

SAN ANTONIO AIRPORT SYSTEM ANNOUNCES NEW STAFF IN FISCAL AND PLANNING POSITIONS

San Antonio, TX (March 26, 2015) – The San Antonio Airport System announces the promotion of Gabriella Rauschuber to Fiscal Manager and Debbie Drew as Manager of Planning and Administration.

As Fiscal Manager, Gabriella will be instrumental in developing the Airport's Rate & Charges model. Employed by the San Antonio Airport System since 2012, Gabriella Rauschuber is responsible for assisting with the development of the annual operating budget and preparation of statistical and financial reports. A graduate of the University of

Texas in San Antonio, she holds a Bachelor's Degree in Accounting and received her certification as a CPA in October 2010. Gabriella has more than 15 years of financial and accounting experience. Her previous employment includes work with the City of Austin Recovery Center and the City of Austin's Police Retirement System. Gabriella will assume the role Fiscal Manager immediately.

Debbie Drew has been an employee of the City of San Antonio since 2003. She began her tenure with the city as a Department Systems Manager in the San Antonio Metropolitan Health District and was later promoted to Information Services Manager in the Aviation Department. Debbie is a graduate of Georgia Southern University in Statesboro, Georgia. She earned a Bachelor's of Business Administration in Management Information Systems. As the new Manager of Planning and Administration for the San Antonio Airport Systems, Debbie will oversee the Aviation Department planning

activities including Capital Improvement Projects, serve as FAA liaison, funding oversight, and

With more than 8 million passengers annually, the San Antonio International Airport (SAT) contributes more than \$5 billion to the region's economy. The Gateway for South Texas SAT offers nonstop service to 34 destinations and, in 2012, was named the nation's 10th largest gateway to Mexico. The San Antonio Airport System also includes Stinson Municipal Airport (SSF), the 2nd oldest continuously operating airport. A department of the City of San Antonio, the system is funded by an enterprise fund supported by user and tenant fees.
