

As the Airport Security Manager, Cole is responsible for creating and maintaining policies and procedures for airport security in compliance with the Airport Security Program as approved by the TSA.

Cole oversees the Airport Security Division, which includes Security Compliance, Airport Security Supervisors and Officers, Airport Communications and the Badge & Identification Office. As Airport Security Manager, Cole serves as the airport's primary contact for the TSA in regards to security issues.

With nearly 20 years of experience in aviation security, Cole most recently managed the security division at Dallas Love Field and has also served as the Assistant Airfield Operations Officer for the DFW Airport. Cole holds numerous certifications in aviation and airport security and has a B.S. in Aviation Technology, with a minor in Criminal Justice, from Metropolitan State University of Denver.

###

With more than 8 million passengers annually, the San Antonio International Airport (SAT) contributes more than \$5 billion to the region's economy. The Gateway for South Texas SAT offers nonstop service to 34 destinations and, in 2012, was named the nation's 10th largest gateway to Mexico. The San Antonio Airport System also includes Stinson Municipal Airport (SSF), the 2nd oldest continuously operating airport. A department of the City of San Antonio, the system is funded by an enterprise fund supported by user and tenant fees.
