Section 7. Uniformed Evidence Detective Initiative

In the 2009 - 2014 Agreement, the Chief implemented an expansion in the Detective Investigator classified job description in accordance with the provisions of this Article to include 154 Detective Investigator positions. Even if they are on an existing eligibility list, Officers promoted to Detective Investigator after the classification change shall be subject to assignment in both the traditional Detective Investigators positions and in Uniformed Evidence Detective (U.E.D.) patrol assignments. Should they choose to waive their “grandfathered” status, Detective Investigators currently assigned to the Crime Scene Unit may be assigned by the Chief to Uniformed Evidence Detective Patrol assignments. Additionally, all other Detective Investigators promoted prior to the amended Detective Investigator job classification, who do not opt into the initiative, shall not be ordered to accept assignments to U.E.D. positions, but any Detective Investigator who voluntarily opts into the initiative and a U.E.D. assignment, shall be subject to such assignment from that point forward and shall be subject to the new classified job description for the Detective Investigator rank. Officers on a current Detective Investigator eligibility list will be subject to a promotion with assignment to a U.E.D. slot upon the implementation date of the initiative. When a detective investigator promotion is accepted, the Officer is subject to the new Detective Investigator classification and all assignments including U.E.D. assignments. Given the full implementation of this change in the classified Detective Investigator position, sole control over staffing levels in all positions and ranks shall be within the authority of the Chief and the City Council in accordance with the Provisions of Chapter 143. Any new Major Crimes CSI or similar unit that is created in the future will retain sworn supervisors for civilians.
