all required contribution to date to the Plan Administrator. All future contribution payments by a Qualified Beneficiary must be made to the Plan Administrator and are due the first of each month with a 30-day grace period.

A Qualified Beneficiary will be notified by the Plan Administrator of the amount of the required contribution payment and the contribution payment options available.

**Termination of Coverage.** Coverage will end upon the earliest of the following:

- a. termination or reduction of hours:
  - 1. 18 months from the date of the Qualifying Event; or
  - 2. 29 months from the date of the Qualifying Event if the Qualified Beneficiary is determined under Title II or Title XVI of the Social Security Act to be disabled on such date or at any time during the first 60 days of COBRA continuation coverage and provides notice as required by law (including, COBRA continuation coverage of non-disabled family members of the Qualified

Beneficiary entitled to the disability extension).

- b. the day, after the 18 month continuation period, which begins more than 30 days from the date of a final determination under Title II or Title XVI of the Social Security Act that a Qualified Beneficiary, entitled to 29 months, is no longer disabled (including COBRA continuation coverage of non-disabled family members of the Qualified Beneficiary entitled to the disability extension who is no longer disabled).
- c. for a Covered Dependent, 36 months from the date of the Qualifying Event if the Qualifying Event is:
  - 1. the Covered Employee's death;
  - 2. the Covered Employee's entitlement to Medicare;
  - 3. a spouse's divorce or legal separation from a Covered Employee; or
  - 4. a dependent child's loss of dependent status under the Plan.
- d. if any of the Qualifying Events listed in (c) occurs during the 18-month period after the date of the initial Qualifying Event listed in (a), coverage terminates 36 months after the date of the Qualifying Event listed in 1.
- e. the date on which the Employer ceases to provide any group health plan to any employee;
- f. the date on which a Qualified Beneficiary fails to make timely payment of the required contribution;
- g. the date on which a Qualified Beneficiary first becomes (after the date of the election) covered under any other group health plan (as an employee or otherwise) which does not contain any exclusion or limitation with respect to any pre-existing condition of such Qualified Beneficiary;
- h. the first day of the month in which a Qualified Beneficiary becomes entitled to Medicare;  
or
- i. the date this Plan terminates.

Continuation of health coverage under this provision shall not duplicate health care coverage continued under any state or federal law.

Under Federal law, group health plans generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. The 48-hour period (or 96-hour period if applicable) begins at the time a delivery occurs in the hospital (or in the case of multiple births, at the time of the last delivery) or, if the delivery occurs outside the hospital, at the time a mother and/or newborn are admitted. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours if applicable) following the delivery.

If a decision is made to discharge a mother or her newborn child from inpatient care before the expiration of the minimum hours of coverage of inpatient care as provided above, the Plan will provide coverage for timely Post Delivery Care as defined herein.
