The Parties hereto severally and collectively agree, for the consideration herein set forth, and by the execution hereof are bound, to the mutual obligations herein contained and to the performance and accomplishment of the tasks hereinafter described:

ARTICLE I. AGREEMENT PURPOSE

DEVELOPER shall undertake the Project which is anticipated to promote local economic development and to stimulate business and commercial activity in the City of San Antonio and in the TIRZ. The CITY and TIRZ are supporting the Project through this Agreement to provide Incentives to be used to defray costs associated with the Project.

ARTICLE II. AGREEMENT PERIOD

This Agreement shall commence upon the Effective Date listed on the signature page and shall terminate upon the earlier of: (A) December 31st of the year following the final year eligible for tax reimbursement; (B) the full-payment of Incentives by CITY and/or TIRZ to DEVELOPER, as limited by this Agreement and subject to funding availability; or (C) termination of this Agreement as otherwise provided herein (the "Term").

ARTICLE III. PROJECT REQUIREMENTS

A. The Project.

1. Investment. DEVELOPER shall invest approximately FOURTY MILLION DOLLARS AND 0 CENTS (\$40,000,000.00) (the "Minimum Investment") in an economic development project that will be located within the city limits of San Antonio and within the boundaries of the TIRZ that will consist of the construction of approximately fifty-three (53) rental housing units, 15,000 square feet of commercial retail space, and a structured parking garage located at the Project Site (the "Project"). The Minimum Investment shall include, but not be limited to, expenditures in: land acquisition, design, building construction costs, engineering, public improvement costs, taxes and insurance, administrative and financing costs, and DEVELOPER fees, as described in DEVELOPER'S CCHIP Application, **Exhibit C**.

2. Construction. DEVELOPER shall commence construction and demolition, if applicable, at the Project Site on or before October 30, 2018 ("Commencement Date"), and shall use commercially reasonable efforts to complete construction no later than October 30, 2020 (the "Completion Date"), subject to Force Majeure as defined in this Agreement. The Commencement Date shall be determined by the issuance of a building permit for the Project Site and CITY's receipt of correspondence from the general contractor for the Project certifying that construction has commenced. The Completion Date shall be determined by the issuance of a final Certificate of Occupancy for the Project Site by CITY, not to be unreasonably withheld.

a. DEVELOPER shall provide written progress reports to City on the Project and Project Site on a quarterly basis from the Commencement Date through the Completion Date (the "Construction Period"). In addition to the quarterly progress reports, should CITY request an interim progress report during the Construction Period, DEVELOPER shall provide such progress report within fifteen (15) business days.

b. DEVELOPER shall comply with all applicable Federal, State and local laws and regulations, including federal Environmental Protection Agency (EPA), Texas Department of State Health Services (TDSHS) and Texas Commission on Environmental Quality (TCEQ) rules and regulations and all other regulations and laws relating to the environment, Asbestos Containing Materials (ACM), Hazardous Substances or exposure to ACM and Hazardous Substances as applicable and shall develop and operate the Project in accordance with the terms and conditions of this Agreement.

c. No streets, sidewalks, drainage, public utility infrastructure, or other public improvements ("Public Improvements") with a lien still attached may be offered to the CITY for dedication. If any lien or claim of lien, whether choate or inchoate (collectively, any "Mechanic's Lien") is filed against DEVELOPER regarding the Public Improvements on the Project by reason of any work, labor, services or materials supplied or claimed to have been supplied by, or on behalf of, DEVELOPER, or any of its agents or Contractors, DEVELOPER shall cause the same to be satisfied or discharged of record, or effectively prevent the enforcement or foreclosure against the Project's Public Improvements by injunction, payment, deposit, bond, court order or otherwise.

d. DEVELOPER is responsible for complying with all applicable City Code provisions, including provisions of the Unified Development Code, enforced pursuant to the CITY's subdivision platting authority, and as amended, including, but not limited to, those provisions related to drainage, utilities, and substandard public street rights-of-ways for development and construction of the Project including the Public Improvements. In addition, DEVELOPER shall exercise commercially reasonable efforts to follow the Urban Neighborhood recommendations of the applicable Master Plan, if any, and shall consider incorporating low impact development strategies for water quality, storm water and drainage where appropriate for the Project. This Agreement in no way obligates City to approve any subsequent permits or requests for the Project as DEVELOPER is still responsible for acquiring all necessary permits and/or approvals as needed for the Project.

3. If a Project is a market rate rental project, DEVELOPER is required to preserve and maintain 10% of the housing units, with a minimum of one (1) unit, at the Project's first year rental rate per square foot, adjusted for inflation in accordance with the Consumer Price Index (CPI) for the 0300 South Urban area, for the Term of the

Agreement. DEVELOPER must designate the preserved units upon project completion and maintain those same units at the preserved rate through the Term of the Agreement. DEVELOPER will make available to the City annual apartment leases demonstrating the same units are maintained at the first year rental rate per square foot.

ARTICLE IV. ECONOMIC DEVELOPMENT PROGRAM INCENTIVES

The Incentives offered by the CITY to the DEVELOPER in this Agreement shall be in compliance with the Policy in effect as of the Effective Date of the Agreement, which Policy may be amended from time to time. Should the Incentives provided in this Article exceed the maximum amount authorized in the Policy, then that award shall be automatically amended to provide only the amount authorized by the Policy.

Economic Development Program Incentives. CITY and TIRZ are providing DEVELOPER with Incentives in a cumulative amount of approximately, but not limited to, THREE MILLION NINE HUNDRED FIVE THOUSAND THREE HUNDRED NINETY-FIVE DOLLARS AND ZERO CENTS (\$3,905,395.00), as summarized in the attached CCHIP Agreement Term Sheet, **Exhibit D.**

No disbursement of Incentives, other than fee waivers, shall be made until receipt by CITY of the following:

- (a) Fully executed Agreement by all Parties; and
- (b) Evidence of the issuance of a building permit from the City of San Antonio for the residential component of the Project on or prior to the Commencement Date; and
- (c) A letter by the general contractor confirming commencement of construction of the project; and
- (d) A letter from a qualified financial institution, Financial Controller, or Certified Public Accountant confirming DEVELOPER has funds available on deposit or under an existing credit facility or construction loan sufficient to complete the Project on or prior to the Commencement Date; and
- (e) Documentation of design approval for the Project by the Historic and Design Review Commission.

A. Annual Real Property Tax Reimbursement. Subject to the terms and conditions of this Agreement and the Payment Conditions (defined below), for each tax year commencing with the Initial Reimbursement Tax Year and then continuing annually for a total of fifteen (15) consecutive tax years throughout the remainder of the Term of this Agreement, CITY and TIRZ shall provide DEVELOPER, following submission of a tax invoice by DEVELOPER indicating full payment of all taxes owed by DEVELOPER on the Project, an annual grant for the Term of this Agreement in the cumulative amount of approximately, but not limited to, THREE

MILLION ONE HUNDRED NINETEEN THOUSAND ONE HUNDRED SEVEN DOLLARS AND ZERO CENTS (\$3,119,107.00).

- (a) The amount of the annual grant (the “Annual Incremental Property Tax Reimbursement”) shall be equal to 100% of:
- (i) The actual amount of real property taxes paid to CITY with respect to the Project Site for the immediately preceding Tax Year, *less* the amount of real property taxes paid to CITY with respect to the Project Site for the tax year ending December 31, 2016 (the “Base Year”), which shall be defined as the immediately preceding tax year from the date of execution of this agreement, **Exhibit E**.
 - a. The “Initial Reimbursement Tax Year” shall be defined as the first tax year immediately following the tax year in which actual project completion occurs, for which reimbursement under this section can be sought.
- (b) Payment of the Annual Incremental Property Tax Reimbursement to DEVELOPER shall occur in accordance with the following conditions (collectively, the “Payment Conditions”):
- (i) For each tax year during the Term of this Agreement, CITY and TIRZ shall pay the Annual Incremental Property Tax Reimbursement to DEVELOPER provided the CITY has deposited funds into the TIF for that particular tax year, pursuant to Section 311.013 of the Texas Tax Code. DEVELOPER further understands that the level of participation in the TIRZ by participating governmental entities may be less than 100%.
 - (ii) For any particular tax year during the Term of this Agreement, if no tax increment is realized within the TIRZ, then the TIRZ shall defer payment of the Annual Incremental Property Tax Reimbursement that is due to DEVELOPER under this Article, during that tax year.
 - (iii) For any particular tax year during the Term of this Agreement, if insufficient tax increment is realized within the TIRZ to permit the full payment of the Annual Incremental Property Tax Reimbursement due to DEVELOPER under this Article, the TIRZ shall pay as much of the Annual Incremental Property Tax Reimbursement to DEVELOPER, as possible, and the TIRZ shall defer payment of any unpaid balance of the Annual Incremental Property Tax Reimbursement due to DEVELOPER under this Article during that tax year.
 - (iv) It is expressly agreed that all deferred Annual Incremental Property Tax Reimbursements (the “Deferred Amounts Due”) shall accrue without interest and shall be payable at the earliest reasonable opportunity to DEVELOPER by the TIRZ upon the availability of tax increment in the Tax Increment Fund during the Term of this Agreement.

- (v) DEVELOPER acknowledges that unless the TIRZ is extended, payments will cease upon termination of the TIRZ and reconciliation of all accounts. Once the TIRZ terminates, CITY may be liable for obligations regarding the Annual Property Tax Increment Reimbursement. However, should City undertake payment of the Annual Incremental Property Tax Reimbursement, then such payment shall be reduced annually to sixty-two point six percent (62.6%) of the annual incremental property tax paid by DEVELOPER.
 - (vi) The DEVELOPER understands and agrees that any expenditure made by the DEVELOPER in anticipation of reimbursement from tax increments shall not be, nor shall be construed to be, financial obligations of the CITY or the TIRZ. The DEVELOPER shall bear all risks associated with reimbursement, including, but not limited to: incorrect estimates of tax increment, changes in tax rates or tax collections, changes in state law or interpretations thereof, changes in market or economic conditions impacting the Project, changes in interest rates or capital markets, changes in building and development code requirements, changes in CITY policy, and/or unanticipated effects covered under legal doctrine of force majeure.
 - (vii) Any and all amounts payable by the TIRZ under this Agreement are payable solely from the TIRZ Tax Increment Fund, and no claim for payment of any amount outside of this contribution shall be made, claimed or permitted against any other funds, properties, assets or the general credit of the TIRZ and/or the CITY.
 - (viii) Any fees associated with the administration of the TIRZ shall take priority of payment over DEVELOPER's reimbursement.
- (c) Obligation to Pay Taxes. It is understood that DEVELOPER shall continue to pay all taxes owed on the Project Site as required by law. Taxes owed shall be determined by the Bexar County Appraisal District. Prior to the CITY disbursing TIRZ funds under this Agreement, DEVELOPER must provide to CITY evidence indicating that all taxes owed by DEVELOPER on the Project Site have been paid in full for the tax year for which payment of the Annual Incremental Property Tax Reimbursement is sought, subject to DEVELOPER's right to protest taxes as permitted by law. If, during the Term of this Agreement, DEVELOPER allows its ad valorem taxes due on the Project Site to become delinquent and fails to timely and properly follow the legal procedures for the protest and/or contest of the taxing value, then the CITY and TIRZ's remedies under this Agreement shall apply.
- (d) Transfer of Ownership. If DEVELOPER makes each housing unit available for sale to individual buyers, all references to DEVELOPER's responsibility for the tax payments will be transferred to the individual unit owners as each unit is sold. The payment of incentives to DEVELOPER by CITY under the Annual Incremental Property Tax Reimbursement is limited by the actual amount of ad valorem taxes

paid to CITY by the individual unit owners and contingent upon DEVELOPER providing evidence of ad valorem taxes paid.

B. Chapter 380 Economic Development Loan. CITY is providing DEVELOPER with a Chapter 380 Economic Development Loan in a cumulative amount not to exceed THREE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS AND 0 CENTS (\$375,000.00) (the “Economic Development Loan”). The loan may consist of both forgivable and non-forgivable loan funds. The funds made available to DEVELOPER through this Agreement are made solely from lawfully available funds that have been appropriated by CITY. DEVELOPER understands that any disbursement of the Economic Development Loan funds is contingent upon CITY’S availability of funds at the time of disbursement and should be requested within a reasonable timeframe as outlined in this Section B. If Economic Development Loan funds are not requested prior to 90 days after project completion, Economic Development Loan funds will be forfeited.

1. RESERVED.

2. Mixed Use Loan. The Mixed Use Loan of THREE HUNDRED SEVENTY-FIVE THOUSAND DOLLARS AND 0 CENTS (\$375,000.00) shall be disbursed to DEVELOPER no later than sixty (60) days following project completion, as defined in Article III (A)(2), and upon written request from DEVELOPER to disburse the funds.

a. Use. Mixed Use Loan is to be used to complete tenant finish out in an amount equal to TWENTY-FIVE (\$25.00) per square foot of commercial retail space developed at the project site.

b. Mixed Use Loan Forgiveness. In accordance with the CCHIP, twenty percent (20%) of the Mixed Use Loan funds shall be forgiven annually over a 5-year period provided that documentation is provided to the City indicating that 15,000 of commercial retail space at the Project Site has been developed and leased for at least 80% of the 5-year term and that the tenant of the space has used the funding for finish-out improvements.

c. Repayment. Any amount not qualified for forgiveness under this section shall be due and payable to CITY on or before the fifth anniversary of the date of the disbursement of Forgivable Loan funds to DEVELOPER (the “Mixed Use Loan Maturity Date”).

3. Acceleration of Loan Repayment. Should DEVELOPER, at the sole discretion of CITY, breach a material term of this Agreement and not cure after given a reasonable opportunity to do so and CITY terminates the Agreement in accordance with Article VIII, then, as of the date of termination of the Agreement, the entire remaining principal balance and Accrued Interest of all Loan Funds shall be due and payable to CITY no later than sixty (60) days following CITY’S Notice of Termination to DEVELOPER.

C. Fee Waivers. CITY is providing DEVELOPER with City fee waivers in the approximate amount of ONE HUNDRED ELEVEN THOUSAND TWO HUNDRED EIGHTY-EIGHT

DOLLARS AND ZERO CENTS (\$111,288.00) and SAWS impact fee waivers in an amount not to exceed THREE HUNDRED THOUSAND DOLLARS AND 0 CENTS (\$300,000.00). The Fee Waivers are administrative in nature and are effective as of the date they are issued as reflected in the attached Fee Waiver Transmittal, **Exhibit F**.

ARTICLE V. CITY AND TIRZ OBLIGATIONS

- A. In consideration of full and satisfactory performance of activities required by this Agreement, CITY and TIRZ will pay DEVELOPER in accordance with Article IV above.
- B. Neither CITY nor TIRZ will be liable to DEVELOPER or any other entity for any costs incurred by DEVELOPER in connection with this Agreement.
- C. The CITY agrees to act as the fiscal agent on behalf of the TIRZ by making disbursements from the TIF for the Project pursuant to this Agreement. Additionally, the CITY shall monitor DEVELOPER's compliance with the terms and conditions of this Agreement and provide updated information to the TIRZ regarding the progress of the Project.

ARTICLE VI. RETENTION AND ACCESSIBILITY OF RECORDS

- A. DEVELOPER shall maintain the fiscal records and supporting documentation for expenditures of Incentives associated with this Agreement. DEVELOPER shall retain such records and any supporting documentation for the greater of: (1) five [5] years from the end of the Agreement period; or (2) the period required by other applicable laws and regulations.
- B. DEVELOPER shall, following reasonable advance written notice from the CITY, give the CITY, its designee, or any of their duly authorized representatives, access to and the right to examine all material records related to the cost of Project (the "Records") and the expenditure of the Incentives. CITY's access to the Records will be limited to information needed to verify that DEVELOPER is and has been complying with the terms of this Agreement. Any information that is not required by law to be made public shall be kept confidential by the CITY. DEVELOPER shall not be required to disclose to the CITY or TIRZ any information that by law DEVELOPER is required to keep confidential. Should any good faith dispute or question arise as to the validity of the data provided, the CITY reserves the right to require DEVELOPER to obtain an independent firm to verify the information. This certified statement by an independent firm shall be provided at the sole cost of DEVELOPER. The rights to access the Records shall continue as long as the Records are retained by DEVELOPER. Failure to provide reasonable access to the Records to authorized CITY representatives shall be cause for CITY and/or TIRZ to provide notice of intent to suspend or terminate this Agreement as provided for herein, or any portion thereof, for reason of default. Notwithstanding Section A above, all Records shall be retained by DEVELOPER for a period of five (5) years after all performance requirements are achieved for audit purposes until such audits or other administrative, civil or criminal matters including, but not limited to, investigations, lawsuits, administrative inquiries and open record requests are completed.

ARTICLE VII. MONITORING

The CITY reserves the right to confirm DEVELOPER's compliance with the terms and conditions of this Agreement. The CITY will provide DEVELOPER with a written report of the monitor's findings. If the monitoring report notes deficiencies in DEVELOPER's performances under the terms of this Agreement, the monitoring report shall include a listing of requirements for the correction of such deficiencies by DEVELOPER and a reasonable amount of time in which to attain compliance. Failure by DEVELOPER to take action specified in the monitoring report within a reasonable amount of time may be cause for suspension or termination of this Agreement, in accordance with Articles VIII and IX herein.

ARTICLE VIII. DEFAULT/CURE PERIOD/SUSPENSION

A. Notwithstanding the provisions of Chapter 2251 of the Texas Government Code, in the event DEVELOPER fails to comply with the terms of this Agreement such non-compliance shall be deemed a default. CITY shall provide DEVELOPER with written notification as to the nature of the default (the "Notice of Default") and grant DEVELOPER a sixty (60) day period from the date of CITY's written notification to cure such default (the "Cure Period"). Should DEVELOPER fail to cure the default within the Cure Period, CITY may, upon written notification (the "Notice of Suspension"), suspend this Agreement in whole or in part and withhold further payments to DEVELOPER. Such Notice of Suspension shall include: (1) the reasons for such suspension; (2) the effective date of such suspension; and, (3) in the case of partial suspension, the portion of the Agreement to be suspended.

B. In the case of default for causes beyond DEVELOPER's reasonable control, which cannot with due diligence be cured within the Cure Period, CITY may, in its sole discretion, extend the Cure Period provided that DEVELOPER shall: (1) immediately upon receipt of Notice of Default advise CITY of DEVELOPER's intention to institute all steps necessary to cure such default and the associated time frame; and (2) institute and thereafter prosecute to completion with reasonable dispatch all steps necessary to cure same.

C. A suspension under this Article VIII may be lifted only at the sole discretion of the CITY upon a showing of compliance with or written waiver by CITY of the term(s) in question.

D. CITY shall not be liable to DEVELOPER or to DEVELOPER's creditors for costs incurred during any term of suspension of this Agreement.

ARTICLE IX. TERMINATION

A. Should DEVELOPER fail to timely meet the Commencement Date for the Project in accordance with Article III.A.2 above, at CITY's sole discretion, and with 30 days notice to DEVELOPER, CITY may terminate the Agreement, in which instance any and all Incentives offered to DEVELOPER by CITY and TIRZ shall extinguish.

B. CITY and/or TIRZ shall have the right to terminate this Agreement for cause should DEVELOPER fail to perform under the terms and conditions herein, or should DEVELOPER fail to cure a default after receiving written notice of such default with sixty (60) days

opportunity to cure. CITY and TIRZ may, upon issuance to DEVELOPER of written notice of termination (the “Notice of Termination”), terminate this Agreement for cause and withhold further payments to DEVELOPER. A Notice of Termination shall include: (1) the reasons for such termination; and (2) the effective date of such Termination.

C. Should CITY and/or TIRZ terminate this Agreement for cause, then CITY shall have the right to recapture any and all disbursed funds made under, as applicable, the Economic Development Program Annual Incremental Property Tax Reimbursement, and/or any and all disbursed Incentive Loan Funds. CITY shall be entitled to the repayment of the recaptured funds within sixty (60) calendar days from the date of the Notice of Termination.

D. In addition to the above, this Agreement may be terminated by written agreement of the Parties as follows:

1. By the CITY (with the consent of DEVELOPER) in which case the two parties shall agree upon the termination conditions, including the repayment of funds and the effective date of termination; or
2. By the DEVELOPER upon written notification to CITY, setting forth the reasons of such termination, a proposed pay-back plan of all funds disbursed, and the proposed effective date of such termination.

Notwithstanding the foregoing, DEVELOPER shall not be relieved of its obligation to repay any and all disbursed funds made under this Agreement, nor shall DEVELOPER be relieved of any liability to CITY for actual damages due to CITY by virtue of any material breach by DEVELOPER of any terms of this Agreement.

E. Other Remedies Available. The City shall have the right to seek any remedy at law to which it may be entitled, in addition to termination and repayment of funds, if DEVELOPER defaults under the material terms of this Agreement and fails to cure such default within the cure period set forth above.

ARTICLE X. NOTICE

Any notice required or permitted to be given hereunder by one Party to the other shall be in writing and the same shall be given and shall be deemed to have been served and given if: (a) delivered in person to the address set forth herein below for the Party to whom the notice is given; (b) placed in the United States mail with postage prepaid, return receipt requested, properly addressed to such Party at the address hereinafter specified; (c) scanned and emailed with an original to be sent via First Class United States Mail or (d) deposited, with fees prepaid, into the custody of a nationally recognized overnight delivery service such as FedEx, addressed to such Party at the address hereinafter specified. Any notice mailed in the above manner shall be effective two (2) business days following its deposit into the custody of the United States Postal Service or one (1) business day following its deposit into the custody of such nationally recognized delivery service, as applicable; all other notices shall be effective upon receipt. From time to time, either Party may designate another address for all purposes under this Agreement

by giving the other Party no less than ten (10) calendar days advance written notice of such change of address in accordance with the provisions hereof.

ARTICLE XI. SPECIAL CONDITIONS AND TERMS

A. Termination of TIRZ. The Parties agree that, in the event that the CITY, acting in accordance with State law, terminates the TIRZ or adopts an ordinance that causes the termination date of the TIRZ to occur on a date earlier than provided in the ordinance that initially established the TIRZ or by subsequent CITY ordinance, the DEVELOPER may petition the CITY to amend this Agreement, in its sole discretion, to provide for the payment of the Annual Property Tax Increment Reimbursement in accordance with the material terms and conditions of this Agreement. However, should the Project become located in another TIRZ, DEVELOPER may alternatively petition for assignment to said TIRZ in accordance with Article XXI.B.

B. Employment. DEVELOPER, in accordance with Chapter 2264 of the Texas Government Code, agrees not to knowingly employ any undocumented workers at the Project during the Term of this Agreement. If DEVELOPER is convicted of a violation under 8 U.S.C. Section 1324a (f), then DEVELOPER shall repay the CITY or TIRZ the Incentives paid under this Agreement for the tax year(s) covered under this Agreement during which such violation occurred. Such payment shall be made within 120 business days after the date DEVELOPER is notified by the CITY of such violation. The CITY, in its sole discretion, may extend the period for repayment herein. Additionally, DEVELOPER shall pay interest on the amounts due to CITY or TIRZ at the rate periodically announced by the Wall Street Journal as the prime or base commercial lending rate, or if the Wall Street Journal shall ever cease to exist or cease to announce a prime or base lending rate, then at the annual rate of interest from time to time announced by Citibank, N.A. (or by any other New York money center bank selected by the CITY) as its prime or base commercial lending rate, from the date of such violation notice until paid.

ARTICLE XII. CONFLICT OF INTEREST

A. DEVELOPER shall ensure that no employee, officer, or individual agent of CITY shall participate in the selection, award or administration of a subcontract supported by funds provided hereunder if a conflict of interest, real or apparent, would be involved. Such conflict of interest would arise when: (1) the employee, officer, or individual agent; (2) any member of his or her immediate family; (3) his or her partner; or, (4) any organization which employs, or is about to employ any of the above, has a financial or other interest in the firm or person selected to perform the subcontract and the relationship calls for payments to be made to such subcontractor on terms which are greater than those which are customary in the industry for similar services conducted on similar terms. DEVELOPER shall comply with Chapter 171, Texas Local Government Code as well as the CITY's Code of Ethics.

B. City may terminate this Agreement immediately if the DEVELOPER has offered, conferred, or agreed to confer any benefit on a City of San Antonio employee or official that the City of San Antonio employee or official is prohibited by law from accepting. Benefit means anything reasonably regarded as pecuniary gain or pecuniary advantage, including benefit to any other person in whose welfare the beneficiary has a direct or substantial interest, but does not include a contribution or expenditure made and reported in accordance with law. Notwithstanding any other legal remedies, the City may obtain reimbursement for any expenditure made to the DEVELOPER resulting from the improper offer, agreement to confer, or conferring of a benefit to a City of San Antonio employee or official.

ARTICLE XIII. NONDISCRIMINATION AND SECTARIAN ACTIVITY

A. As a condition of entering into this Agreement, DEVELOPER represents and warrants that it will comply with the CITY's Commercial Nondiscrimination Policy, as described under Section III. C. 1. of the SBEDA Ordinance 2010-06-17-0531. As part of such compliance, DEVELOPER shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of subcontractors, vendors, suppliers, or commercial customers funded in whole or in part with funds made available under this Agreement, nor shall DEVELOPER retaliate against any person for reporting instances of such discrimination. DEVELOPER shall provide equal opportunity for subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the CITY's relevant marketplace. DEVELOPER understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of DEVELOPER from participating in City contracts, or other sanctions as provided by applicable law. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

B. None of the performances rendered by DEVELOPER under this Agreement shall involve, and no portion of the Incentives received by DEVELOPER under this Agreement shall be used in support of, any sectarian or religious activity, nor shall any facility used in the performance of this Agreement be used for sectarian instruction or as a place of religious worship.

C. DEVELOPER shall, to the best of its knowledge and belief, include the substance of this Article in all agreements entered into by DEVELOPER associated with the funds made available through this Agreement.

ARTICLE XIV. LEGAL AUTHORITY

A. Each Party assures and guarantees to the other that they possesses the legal authority to enter into this Agreement, to receive/deliver the Incentives authorized by this Agreement, and to perform their obligations hereunder.

B. The person or persons signing and executing this Agreement on behalf of each Party or representing themselves as signing and executing this Agreement on behalf of a Party, do hereby guarantee that he, she or they have been duly authorized to execute this Agreement on behalf of that Party and to validly and legally bind that Party to all terms, performances and provisions herein set forth.

C. CITY will have the right to suspend or terminate this Agreement in accordance with Articles VIII or IX if there is a dispute as to the legal authority of either DEVELOPER or the person signing this Agreement, to enter into this Agreement, any amendments hereto or failure to render performances hereunder. DEVELOPER is liable to CITY for all Incentives it has received from CITY under this Agreement if CITY suspends or terminates this Agreement for reasons enumerated in this Article.

ARTICLE XV. LITIGATION AND CLAIMS

A. DEVELOPER shall give CITY immediate notice in writing of any action, including any proceeding before an administrative agency, filed against DEVELOPER arising out the performance of any activities hereunder. Except as otherwise directed by CITY, DEVELOPER shall furnish immediately to CITY copies of all pertinent papers received by DEVELOPER with respect to such action or claim. DEVELOPER shall notify the CITY immediately of any legal action, known to DEVELOPER, filed against the DEVELOPER or any subcontractor thereto, or of any known proceeding filed under the federal bankruptcy code to which DEVELOPER or any subcontractor is a party. DEVELOPER shall submit a copy of such notice to CITY within 30 calendar days after receipt. No Incentives provided under this Agreement may be used in the payment of any costs incurred from violations or settlements of, or failure to comply with, federal and state regulations. The above notwithstanding, DEVELOPER is not required to notify CITY of claims or litigation which arise out of DEVELOPER's operations on the Project, including, without limitation, landlord tenant disputes, personal injury actions (e.g., slip and falls), and other operational activities or relationships.

B. DEVELOPER acknowledges that CITY is a political subdivision of the State of Texas

and is subject to, and complies with, the applicable provisions of the Texas Tort Claims Act, as set out in the Civil Practice and Remedies Code, Section 101.001 *et seq.*, and the remedies authorized therein regarding claims and causes of action that may be asserted by third parties for accident, injury or death.

**City of San Antonio
Center City Housing Incentive Policy
(Amended June 16, 2016)**

Section 1. Background

In spring 2011, Centro Partnership San Antonio initiated the creation of a Downtown Strategic Framework Plan. In an effort to ensure the execution of the Framework Plan, the Center City Development Office created the Center City Implementation Plan.

The Center City Implementation Plan provided recommendations on how to best implement the Downtown Strategic Framework Plan through increased public investment, creation of a housing finance strategy, coordinated management, and regulation of development. The Implementation Plan recommended that the City establish a predictable housing incentive system for housing in the Center City. Such a system would assist in normalizing land values, provide greater certainty, increase the speed of approvals, and reduce the risk associated with infill development. Therefore, the Center City Development Office developed the Center City Housing Incentive Policy (CCHIP).

The CCHIP incorporates the goals and objectives of the Implementation Plan and provides greater incentives to housing projects within targeted growth areas identified in the Downtown Strategic Framework Plan and prioritizes the Downtown Core. The Policy encourages historic rehabilitation, adaptive reuse, brownfield redevelopment, and transit-oriented development. Finally, the policy rewards good urban design and encourages Mixed-Use and mixed income development and redevelopment.

Section 2. Eligibility

The CCHIP applies to high density rental and for-sale housing projects (Projects) within the Greater Downtown Area (GDA). Eligible Projects may receive City Fee Waivers, SAWS Impact Fee Waivers, Real Property Tax Reimbursement Grants, Development Loans, and Mixed-Use Development Forgivable Loans based on the terms outlined in the CCHIP.

Projects with an approved building permit at time of agreement execution are not eligible for CCHIP incentives. All projects must receive approval from the Historic Design Review Commission prior to project commencement.

If a Project is a market rate rental project, it is required to maintain 10% of its housing units at the Project's first year rental rate per square foot, adjusted for inflation in accordance with the Consumer Price Index (CPI) for the 0300 South Urban area for the term of the Agreement.

Properties requiring rezoning from "Residential Single-Family" or "Residential Mixed District," per the Unified Development Code, are not eligible.

Section 3. Definitions

Adaptive Reuse – The reuse of a building or structure, usually for a purpose different from the original. The term implies that certain structural or design changes have been made to the building in order for it to function in its new use.

Brownfield Redevelopment – Abandoned or underutilized properties where expansion, renovation or redevelopment is complicated by real or perceived environmental contamination. Environmental site assessments for the property should suggest potential for environmental contamination.

Community Use – A Project that includes one or more of the following community-serving amenities: a plaza or open space that is accessible to the public and designed and maintained to the City's urban design standards; ground-floor retail space for neighborhood-supporting retail; office or other commercial space; or educational, health, recreational, or other essential neighborhood services.

High-rise Residential Development – A Project that is at least 75 feet in height.

Historic Rehabilitation – The process of returning a property to a state of utility, through repair or alteration, which makes possible an efficient contemporary use while preserving those portions and features of the property that are significant to its historic, architectural and cultural values.

Inner City Reinvestment/Infill Policy (ICRIP) – A Policy of the City of San Antonio to promote growth and development in the heart of the City, specifically in areas that are currently served by public infrastructure and transit, but underserved by residential and commercial real estate markets. It is the intent of this policy to coordinate public initiatives within targeted areas in order to stimulate private investment in a walkable urban community that are the building blocks of a sustainable region. The ICRIP identifies a range of public incentives, including regulatory, procedural, and financing incentives.

Low Impact Development (LID) – A sustainable design approach to managing stormwater runoff as close as possible to the source as defined by San Antonio's Unified Development Code. LID features emphasize the use of on-site natural drainage features, maintain or enhance the site's hydrologic characteristics after development, reduce overall imperviousness, and treat stormwater for quality. Examples may include bioretention facilities, rain gardens, vegetated rooftops, rain barrels and permeable pavements.

Market-Rate Housing – A Project in which more than 85% of the units are priced for rental or sale subject to market conditions, without temporary or permanent pricing restrictions.

Mixed Income Housing – A Project in which at least 15% of the housing units are priced for rental or sale to households or persons at or below 80% of the Area Median Income.

Project – A rental or for sale housing development that creates multiple housing units at a density of at least:

- 8 housing units per acre for adaptive reuse or historic rehabilitation projects
- 16 housing units per acre for all other projects

Structured Parking – Multilevel parking facilities that are constructed as part of a Project. Does not apply to surface parking.

Student Housing – A Project in which the majority of the housing units are occupied by full-time students registered at an accredited post secondary educational institution. Student enrollment

and tuition payment must be verified for units to qualify as student housing.

Transit-Oriented Development – A Project designed to maximize access to public transport that encourages transit ridership.

Section 4. Geographic Area

The level of incentives provided by the CCHIP is based on the Project's location within the Greater Downtown Area (GDA). The level of incentives will increase if the Project is within the Central Business District (CBD) as defined by the San Antonio Code of Ordinances: Chapter 19, Article I, Section 19-1. See attached map in Exhibit A for program areas.

Section 5. Fee Waivers

A Project within the GDA will receive City Fee Waivers as permitted by the Inner City Reinvestment Infill Policy.

A Project within the CBD is also eligible to receive a SAWS Impact Fee Waiver equal to 100% of the Project's SAWS water and impact fees. SAWS fee waivers for a Project within the GDA outside of the CBD may not exceed \$500,000. All Fee Waivers are subject to funding availability.

Section 6. Real Property Tax Reimbursement Grant

Eligible projects will receive a Real Property Tax Reimbursement Grant (Grant) disbursed over 15 years for projects in the CBD or 10 years for projects within the GDA but outside of the CBD. The City's real property tax increment generated as a result of the Project is the funding source of the Grant. If a Project is within a Tax Increment Reinvestment Zone it will receive a rebate up to 100% of the previous year's real property tax increment remitted to the City over a period of time that is determined based on the Projects geographic location or type. The rebate is based on the City's participation level in the Tax Increment Reinvestment Zone where the Project is located. If a Project is not within a Tax Increment Reinvestment Zone it will receive a rebate of the previous year's real property tax increment remitted to the City equal to the Operations & Maintenance portion of the City's tax revenue (approximately 62.6%). Rebate payments through the Real Property Tax Reimbursement Grant may be requested after Project completion on an annual basis, and payments will be disbursed annually as funds become available.

Additionally, if the Project qualifies for a Historic Tax Exemption or Historic Tax Credit per the Office of Historic Preservation, the Tax Rebate Grant and the Tax Credit or Exemption will be used together when possible in order to maximize the incentive.

Section 7. Development Loan

A Project qualifies for a Development Loan if the Project meets at least one of the following Project Categories:

1. Mixed Income
2. Community Use
3. Adaptive Reuse
4. Brownfield Redevelopment

5. Historic Rehabilitation
6. High-rise Residential Development
7. Student Housing
8. Transit Oriented Development within ¼ mile of Centro Plaza or the Robert Thompson Transit Center

If the Project meets the Mixed Income or Student Housing Category, it must remain Mixed Income or Student Housing for the term of the Real Property Tax Reimbursement Grant. The Development Loan amount is calculated per housing unit and varies based on Project location.

CBD – A Project in the CBD will receive \$3,000 per housing unit for each of the Categories it meets, up to two (2) Categories.

GDA – A Project in the GDA but outside of the CBD will receive \$1,500 per housing unit for each of the Categories it meets, up to two (2) Categories.

Additionally, a Project qualifies for a Development Loan bonus equal to \$1,000 per housing unit if it includes structured parking that supports the housing units and \$500 per housing unit for Low Impact Development projects. The Development Loan is a fixed 2% rate with interest compounding annually through the repayment in year seven (7). For Projects within the CBD, 15% of the total Development Loan is forgivable on an annual basis through year six (6) and 10% in the seventh year.

Section 8. Mixed-Use Forgivable Loan

A Project that develops commercial office or retail space within the Project is eligible to receive an interest-free Mixed-Use Forgivable Loan (Mixed-Use Loan) for retail and commercial tenant finish-out improvements. Mixed-Use Loan amounts vary depending on the target area in which the project falls.

CBD – A Project in the CBD may receive a loan in an amount equal to \$25 per square foot of total first floor retail and \$20 per square foot of total commercial office space.

GDA – A Project in the GDA outside of the CBD may receive a loan in an amount equal to \$20 per square foot of total first floor retail and \$10 per square foot of total commercial office space.

20% of the entire Mixed-Use Loan amount will be forgiven annually over a 5-year period provided the space is leased for at least 80% each year and that the Mixed-Use Loan funds are a direct pass-through to the initial tenant of the space to be used exclusively for tenant finish-out improvements. Mixed-Use Loans are contingent upon available funding.

Section 9. Other Loan Details

A Development Loan for a Project within the GDA but outside of the CBD may not exceed \$500,000. Any Development Loan incentives not requested within 90 days of the project completion date will be forfeited. All loans must be repaid upon sale or transfer of the Project to any unaffiliated entity other than the original signatory of the agreement. Development Loans are contingent upon available funding. City Council allocates Inner City Incentive Funds through the annual budget process.

Section 10. Exceptions

Any exceptions to the CCHIP require City Council approval.

Section 11. Review and Term

The City will initiate a housing study for the CCHIP area every two years to inventory the total number of housing units, monitor the rental rates and sales values, and identify any necessary adjustments to the policy. Unless the City Council extends and or amends the terms of the CCHIP, it will expire on June 30, 2018.

Section 12. Recapture Provisions

CCHIP Agreements will include a provision for the recapture of the incentives (e.g. grants and loans) in the event Agreement terms and requirements are not met. These recapture provisions will survive any subsequent assignment of the Agreement.

Section 13. Administration

The Center City Development & Operations (CCDO) Department will administer the CCHIP and any associated program fees. The CCDO Director is authorized to make non-substantive program changes as necessary for administrative purposes.

Section 14. Legal Documents

The legal documents used to officiate this policy include the CCHIP Application and the CCHIP Incentive Agreement as described in Exhibits B and C, which may be amended as necessary. The City Attorney's Office, in conjunction with the City Manager or her designee, may negotiate additional terms of the agreement as long as those terms do not change the total incentive amount. The City Manager or her designee will be the signatory of the agreement.

RE: The Floodgate Building
CCHIP Application

Dear Center City Development Office,
The Floodgate Building, located at 139-147 E. Commerce St. will be a high-end restaurant, retail, commercial, and multifamily project with an on-site parking system, that aims to revitalize and enliven the Hugman floodgate section of San Antonio's River Walk, as well as this section of Commerce St.

The removal the existing structures, housing 10,000 sq ft of Grade C dilapidated retail and restaurant space, will allow the creation of an interactive destination for downtown workers, residents, and visitors. The design calls for 15,000 sq ft of restaurant/retail space on the River Walk and Commerce St, a 1,500 sq ft open 'Pasillo' space connecting the River Walk to Commerce St. via a series of terraces hosting café a seating and small shops, and high-end residential rental with a private automated parking system. The concierge service apartments will also have and executive gym facility and roof-top event space with an open-air terrace overlooking our River Walk, Main Plaza, and the evolving San Antonio skyline.

The attached HDRC presentation will show how existing floodwall stonework will be repurposed at the base of the river elevations; new local limestone rockwork and slab panels will be incorporated into the contemporary architecture created by Overland Partners. In bisecting and setting the pedestal base of the building back from the property line, a more open and accessible river level is created which opens to the terraced passage up to Commerce Street – effectively extending the River Walk energy onto Main Plaza, the new San Pedro Creek improvement, and Market Square within the Zona Cultural.

Also attached, please find our working Project Proforma. This is based on market standards, pre-construction estimates by two major construction companies, and the assumption of certain available incentives. Along with the proforma, you'll find a SAWS Impact Fee Estimate.

KELLER HENDERSON INTERIORS

The property has been owned by the same family for several generations, who view this as a heritage property for future generations, and whom have no intention of selling once redeveloped. In as much, this privately held property will be constructed and maintained at an elevated level from typical mixed-use commercial ventures. The intent of this development is, of course, is to be commercially viable in order to maintain maintenance contracts and responsibilities, on-site employees, and profitable enough to incentivize the process and expense in creating what is intended to be landmark building adding to the charm and sophistication of San Antonio's core.

I am representing the owners and acting as the project developer, as my family's business has managed their investment properties in San Antonio for several decades. Since forming my design firm in New York in 1991, I've designed, GC'd, and project managed high end residential and commercial projects in New York City and its surrounds, ranging from 'gut' renovations of Pre-War apartments, to full renovations of historic townhouses in Manhattan - creating and managing many complicated and complex projects.

Returning to San Antonio and opening an office in 2010, I originally presented this property to HDRC, and received conceptual approval, for its restoration and excavation of an additional restaurant space on the River Walk in 2014. Subsequently, the property has passed into the responsibility of the family's next generation and San Antonio has shown a very promising inward vision toward the CBD; the enthusiasm, investment of capital and growth generating enterprises, and focus on cultural attributes and redevelopment of the city core by Bexar County and the City of San Antonio have encouraged us to pursue a larger opportunity and realize a greater potential for this portion of the River Walk which we hope you'll find evident in the design.

I'd like to take this opportunity to thank you in advance for your time and consideration of this incentive application, and encourage you to contact me should you have any questions, comments, or require additional information on the proposed project.

Sincerely,

Keller Henderson
